By their nature, forward-looking statements do not refer to historical facts, are subject to inherent risks and uncertainties, and require the Company to make assumptions. There is significant risk that assumptions, predictions and other forward-looking statements will not prove to be accurate. Factors that could cause actual performance to differ materially from the forward-looking statements made herein and in the documents incorporated by reference include, but are not limited to:

- **Competition** including: continued intense rivalry across all services among established telecommunications companies, advanced wireless services (AWS) entrants, cable-TV providers, other communications companies and emerging over-the-top (OTT) services; the potential entry of new competitors; active price and brand competition; competition for wireless spectrum; the Company's ability to continue to retain customers through an enhanced customer service experience; network access line (NAL) losses; subscriber additions and retention volumes and associated costs for wireless, TV and high-speed Internet services; pressures on wireless average revenue per subscriber unit per month (ARPU) from promotional activity from competitors, market conditions and government actions, flat-rate pricing trends for voice and data, inclusive long distance plans for voice, and increasing availability of Wi-Fi networks for data; and the Company's ability to obtain and offer content across multiple devices on wireless and TV platforms at a reasonable cost.
- **Regulatory decisions and developments** including: the federal government's stated intention to further increase wireless competition, reduce roaming costs on wireless networks in Canada and require further unbundling of TV channels and eliminate paper bill charges; the Competition Bureau's recommendation to the Canadian Radio-television and Telecommunications Commission (CRTC) that it should implement remedies to provide more favourable roaming access terms to new entrant service providers; future spectrum auctions (including limitations on established wireless providers, spectrum set-aside favouring smaller carriers and other advantages provided to new and foreign participants, and the amount and cost of spectrum acquired); restrictions on the purchase, sale and transfer of spectrum licences; the outcome of the CRTC review of mandated wholesale services, including consideration of mandated competitor access to fibre-to-the-premises facilities; vertical integration by competitors into broadcast content ownership and timely and effective enforcement of regulatory safeguards; ongoing monitoring and compliance with restrictions on non-Canadian ownership of the Common Shares; interpretation and application of tower sharing and roaming rules; the non-harmonization between provincial consumer protection legislation, in particular in light of the new CRTC mandatory national Wireless Code (the Code), which came into effect on December 2, 2013 and possible operational challenges from the Code, resulting from two and three-year customer contracts ending coterminously in 2015.

Table of Contents

- Technological substitution including: reduced utilization and increased commoditization of traditional wireline voice local and long distance services from impacts of OTT applications and wireless substitution, and overall slower market growth in the wireline segment; increasing numbers of households that have only wireless and/or Internet-based telephone services; continuation of wireless voice ARPU declines through, among others, substitution to messaging and OTT applications, such as Skype; substitution to Wi-Fi services from wireless services; and OTT Internet protocol (IP) services that may displace TV and entertainment services or impact revenue.
- Technology including: subscriber demand for data that challenges wireless networks and spectrum capacity levels; the Company's reliance on legacy systems and information technology; technology options, evolution paths and roll-out plans for wireline and wireless networks (including broadband initiatives, such as fibre to the home, and wireless small-cell deployment); the Company's reliance on wireless network access agreements; choice of suppliers and suppliers' ability to maintain and service their product lines; wireless handset supplier concentration and market power; the performance of long-term evolution (LTE) wireless technology; the Company's ability to address its near-term spectrum deficiency in certain geographical areas with recently acquired spectrum (including the spectrum in the 700 MHz band) and redeployment of existing spectrum holdings; the Company's ability to obtain additional spectrum capacity through future spectrum auctions and from third parties to address increasing demand for data; deployment and operation of new wireless networks and success of new products, new services and supporting systems; network reliability and change management (including migration risks, related to technology and customer retention, to new, more efficient Internet data centres (IDCs) and realizing the expected benefits); timing of decommissioning of certain legacy wireline networks and services to reduce operating costs, timing of decommissioning of CDMA and iDEN wireless networks to redeploy spectrum and reduce operating costs, and the associated subscriber migration and retention risks; availability of resources and ability to build out adequate broadband capacity; and success of upgrades and evolution of TELUS TV® technology, which depend on third-party suppliers.
- Economic growth and fluctuations including: the strength and persistence of economic growth in Canada that may be influenced by economic developments outside of Canada; future interest rates; inflation; pension investment returns, funding and discount rates; and Canada:U.S. dollar exchange rates.
- Capital expenditure levels, including: potential outlays for spectrum licences in spectrum auctions or from third parties, due to the Company's wireless deployment strategy for LTE and future technologies, wireline broadband initiatives, subscriber demand for data, new IDC initiatives, and the Industry Canada wireless spectrum auctions for AWS-3 spectrum (1755 – 1780 MHz, 2155-2180 MHz), as well as for 2.5 GHz (2500-2690 MHz) bands currently expected in March 2015 and April 2015, respectively.
- Financing and debt requirements including ability to carry out refinancing activities.
- Ability to sustain dividend growth program of circa 10% per annum through 2016 and ability to sustain and complete multi-year share purchase programs through 2016. These programs may be affected by factors such as regulatory and government decisions, competitive environment, economic performance in Canada, the Company's earnings and free cash flow, and levels of capital expenditures and spectrum licence purchases. Quarterly dividend decisions are subject to the Company's Board of Directors (Board) assessment and determination based on the Company's financial position and outlook. Share purchase programs may be affected by the change in the Company's intention to purchase shares, and the assessment and determination of the Board from time to time. Consequently, there can be no assurance that these programs will be maintained through 2016.
- Human resource matters including: recruitment, retention and appropriate training in a highly competitive industry.
- Ability to successfully implement cost reduction initiatives and realize planned savings, net of restructuring and other like costs, without losing customer service focus or negatively impacting business operations. Initiatives include: the Company's earnings enhancement program to drive improvements in earnings before

