As previously disclosed, the Audit Committee (the Audit Committee) of the Board of Directors (the Board) of Orthofix International N.V. (the Company) has commenced an independent review, with the assistance of outside professionals, of matters relating to revenue recognition for prior periods.

Although the Audit Committee review remains at a preliminary stage, on August 5, 2013, the Audit Committee concluded, after consultation with management and the Company s independent registered public accounting firm, that certain revenues recognized during 2011 and 2012, upon further evaluation, should not have been recognized or should not have been recognized during the periods in which they were recognized. As a result of the foregoing, on August 5, 2013, the Audit Committee concluded, after consultation with management and the outside auditors, that the Company s previously issued consolidated financial statements as of and for the fiscal years ended December 31, 2011 and December 31, 2012 (as well as the interim quarterly periods within such years), as well as for the interim quarterly period ended March 31, 2013, should no longer be relied upon. On August 6, 2013, the Board ratified the foregoing conclusion by the Audit Committee.

Management continues to assess the Company s disclosure controls and procedures and internal control over financial reporting for current and prior periods. Management does not expect to reach a final conclusion on the effectiveness of the Company s internal control over financial reporting and disclosure controls and procedures until completion of the restatement process, but expects to report in future or amended filings the existence of one or more material weaknesses in the Company s internal control over financial reporting relating to the restatement.

The Audit Committee is continuing its review. At this time, the Company cannot predict the aggregate amount of revenue that will ultimately be restated, whether additional periods beyond those referenced above will be affected, the final outcome or timing of the Audit Committee s continuing review of these matters, or the timing of the Company s filing of restated financial statements for the affected annual and quarterly periods.

As a result of the foregoing, the Company is not presently able to file its quarterly report on Form 10-Q for the period ended June 30, 2013 (the Form 10-Q). At this time, the Company is unable to predict when the filing of the Form 10-Q will be made.
