PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

To be Held at 9:00 A.M. Eastern Time on September 14, 2017

This proxy statement (the “Proxy Statement”) is furnished in connection with the solicitation of proxies by the Board of Directors (the “Board”) of AMREP Corporation (the “Company”) for use at the Annual Meeting of Shareholders of the Company to be held on September 14, 2017, and at any continuation or adjournment thereof (the “Annual Meeting”). The Annual Meeting will be held at the Conference Center at 660 West Germantown Pike, Plymouth Meeting, Pennsylvania 19462.

The Annual Report of the Company on Form 10-K for the fiscal year ended April 30, 2017 filed on July 18, 2017 with the Securities and Exchange Commission is included in this mailing but does not constitute a part of the proxy solicitation material. This Proxy Statement and the accompanying Notice of 2017 Annual Meeting of Shareholders and proxy card are first being sent to shareholders on or about August 7, 2017. All references in this Proxy Statement to fiscal 2017 and fiscal 2016 mean the Company’s fiscal years ended April 30, 2017 and 2016.

QUESTIONS AND ANSWERS CONCERNING THE ANNUAL MEETING

What will be voted on at the Annual Meeting?

There are two matters scheduled for a vote:

Proposal Number 1: Election of two directors in Class III to hold office until the 2020 annual meeting of shareholders and until their successors are elected and qualified; and

Proposal Number 2: Approval, on an advisory basis, of the compensation paid to the Company's named executive officers as disclosed in this Proxy Statement.

What if another matter is properly brought before the Annual Meeting?

The Board knows of no other matters that will be presented for consideration at the Annual Meeting. If any other matters are properly brought before the Annual Meeting, it is the intention of the persons named in the accompanying proxy to vote on those matters in accordance with their best judgment.

How does the Board recommend I vote on the proposals?

The Board recommends that you vote:

· "FOR" the election as directors of the nominees named in this Proxy Statement; and

· "FOR" the approval, on an advisory basis, of the compensation paid to the Company's named executive officers as disclosed in this Proxy Statement.

Who is entitled to vote at the Annual Meeting?

Only shareholders of record as of the close of business on July 26, 2017, the date fixed by the Board in accordance with the Company's By-Laws, are entitled to notice of and to vote at the Annual Meeting.

If I have given a proxy, how do I revoke that proxy?

Anyone giving a proxy may revoke it at any time before it is exercised by giving the Secretary of the Company written notice of the revocation, by submitting a proxy bearing a later date or by attending the Annual Meeting and voting.

How will my proxy be voted?

All properly executed, unrevoked proxies in the enclosed form that are received in time will be voted in accordance with the shareholders' directions and, unless contrary directions are given, will be voted "FOR" the election as directors of the nominees named in this Proxy Statement and "FOR" the approval, on an advisory basis, of the compensation paid to the Company's named executive officers as disclosed in this Proxy Statement.

What if a nominee is unwilling or unable to serve?

This is not expected to occur but, in the event that it does, proxies will be voted for a substitute nominee designated by the Board or, in the discretion of the Board, the position may be left vacant.

What are "broker non-votes"?

Under the rules that govern brokers, if brokers or nominees who hold shares in "street name" on behalf of beneficial owners do not have instructions on how to vote on matters deemed by the New York Stock Exchange to be "non-routine" (which include the proposals in this Proxy Statement), a broker non-vote of those shares will occur, which means the shares will not be voted on such matters. If your shares are held in "street name," you must cast your vote or

instruct your nominee or broker to do so if you want your vote to be counted with respect to the proposals in this Proxy Statement.

How are votes counted?

Votes will be counted by the inspector of election appointed for the Annual Meeting, who will separately count votes as follows:

for Proposal Number 1 (for the election of directors), votes “For” and “Withhold” and broker non-votes; and

for Proposal Number 2 (approval, on an advisory basis, of the compensation paid to the Company’s named executive officers as disclosed in this Proxy Statement), votes “For” and “Against,” abstentions and broker non-votes. Abstentions are treated as shares present and entitled to vote on Proposal Number 2 and, therefore, will have the same effect as a vote “Against” Proposal Number 2.