interest, income taxes, depreciation and amortization (EBITDA); business integrations; business process outsourcing; internal offshoring and reorganizations; procurement initiatives; and consolidation of real estate.

- Process risks including: the Company's reliance on legacy systems and ability to implement and support new products and services and business operations; the Company's ability to implement effective change management for system replacements and upgrades; process redesigns and business integrations; implementation of large enterprise deals that may be adversely impacted by available resources and degree of co-operation from other service providers; the Company's ability to successfully manage operations in foreign jurisdictions; information security and privacy breaches, including data loss or theft; and real estate joint venture development risks.
- Tax matters including: complex tax laws that may be subject to interpretation by the tax authorities that may be different from the Company's; changes in tax laws, including tax rates; elimination of income tax deferrals through the use of different tax year-ends for operating partnerships and corporate partners; and international tax complexity and compliance.
- Business continuity events including: the Company's ability to maintain customer service and operate our networks in the event of human-caused threats such as electronic attacks and human errors; equipment failures that could cause various degrees of network outages; supply chain disruptions; natural disaster threats; epidemics and pandemics; and the effectiveness of business continuity and disaster recovery plans and responses.
- Litigation and legal matters including: the Company's ability to successfully defend class actions pending against TELUS and legal compliance complexity domestically and in foreign jurisdictions.

Events of Default

The Trust Indenture provides that an event of default with respect to any series of Debt Securities means any one of the following events (whatever the reason for such event of default and whether it is voluntary or involuntary or is effected by operation of law or pursuant to any judgment, decree or order of any government authority):

- (i) a default in the payment by the Company of the principal of (or premium, if any, on) any Debt Securities of such series when the same becomes due and payable at maturity, upon acceleration, redemption or otherwise, or in any obligation to repurchase Debt Securities of such series when required pursuant to the Indenture;

- (vi) a distress, attachment, execution or other similar legal process for any amount exceeding US\$75 million (or its equivalent in any other currency or currencies) is levied or enforced against any part of the Property of the Company or any Subsidiary and such distress, attachment, execution or similar legal process has not been paid out, satisfied or withdrawn within 60 days of the date of such levy or enforcement; or

- (vii) certain events of bankruptcy, insolvency or reorganization of the Company or any Subsidiary.

The Company is required to file with the Trustee an annual officers' certificate as to the absence of certain defaults under the Trust Indenture.

