**Item 14. Indemnification of Directors and Officers**

Tempur-Pedic International is incorporated under the laws of the State of Delaware. Section 145 of the Delaware General Corporation Law provides that a corporation may indemnify any persons who were, are or are threatened to be made, parties to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of such corporation), by reason of the fact that such person is or was an officer, director, employee or agent of such corporation, or is or was serving at the request of such corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise. The indemnity may include expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding, provided such person acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the corporation's best interests and, with respect to any criminal action or proceeding, had no reasonable cause to believe that his or her conduct was unlawful.

Section 145 of the Delaware General Corporation Law further authorizes a corporation to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation or enterprise, against any liability asserted against him or her and incurred by him or her in any such capacity, arising out of his or her status as such, whether or not the corporation would otherwise have the power to indemnify him or her under Section 145 of the Delaware Corporation Law.

## Edgar Filing: TEMPUR PEDIC INTERNATIONAL INC - Form S-1/A

Tempur-Pedic International's certificate of incorporation, as amended, eliminates the personal liability of a director to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except for liabilities arising (a) from any breach of the director's duty of loyalty to the corporation or its stockholders; (b) from acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law; (c) under Section 174 of the Delaware General Corporation Law; or (d) from any transaction from which the director derived an improper personal benefit. In addition, the bylaws of Tempur-Pedic International provides for indemnification of directors, officers, employees and agents to the fullest extent permitted by Delaware law and authorizes the company to purchase and maintain insurance to protect itself and any director, officer, employee or agent of the company or another business entity against any expense, liability, or loss, regardless of whether the company would have the power to indemnify such person under the company's bylaws or Delaware law.

**Item 15. Recent Sales of Unregistered Securities**

Tempur-Pedic International was incorporated on September 17, 2002. Since that date, we have issued unregistered securities to a limited number of persons, as described below. None of these transactions involved any underwriters, except as set forth below with respect to the senior subordinated notes due 2010, or any public offerings, and we believe that each of these transactions was exempt from registration requirements pursuant to Section 4(2) of the Securities Act of 1933, as amended, Regulation D promulgated thereunder, or Rule 701 of the Securities Act pursuant to compensatory benefit plans and contracts related to compensation as provided under Rule 701. The recipients of the securities in these transactions represented their intention to acquire the securities for investment only and not with a view to or for sale in connection with any distribution thereof, and appropriate legends were affixed to the share certificates and instruments issued in these transactions.

In November 2002, pursuant to a Contribution Agreement among us and certain holders of our capital stock, we issued:

146,463.65 shares of our Series A preferred stock to certain investors for cash in an aggregate amount of \$146,463,653.33;

13,831.00 shares of our Class A common stock to certain former stockholders of Tempur World, Inc. in exchange for their then-outstanding shares of Tempur World, Inc. having an aggregate value of \$13,830,981.18; and

878.64 shares of our Class B-1 common stock to certain members of management in exchange for promissory notes (which have since been either forgiven and cancelled or repaid and cancelled).

These securities were issued in reliance on the exemption from registration pursuant to Section 4(2) of the Securities Act and Regulation D promulgated thereunder.

In November 2002, pursuant to a Stock Purchase Agreement between us and a certain investor, we issued 175.00 shares of our Class A common stock in exchange for cash in the amount of \$175,000. These securities were issued in reliance on the exemption from registration pursuant to Section 4(2) of the Securities Act and Regulation D promulgated thereunder.

In November 2002, pursuant to a Warrant Agreement between us and certain mezzanine lenders, we issued warrants to purchase an aggregate of 8,492.01 shares of our Class B common stock at an exercise price of \$0.01 per share. Pursuant to the Warrant Agreement, an aggregate of \$603,179.68 was allocated to the purchase price of the warrants. Although the mezzanine facility has been repaid in full, the warrants remain outstanding. These securities were issued in reliance on the exemption from registration pursuant to Section 4(2) of the Securities Act and Regulation D promulgated thereunder.

Between November 2002 and September 2003, we granted to certain of our employees and a member of our board of directors, stock options to purchase an aggregate of 8,817,732 shares of our Class B-1 common stock at exercise prices ranging from \$800 per share to \$1,500 per share. These options were granted in reliance on the exemption from registration pursuant to Rule 701 of the Securities Act.

In July 2003, an officer purchased 354.00 shares of our Class B-1 common stock for cash in the amount of \$283,200 pursuant to a stock option exercise. These securities were issued in reliance on the exemption from registration pursuant to Section 4(2) of the Securities Act.

## Edgar Filing: TEMPUR PEDIC INTERNATIONAL INC - Form S-1/A

In August 2003, in connection with stock option exercises and pursuant to Stock Repurchase Agreements between us and each exercising optionee, certain of our employees and a member of our board of directors purchased an aggregate of 3,170.50 shares of our Class B-1 common stock for cash in the aggregate amount of \$2,753,656. These securities were issued in reliance on the exemption from registration pursuant to Rule 701 of the Securities Act.

II-2

In August 2003, pursuant to the terms of an indenture, Tempur-Pedic, Inc. and Tempur Production USA, Inc., our indirect, wholly-owned subsidiaries, issued and sold to a group of underwriters 10<sup>1/4</sup>% senior subordinated notes due 2010 (the Notes) in an aggregate principal amount of \$150,000,000. The Notes were guaranteed by Tempur-Pedic International, and certain of its other subsidiaries. These securities were issued in reliance on the exemptions from registration pursuant to Section 4(2) of the Securities Act. The underwriters subsequently resold these Notes to qualified institutional buyers, non-U.S. persons and certain institutional accredited investors pursuant to Rule 144A, Regulation S and Rule 501(a)(1), (2), (3) and (7) under the Securities Act. **Item 17. Undertakings.**

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers, and controlling persons of the Registrant pursuant to the foregoing provisions described in Item 14 above, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer, or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer, or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

The undersigned registrant hereby undertakes:

(1) For purposes of determining any liability under the Securities Act of 1933, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the Registrant pursuant to Rule 424(b)(1) or (4), or 497(h) under the Securities Act shall be deemed to be part of this registration statement as of the time it was declared effective.

(3) For the purpose of determining any liability under the Securities Act of 1933, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.