Broker non-votes have no effect and will not be counted towards the vote total for any proposal.

How many votes are needed to approve each proposal?

With respect to Proposal Number 1 (for the election of directors), the two nominees receiving the highest number of “FOR” votes from the holders of shares present in person or represented by proxy and entitled to vote will be elected as directors. This is referred to as a plurality.

Proposal Number 2 (approval, on an advisory basis, of the compensation paid to the Company’s named executive officers as disclosed in this Proxy Statement) must receive “For” votes from the holders of a majority of shares present in person or represented by proxy and entitled to vote in order to be approved.

How many shares can be voted at the Annual Meeting?

As of July 26, 2017, the Company had issued and outstanding 8,089,204 shares of common stock, par value \$.10 per share (“Common Stock”). Each share of Common Stock is entitled to one vote on matters to come before the Annual Meeting.

How many votes will I be entitled to cast at the Annual Meeting?

You will be entitled to cast one vote for each share of Common Stock you held at the close of business on July 26, 2017, the record date for the Annual Meeting, as shown on the list of shareholders at that date prepared by the Company’s transfer agent for the Common Stock.

What is a “quorum?”

The presence, in person or by proxy, of the holders of a majority of the outstanding shares of Common Stock of the Company authorized to vote will constitute a quorum for the transaction of business at the Annual Meeting. Abstentions will be counted in determining whether a quorum is present at the Annual Meeting. Broker non-votes will be counted for purposes of calculating whether a quorum is present at the Annual Meeting, but will not be counted for purposes of determining the number of votes present in person or represented by proxy and entitled to vote with respect to a particular proposal. Broker non-votes will not, therefore, impact the Company’s ability to obtain a quorum and will have no effect on the election of directors or approval, on an advisory basis, of the compensation paid to the Company’s named executive officers as disclosed in this Proxy Statement. A quorum must be present in order to transact business at the Annual Meeting.

Who may attend the Annual Meeting?

All shareholders of the Company who owned shares of record at the close of business on July 26, 2017 may attend the Annual Meeting. If you want to vote in person and you hold Common Stock in street name (*i.e.*, your shares are held in the name of a broker, dealer, custodian bank or other nominee), you must obtain a proxy card issued in your name from the firm that holds your shares and bring that proxy card to the Annual Meeting, together with a copy of a statement from that firm reflecting your share ownership as of the record date, and valid identification. If you hold your shares in street name and want to attend the Annual Meeting but not vote in person, you must bring to the Annual Meeting a copy of a statement from the firm that holds your shares reflecting your share ownership as of the record date and valid identification.

Russo, who are the incumbent Class III directors, for reelection at the Annual Meeting. Although the Board does not expect that either of the persons nominated will be unable to serve as a director, should either of them become unavailable it is intended that the shares represented by proxies in the accompanying form will be voted for the election of a substitute nominee or nominees recommended to the Board by the Nominating and Corporate Governance Committee or, in the discretion of the Board, the position may be left vacant.

The following information relates to the nominees of the Board for election and the other directors of the Company.

THE BOARD UNANIMOUSLY RECOMMENDS A VOTE “FOR” THE TWO CLASS III NOMINEES.

PROPOSAL NUMBER 2

ADVISORY VOTE ON THE COMPENSATION PAID TO THE COMPANY'S NAMED EXECUTIVE OFFICERS

Under the Dodd-Frank Wall Street Reform and Consumer Protection Act (the "Dodd-Frank Act") and Section 14A of the Securities Exchange Act of 1934, as amended, the Company's shareholders are entitled to vote to approve, on an advisory basis, the compensation paid to the Company's named executive officers as disclosed in this Proxy Statement in accordance with the rules of the Securities and Exchange Commission. The compensation paid to the Company's named executive officers subject to the vote is disclosed in the compensation table and related narrative disclosure contained in this Proxy Statement.