In certain cases, the holders of a majority in aggregate principal amount of such series of Debt Securities or a majority in principal amount of such series voted at a duly constituted meeting may on behalf of the holders of all such Debt Securities waive any past default or event of default and rescind and annul any such declaration and its consequences.

The Trust Indenture further provides that if an event of default specified in clause (vii) above in relation to the Company occurs, the principal of and any accrued interest on the Debt Securities then outstanding shall become immediately due and payable; provided however that at any time after an automatic acceleration with respect to the Debt Securities has been made, the holders of a majority in aggregate principal amount of such series of Debt Securities or a majority in principal amount of such series voted at a duly constituted meeting may, under certain circumstances, rescind and annul such acceleration and its consequences.

The Trust Indenture contains a provision entitling the Trustee, subject to its duty during a default to act with the required standard of care, to be indemnified by the holders of Debt Securities of such series before proceeding to exercise any right or power under the Trust Indenture at the request of such holders. The Trust Indenture provides that no holder of Debt Securities of any series may pursue a remedy with respect to the Trust Indenture except in the case of failure of the Trustee to act.

If the supplement to the Trust Indenture so provides, the Company may elect, with respect to any series of Debt Securities, either to be (a) discharged from its obligations in respect of such Debt Securities, or (b) released from its obligations under positive and negative covenants (other than its covenant to maintain its existence and pay the principal, premium, interest and other amounts on such Debt Securities) and the occurrence of certain events will be deemed not to be or result in a default or event of default. Following such election, the Company will be so discharged or released, provided:

- (i) the Company has, at least 91 days prior to such discharge becoming effective, irrevocably deposited with the Trustee, as specific security pledged for, and dedicated solely to, the due payment and ultimate satisfaction of all of its obligations under the Indenture with respect to the Debt Securities of the series affected, and free and clear of any Lien, (a) funds in the currency or currencies in which such Debt Securities are payable, and/or (b) an amount of direct obligations of, or obligations the payment of principal of and interest, if any, on which are fully guaranteed by, the government that issued the currency or currencies in which Debt Securities of such series are payable, and that are not subject to prepayment, redemption or call, as will together with the predetermined and certain income to accrue thereon without consideration of any reinvestment thereof, be sufficient (in the case of such obligations, through the payment of interest and principal thereunder) to pay (x) the principal of (and premium, if any) and interest and other amounts on the outstanding Debt Securities of the particular series on their stated due dates or maturity, as the case may be, and (y) any mandatory prepayments on the day on which such prepayments are due and payable;

Other Defeasance Arrangements

If so described in the Prospectus Supplement related to Debt Securities of a specific series, the Company may enter into certain other arrangements providing for the due payment and ultimate satisfaction of its obligations with respect to such series of Debt Securities by the deposit with the Trustee of funds or obligations of the type referred to under **Defeasance of Certain Obligations** above. The Prospectus Supplement will more fully describe the provisions, if any, relating thereto.

Certain of the rights and attributes of each class are described below.

First Preferred Shares

Shares Issuable in Series

The First Preferred Shares may be issued at any time or from time to time in one or more series. Before any shares of a series are issued, the Board of Directors of the Company shall fix the number of shares that will form such series and shall, subject to the limitations set out in the articles of the Company, determine the designation, rights, privileges, restrictions and conditions to be attached to the First Preferred Shares of such series, except that no series shall be granted the right to vote at a general meeting of the shareholders of the Company or the right to be convertible or exchangeable for Common Shares, directly or indirectly.

Priority

The First Preferred Shares of each series shall rank on a parity with the First Preferred Shares of every other series with respect to dividends and return of capital and shall be entitled to a preference over the Second Preferred Shares and the Common Shares and over any other shares ranking junior to the First Preferred Shares with respect to priority in payment of dividends and in the distribution of assets in the event of liquidation, dissolution or winding-up of the Company, whether voluntary or involuntary, or any other distribution of the assets of the Company among its shareholders for the purpose of winding-up its affairs.

