PROXY STATEMENT

2008 Annual Meeting of Stockholders

December 12, 2008

This Proxy Statement is being furnished to you as a stockholder of record of ISCO International, Inc. (ISCO, the Company or we, us or our). The accompanying proxy is solicited on behalf of our board of directors (the Board), for use at the 2008 Annual Meeting of Stockholders (the Annual Meeting) to be held at 10:00 a.m., local time, on December 12, 2008 at the Holiday Inn Elk Grove Hotel & Conference Center, 1000 Busse Road, Elk Grove Village, IL 60007, and any adjournment or postponement thereof. This Proxy Statement and accompanying proxy are first being mailed to stockholders on or about November 21, 2008.

Record Date and Outstanding Shares. The Board has fixed the close of business on November 12, 2008 as the record date (the Record Date) for the determination of stockholders entitled to notice of, and to vote at, the Annual Meeting or any adjournment or postponement thereof. As of the Record Date, the Company had outstanding 228,471,174 shares of common stock, par value \$0.001 per share, including attached preferred stock purchase rights (the common stock).

Each of the outstanding shares of common stock is entitled to one vote on all matters to come before the Annual Meeting. As of the Record Date, none of the Company s preferred stock, par value \$0.001 per share, was outstanding.

Voting of Proxies. Mr. Gordon Reichard, Jr. and Mr. Gary Berger, the persons named as proxies on the proxy card accompanying this Proxy Statement, were selected by the Board to serve in such capacity. Mr. Reichard and Mr. Berger are officers of the Company and Mr. Reichard is also a member of the board of directors. **Each executed and returned proxy will be voted in accordance with the directions indicated thereon, or if no direction is indicated, such proxy will be voted in accordance with the recommendations of the Board contained in this Proxy Statement.**

Each stockholder giving a proxy has the power to revoke it at any time before the shares it represents are voted. Revocation of a proxy is effective upon receipt by the Corporate Secretary of the Company of either (i) an instrument revoking the proxy, or (ii) a duly executed proxy bearing a later date. Additionally, you may change or revoke a previously executed proxy by voting in person at the Annual Meeting.

Required Vote. The affirmative vote of a plurality of the shares of common stock voted in person or by proxy is required to elect a nominee for director. The affirmative vote of a majority of the shares of common stock present, in person or represented by proxy at the Annual Meeting and entitled to vote on the matters, is required to approve the ratification of the appointment of Grant Thornton LLP as the Company s independent auditors.

Quorum; Abstentions and Broker Non-Votes. A majority of the shares of common stock issued and outstanding as of the Record Date is required to transact business at the Annual Meeting. Votes cast by proxy or in person at the Annual Meeting will be tabulated by the inspector of elections appointed for the Annual Meeting.

Abstentions and broker non-votes will be included in determining the presence of a quorum. A broker non-vote occurs when the nominee holding a stockholder s shares does not vote on a particular proposal because the nominee does not have discretionary voting power on that item and has not received instructions from the stockholder. Abstentions and broker non-votes will have no effect on the election of directors. In the case of the ratification of the independent auditors, abstentions will have the effect of votes against the proposal, but broker non-votes will have no effect on the outcome.

Stockholder List. A list of stockholders entitled to vote at the Annual Meeting, arranged in alphabetical order, showing the address and number of shares registered in the name of each stockholder, will be open to the examination of any stockholder for any purpose germane to the Annual Meeting during ordinary business hours commencing December 1, 2008 and continuing through the date of the Annual Meeting at the principal offices of the Company, 1001 Cambridge Drive, Elk Grove Village, IL 60007.

Except for Mr. Fenger, who attended 40% of the Board meetings, each director attended at least 75% of the Board meetings in 2007 (during the period of his service as a director). However, the Company does request directors to use their best efforts to be available for, and attend, the annual meetings of stockholders. All directors except Mr. Fenger attended the 2007 Annual Meeting.

Independent Directors

The Board has determined that Dr. Calhoun and Messrs. Folkebrant, McCarthy, Pini and Owings are each independent pursuant to Section 803A of the NYSE Alternext US (the Exchange, formerly the American Stock Exchange) rules. Although Mr. Pini's recent service as interim Chief Executive Officer makes him unable to serve on the Audit Committee, he is properly able to serve as a member of each of the Compensation Committee and the Corporate Governance Committee.

Committees of the Board

The Board has established an Audit Committee, a Compensation Committee, and a Corporate Governance Committee, each of which is comprised entirely of independent directors as that term is defined under the Exchange rules.

The Audit Committee consists of three directors, Dr. Calhoun (Chairman), and Messrs. Folkebrant and Owings. All of the members of the Audit Committee of the Board are independent as defined by the rules of the Exchange. The Board has determined that Dr. Calhoun is an audit committee financial expert as defined in regulations of the Securities and Exchange Commission (SEC). The Audit Committee's responsibilities are selecting the Company's independent auditors, reviewing the plan and scope of the audit, approving any non-audit services provided by the Company's independent auditors, reviewing the Company's audit and control functions, overseeing of the Company's insider trading policy and reporting to the full Board regarding all of the foregoing. The Audit Committee Charter was attached as Appendix A to the 2007 Annual Meeting Proxy Statement dated April 27, 2007.

The Compensation Committee consists of Mr. Owings (Chairman), Dr. Calhoun and Mr. Pini. The Compensation Committee has responsibility for recommending to the Board guidelines and standards relating executive compensation, reviewing the Company's executive compensation policies, approving all executive compensation, overseeing management's recommendations for the compensation of other employees, and reporting to the full Board regarding the foregoing. The Compensation Committee also has responsibility for administering the Company's 2003 Equity Incentive Plan, as amended (the 2003 Plan), determining the number of options and shares of restricted stock to be granted to the Company's executive officers and employees pursuant to the 2003 Plan, approving each award under the 2003 Plan, regardless of the award level or recipient, and reporting to the full Board regarding the foregoing functions. The Chief Executive Officer will from time to time prepare analyses of Company and/or individual performance, including of named executive officers and may recommend a specific course of action. Ultimately the Compensation Committee, in conjunction with the full Board in certain circumstances, has the authority to accept, change, or reject these analyses and/or recommendations. The Compensation Committee may retain and terminate compensation consultants and/or attorneys to assist in the evaluation of director, executive officer, or other compensation, and has the sole authority to approve related consultant/legal fees and other retention terms. The Compensation Committee held four meetings in 2007. The Compensation Committee Charter was attached as Appendix B to the 2007 Annual Meeting Proxy Statement dated April 27, 2007.