The Board is asking the shareholders to indicate their support for the compensation paid to the Company's named executive officers as described in this Proxy Statement by casting a non-binding advisory vote "FOR" the following resolution:

"RESOLVED, that the shareholders of AMREP Corporation hereby APPROVE, on a nonbinding advisory basis, the compensation paid to the Company's named executive officers, as disclosed in the Company's proxy statement for the 2017 Annual Meeting of Shareholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the executive compensation table and narrative discussion disclosed therein."

Because the vote is advisory, it is not binding on the Board or the Company. In accordance with the Dodd-Frank Act, the vote to approve the compensation of the Company's named executive officers shall not be construed: (i) as overruling any decision by the Company or the Board; (ii) to create or imply any change in the fiduciary duties of the Company or the Board; or (iii) to create or imply any additional fiduciary duties for the Company or the Board. Nevertheless, the views expressed by the shareholders, whether through this vote or otherwise, are important to management and the Board and, accordingly, the Board and the Compensation and Human Resources Committee intend to consider the results of this vote in making determinations in the future regarding executive compensation arrangements.

At the most recent annual meeting of shareholders held on September 13, 2016, the Company's shareholders voted to approve, on an advisory basis, the compensation paid to the Company's named executive officers as disclosed in the proxy statement for that meeting dated August 5, 2016. Nevertheless, the Company did receive a significant number of votes against approving this compensation, primarily from the Company's largest beneficial shareholder. The Chairman of the Compensation and Human Resources Committee, who is also the Chairman of the Board, reached out

to this major shareholder to receive feedback and better understand the reasons for the negative vote. In response, the shareholder wrote that he “disagreed with the issuance of stock” as a component of executive compensation and also that “given the revenue of the overall company and its direction [he] disagreed with the reported corporate and other overhead structure employed relative to the value of its revenue.” While respecting these views, the Company believes that equity can and often should be an important part of senior executive compensation; further, the Company notes that in fiscal year 2016, there was only a single grant of 3,000 shares of restricted stock to one named executive officer. The shareholder’s second expressed reason for opposing executive compensation does not reflect any specific objection to any particular named executive officer’s compensation but rather reflects a general dissatisfaction with the general direction of the Company and its corporate and other overhead structure. With respect to this objection, the Company notes that it had only three executive officers in fiscal 2016, that their fiscal 2016 annual salaries ranged from \$205,600 to \$288,600, and that no bonus or other incentive compensation was paid to any of these individuals in fiscal year 2016.

Advisory approval of this proposal requires the affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote at the Annual Meeting.

THE BOARD UNANIMOUSLY RECOMMENDS A VOTE “FOR” THE APPROVAL OF THE COMPENSATION PAID TO THE COMPANY’S NAMED EXECUTIVE OFFICERS AS DISCLOSED IN THIS PROXY STATEMENT.

THE BOARD OF DIRECTORS AND ITS COMMITTEES

Governance Standards

The Company's Common Stock is listed on the New York Stock Exchange, and the Company is subject to the New York Stock Exchange's Corporate Governance Standards (the "Governance Standards"). The Governance Standards, among other things, generally require a listed company to have independent directors within the meaning of the Governance Standards as a majority of its board of directors and for the board to have an audit committee, a nominating/corporate governance committee and a compensation committee, each composed entirely of independent directors.

Based principally on their responses to questions to these persons regarding the relationships addressed by the Governance Standards and discussions with them, the Board has determined that other than his service as a director, each of Edward B. Cloues, II, Robert E. Robotti and Albert V. Russo has no material relationship with the Company, either directly or as a partner, shareholder or officer of an organization that has a relationship with the Company, and, therefore, meets the director independence requirements of the Governance Standards.

As required by the Governance Standards, the Board has adopted Corporate Governance Guidelines (the "Guidelines") that address various matters involving the Board and the conduct of its business. The Board has also adopted a Code of Business Conduct and Ethics setting forth principles of business conduct applicable to the directors, officers and employees of the Company. The Guidelines and Code of Business Conduct and Ethics, as well as the charters of the Board's Nominating and Corporate Governance Committee, Audit Committee and Compensation and Human Resources Committee, may be viewed under "Corporate Governance" on the Company's website at www.amrepcorp.com, and written copies will be provided to any shareholder upon written request to the Company at AMREP Corporation, 620 West Germantown Pike, Suite 175, Plymouth Meeting, Pennsylvania 19462, Attention: Corporate Secretary. The Company intends to disclose on its website any amendment to or waiver of any provision of the Code of Business Conduct and Ethics that applies to its principal executive officer, principal financial officer, principal accounting officer or controller or persons performing similar functions.