Voting Rights

Except as required by law, holders of the First Preferred Shares as a class shall not be entitled to receive notice of, to attend or to vote at any meeting of the shareholders of the Company, provided that the rights, privileges, restrictions and conditions attached to the First Preferred Shares as a class may be added to, changed or removed only with the approval of the holders of the First Preferred Shares given in such manner as may then be required by law, subject to a minimum requirement that such approval be given by resolution signed by the holders of not less than two-thirds of the First Preferred Shares then outstanding, or passed by an affirmative vote of at least two-thirds of the votes cast at a meeting of the holders of the First Preferred Shares duly called for that purpose.

Preferred Shares, be entitled to a preference over the Common Shares and over any other shares ranking junior to the Second Preferred Shares with respect to priority in payment of dividends and in the distribution of assets in the event of liquidation, dissolution or winding-up of the Company, whether voluntary or involuntary, or any other distribution of the assets of the Company among its shareholders for the purpose of winding-up its affairs.

Voting Rights

Except as required by law, holders of the Second Preferred Shares as a class shall not be entitled to receive notice of, to attend or to vote at any meeting of the shareholders of the Company, provided that the rights, privileges, restrictions and conditions attached to the Second Preferred Shares as a class may be added to, changed or removed only with the approval of the holders of the Second Preferred Shares given in such manner as may then be required by law, subject to a minimum requirement that such approval be given by resolution signed by the holders of not less than two-thirds of the Second Preferred Shares then outstanding, or passed by an affirmative vote of at least two-thirds of the votes cast at a meeting of the holders of the Second Preferred Shares duly called for that purpose.

Common Shares

Priority

The holders of Common Shares shall be entitled to participate equally with each other as to dividends and the Company shall pay dividends thereon, as and when declared by the Board of Directors of the Company out of monies properly applicable to the payment of dividends, in amounts per share and at the same time on all such Common Shares at the time outstanding as the Board of Directors of the Company may from time to time determine. In the event of the liquidation, dissolution or winding-up of the Company or other distribution of assets of the Company among its shareholders for the purpose of winding-up its affairs, all the property and assets of the Company which remain after payment to the holders of any shares ranking in priority to the Common Shares in respect of payment upon liquidation, dissolution or winding-up of all amounts attributed and properly payable to such holders of such other shares in the event of such liquidation, dissolution or winding-up or distribution, shall be paid and distributed equally, share for share, to the holders of the Common Shares, without preference or distinction.

Voting Rights

The holders of the Common Shares shall be entitled to receive notice of and to attend (in person or by proxy) and be heard at all general meetings of the shareholders of the Company (other than separate meetings of the holders of shares of any other class of shares of the Company or any other series of shares of such other class of shares) and to vote at all such general meetings with each holder of Common Shares being entitled to one vote per Common Share held at all such meetings.

Ownership and Voting Restrictions

Non-Canadian persons shall not beneficially own or control, otherwise than by way of security only, in the aggregate more than the Restricted Percentage (as defined below) of the issued and outstanding voting shares of the Company (the "non-Canadian share constraint"). The Restricted Percentage is the maximum percentage of the issued and outstanding voting shares of the Company that may be beneficially owned or controlled, otherwise than by way of security only, by non-Canadian persons without rendering any subsidiary of the Company ineligible to operate as a telecommunications common carrier pursuant to the *Telecommunications Act*, or to be granted a licence under the *Broadcasting Act* or the *Radiocommunication Act*.

The power of the Company to issue any voting shares and to restrict the right of any holder of voting shares of the Company to transfer or vote such voting shares is as provided in the Telecommunications Regulations, the Broadcasting Direction and the Radiocommunication Regulations, as amended from time to time (collectively, the "Applicable Regulations") or in the articles of the Company. The Company has the power to suspend voting rights, to refuse the transfer of shares, to redeem or purchase, or to sell or to require the sale of voting shares of the Company as provided in the Applicable Regulations or the articles of the Company, for the purpose of ensuring that any subsidiary of the Company is not ineligible to operate as a telecommunications common carrier pursuant to the *Telecommunications Act* or, or to be granted a licence under the *Broadcasting Act* or the *Radiocommunication Act*.