The Corporate Governance Committee was formed during 2004 and consists of Mr. Pini (Chairman), and Messrs. Owings, Folkebrant and McCarthy. The Corporate Governance Committee acts as both the Board's corporate governance and nominating committee. The Corporate Governance Committee reviews and makes recommendations to the Board regarding Board organization, membership (including the identification and recommendation of potential candidates for election to the Board), function and effectiveness, and committee structure, membership, function and effectiveness. The Corporate Governance Committee evaluates the performance of the Board as a whole, the committees of the Board and the individual directors. The Corporate Governance Committee held four meetings during 2007. The Corporate Governance Committee Charter was attached as Appendix C to the 2007 Annual Meeting Proxy Statement dated April 27, 2007.

Director Nominations

The Corporate Governance Committee currently serves as our nominating committee. The Corporate Governance Committee seeks director candidates based upon a number of qualifications, including their independence, knowledge, judgment, character, leadership skills, education and experience. In selecting appropriate candidates, the Corporate Governance Committee particularly emphasizes significant experience in the wireless telecommunications industry.

As part of the process of selecting Board candidates, the Corporate Governance Committee reviews the appropriate skills and characteristics required of Board members. The Corporate Governance Committee does not generally rely upon third-party search firms to identify board candidates. Instead, it relies on recommendations from a wide variety of its business contacts, including current executive officers, directors and stockholders, as a source for potential Board candidates. The Corporate Governance Committee evaluates the above criteria as well as the current composition of the Board and the need for audit committee expertise. The Corporate Governance Committee then recommends to the Board for nomination the candidates who it believes best suit the needs of the Company. In accordance with the provisions of our By-Laws, including the notice provisions described below, a stockholder entitled to vote for the election of directors at the meeting may nominate candidates for election to the Board.

A stockholder who wishes to nominate a director candidate must timely provide a notice that is delivered to, or mailed and received by, the Corporate Secretary of the Company at the principal executive offices of the Company at 1001 Cambridge Drive, Elk Grove Village, IL 60007. To be timely, the notice must be delivered not less than 60 days nor more than 90 days prior to the meeting; provided, however, that if the Company has not publicly disclosed (in the manner provided in the By-Laws) the date of the meeting at least 70 days prior to the meeting date, the notice must be received not later than the close of business on the tenth day following the day on which the Company publicly discloses the meeting date.

To be in proper written form, a stockholder's notice to the Corporate Secretary must set forth (a) as to each person whom the stockholder proposes to nominate for election as a director, all information relating to the person that would be required to be disclosed in solicitations of proxies for election of directors, or is otherwise required, in each case pursuant to Regulation 14A of the Securities Exchange Act of 1934, as amended (the Exchange Act), including such person's written consent to being named in the proxy statement as a nominee and to serving as director if elected; and (b) as to the stockholder giving the notice, (i) the name and record address of such stockholder as he or she appears on the Company's books and (ii) the number of the Company's shares that are beneficially owned by such stockholder, by class and series.

Stockholders' nominees that comply with these procedures will receive the same consideration at an annual meeting of stockholders as other nominees would receive at such annual meeting.

Policy for Stockholder Communication with Directors

Stockholders may communicate with the members of the Board, either individually or collectively, by writing to the Board at 1001 Cambridge Drive, Elk Grove Village, IL 60007. These communications will be reviewed by the office of the Company's Corporate Secretary, as agent for the non-employee directors, in facilitating direct communication to the Board. The Corporate Secretary's office will treat communications containing complaints relating to accounting, internal accounting controls, or auditing matters as reports under the Company's Whistleblower Policy. Further the Corporate Secretary's office will disregard communications that are not directly related either to the Company or to the directors' roles as members of the Board.

General Communications. The Corporate Secretary's office will summarize all stockholder communications directly relating to the Company's business operations, its Board, its officers, its activities or other matters and opportunities directly related to the Company. The communications summary and copies of the actual stockholder communications will then be circulated to the Chairman of the Corporate Governance Committee on a biweekly basis.

Stockholder Proposals and Nominations. Stockholder proposals are reviewed by the Corporate Secretary's office for compliance with the requirements for such proposals set forth in the Company's By-Laws and in Rule 14a of the Exchange Act and as described in this Proxy Statement. Stockholder proposals that meet these requirements will be summarized by the Corporate Secretary's office. Summaries and copies of the stockholder proposals are circulated to the Chairman of the Corporate Governance Committee.

Stockholder nominations for directors are reviewed by the Corporate Secretary's office for compliance with the requirements for such nominations that are set forth in the Company's By-Laws and as described in this Proxy Statement. Stockholder nominations that meet these requirements are summarized by the Corporate Secretary's office. Summaries and copies of the nominations are circulated to the Chairman of the Corporate Governance Committee.

Retention of Stockholder Communications. Any stockholder communications that are not circulated to the Chairman of the Corporate Governance Committee because they do not meet the applicable requirements or criteria described above will be retained by the Corporate Secretary's office for at least 90 calendar days from the date on which they are received, so that these communications may be reviewed by the non-employee directors to whom they were addressed should any of the non-employee directors elect to do so.

