Item 8.01 Other Events.

On March 29, 2012, USG Corporation (the Corporation) issued a press release announcing the pricing of a private offering of \$250 million aggregate principal amount of its 7.875% senior notes due 2020 (the Notes). The Notes will be the unsecured obligations of the Corporation. The Corporation's obligations under the Notes will be guaranteed on a senior unsecured basis by certain of its domestic subsidiaries. The Notes will be sold to investors at a price of 99.279% of the principal amount of the Notes. The offering of the Notes is expected to close on or about April 12, 2012. A copy of the press release is attached hereto as Exhibit 99.1 and incorporated herein by reference.

The Corporation intends to use all or a portion of the net proceeds from the offering of the Notes to repurchase 9.75% senior notes due 2014 validly tendered and accepted for payment pursuant to the Corporation's previously announced tender offer, and to pay related costs and expenses. After repurchasing 9.75% senior notes due 2014 pursuant to the tender offer, the Corporation intends to use any remaining net proceeds from the offering of the Notes for working capital and other general corporate purposes, which may include the repurchase or other acquisition of 9.75% senior notes due 2014 or the Corporation's other outstanding indebtedness through open market purchases, privately negotiated transactions, redemptions, other tender offers or otherwise.

The following table shows the Corporation's cash, cash equivalents and marketable securities and capitalization as of December 31, 2011 on an actual basis and as adjusted to give effect to the offering and the application of approximately \$242 million of net proceeds from the offering.

- (a) As of December 31, 2011, the Corporation had \$154 million of availability under the senior secured credit facility, and the Corporation had no borrowings and \$80 million of outstanding letters of credit under this facility.
- (b) As of December 31, 2011, there were no borrowings under the CGC secured credit facility and outstanding letters of credit totaled C\$0.8 million. The U.S. dollar equivalent of borrowings available under this facility as of December 31, 2011 was \$29 million.
- (c) Amount presented is net of \$2 million of debt discount.
- (d) Amounts presented are net of \$3 million of debt discount. As adjusted amounts assume that approximately \$118 million principal amount of the Corporation's outstanding 9.75% senior notes due 2014 (which represents the amount of 9.75% senior notes due 2014 tendered at or prior to 5:00 p.m., New York City time on March 27, 2012) are repurchased pursuant to the tender offer. To the extent that less than \$215 million principal amount of the Corporation's outstanding 9.75% senior notes due 2014 are repurchased pursuant to the tender offer, the Corporation may repurchase or otherwise acquire the Corporation's outstanding 9.75% senior notes due 2014 at prices that may be more or less than \$1,125.00 per \$1,000 principal amount of 9.75% senior notes due 2014, but not more than the applicable 2014 Notes optional redemption premium.
- (e) Amounts presented are net of \$1 million of debt discount.
- (f) Amounts presented are net of \$17 million of debt discount.
- (g) Includes approximately \$7 million of current portion of such indebtedness.
