ITEM 15. Indemnification of Directors and Officers.**Plains Exploration & Production Company**

The certificate of incorporation of Plains Exploration & Production Company (the "Company") provides that the Company must indemnify to the full extent authorized or permitted by law any person made, or threatened to be made, a party to any threatened, pending or contemplated action, suit or proceeding (whether civil, criminal, administrative or investigative), any appeal in such action, suit or proceeding and any inquiry or investigation that could lead to such action, suit or proceeding by reason of fact that he is or was one of the Company's directors or officers or by reason of the fact that such director or officer, at the Company's request, is or was serving as a director, officer, partner, venturer, proprietor, trustee, employee, agent or similar functionary of an enterprise, against expenses and liabilities incurred in connection with such action, suit or proceeding. The rights to indemnification set forth above are not exclusive of any other rights to which such person may be entitled under any statute, provision of the Company's certificate of incorporation or bylaws, agreements, vote of stockholders or disinterested directors or otherwise.

In addition, the Company's certificate of incorporation and bylaws provide for mandatory indemnification of its officers and directors to at least the extent specifically allowed by Section 145 of the General Corporation Law of the State of Delaware (the "DGCL"). However, under the Company's certificate of incorporation, except for proceedings to enforce right to indemnification, the Company is not required to indemnify anyone (including his heirs, executors or representatives) in connection with any action, suit or proceeding initiated by such person unless it was authorized by or consented to the Company's board of directors. The Company's bylaws follow the language of Section 145 of the DGCL; however, the advancement of expenses by us does not extend to administrative or investigative actions, suits and proceedings.

Pursuant to Section 145 of the DGCL, the Company generally has the power to indemnify its current and former directors, officers, employees and agents against expenses and liabilities that they incur in connection with any suit to which they are, or are threatened to be made, a party by reason of their serving in such positions so long as they acted in good faith and in a manner they reasonably believed to be in, or not opposed to, the Company's best interests, and with respect to any criminal action, they had no reasonable cause to believe their conduct was unlawful. The statute expressly provides that the power to indemnify or advance expenses authorized thereby is not exclusive of any rights granted under any bylaw, agreement, vote of stockholders or disinterested directors, or otherwise, both as to actions in such person's official capacity and as to actions in another capacity while holding such office. The Company also has the power to purchase and maintain insurance for such directors and officers.

Pursuant to the TBOC, PPI generally has the power to indemnify its current and former directors, officers, employees and agents against expenses and liabilities that they incur in connection with any suit to which they are, or are threatened to be made, a party by reason of their serving in such positions so long as he can affirm that he acted in good faith and met the standard of conduct necessary for indemnification under the TBOC. To limit indemnification, liability must be established by an order and all appeals of the order must be exhausted or foreclosed by law.

Delaware Corporations

The certificate of incorporation of each of Arguello Inc. (Arguello), Plains Acquisition Corporation (Plains Acquisition) and Plains Resources Inc. (Plains Resources) generally provide that such entity must indemnify to the fullest extent authorized or permitted by law any person made, or threatened to be made, a party to any threatened, pending or completed action, suit or proceeding (whether civil, criminal, administrative or investigative) by reason of the fact that he is or was a director or officer of such entity or by reason of the fact that such director or officer, at such entity's request, is or was serving any other entity in any capacity, against expenses and liabilities incurred in connection with such action, suit or proceeding; *provided, however*, that, except for proceedings to enforce rights to indemnification, Arguello and Plains Resources are not required to indemnify any person in connection with a proceeding initiated by such person unless the proceeding is authorized by the board of directors. The rights to indemnification set forth above are not exclusive of any other rights to which such person may be entitled under any statute, provision of any applicable certificate of incorporation or bylaws, agreements, vote of stockholders or disinterested directors or otherwise.

The bylaws of each of Latigo Petroleum, Inc. (Latigo), Plains Acquisition and Plains Resources provide for mandatory indemnification of such entity's officers and directors to the fullest extent authorized or permitted by applicable law. ITEM 17. Undertakings.

(a) The undersigned registrants hereby undertake:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by section 10(a)(3) of the Securities Act of 1933, as amended (the Securities Act);

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Securities and Exchange Commission (the SEC) pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that (1) paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) of this section do not apply if the registration statement is on Form S-3 and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the SEC by the registrants pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934, as amended (the Exchange Act) that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining any liability under the Securities Act to any purchaser:

(i) Each prospectus filed by the registrants pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of the registrants under the Securities Act to any purchaser in the initial distribution of the securities, the undersigned registrants undertake that in a primary offering of securities of the undersigned registrants pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, each of the undersigned registrants will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned registrants relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrants or used or referred to by such undersigned registrants;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrants or their securities provided by or on behalf of the undersigned registrants; and

(iv) Any other communication that is an offer in the offering made by the undersigned registrants to the purchaser.

(b) The undersigned registrants hereby undertake that, for purposes of determining any liability under the Securities Act, each filing of the registrants' annual report pursuant to section 13(a) or section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) To file an application for the purpose of determining the eligibility of the trustee under subsection (a) of Section 310 of the Trust Indenture Act (Act) in accordance with the rules and regulations prescribed by the SEC under Section 305(b)(2) of the Act.

(d) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrants pursuant to the foregoing provisions, or otherwise, the registrants have been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrants of expenses incurred or paid by a director, officer or controlling person of the registrants in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrants will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