Table of Contents

In addition to declarations which may be requested by the Company pursuant to the Applicable Regulations, the Company may request that a person who: (1) is or proposes to be a registered holder of voting shares of the Company; (2) holds or proposes to hold or is believed by the Company to hold voting shares of the Company on behalf of another person, other than as a registered holder; (3) subscribes for voting shares of the Company; (4) requests registration of a transfer of voting shares of the Company; (5) requests a change in registration of voting shares of the Company; or (6) elects to convert or exchange any securities into or for voting shares of the Company, file a declaration with the Company or its transfer agent within the time limit prescribed in the request. The person to whom a request is made pursuant to the articles of the Company shall submit the declaration in a form authorized by the Company, and shall contain the information requested by the Company to enable the Company to determine whether the non-Canadian share constraint is being or may be contravened.

Notwithstanding any other provision of the articles of the Company or the rules or operating procedures established pursuant to the articles of the Company, a contravention of the non-Canadian share constraint shall have no consequences except those that are expressly provided for in the articles of the Company or the Applicable Regulations. For greater certainty but without limiting the generality of the foregoing: (1) no transfer, issue or ownership of, and no title to, voting shares of the Company; (2) no resolution of shareholders (except to the extent that the result thereof is affected as a result of a determination pursuant to the Applicable Regulations to suspend the voting rights of any voting shareholders); and (3) no act of the Company, including any transfer of property to or by the Company, shall be invalid or otherwise affected by any contravention of the non-Canadian share constraint or the failure to make the adjustment in voting as may be required or permitted pursuant to the Applicable Regulations.

In administering the ownership restriction provisions of the articles of the Company and the Applicable Regulations, including, without limitation, in making any directors' determination, the Company and any of its directors, officers, employees and agents may rely on, among other things, the Company's central securities register.

The ownership restriction provisions of the articles of the Company shall cease to be binding on the Company and its shareholders upon the repeal of the Applicable Regulations, and shall cease to be applicable and binding to the extent permitted by all of the *Telecommunications Act*, the *Radiocommunication Act* and the *Broadcasting Act*, from time to time.

TELUS Shareholder Rights Plan

TELUS first adopted a shareholder rights plan in March 2000. In May 2010, the holders of the Common Shares and Non-Voting Shares ratified a substantially similar shareholder rights plan. On May 9, 2013, the holders of the Common Shares approved the amendment of, and reconfirmation of, the shareholder rights plan (the *Rights Plan*), which among other things, reflects the elimination of the Non-Voting Share class from TELUS' authorized share structure. Under the Rights Plan, TELUS issued one right (a *Right*) in respect of each Common Share outstanding as at such date. The Rights Plan expires upon the conclusion of TELUS' annual meeting in 2019 and is subject to shareholder confirmation every three years. The Rights will separate from the Common Shares and will be exercisable eight trading days after a person has acquired, or commences to acquire, 20% or more of the Common Shares, other than by acquisition pursuant to a takeover bid permitted by the Rights Plan (a *Permitted Bid*). The acquisition by any person (an *Acquiring Person*) of more than 20% of the Voting Shares (as defined in the Rights Plan), other than by way of a Permitted Bid, is referred to as a *Flip-in Event*. Any Rights held by an Acquiring Person will become void upon the occurrence of a Flip-in Event. Eight trading days after the occurrence of the Flip-in Event, each Right (other than those held by the Acquiring Person), will permit the purchase of \$320 worth of Common Shares for \$160 (i.e. at a 50% discount).

DESCRIPTION OF WARRANTS

This section describes the general terms that will apply to any Warrants for the purchase of Equity Securities (the *Equity Warrants*) or for the purchase of Debt Securities (the *Debt Warrants*).

Warrants may be offered separately or together with Equity Securities or Debt Securities, as the case may be. Each series of Warrants will be issued under a separate Warrant agreement to be entered into between the Company and one or more banks or trust companies acting as Warrant agent. The applicable Prospectus Supplement will include details of the Warrant agreements covering the Warrants being offered. The Warrant agent will act solely as the agent

Table of Contents

of the Company and will not assume a relationship of agency with any holders of Warrant certificates or beneficial owners of Warrants. The specific terms of the Warrants, and the extent to which the general terms described in this section apply to those Warrants, will be set forth in the applicable Prospectus Supplement.

