This financial summary report and accompanying financial highlights contain forward-looking statements and other forward-looking information relating to the company and/or the group as a whole (the forward-looking statements). The forward-looking statements are not historical facts and include, reflect or are otherwise based upon, among other things, the company's current estimations, projections, views, policies, business strategies, targets, expectations, assumptions and evaluations with respect to general economic conditions, its results of operations, its financial condition, its management in general and other future events. Accordingly, they are inherently susceptible to uncertainties, risks and changes in circumstances and are not guarantees of future performance.

Some forward-looking statements represent targets that the company's management will strive to achieve through the successful implementation of the company's business strategies. The company may not be successful in implementing its business strategy, and actual results may differ materially, for a wide range of possible reasons. In particular, the targets of the combined entity reflect assumptions about the successful implementation of the integration plan. Other forward-looking statements reflect the assumptions and estimations upon which the calculation of deferred tax assets has been based and are themselves subject to the full range of uncertainties, risks and changes in circumstances outlined above.

In light of the many risks, uncertainties and possible changes, you are advised not to put undue reliance on the forward-looking statements. The company is under no obligation - and expressly disclaims any obligations- to update or alter the forward looking statements, except as may be required by any applicable laws and regulations or stock exchange rules.

For detailed information relating to uncertainties, risks and changes regarding the forward-looking statements, please see the company's latest annual report and other disclosures.

This financial summary report and accompanying financial highlights contain forward-looking statements and other forward-looking information relating to the company and/or the group as a whole (the "forward-looking statements"). The forward-looking statements are not historical facts and include, reflect or are otherwise based upon, among other things, the company's current estimations, projections, views, policies, business strategies, targets, expectations, assumptions and evaluations with respect to general economic conditions, its results of operations, its financial condition, its management in general and other future events. Accordingly, they are inherently susceptible to uncertainties, risks and changes in circumstances and are not guarantees of future performance.

Some forward-looking statements represent targets that the company's management will strive to achieve through the successful implementation of the company's business strategies. The company may not be successful in implementing its business strategy, and actual results may differ materially, for a wide range of possible reasons. In particular, the targets of the combined entity reflect assumptions about the successful implementation of the integration plan. Other forward-looking statements reflect the assumptions and estimations upon which the calculation of deferred tax assets has been based and are themselves subject to the full range of uncertainties, risks and changes in circumstances outlined above.

In light of the many risks, uncertainties and possible changes, you are advised not to put undue reliance on the forward-looking statements. The company is under no obligation - and expressly disclaims any obligations - to update or alter the forward looking statements, except as may be required by any applicable laws and regulations or stock exchange rules.

For detailed information relating to uncertainties, risks and changes regarding the forward-looking statements, please see the company's latest annual report and other disclosures.

This financial summary report and accompanying financial highlights contain forward-looking statements and other forward-looking information relating to the company and/or the group as a whole (the "forward-looking statements"). The forward-looking statements are not historical facts and include, reflect or are otherwise based upon, among other things, the company's current estimations, projections, views, policies, business strategies, targets, expectations, assumptions and evaluations with respect to general economic conditions, its results of operations, its financial condition, its management in general and other future events. Accordingly, they are inherently susceptible to uncertainties, risks and changes in circumstances and are not guarantees of future performance.

Some forward-looking statements represent targets that the company's management will strive to achieve through the successful implementation of the company's business strategies. The company may not be successful in implementing its business strategy, and actual results may differ materially, for a wide range of possible reasons. In particular, the targets of the combined entity reflect assumptions about the successful implementation of the integration plan. Other forward-looking statements reflect the assumptions and estimations upon which the calculation of deferred tax assets has been based and are themselves subject to the full range of uncertainties, risks and changes in circumstances outlined above.

In light of the many risks, uncertainties and possible changes, you are advised not to put undue reliance on the forward-looking statements. The company is under no obligation - and expressly disclaims any obligations - to update or alter the forward looking statements, except as may be required by any applicable laws and regulations or stock exchange rules.

For detailed information relating to uncertainties, risks and changes regarding the forward-looking statements, please see the company's latest annual report and other disclosures.