Directors are expected to attend Annual Meetings of Shareholders, and all of the current directors attended last year's Annual Meeting. A former director of the Company, who ceased to be a director as of the date of last year's Annual Meeting, did not attend last year's Annual Meeting. The Board held seven meetings during the last fiscal year. All of the directors attended at least 75% of the total number of meetings held during the last fiscal year of the Board and its Committees of which they were members. Pursuant to the Guidelines, the Board has established a policy that the non-management directors meet in executive session at least twice per year and that the independent directors also meet in executive session at least twice per year. The Chairman of the Board (currently, Edward B. Cloues, II), if in attendance, will be the presiding director at each such executive session; otherwise, those attending may select a

presiding director. Since December 31, 2010, no member of management has been a director.

Any shareholder or other interested person wishing to communicate with the Board or any of the directors may send a letter addressed to the member or members of the Board to whom the communication is directed in care of AMREP Corporation, 620 West Germantown Pike, Suite 175, Plymouth Meeting, Pennsylvania 19462, Attention: Corporate Secretary. All such communications will be forwarded to the specified addressee(s).

Board Leadership Structure

Since the Company has no chief executive officer, the Board is charged with the oversight of the Company's business. While it is unusual for a company not to have a chief executive officer, the Company believes that its leadership structure is appropriate and works well for it since the membership of the Board includes Mr. Cloues who is an experienced public company chief executive officer, Mr. Robotti who is experienced with financial and accounting matters and is one of the major shareholders of the Company, Mr. Gaasche who is the former chief executive officer of the Company and Mr. Russo who is one of the major shareholders of the Company.

Nominating and Corporate Governance Committee

The Board has a Nominating and Corporate Governance Committee that operates under a written charter adopted by the Board. Each member of the Nominating and Corporate Governance Committee is required to be an independent director, as defined by the Governance Standards. The members of this Committee are Messrs. Cloues (Chairman), Robotti and Russo, each of whom has been determined by the Board to be an independent director within the meaning of the Governance Standards. This Committee reports regularly to the Board concerning its activities. The Nominating and Corporate Governance Committee held three meetings during the last fiscal year.

The duties of the Nominating and Corporate Governance Committee include identifying individuals the Committee considers qualified to be elected Board members consistent with criteria approved by the Board, and recommending persons to be nominated by the Board for election by the shareholders. When considering a nominee for election as a director, the Committee considers the experience, skills and knowledge of business and management practices a candidate may possess and the perspective he or she may bring to the Board, and employs criteria calling for, among other things, personal and professional integrity, good judgment, a high level of ability and business acumen, and experience in the Company's industries, as well as the ability of the nominee to devote sufficient time to performing his or her duties on the Board in an effective manner. Although the Committee has no specific policy regarding the diversity of the membership of the Board, it is the objective of the Committee that the Board be comprised of persons of diverse backgrounds such that as a unit the members of the Board will possess the necessary skills to appropriately discharge their responsibilities as the Company's directors. The Committee is also responsible for periodically reviewing and recommending changes to the Guidelines and for overseeing the Company's corporate governance practices.

The Nominating and Corporate Governance Committee will consider candidates for director recommended by shareholders on the same basis as any other proposed nominees. Any shareholder desiring to propose a candidate for selection as a nominee of the Board for election at the 2018 Annual Meeting of Shareholders may do so by sending a written communication no later than May 1, 2018 to the Nominating and Corporate Governance Committee, AMREP Corporation, 620 West Germantown Pike, Suite 175, Plymouth Meeting, Pennsylvania 19462, Attention: Corporate

Secretary, identifying the proposing shareholder, specifying the number of shares of Common Stock held by such shareholder and stating the name and address of the proposed nominee and the information concerning such person that the regulations of the Securities and Exchange Commission require be included in a proxy statement relating to such person's proposed election as a director.

