² See below for information regarding T+5 settlement.

T+5 Settlement. Under Rule 15c6-1 under the Securities Exchange Act of 1934, as amended, trades in the secondary market are required to settle in three business days (such settlement being referred to as T+3), unless the parties to any such trade expressly agree otherwise. Accordingly, purchasers who wish to trade these securities on the date of this issuer free writing prospectus or the next succeeding business day will be required, by virtue of the fact that these securities initially will settle in T+5, to specify an alternate settlement arrangement at the time of any such trade to prevent a failed settlement. Purchasers of these securities who wish to trade these securities on the date of this issuer free writing prospectus or the next succeeding business day should consult their advisors.

The issuer has filed a registration statement (including a prospectus) with the SEC for the offering to which this communication relates. Before you invest, you should read the prospectus in that registration statement, the preliminary prospectus supplement and other documents the issuer has filed with the SEC for more complete information about the issuer and this offering. You may get these documents for free by visiting EDGAR on the SEC's web site at www.sec.gov.