- (1) Mr. Thode terminated his employment with the Company effective in October 2007, and his salary is reflected through such date. Upon the termination of his employment, Mr. Thode forfeited 50% of his stock award for 2007. In June 2006, 2,000,000 restricted shares were issued to Mr. Thode, which shares vested in four equal installments beginning on June 30, 2006 and ending on December 31, 2007. Also in June 2006, 4,000,000 shares of restricted stock were granted to Mr. Thode with such shares scheduled to vest based on objectives established by the Board for 2006 and 2007 financial performance; all of these shares were forfeited on December 31, 2007 because the performance criteria were not met. Mr. Thode did not receive any compensation as a director in 2007.
- (2) Mr. Pini served as the Company's interim Chief Executive Officer from November 2007 through March 2008. His total cash compensation for 2007 as interim Chief Executive Officer was \$21,000. In 2007, 52,500 restricted shares

were issued to Mr. Pini, as a non-employee director of the Company, with such shares to vest on a quarterly basis over a one-year period. As of December 31, 2007, Mr. Pini held options to purchase 110,000 shares of common stock. On December 31, 2007, Mr. Pini forfeited 33,333 shares of restricted stock as a result of not meeting the Company's vesting requirements. For services as a director in 2007, Mr. Pini earned \$26,600 in cash fees and \$9,300 in stock awards, as valued under FAS 123R. Mr. Pini was not compensated as a director while he served as interim Chief Executive Officer.

- (3) In June 2006, 1,500,000 restricted shares were issued to Dr. Abdelmonem, which shares vested in four equal installments beginning on June 30, 2006 and ending on December 31, 2007. Also in June 2006, 2,000,000 shares were granted to Dr. Abdelmonem with such shares scheduled to vest based on objectives established by the Board for 2006 and 2007 financial performance; all of these shares were forfeited on December 31, 2007 because the performance criteria were not met. - (4) In February 2006, 250,000 restricted shares were issued to Mr. Cesario, such shares vesting equally over four years on an annual basis beginning on March 15, 2006. In December 2006, 250,000 restricted shares were issued to Mr. Cesario, such shares vesting equally over four years on an annual basis. As a result of his resignation, Mr. Cesario forfeited 187,500 shares of restricted stock.
- (5) Effective January 1, 2006, the Company adopted the provisions of SFAS No. 123(R), Share-Based Payment, (FAS 123R) which establishes accounting for equity instruments exchanged for director services. Under the provisions of FAS 123R, share-based compensation cost is measured at the grant date, based on the calculated fair value of the award, and is recognized as an expense over the director's requisite service period (generally the vesting period of the equity grant). The Company changed its equity compensation practices at the same time to emphasize grants of restricted stock as opposed to stock options. Grants of restricted stock are valued at the market price on the date of grant and amortized during the service period on a straight-line basis or the vesting of such grant, whichever is higher.

The components of compensation for the named executive officers include base salary, bonuses, equity compensation based on time of service and/or performance criteria, other contractual terms and benefits, such as a change in control or termination, and certain other benefits that are provided broadly to all of the Company's employees.

The named executive officers are typically entitled to participate in company-wide benefit programs on a non-preferential basis. Those programs include the provision of \$50,000 in term life insurance, disability insurance, medical plan participation and a 401(k) program with a Company match of the lesser of 3% of the employee salary or 50% of the employee contribution. The named executive officers are eligible to participate in a Company-wide bonus program that may be funded based on certain events, such as total cash flows during a fiscal year in excess of 5% of the Company's annual operating plan. Such funding status is determined by the Compensation Committee in January of the following fiscal year and then paid by the Company. No such amounts were earned in 2006 for payment in 2007, or during 2007 for payment in 2008.

The Company has a Share Ownership Policy in place, effective January 1, 2006, that covers officers and directors (each a Covered Person), including the named executive officers. By January 1, 2007, or within one year after becoming a Covered Person, each Covered Person must own at least the lesser of 20,000 shares or \$5,000 worth of the Company's outstanding common stock. Within three years after becoming a Covered Person, each Covered Person must own at least the lesser of 100,000 shares or \$25,000 worth of the Company's outstanding common stock. While there are no specific penalties for failing to perform under the Share Ownership Policy, the policy sets an expectation for anyone who wishes to remain an officer or director of the Company. Stock options are not considered in the determination of satisfying these requirements, regardless of vesting status.

- (3) These shares were cancelled upon Mr. Cesario's resignation in May 2008. Mr. Cesario's restricted shares were scheduled to vest in three equal amounts during December 2008, 2009 and 2010.

Employment Agreements

Reichard Employment Agreement. On March 10, 2008, the Company entered into an employment agreement with Mr. Reichard. The term of the agreement is for two years; provided, however, that upon the 18-month anniversary of March 10, 2008 and each day thereafter, the term of the employment agreement will be extended for one additional day unless the Company provides written notice to Mr. Reichard that it will not extend the term. Under the employment agreement, Mr. Reichard's annual base salary is \$250,000 for the first 12 months of the employment agreement. Prior to the 12-month anniversary of the agreement, the Company and Mr. Reichard will negotiate, in good faith, an increase in base salary for months 13 through 24. Mr. Reichard is also eligible for a cash performance bonus of up to \$80,000, provided the Company achieves certain mutually agreed upon performance goals. Bonuses will be payable promptly upon the Company's conclusion that the performance measures have been achieved, and in no event later than the filing date of the Company's Annual Report on Form 10-K for that particular year. Mr. Reichard will be able to participate in the Company's benefit plans, subject to applicable eligibility and participation requirements.

In addition to the employment agreement, the Company also entered into a restricted stock award agreement ("Reichard Stock Agreement") with Mr. Reichard, pursuant to which the Company granted Mr. Reichard 2,000,000 shares of restricted stock (the "Reichard Restricted Stock"). Under the Reichard Stock Agreement, Mr. Reichard is eligible for additional grants of up to 3,000,000 shares (the "Reichard Performance Stock"). The Reichard Restricted Stock shall, if Mr. Reichard has been continuously employed through the vesting date vest pursuant to the following schedule: i) 250,000 shares on March 17, 2008; ii) an additional 250,000 shares on August 30, 2008; iii) an additional 500,000 shares on February 28, 2009; iv) an additional 500,000 shares on August 30, 2009; v) an additional 250,000 shares on February 28, 2010; and vi) an additional 250,000 shares on August 30, 2010. For fiscal years 2008 and 2009, Mr. Reichard is eligible, upon attainment of performance goals determined by the Company, for grants of up to 1,500,000 of additional restricted shares for each fiscal year as follows: 500,000 shares upon attainment of 80% of the specified performance goals, 1,000,000 total shares upon achievement of 100% of the specified performance goals and 1,500,000 total shares upon achievement of 130% of the specified performance goals, or an interpolated amount for accomplishing between 100% and 130% of the approved performance goals. For the 2009 fiscal year, additional restricted shares and/or cash compensation may be considered by the Compensation Committee if performance exceeds 130% of specified goals.