- 12 -

Audit Committee

The Board has an Audit Committee that operates under a written charter adopted by the Board. Each member of the Audit Committee is required to be an independent director, as defined by the Governance Standards. The members of this Committee are Messrs. Robotti (Chairman), Cloues and Russo, each of whom has been determined by the Board to be an independent director within the meaning of the Governance Standards. The Board has also determined that Mr. Robotti qualifies as an audit committee financial expert within the meaning of Securities and Exchange Commission regulations. This Committee reports regularly to the Board concerning its activities. The Audit Committee held six meetings during the last fiscal year.

The duties of the Audit Committee include (i) appointing the Company's independent registered public accounting firm, approving the services to be provided by that firm and its compensation and reviewing that firm's independence and performance of services, (ii) reviewing the scope and results of the yearly audit by the independent registered public accounting firm, (iii) reviewing the Company's system of internal controls and procedures, (iv) reviewing with management and the independent registered public accounting firm the Company's annual and quarterly financial statements, (v) reviewing the Company's financial reporting and accounting standards and principles and (vi) overseeing the administration and enforcement of the Company's Code of Business Conduct and Ethics. In addition to the Audit Committee's responsibilities set forth above, the Audit Committee has, pursuant to its charter, primary responsibility for the oversight of risks that could affect the Company.

Compensation and Human Resources Committee

The Board has a Compensation and Human Resources Committee that operates under a written charter adopted by the Board. Each member of the Compensation and Human Resources Committee is required to be an independent director, as defined by the Governance Standards. The members of this Committee are Messrs. Cloues (Chairman), Robotti and Russo, each of whom has been determined by the Board to be an independent director within the meaning of the Governance Standards. This Committee reports regularly to the Board concerning its activities. During the last fiscal year, the Compensation and Human Resources Committee held six meetings. In addition, a subcommittee of the Compensation and Human Resources Committee held three meetings during the last fiscal year to consider and approve certain equity compensation awards.

The Compensation and Human Resources Committee is responsible for reviewing and approving the corporate goals and objectives applicable to the Company's chief executive officer, if any, and determining his compensation and that of the Company's other executive officers, establishing overall compensation and benefit levels and fixing bonus pools for other employees, and making recommendations to the Board concerning other matters relating to employee and director compensation. With respect to salaries, bonuses and other compensation and benefits, the decisions and recommendations of the Compensation and Human Resources Committee are subjective and are not based on any list

of specific criteria. In the past, factors influencing the Committee's decisions regarding executive salaries have included the Committee's assessment of the executive's performance and any changes in functional responsibility. In determining the salary to be paid to a particular individual, the Committee applies these and other criteria, while also using its best judgment of compensation applicable to other executives holding comparable positions both within the Company and at other companies. Additionally, the Committee in developing its recommendations regarding director compensation looks to director compensation at other public companies of the Company's size. Executive officers of the Company do not play a role in determining their compensation. Neither the Board nor the Committee has engaged compensation consultants for the purposes of determining or advising upon executive or director compensation.

Risk Oversight

The Board is actively involved in risk oversight and management of risk. The Board has ultimate responsibility for the oversight of risks facing the Company and for the management of those risks, with the Audit Committee conducting preliminary evaluations of risk and addressing risk prior to review by the Board. The Audit Committee considers and reviews with management the Company's internal control processes. The Audit Committee also considers and reviews with the Company's independent registered public accounting firm the adequacy of the Company's internal controls, including the processes for identifying significant risks or exposures, and elicits recommendations for the improvement of such procedures where needed. In addition to the Audit Committee's role, the full Board is involved in the oversight and administration of risk and risk management practices by overseeing members of senior management in their risk management capacities. Members of the Company's senior management have day-to-day responsibility for risk management and establishing risk management practices, and members of management are expected to report matters relating specifically to the Audit Committee directly thereto, and to report all other matters directly to the Chairman of the Board or the Board as a whole. Members of the Company's senior management have an open line of communication to the Chairman of the Board and the Board as a whole and have the discretion to raise issues from time-to-time in any manner they deem appropriate, and management's reporting on issues relating to risk management typically occurs through direct communication with directors, the Chairman of the Board or the Audit Committee as matters requiring attention arise.

