**Item 8.01. Other Events.**

On December 15, 2009, Floyd C. Wilson, the Chairman of the Board and Chief Executive Officer of Petrohawk Energy Corporation (the Company ), entered into a written trading plan for financial planning and estate planning purposes. The plan was entered into in compliance with Rule 10b5-1 of the Securities and Exchange Act of 1934 and the Company 's insider trading policy. Under the plan, during a period beginning on January 15, 2010 and ending December 31, 2010, the third-party administrator of the plan may sell, in its discretion, up to 250,000 shares of common stock of the Company owned by Mr. Wilson subject to the market price of the common stock exceeding certain minimum threshold prices specified in the plan. Transactions under the plan are subject to disclosure pursuant to Form 4 filings with the Securities and Exchange Commission.

Rule 10b5-1 permits corporate insiders to establish prearranged written plans to buy or sell a specified number of shares of a company 's stock over a set period of time, if the plan is adopted at a time when the purchaser or seller is not aware of any material non-public information. Under these trading plans, trades may be executed at times in the future when an insider is in possession of material non-public information, provided that the trade is executed based on the application of a formula or binding instructions determined at the time the trading plan was arranged. These trading plans allow insiders to diversify their holdings and to minimize the stock market impact of sales by spreading the sales out over time. All trades that occur under the trading plan will be publicly reported on Forms 144 and Forms 4 filed with the Securities and Exchange Commission.

**SIGNATURE**