Abdelmonem Employment Agreement. On February 19, 2008, the Company entered into an agreement with Dr. Abdelmonem to include his service as the Company's Chief Operating Officer in addition to his continued service as the Company's Chief Technology Officer. This agreement replaced the employment agreement between Dr. Abdelmonem and the Company dated January 1, 2006 (the "Prior Employment Agreement"). Except as noted below with respect to his annual bonus opportunity, this new agreement continues Dr. Abdelmonem's employment with the Company on substantially the same terms, including salary, as under the Prior Employment Agreement. Under Dr. Abdelmonem's employment agreement, Dr. Abdelmonem's annual base salary is \$255,000, subject to future adjustment as determined by the Compensation Committee.

Under Dr. Abdelmonem's employment agreement, Dr. Abdelmonem is eligible for an annual bonus based on the achievement of corporate and individual goals established by the Board or the Compensation Committee, which bonus is generally paid in shares of restricted stock, including up to 1,000,000 restricted shares with immediate vesting that may be awarded. The Board reserves the right, in its discretion, to make additional awards in cash or stock for extraordinary performance in excess of plan goals. No bonus will be payable to Dr. Abdelmonem with respect to a given year if he fails to be employed by the Company through the first day of the following year (or, in the case of a termination by the Company for cause, through the date of actual bonus payment). The employment agreement also contains customary restrictive covenants, including a covenant not to compete with the Company for a period of six months following the cessation of his employment.

In connection with his continued employment, the Company also entered into a restricted stock agreement (the "Abdelmonem Restricted Stock Agreement") with Dr. Abdelmonem, pursuant to which the Company granted Dr. Abdelmonem 1,200,000 shares of restricted common stock (the "Abdelmonem Restricted Stock"). The Abdelmonem Restricted Stock was granted under the 2003 Plan, and is subject to vesting based on Dr. Abdelmonem's continued service to the Company over a period of approximately 23 months (subject to acceleration upon a change in control of the Company). In addition, Dr. Abdelmonem is eligible for a grant for each of the 2008 and 2009 fiscal years equal to 300,000 restricted shares upon achievement of 80% of specified performance goals, a total of 650,000 restricted shares upon achievement of 100% of specified performance goals, and a total of 1,000,000 restricted shares upon achievement of 130% of specified performance goals, or an interpolated amount for accomplishing between 100% and 130% of approved performance goals. For the 2009 fiscal year only, additional restricted shares and/or cash compensation may be considered by the Compensation Committee if performance exceeds 130% of the performance goals. All such performance-based restricted shares will vest on the filing date of the Company's Form 10-K for each of the 2008 and 2009 fiscal years, as applicable, if Dr. Abdelmonem remains continuously employed by the Company through that filing date and the performance goals specified by the Company with respect to that fiscal year have been achieved. The performance goals, which may include intermediate goals, the achievement of which will result in partial vesting, will be determined by the Company, based on the Company's operating plan for the applicable year, and will be communicated to Dr. Abdelmonem not later than 90 days following the start of the applicable year.

Berger Letter Agreement. On May 28, 2008 the Company extended an offer letter to Mr. Berger containing the terms of his employment with the Company as Chief Financial Officer. The letter has no set term, and his employment is at will. Mr. Berger will serve at the discretion of the Board. Mr. Berger's letter agreement provides for an annual base salary of \$160,000. In addition, Mr. Berger is eligible to receive a performance-based bonus of \$20,000 in the first fiscal quarter that the Company achieves a positive cash flow. The Compensation Committee of the Board has authorized the grant to Mr. Berger of 250,000 restricted shares of the Company's common stock, to fully vest in two years, with six month partial vesting increments. The letter agreement requires Mr. Berger to execute the Company's standard confidentiality and proprietary rights agreements.

Cesario Employment Agreement. On February 6, 2006, the Company entered into an agreement with Mr. Cesario to continue to serve as the Company's Chief Financial Officer (the "Cesario Employment Agreement"). Mr. Cesario's annual base salary was \$172,000 as of the effective date of the Cesario Employment Agreement and was \$180,000 for 2007. Mr. Cesario was awarded a cash bonus of \$15,000 in 2006. Mr. Cesario also received a grant of 250,000 shares of common stock that will vest on a quarterly basis over the following two years. Mr. Cesario was eligible, subject to the Company's incentive compensation programs, to receive an additional 125,000 restricted shares of common stock if the Company exceeded its annual business plan by 50%, or 250,000 restricted shares of common shares of common stock if the Company exceeded its annual business plan by 100%. Such shares, if granted, would vest semi-annually over two years from the date of such award. In addition, Mr. Cesario was eligible for a cash bonus of up to 25% of his annual salary based upon meeting mutually agreed upon goals. Mr. Cesario resigned from his position effective May 31, 2008.

Thode Employment Agreement. On January 10, 2006, the Company entered into an agreement with Mr. Thode to continue to serve as the Company's President and Chief Executive Officer (the "Thode Employment Agreement"). This agreement superseded the letter agreement between Mr. Thode and the Company dated January 6, 2005. Mr. Thode's annual base salary was \$300,000 in

2006 and \$350,000 in 2007, and was subject to future adjustment as determined by the Compensation Committee of the Board. Mr. Thode was also entitled to certain performance bonuses, provided the Company achieved certain specified performance goals as determined by the Compensation Committee. Additionally, the Company's stockholders approved the issuance of 6,000,000 shares of restricted stock to Mr. Thode as further incentive and compensation. The restricted stock was subject to both a time vesting and performance vesting component, as further described in the form of restricted stock award agreement attached as an exhibit to the Thode Employment Agreement. Mr. Thode was also granted a signing bonus of \$50,000.

During October 2007, John Thode tendered his resignation as the Company's President and Chief Executive Officer. The Thode Employment Agreement was terminated in connection with Mr. Thode's resignation from the Company. Mr. Thode remained a member of the Board until his resignation in May 2008.