In furtherance of its risk oversight responsibilities, the Board has evaluated the Company's overall compensation policies and practices for its employees to determine whether such policies and practices create incentives that could reasonably be expected to affect the risks faced by the Company and its management, has further assessed whether any risks arising from these policies and practices are reasonably likely to have a material adverse effect on the Company, and has concluded that the risks arising from the Company's policies and practices are not reasonably likely to have a material adverse effect on the Company.

Other than as described below, the Company's executive officers are not subject to agreements or other arrangements that provide for payments upon a change in control of the Company and the Company's policies for severance payments upon termination of employment apply to the executive officers on the same basis as the Company's other salaried employees. The Compensation and Human Resources Committee retains the discretion to enter into severance agreements with individual executive officers on terms satisfactory to it. Effective as of March 5, 2014, Palm Coast Data LLC entered into a change of control agreement (the "COC Agreement") with Mr. Burke. The COC Agreement provides for certain rights and benefits in the event Palm Coast Data LLC terminates Mr. Burke's employment without cause or Mr. Burke terminates his employment with Palm Coast Data LLC for good reason (as each of those terms are defined in the COC Agreement), and in each case in connection with a change in control of the Company or Palm Coast Data LLC (a "double-trigger"), including severance payable to Mr. Burke equal to one times his annual base salary and continued health and medical insurance to Mr. Burke for one year. In addition, if the change of control is solely with respect to Palm Coast Data LLC, the COC Agreement provides that any vesting, restrictions or conditions on the exercisability or the sale of equity awards granted by the Company or its affiliates to Mr. Burke shall lapse or otherwise be deemed fully vested, accelerated or otherwise satisfied. These rights and benefits are subject to certain customary non-competition and non-solicitation obligations and are contingent upon the execution of a release.

Under the terms of the AMREP Corporation 2006 Equity Compensation Plan, its administrator has the discretion to accelerate the vesting of, or otherwise remove restrictions on, awards under the AMREP Corporation 2006 Equity Compensation Plan upon a change in control of the Company. The AMREP Corporation 2006 Equity Compensation Plan expired by its terms on September 19, 2016. In fiscal 2017, the Board adopted, and the shareholders approved, the AMREP Corporation 2016 Equity Compensation Plan, which authorizes stock-based awards of various kinds to directors and employees covering up to a total of 500,000 shares of Common Stock. Under the terms of the AMREP Corporation 2016 Equity Compensation Plan and subject to the provisions of the applicable award agreement, restrictions on certain awards under the AMREP Corporation 2016 Equity Compensation Plan shall automatically lapse upon a change in control of the Company.

COMPENSATION OF DIRECTORS

Compensation for the non-employee members of the Board is approved by the Board, which considers recommendations for director compensation from the Company's Compensation and Human Resources Committee.

Compensation provided to the non-employee members of the Board is as follows:

Each non-employee member of the Board is paid an annual cash fee of \$60,000 in equal quarterly installments in arrears.

On the last trading day of calendar year 2016, each non-employee member of the Board was issued the number of deferred common share units of the Company (where each deferred common share unit represents the right to receive one share of Common Stock within 30 days after the first day of the month to follow such director's termination of service as a director of the Company) under the AMREP Corporation 2016 Equity Compensation Plan equal to \$15,000 divided by the closing price per share of Common Stock reported on the New York Stock Exchange on such date.

On the last trading day of each calendar year after calendar year 2016, each non-employee member of the Board will be issued the number of deferred common share units of the Company under the AMREP Corporation 2016 Equity Compensation Plan equal to \$20,000 divided by the closing price per share of Common Stock reported on the New York Stock Exchange on such date.

In addition to the fees described above, Edward B. Cloues, II is paid an annual fee of \$135,000 for his services as Chairman of the Board.

