-

Item 1.01. Entry into a Material Definitive Agreement.

On December 12, 2006, Luna Innovations Incorporated ("Luna") entered into an Asset Transfer and License Agreement (the "Agreement") with Coherent, Inc. ("Coherent"). Under the Agreement, Luna acquired certain manufacturing equipment and inventory (the "Transferred Assets") previously used by Coherent to manufacture the Iolon brand of swept tunable lasers (the "Lasers") and provided training to enable Luna to make such Lasers. In addition, Coherent granted to Luna non-exclusive licenses to the patents, patent applications and other intellectual property rights owned or controlled by Coherent for making, having made, using, importing, selling and offering for sale the Lasers (the "Licenses").

As consideration for the Transferred Assets and the Licenses, Luna agreed to pay Coherent a total of \$1.3 million over a period of two (2) years and royalty payments for a period of ten (10) years following the date of the Agreement on products sold by Luna that incorporate the Lasers or that are manufactured using the intellectual property covered by the Licenses. Luna also agreed to sell Coherent a limited number of Lasers each year for a period of ten (10) years following the date of the Agreement, subject to certain terms and conditions. Each party to the Agreement shall bear its own costs.

A press release relating to the Agreement is furnished as Exhibit 99.1 attached hereto.