Fuentes Employment Agreement. Mr. Fuentes became an employee of the Company upon the consummation of the acquisition of Clarity Communication Systems, Inc. (Clarity) in January 2008. Mr. Fuentes' role was to assist the Chief Executive Officer in the coordination and integration of the combined entity's operations. The Company and Mr. Fuentes entered into an employment agreement providing for a base salary for Mr. Fuentes of \$240,000 per year. The term of the employment agreement is for two years; provided, however, that upon the 18-month anniversary of the start of his employment and each day thereafter, the term of the agreement will be extended for one additional day unless and until the Company provided written notice to Mr. Fuentes that such extension would not occur. Mr. Fuentes' employment with the Company terminated on May 19, 2008 and he resigned his Board seat on the same date.

Potential Payments Upon Termination or Change in Control

Under Mr. Reichard's employment agreement, if the Company terminates Mr. Reichard without Cause (as defined in the employment agreement) or Mr. Reichard resigns from the Company for Good Reason (as defined in the employment agreement) prior to six months of continuous employment, Mr. Reichard will receive monthly severance payments equal to 1/12th of his base salary for a period of three months, in addition to accrued but unpaid base salary and any accrued but unused vacation as of the date of termination. If the Company terminates Mr. Reichard without Cause or Mr. Reichard resigns from the Company for Good Reason after six months of continuous employment, Mr. Reichard will receive monthly severance payments equal to 1/12th of his base salary for a period of six months, in addition to accrued but unpaid base salary and any accrued but unused vacation as of the date of termination. If Mr. Reichard's employment is terminated for any other reason, including termination by the Company for Cause, Mr. Reichard will be entitled to payment of accrued and unpaid salary and accrued but unused vacation through the date of such termination.

In addition, upon termination of Mr. Reichard's service to the Company for any reason or for no reason, any Reichard Restricted Stock which has not become vested prior to the effective date of such termination will be forfeited and no additional Reichard Performance Stock will be issued. However, if Mr. Reichard is terminated without Cause prior to December 15, 2009, 250,000 Reichard Restricted Stock will vest as of the date of the termination. If a Change in Control (as defined in the Reichard Stock Agreement) of the Company occurs prior to December 31, 2009 and Mr. Reichard remains in continuous service to the Company through the date of that Change in Control, then immediately prior to (but contingent upon) the Change in Control, any unvested Reichard Restricted Stock will vest and the Reichard Performance Stock otherwise subject to issuance under the Reichard Stock Agreement based on performance in that fiscal year will be issued provided that performance for the portion of that year that transpires prior to the Change in Control meets or exceeds a pro-rata portion of the performance goals specified by the Board for that year.

Under Dr. Abdelmonem's employment agreement, if the Company terminates Dr. Abdelmonem without cause or Dr. Abdelmonem resigns for Good Reason (as defined in the employment agreement), he will receive a lump sum payment equal to 50% of his base salary, an annual bonus for the fiscal year of termination, and waiver of the applicable premium for COBRA continuation coverage in the Company's health plan(s) for a period of six months. If the Company terminates Dr. Abdelmonem for cause (as defined in the employment agreement), he will be entitled only to the payment of accrued and unpaid salary through the date of such termination.

Under Mr. Berger's letter agreement, after four months of employment, Mr. Berger will be entitled to three months of severance if he is terminated for any reason other than Good Cause (as described in the letter agreement), contingent upon his execution of a release and non-disparagement agreement. Mr. Berger will be entitled to receive his base salary during such severance period, and any bonus earned as well as vested equity awards as of his termination date.

Mr. Cesario and the Company entered into an employment agreement during February 2006. Mr. Cesario's employment as Chief Financial Officer terminated on May 19, 2008, upon Mr. Cesario's resignation. The Cesario Employment Agreement provided that if the Company terminated Mr. Cesario without Cause (as defined in the Cesario Employment Agreement), he would have received three months of his base salary and any bonus earned during his employment period. No payments were made to Mr. Cesario in connection with his resignation.

Mr. Thode and the Company entered into an employment agreement in January 2006. Mr. Thode's employment and the Thode Employment Agreement were terminated in October 2007, upon Mr. Thode's resignation. The Thode Employment Agreement provided that if the Company terminated Mr. Thode without Cause (as defined in the Thode Employment Agreement) or Mr. Thode resigned for Good Reason (as defined in the Thode Employment Agreement), he would receive a lump sum payment equal to his base salary, an annual bonus for the fiscal year of termination and waiver of the applicable premium for COBRA continuation coverage in the Company's health plan(s) for a period of 12 months. The Thode Employment Agreement provided that if the Company terminated Mr. Thode for Cause, he would be entitled only to the payment of accrued and unpaid salary through the date of such termination. Upon a Change in Control (as defined in the Thode Employment Agreement), and presuming continuous service through that Change of Control, Mr. Thode would have vested any unvested grants of restricted stock that would have subsequently vested due to the passage of time or that had been earned on a performance basis on the prorated period before the Change of Control. If Mr. Thode had been terminated on or before December 31, 2006, due to a Change in Control, he would have received not only one year of salary and bonus (\$350,000 in total) but also would have accelerated the vesting of 1,000,000 shares of restricted stock that would have been expected to vest during 2007 as a result of the passage of time (\$340,000 in total value accelerated from 2007 vesting dates to the Change of Control date). No payments were made to Mr. Thode in connection with his resignation.

Mr. Fuentes' employment with the Company terminated on May 19, 2008. On May 19, 2008, Mr. Fuentes entered into an agreement with the Company that provides for payment to Mr. Fuentes in an amount of \$6,500 per month for 12 months from that date in lieu of any other compensation that may have been available pursuant to his employment agreement or otherwise with the Company.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Transactions with the Lenders

The Company has entered into several transactions with Alexander Finance, L.P. (Alexander) and Manchester Securities Corporation (Manchester) each of whom beneficially, together with their affiliates, own more than 30% of our common stock. Below is a summary of the financing transactions, which is qualified in its entirety by the terms of each applicable agreement involving Manchester and Alexander since January 2007.