- 17 -

All amounts are pro-rated to reflect any director's removal or retirement from the Board, any decision that a director not stand for reelection to the Board or any new director being appointed or elected to the Board; provided that, any deferred common share units of the Company that would have been issued on the last trading day of a calendar year to a director who ceased to be a director prior to such issuance date shall be paid in cash rather than as deferred common share units of the Company, where the cash payment will equal the number of shares underlying the pro rata number of deferred common share units that would have been issued to the director multiplied by the closing price per share of Common Stock reported on the New York Stock Exchange on the last trading day of the calendar year.

There are no separate meetings fees for the Board or any committee thereof.

CERTAIN TRANSACTIONS

In February 2015, American Investment Republic Co. (“Seller”), a subsidiary of the Company, sold certain businesses (the “Company Group”) to entities controlled by Michael P. Duloc (the “Buyers”). Mr. Duloc is the son-in-law of Nicholas G. Karabots, a significant shareholder of the Company. In connection with the sale, the Buyers entered into a secured promissory note payable to the Seller in the principal amount of \$1,600,000, the Seller provided the Company Group a secured revolving line of credit pursuant to a line of credit promissory note, and the Buyers and the Company Group pledged and granted a security interest in substantially all of their personal property in favor of Seller in order to secure the obligations of the Buyers and the Company Group. In January 2016, Seller entered into a letter agreement with the Buyers and the Company Group, which resolved certain events of default of the Buyers and the Company Group. Among other things, the letter agreement provided the following: (i) payment to Seller by Kable Product Services, Inc. (a member of the Company Group) of approximately \$1,600,000, representing the full amount of principal and interest outstanding under the secured promissory note; (ii) termination of the revolving line of credit (no amount of principal was outstanding under the revolving line of credit as of the termination date); (iii) termination of the security agreement provided by the Buyers and the Company Group in favor of Seller; and (iv) a release and indemnity in favor of Seller and its affiliates with respect to the events of default and the resolution thereof.

The Company provides subscription fulfillment services for a company owned or controlled by Mr. Karabots pursuant to a contract determined, by a committee of directors found to be independent of Mr. Karabots, to be fair and reasonable and no less favorable to the Company than would be obtained in an arm’s length transaction with a non-affiliate having a volume of business with the Company comparable to that of Mr. Karabots. The Company’s revenue from the subscription fulfillment services it provided to Mr. Karabots’ company was approximately \$171,000 for fiscal 2016 and \$150,300 for fiscal 2017.

From August 2012 through February 2017, with the approval of a committee of directors found to be independent of Mr. Karabots and Albert V. Russo (a member of the Board), AMREP Southwest Inc., as borrower, had a loan with Kappa Lending Group, LLC (“Kappa Lending”), an entity established and wholly-owned by Mr. Karabots, and in which Mr. Russo had a 20% participation. The largest principal amount of the loan outstanding at any time during fiscal 2016 was \$14,003,000 and the amount of interest paid and payable on the loan during fiscal 2016 was \$1,137,000. The largest principal amount of the loan outstanding at any time during fiscal 2017 was \$12,384,000 and the amount of interest paid and payable on the loan during fiscal 2017 was \$385,000. The outstanding balance of the loan was paid in full in February 2017. The loan was scheduled to mature on December 1, 2017, bore interest payable monthly at 8.5% per annum, was secured by a mortgage on certain real property of AMREP Southwest Inc. and by a pledge of the stock of its subsidiary, Outer Rim Investments, Inc. (which owned approximately 12,000 acres, for the most part scattered lots, in Sandoval County, New Mexico), required that a cash reserve of at least \$500,000 be maintained with Kappa Lending to fund interest payments and was subject to a number of restrictive covenants, including a requirement that AMREP Southwest Inc. maintain a minimum tangible net worth and a restriction on AMREP Southwest Inc. making distributions and other payments to its parent company beyond a stated management fee. A sale transaction by AMREP Southwest Inc. of certain mortgaged land required the approval of Kappa Lending. Otherwise, Kappa Lending was required to release the lien of its mortgage on any land being sold at market price by AMREP Southwest Inc. in the ordinary course to an unrelated party on terms AMREP Southwest Inc. believed to be

