**ITEM 3.01. NOTICE OF DELISTING OR FAILURE TO SATISFY A CONTINUED LISTING RULE OR STANDARD; TRANSFER OF LISTING.**

As previously announced, Environmental Power Corporation (the Company) has received Nasdaq staff determinations that the Company's securities would be subject to delisting from The Nasdaq Capital Market for failure to meet Nasdaq's \$1.00 minimum bid price rule and to maintain minimum stockholders' equity of at least \$2.5 million (based on the Company's common stock not having a market value in excess of \$35 million and the Company not having at least \$500,000 in net income during the last fiscal year or at least two of the last three fiscal years).

The Company previously requested a hearing to appeal the Nasdaq Staff's determination to delist the Company's securities for failure to comply with the minimum bid price rule, which hearing was scheduled to take place on April 28, 2010.

After considering a number of factors, including the Company's current financial condition, the expenditure of resources necessary to seek to regain compliance with Nasdaq's Listing Rules within Nasdaq's timeframe and then attempting to maintain its Nasdaq listing, and the uncertainty that the Company could present a plan satisfactory to Nasdaq for regaining compliance, the Company has decided not to undertake potentially expensive, time-consuming and dilutive efforts to regain compliance with Nasdaq's minimum stockholders' equity rule or minimum bid price rule. Accordingly, the Company expects that Nasdaq will suspend trading in the Company's common stock on or about the opening of the market on Monday, April 26, 2010. In addition, although Nasdaq would ultimately do so in due course, the Company intends to file a Form 25 with the Securities and Exchange Commission (the SEC) on or about May 3, 2010 to delist its common stock from listing and quotation on The Nasdaq Capital Market. On May 13, 2010, the expected effective date of the Form 25, the Company intends to file a Form 15 with the SEC to voluntarily deregister its common stock under Section 12(g) of the Securities Exchange Act of 1934, as amended (the Exchange Act). Upon the filing of the Form 15, the Company's obligations under the Exchange Act to file certain reports with the SEC, including Forms 10-K, 10-Q, and 8-K, will immediately be suspended. The Company expects that the deregistration of its common stock will become effective 90 days after the date of filing of the Form 15 with the SEC. The Company fully expects that its Common Stock will be quoted on the Pink OTC Markets Inc. promptly after delisting from Nasdaq, although it cannot assure that this will be the case.