August 2008 Loan Agreement. On August 18, 2008, the Company entered into the August 2008 Loan Agreement (the August Loan Agreement) with Alexander and Manchester (collectively referred to as the lenders) under which the lenders provided to the Company a credit line in the aggregate principal amount of \$3,000,000, and reduced the amount of advances that may be made under the May 2008 Loan Agreement (defined below) by \$550,000. The indebtedness under the August Loan Agreement is evidenced by the Company's 9 1/2% Secured Convertible Notes (each a Convertible Note, together the Convertible Notes) due August 1, 2010. The Company issued a Convertible Note to Alexander in the principal amount not to exceed \$1,650,000 and a Convertible Note to Manchester in the principal amount not to exceed \$1,350,000. Interest on the Convertible Notes accrues at 9 1/2% per annum and the holders of the Convertible Notes have the right to convert the principal amount under the Convertible Notes, and all accrued but unpaid interest, at any time, in whole or in part, into shares of the Company's common stock at an original conversion price of \$0.20 per share.

In connection with the August Loan Agreement and the issuance of the Convertible Notes, the Company entered into a Registration Rights Agreement (as amended as of November 12, 2008, the Registration Rights Agreement) with the lenders. Pursuant to the Registration Rights Agreement, the Company is required to file a registration statement under the Securities Act of 1933 (the Securities Act) by June 1, 2009, covering the resale of at least 15,000,000 shares of the Company's common stock (the Registrable Securities), representing the potential number of shares of common stock issuable upon conversion of the maximum principal amount due on the Convertible Notes (\$3,000,000) at the initial conversion price of \$0.20 per share. Under the Registration Rights Agreement, the registration statement must be declared effective by the SEC by September 1, 2009 if the registration statement is not reviewed by the SEC, or by November 1, 2009 if the registration statement is reviewed by the SEC, or the Company will be obligated to make certain delay payments. In addition, at any time after March 31, 2009 either lender may demand by written notice to the Company (a Demand Notice), that the Company prepare and file such registration statement not later than

the date that is 30 days following the date of the Demand Notice (the Demand Date). Thereafter, the Company shall use its best efforts to have the registration statement declared effective as soon as possible, but not later than 60 days from the Demand Date. The Company is also required to list the Registrable Securities on the Exchange by the same date the registration statement is required to be declared effective by the SEC.

To secure and guarantee payment of the Convertible Notes, also on August 18, 2008, the Company, the lenders and the Company's wholly-owned subsidiary, Clarity, entered into a Seventh Amended and Restated Security Agreement (the New Security Agreement) and an Amended and Restated Guaranty of Clarity (the New Clarity Guaranty), in favor of the lenders. The New Security Agreement amends and restates the Sixth Amended and Restated Security Agreement dated May 29, 2008 to add the August Loan Agreement and the Convertible Notes to the list of obligations secured by all of the Company's assets. The New Clarity Guaranty amends and restates the Amended and Restated Guaranty of Clarity dated May 29, 2008 to add the Convertible Notes to the list of obligations for which Clarity is guaranteeing the full payment and performance by the Company to the lenders.

The material terms of the August Loan Agreement and the Convertible Notes include the following:

Interest on advances made pursuant to the August Loan Agreement (the Loans) is calculated on a 360-day year compound interest basis and paid for the actual number of days elapsed. All interest due on such Loans is payable on August 1, 2010, the maturity date of the 2008 Loan Agreement. After the occurrence and during the continuance of an event of default, the interest rate on the Loans is increased to the lesser of 20% per annum, or the highest rate permitted by law and is payable on the demand of the lenders.

The repayment of the principal amount of the Convertible Notes, as well as the notes we previously issued to the lenders and all accrued and unpaid interest, may be accelerated in the event of (i) a failure to pay any principal amount on the Convertible Notes; (ii) a failure to pay the principal amount or accrued but unpaid interest upon any of the notes we previously issued to the lenders as and when due; (iii) a failure by the Company for ten (10) days after notice to it, to comply with any other material provision of any of the Convertible Notes, the notes we previously issued to the lenders, the August Loan Agreement or the Registration Rights Agreement; (iv) a default under the Seventh Amended and Restated Security Agreement or any of the Convertible Notes or the notes we previously issued to the lenders; (v) a breach by the Company of its representations or warranties under the August Loan Agreement or under the New Clarity Guaranty; (vi) defaults under any other indebtedness of the Company in excess of \$500,000; (vii) a final judgment involving, in the aggregate, liability of the Company in excess of \$500,000 that remains unpaid for a period of 45 days; or (viii) upon a bankruptcy event related to the Company or Clarity.

The Company may not prepay any portion of the Loans.

May 2008 Credit Line. On May 22, 2008, the Company entered a new financing agreement with Manchester and Alexander (the May 2008 Loan Agreement) under which the Company was provided a credit line in the aggregate principal amount of \$2,500,000. A portion of this line was immediately drawn upon to repay the outstanding \$500,000 short term loan from the lenders under a receivables factoring arrangement as well as accrued interest of \$8,056 on the loan. An additional \$692,000 was drawn for working capital. The indebtedness under the May 2008 Loan Agreement was evidenced by our 9.5% Secured Grid Notes. We issued a Grid Note to each of Manchester and Alexander in the maximum aggregate principal amount of \$1,250,000.

The credit line expires on August 1, 2010. Borrowings accrue interest at a rate of 9.5%. All draw downs on this line would be subject to the request of the Company and the approval of the lenders. Amounts drawn under this credit line arrangement, including accrued interest, will be due and payable upon termination of the credit line.

March 2008 Receivables Factoring Agreement. On March 20, 2008, we entered into an assignment agreement with Grace Investments, Ltd., an affiliate of Alexander, and Manchester, which will allow us to assign, or factor, our receivables. If we request such a transaction and the lenders agree, monies will be advanced to us based on our trade receivables assigned to the lenders. Under the assignment agreement, as the assigned accounts are collected by us (approximately 30 days from the date of invoice), we will promptly pay the lenders the amount of the collected account, plus interest at an implied annual rate of 10%. In connection with the assignment agreement, the lenders agreed to advance us \$500,000. Funding occurred on March 20, 2008 and repayment (including interest) was made during April 2008 upon collection of the assigned trade receivables.