commercially reasonable. The loan was permitted to be prepaid at any time without premium or penalty except that if the prepayment was in connection with the disposition of AMREP Southwest Inc. or substantially all of its assets there was a prepayment premium, initially 5% of the amount prepaid, with the percentage declining by 1% each year. No payments of principal were required until maturity, except that 25% of the net proceeds from any sales of real property by AMREP Southwest Inc. and 25% of certain royalty payments received by AMREP Southwest Inc. were required to be applied to the payment of the loan. No new borrowings were permitted under the loan.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's directors, officers and holders of more than 10% of its Common Stock to file initial reports of ownership and reports of changes of ownership of the Common Stock with the Securities and Exchange Commission and the New York Stock Exchange. The related regulations require directors, officers and greater than 10% shareholders to provide copies of all Section 16(a) reports to the Company.

Based solely on a review of the copies of the reports received by the Company and certain written representations from the directors and executive officers, the Company believes that for fiscal 2017, all required Section 16(a) reports were filed on a timely basis.

AUDIT-RELATED MATTERS

The consolidated financial statements of the Company and its subsidiaries included in the Company's Annual Report on Form 10-K for the year ended April 30, 2017 have been audited by RSM US LLP, an independent registered public accounting firm. No representative of RSM US LLP is expected to attend the Annual Meeting. The Audit Committee has not yet approved the retention of an independent registered public accounting firm for the year ending April 30, 2018 as the Company customarily makes its selection later in its fiscal year but engages the prior year's independent registered public accounting firm to perform quarterly reviews pending the current year's audit engagement.

Audit Committee Report

The Audit Committee has reviewed and discussed the Company's audited financial statements for fiscal 2017 with management, which has primary responsibility for the financial statements. RSM US LLP, as the Company's independent registered public accounting firm for fiscal 2017, is responsible for expressing an opinion on the conformity of the Company's audited financial statements with U.S. generally accepted accounting principles. The Audit Committee has discussed with RSM US LLP the matters that are required to be discussed by Auditing Standard No. 16 "Communication with Audit Committees," as adopted by the Public Company Accounting Oversight Board in Rule 3200T. RSM US LLP has provided to the Audit Committee the written disclosures and the letter required by the Public Company Accounting Oversight Board regarding the independent registered public accounting firm's communications with the Audit Committee concerning independence, and the Audit Committee has discussed with RSM US LLP that firm's independence. Based on these considerations, the Audit Committee has recommended to the Board that the financial statements audited by RSM US LLP be included in the Company's Annual Report on Form 10-K for fiscal 2017 for filing with the Securities and Exchange Commission.

The foregoing report is provided by the following directors who constitute the Audit Committee:

Should any other matters properly come before the Annual Meeting, it is the intention of the persons named in the accompanying proxy to vote such proxy in accordance with their best judgment.

SOLICITATION OF PROXIES

The Company will bear the cost of this solicitation of proxies. In addition to solicitation of proxies by mail, the Company may reimburse brokers and other nominees for the expense of forwarding proxy materials to the beneficial owners of Common Stock held in their names. Directors, officers and employees of the Company may solicit proxies on behalf of the Board but will not receive any additional compensation therefor.

SHAREHOLDER PROPOSALS

From time to time, shareholders present proposals that may be proper subjects for inclusion in the Proxy Statement and for consideration at an annual meeting. Shareholders who intend to present proposals at the 2018 Annual Meeting of Shareholders and who wish to have such proposals included in the Company's Proxy Statement for the 2018 Annual Meeting of Shareholders must be certain that such proposals are received by the Company's Secretary at the Company's executive offices, 620 West Germantown Pike, Suite 175, Plymouth Meeting, Pennsylvania 19462, not later than April 9, 2018. For any proposal that is not submitted for inclusion in next year's Proxy Statement but is, instead, sought to be presented directly at the 2018 Annual Meeting of Shareholders, Securities and Exchange Commission rules permit management to vote proxies in its discretion if the Company does not receive notice of the proposal prior to the close of business on June 25, 2018.

This process, commonly referred to as "householding," is designed to reduce duplicate printing and postage costs. The Company and some brokers may household notices of
