**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

On February 16, 2011, Craig C. Sturken notified the Board of Directors of Spartan Stores, Inc. (the Company) that he will retire as an executive officer of the Company, effective February 18, 2011. Mr. Sturken's retirement as an executive officer is part of the executive leadership transition process discussed by Mr. Sturken and the Board of Directors. Mr. Sturken will continue to serve as a non-employee director of the Company and Chairman of the Board of Directors. As Chairman, Mr. Sturken will receive an annual retainer as Chairman of the Board in the amount of \$150,000. Mr. Sturken will not receive meeting fees for his service as a director, but he will otherwise be eligible to participate in the Company's director compensation programs, as described in the Company's proxy statement filed with the Commission on June 25, 2010.

As of the date of his retirement, Mr. Sturken held outstanding and unvested shares of restricted stock granted to him pursuant to the Company's shareholder-approved 2001 Stock Incentive Plan and Stock Incentive Plan of 2005 (the Plans). Pursuant to the terms of each Plan and each award of restricted stock, a pro-rata portion of each award of restricted stock automatically vested upon Mr. Sturken's retirement. Accordingly, effective February 18, 2011, 25,128 shares of restricted stock previously awarded to Mr. Sturken automatically vested. The terms of the Plans and each award also provide that the Compensation Committee may, in its discretion, waive the restrictions remaining on any shares of restricted stock following an associate's retirement. In recognition of Mr. Sturken's distinguished service and extraordinary contributions to the Company over the past eight years, the Compensation Committee waived the restrictions on the remaining shares of restricted stock previously awarded to him that would not have otherwise vested upon his retirement. As a result of the Compensation Committee's action, the Company recognized the incremental compensation expense associated with the vesting of 49,032 shares of restricted stock on February 18, 2011. The Company accounts for share-based compensation expense in accordance with FASB ASC Topic 718.