The assignment agreement also released the liens on the assigned trade receivables under the Fifth Amended and Restated Security Agreement dated January 31, 2008 among the lenders, the Company and our subsidiaries concurrently with assignment of the trade receivables to the lenders.

2008 Convertible Debt to Finance Clarity Acquisition. As a condition to the merger with Clarity in January 2008, the Company was required (i) to obtain financing in an amount equal to \$1,500,000 to fund the initial operations of the combined entity after the merger and transaction expenses of the Company incurred in connection with the merger and (ii) to pay off the amount outstanding under Clarity's line of credit agreement (as described below). On January 3, 2008, the Company issued a new note to Alexander in the aggregate principal amount of \$1,500,000. The note matures August 1, 2009, bears interest of 7% per annum and is convertible, together with all accrued and unpaid interest thereon, into shares of the Company's common stock at an initial conversion price of \$0.20 per share. The note contains substantially similar terms and conditions as the notes previously issued to the lenders. The note is secured on a first priority basis by all of the Company's intangible and tangible property and assets, including the assets acquired from Clarity in the merger. Payment of the note is guaranteed by the Company's subsidiaries.

In connection with the financing described above, the Company, the lenders, Spectral Solutions, Inc. and Illinois Superconductor Canada Corporation (the Company's inactive subsidiaries) entered into an Amendment to and Waiver and Consent, pursuant to which the lenders waived, among other things, (i) the requirement under the Company's existing line of credit arrangement to use such cash proceeds received in connection with the Clarity merger, the issuance of the convertible shares, the issuance of the note, and the transactions contemplated thereby to prepay the outstanding notes issued to the lenders and (ii) the prohibition of the Company pursuant to the loan agreement to directly or indirectly create, assume, guarantee, or otherwise become or remain directly or indirectly liable with respect to any indebtedness other than the exceptions described therein, upon paying the amount outstanding under Clarity's line of credit at the closing of the merger.

Before Alexander may exercise its right to convert the note into the conversion shares, the Company is required to be able to issue the conversion shares pursuant to the Exchange rules as well as to obtain the approval of (i) the Company's stockholders to issue the shares issuable upon conversion and (ii) the Exchange to list the conversion shares on the Exchange. The Company is required to obtain these approvals within one year of the issuance date of the note. In the event that these required approvals are not obtained by that time, then the interest rate on the note will increase to a rate of 15% per annum. If the resale of the conversion shares is not registered under the applicable registration rights agreement, as described below, by the 15-month anniversary of the issuance date of the note, if the SEC does not review the registration statement, or the 17-month anniversary if the SEC does conduct a review, then the then-current interest rate will increase by a rate of 1% per annum each month thereafter until the conversion shares are registered, up to the default rate of the lower of 20% per annum or the highest amount permitted by law. In connection with financing, the Company entered into a registration rights agreement with Alexander pursuant to which the Company is required to file a registration statement under the Securities Act covering the resale of the shares of the conversion shares with the SEC within 30 days after the Company has received the requisite approval by the stockholders and the Exchange. The registration rights agreement contains customary covenants, including registration delay payments, in addition to certain interest rate increases under the note, in certain circumstances for failing to maintain the effectiveness of a registration statement covering the resale of the conversion shares.

2007 Convertible Debt that Replaced the 2002 Credit Line. On June 26, 2007, the Company, Manchester and Alexander entered into an agreement to restructure the \$11,700,000 of credit line debt and accrued interest which was to mature August 2007. The Company issued amended and restated notes in aggregate principal amount, including accrued interest on the maturing notes, of approximately \$10,200,000 to replace all of the maturing credit line notes and to reflect certain amendments to the line of credit arrangement, including: (i) the extension of the termination dates and maturity dates for all the maturing notes that were set to mature August 1, 2007 to a new maturity date of August 1, 2009; (ii) the reduction of the interest rate on each of the maturing notes from 9% to 7% per annum; (iii) provision for the conversion of the aggregate principal amount outstanding on each of the maturing notes at the election of the lenders, together with all accrued and unpaid interest thereon into shares of our common stock, par value \$0.001 per share, at an initial conversion price of \$0.20 per share. In addition, each of the lenders immediately converted \$750,000 in principal amount and accrued interest outstanding under the notes each lender held prior to the conversion into shares of common stock at a conversion price of \$0.18, the 10 day volume weighted average closing price of our common stock on the Exchange as of June 21, 2007. Assuming the remainder of the notes are not converted until maturity, the Company would be required to issue approximately 58,500,000 shares of common stock upon conversion, for both principal and interest.

Outstanding Indebtedness. The following amounts are outstanding as of November 3, 2008 with respect to the Company's financing transactions described above:

August 2008 Loan Agreement \$2,000,000, plus accrued interest of approximately \$22,000;

May 2008 Credit Line \$1,950,000, plus accrued interest of approximately \$66,000;

January 2008 Note to Alexander \$1,500,000, plus accrued interest of approximately \$91,000;

June 2007 Notes \$10,200,000, plus accrued interest of approximately \$1,025,000; and

June 2006 Notes \$5,000,000, plus accrued interest of approximately \$608,000.

Transactions with Directors and Officers

Merger with Clarity. On November 13, 2007, an Agreement and Plan of Merger (the Merger Agreement) was entered into by and among the Company, ISCO Illinois, Inc. (the Merger Subsidiary), a wholly-owned subsidiary of the Company, Clarity and James Fuentes, for himself and as the representative of certain Clarity rightsholders. Pursuant to the Merger Agreement, the Company obtained all of the outstanding stock of Clarity through a merger in which the Merger Subsidiary merged with and into Clarity with Clarity being the surviving corporation and a wholly-owned subsidiary of the Company. We issued shares of our common stock as consideration for the merger. Mr. Fuentes was the sole stockholder, and President and Chief Executive Officer of Clarity. Mr. Fuentes was a member of the Company's Board from November 2003 until May 2008 and served as Chairman of the Board from January 2006 until June 2007.

