Item 1.01. Entry into a Material Definitive Agreement.

On December 19, 2012, Jefferies Group, Inc. (the Company) and The Bank of New York Mellon, as trustee, entered into a Second Supplemental Indenture (the Senior Notes Supplemental Indenture) to the Indenture dated as of March 12, 2002, which indenture governs the Company's outstanding 5.875% Senior Notes due 2014, 3.875% Senior Notes due 2015, 5.5% Senior Notes due 2016, 5.125% Senior Notes due 2018, 8.5% Senior Notes due 2019, 6.875% Senior Notes due 2021, 6.45% Senior Debentures due 2027 and 6.25% Senior Debentures due 2036. Also on December 19, 2012, the Company and The Bank of New York Mellon, as trustee, entered into a Second Supplemental Indenture (together with the Senior Notes Supplemental Indenture, the Second Supplemental Indentures) to the Indenture dated as of October 26, 2009, which indenture governs the Company's outstanding 3.875% Convertible Senior Debentures due 2029.

Each of the Second Supplemental Indentures amends the applicable indenture, as supplemented, to include in the definition of Corporation a limited liability company organized under the laws of Delaware or New York and to make a corresponding change to the definitions of Board of Directors, and, in the case of the Senior Notes Supplemental Indenture to the definition of Capital Stock, Common Stock and stock. They also amend the covenants in the indentures related to consolidation, merger, conversion or sale of substantially all of the assets of the Company to permit such transactions with a Delaware or New York limited liability company and conversion of the Company into such a limited liability company. The Second Supplemental Indentures further provide that if, in the event of any such consolidation, merger or sale of assets, the surviving entity is not a corporation, a subsidiary of the Company that is incorporated as a business corporation may, in the discretion of the Company, become a co-issuer of the securities issued under the applicable indenture. Each Second Supplemental Indenture also sets forth certain other conforming amendments to the applicable indenture.

The Company was not required to seek the consent of holders of the securities issued under the respective indentures in order to effect the foregoing amendments.
