## INTRODUCTORY STATEMENT

This Amendment No. 2 (this Amendment) amends and supplements the Tender Offer Statement on Schedule TO (which, together with any amendments and supplements thereto, collectively constitute the Schedule TO) that was originally filed with the Securities and Exchange Commission on November 19, 2009 by (i) Jupiter Acquisition Sub, Inc., a Montana corporation (Acquisition Sub) and a wholly-owned subsidiary of Applied Materials, Inc., a Delaware corporation (Applied), and (ii) Applied. The Schedule TO relates to the purchase of all of the outstanding shares of common stock, no par value per share, of Semitool, Inc. at a purchase price of \$11.00 per share, net to the seller in cash, without interest thereon and less any required withholding tax, upon the terms and subject to the conditions set forth in the Offer to Purchase, dated November 19, 2009 (the Offer to Purchase), and in the related Letter of Transmittal (which, together with the Offer to Purchase and any amendments or supplements thereto, collectively constitute the Offer), copies of which were filed with the Schedule TO as Exhibits (a)(1) and (a)(2) thereto, respectively. This Amendment is being filed on behalf of Acquisition Sub and Applied. The information set forth in the Offer to Purchase and the related Letter of Transmittal, is hereby expressly incorporated by reference in answer to Items 1 through 9 and 11 of this Amendment, and is amended and supplemented by the information specifically provided herein.

Capitalized terms used and not defined in this Amendment have the meanings assigned to such terms in the Offer to Purchase.

### ITEM 11. ADDITIONAL INFORMATION.

Item 11 of the Schedule TO is amended and supplemented by amending and supplementing the information set forth in Section 14 (Certain Legal Matters) of the Offer to Purchase as follows:

*The following paragraph replaces the second paragraph under the caption Antitrust on page 49:*

Pursuant to the requirements of the HSR Act, Applied, on behalf of itself and Acquisition Sub, and Semitool filed a Premerger Notification and Report Form with respect to the Offer and the Merger with the Antitrust Division and the FTC on November 17, 2009 and November 18, 2009, respectively. On December 2, 2009, Applied voluntarily withdrew its notification and intends to re-file the notification with the Antitrust Division and the FTC on December 4, 2009, in order to begin a new waiting period under the HSR Act and provide the Antitrust Division and the FTC with additional time to review its acquisition of Semitool. The HSR Act waiting period applicable to the purchase of shares pursuant to the Offer will expire at 11:59 p.m., New York City time, on December 21, 2009 (unless the waiting period is earlier terminated by the FTC and the Antitrust Division). The Offer is currently scheduled to expire prior to the end of the waiting period. If, as of the Expiration Date, the waiting period is not earlier terminated by the FTC and the Antitrust Division, Acquisition Sub expects to extend the Offer so that it expires concurrently with or after the waiting period. However, at any time prior to the end of the waiting period, the Antitrust Division or the FTC may extend the waiting period by requesting additional information or documentary material relevant to the Offer from Applied and Semitool. If such a request is made, the waiting period will be extended until 11:59 p.m., New York City time, on the tenth day after substantial compliance by Applied with such request. Thereafter, such waiting period can be extended only by court order.

*The following paragraphs replace the first and second paragraphs under the caption Litigation on page 50:*

On or about November 19, 2009 and November 30, 2009, two purported class action lawsuits related to the Offer and the Merger, captioned *Stationary Engineers Local 39 Pension Trust Fund vs. Semitool, Inc., et al.* (Cause No. DV-09-1461(B)) and *Stern vs. Thompson, et al.* (Cause No. DV-09-1513(C)), respectively, were filed in the Montana Eleventh Judicial District Court, County of Flathead, against Semitool, each of Semitool's directors, Applied and Acquisition Sub. Plaintiff in each action filed motions for expedited proceedings on November 23, 2009 and December 1, 2009, respectively, requesting, among other things, that the Court schedule a hearing on plaintiffs' anticipated motions for a preliminary injunction no later than December 17, 2009, the currently scheduled Expiration Date of the Offer. Plaintiff in the *Stationary Engineers Local* action filed an amended complaint on or about November 25, 2009.

The actions, each brought by a purported shareholder of Semitool, seek certification of a class of all holders of Semitool common stock (except the defendants and their affiliates) and allege, among other things, that Semitool's directors breached their fiduciary duties by, among other things: (i) failing to maximize shareholder value; (ii) securing benefits for certain defendants at the expense or to the detriment of Semitool's public shareholders; (iii) discouraging and/or inhibiting alternative offers to purchase control of Semitool or its assets; and (iv) failing to disclose material non-public information, and that Applied aided and abetted such alleged breaches. The actions seek, among other things, injunctive relief enjoining the defendants from consummating the Offer and the Merger and damages, as well as recovery of the costs of the action, including reasonable attorneys' and experts' fees. Applied believes the claims alleged against it in the actions to be without merit and intends to defend against them vigorously. In addition, Semitool has informed Applied that it believes the allegations against it in the actions to be without merit, and that it intends to defend against the claims vigorously. The foregoing description of these lawsuits is qualified in its entirety by