Pursuant to the Merger Agreement, the Company agreed to issue up to an aggregate of 40,000,000 shares of its common stock in exchange for all of Clarity's stock, which was held entirely by Mr. Fuentes, and satisfaction of rights under certain Clarity incentive and compensation plans.

Mr. Fuentes was allocated approximately 65% of the 40,000,000 shares of common stock issuable in connection with the merger. Of the total number of shares that the Company may potentially issue in the merger, 20,000,000 shares were issued at the closing of the merger, 2,500,000 shares will be issuable on each of the first and second anniversaries of closing (the Time-Based Shares) (subject to any indemnification claims pursuant to the Merger Agreement), and 3,750,000 shares (the Clarity Performance-Based Shares) will be issuable on each of the first dates on which the Company's equity market capitalization first equals or exceeds \$125,000,000, \$175,000,000, \$225,000,000 and \$275,000,000 within the three-year period after closing of the merger for at least 40 of the 45 consecutive trading days the Company's market capitalization equals such thresholds. The exact number of shares issuable to Mr. Fuentes and the other Clarity employees will depend on, among other things, whether any of the Time-Based Shares are used to satisfy indemnification claims or whether one or more employees forfeit their shares because their employment with the Company following the closing of the merger is terminated after the closing of the merger. Mr. Fuentes was released from his obligation to guaranty up to \$1,500,000 drawn under Clarity's line of credit arrangement. In addition, the Company reimbursed certain professional fees and expenses of Clarity relating to the merger up to an aggregate of \$375,000. Assuming that Mr. Fuentes is later issued all of the shares he is eligible to receive in connection with the merger, including all of the Clarity Performance-Based Shares, Mr. Fuentes would beneficially own up to approximately 11% of the Company's outstanding common stock.

Employment and Registration Rights Agreement with James Fuentes. In connection with the Clarity merger, the Company entered into an employment agreement with Mr. Fuentes, which is described above under the section titled Employment Agreements. In addition, the Company filed a registration statement on Form S-3 with the SEC, which was declared effective February 14, 2008, pursuant to a registration rights agreement with Mr. Fuentes and certain Clarity employees covering the resale of the shares they received in connection with the merger.

Employment Agreement with Gordon Reichard. On March 10, 2008, the Company entered into an employment agreement with Mr. Reichard, which is described above under the section titled Employment Agreements. Mr. Reichard serves as the Company's Chief Executive Officer.

Employment Agreement with Amr Abdelmonem. On February 19, 2008, the Company entered into an employment agreement with Dr. Abdelmonem, which is described above under the section titled Employment Agreements. Dr. Abdelmonem serves as the Company's Chief Operating Officer and Chief Technology Officer.

Letter Agreement with Gary Berger. On May 28, 2008, the Company entered into an employment agreement with Mr. Berger, which is described above under the section titled Employment Agreements. Mr. Berger serves as the Company's Chief Financial Officer.

PROPOSAL 2
RATIFICATION OF APPOINTMENT OF AUDITORS

The Board, upon the recommendation of the Audit Committee, has appointed Grant Thornton LLP (Grant Thornton), independent certified public accountants, as auditors of the Company's financial statements for the fiscal year ending December 31, 2008. Grant Thornton has acted as auditors for the Company since December 2000.

Vote Required

The affirmative vote of a majority of the shares of common stock present in person or represented by proxy at the Annual Meeting and entitled to vote on the matter is required to ratify the appointment of Grant Thornton as auditors of the Company's financial statements for the fiscal year ending December 31, 2008.

The Board has determined to afford stockholders the opportunity to express their opinions on the matter of auditors, and, accordingly, is submitting to the stockholders at the Annual Meeting a proposal to ratify the Board's appointment of Grant Thornton. If a majority of the shares voted at the Annual Meeting, in person or by proxy, are not voted in favor of the ratification of the appointment of Grant Thornton, the Board will interpret this as an instruction to seek other auditors.

Grant Thornton has examined the financial statements of the Company for the fiscal year ended December 31, 2007. The Company expects representatives of Grant Thornton to be present at the Annual Meeting and to be available to respond to appropriate questions from stockholders. The representatives of Grant Thornton will have the opportunity to make a statement at the meeting if they desire to do so.

Policy for Pre-Approval of Audit and Non-Audit Services

The Audit Committee's policy is to pre-approve all audit services and all non-audit services that the Company's independent auditor is permitted to perform for the Company under applicable federal securities regulations. Specific pre-approval is mandatory for the annual financial statement audit engagement, among other items.

These rules generally attribute beneficial ownership of securities to persons who possess sole or shared voting power or investment power with respect to such securities. Except as otherwise indicated, all of the shares reflected in the table are shares of common stock and all persons listed below have sole voting and investment power with respect to the shares beneficially owned by them, subject to applicable community property laws. Percentage of beneficial ownership is based on 228,471,174 shares of common stock outstanding. Annual Report on Form 10-K

The Annual Report on Form 10-K, and a listing of the Company's directors and officers, which accompany this Proxy Statement, are not considered a part of the proxy solicitation material. The Company will furnish to any stockholder, without charge, a copy of our Annual Report on Form 10-K for the year ended December 31, 2007, as filed with the SEC. A request for the report can be made verbally or in writing to Gary Berger, Corporate Secretary, at 1001 Cambridge Drive, Elk Grove Village, IL 60007, telephone (847) 391-9400. Delivery of Documents to Stockholders Sharing an Address

The Company will deliver only one Annual Report on Form 10-K, along with a listing of the Company's officers and directors, and Proxy Statement to stockholders who share a single address unless we have received contrary instructions from any stockholder at the address. In that case, we will deliver promptly a separate copy of the Annual Report on Form 10-K, with the listing of our officers and directors, and/or Proxy Statement. For future deliveries, stockholders who share a single address can request a separate copy of the Company's annual report and/or proxy statement. Similarly, if multiple copies of the annual report and proxy statement are being delivered to a single address, stockholders can request a single copy of the annual report and proxy statement for future deliveries. To make a request, please contact Gary Berger, Corporate Secretary, at 1001 Cambridge Drive, Elk Grove Village, IL 60007, telephone (847) 391-9400.