Original purchasers of Equity Warrants or Debt Warrants (if offered separately) will be granted a contractual right of rescission against the Company in respect of the conversion, exchange or exercise of such Equity Warrant or Debt Warrant. The contractual right of rescission will entitle such original purchasers to receive the amount paid upon conversion, exchange or exercise, upon surrender of the underlying securities gained thereby, in the event that this Prospectus (as supplemented or amended) contains a misrepresentation, provided that: (i) the conversion, exchange or exercise takes place within 180 days of the date of the purchase of the convertible, exchangeable or exercisable security under this Prospectus; and (ii) the right of rescission is exercised within 180 days of the date of the purchase of the convertible, exchangeable or exercisable security under this Prospectus. This contractual right of rescission will be consistent with the statutory right of rescission described under section 131 of the *Securities Act* (British Columbia), and is in addition to any other right or remedy available to original purchasers under section 131 of the *Securities Act* (British Columbia) or otherwise at law.

In an offering of Warrants, investors are cautioned that the statutory right of action for damages for a misrepresentation contained in the prospectus is limited, in certain provincial securities legislation, to the price at which the Warrant is offered to the public under the prospectus offering. This means that, under the securities legislation of certain provinces, if the purchaser pays additional amounts upon conversion, exchange or exercise of the security, those amounts may not be recoverable under the statutory right of action for damages that applies in those provinces. The purchaser should refer to any applicable provisions of the securities legislation of the purchaser's province for the particulars of this right of action for damages and consult with a legal adviser.

Equity Warrants

The particular terms of each issue of Equity Warrants will be described in the related Prospectus Supplement. This description will include, where applicable:

- (i) the designation and aggregate number of Equity Warrants;

- (iii) the currency or currencies in which the Equity Warrants will be offered;
- (iv) the designation and terms of the Equity Securities purchasable upon exercise of the Equity Warrants;
- (v) the date on which the right to exercise the Equity Warrants will commence and the date on which the right will expire;

Edgar Filing: TELUS CORP - Form F-10/A

- (ix) whether the Equity Warrants are subject to redemption or call and, if so, the terms of such redemption or call provisions;
- (x) material United States and Canadian tax consequences of owning the Equity Warrants; and
- (xi) any other material terms or conditions of the Equity Warrants.

Debt Warrants

The particular terms of each issue of Debt Warrants will be described in the related Prospectus Supplement. This description will include, where applicable:

- (i) the designation and aggregate number of Debt Warrants;

- (ii) the price at which the Debt Warrants will be offered;
- (iii) the currency or currencies in which the Debt Warrants will be offered;
- (iv) the aggregate principal amount, currency or currencies, denominations and terms of the series of Debt Securities that may be purchased upon exercise of the Debt Warrants;
- (v) the designation and terms of any securities with which the Debt Warrants will be offered, if any, and the number of the Debt Warrants that will be offered with each security;
- (vi) the date or dates, if any, on or after which the Debt Warrants and the related securities will be transferable separately;
- (vii) the principal amount of Debt Securities that may be purchased upon exercise of each Debt Warrant and the price at which and currency or currencies in which that principal amount of securities may be purchased upon exercise of each Debt Warrant;
- (viii) the date on which the right to exercise the Debt Warrants will commence and the date on which the right will expire;
- (ix) the minimum or maximum amount of Debt Warrants that may be exercised at any one time;

DESCRIPTION OF SHARE PURCHASE CONTRACTS AND SHARE PURCHASE OR EQUITY UNITS

The Company may issue share purchase contracts, including contracts obligating holders to purchase from the Company, and the Company to sell to the holders, a specified number of Equity Securities, at a future date or dates, or similar contracts issued on a prepaid basis (in each case, Share Purchase Contracts). The price per Equity Security and the number of Equity Securities may be fixed at the time the Share Purchase Contracts are issued or may be determined by reference to a specific formula set forth in the Share Purchase Contracts. The Share Purchase Contracts will require either the share purchase price be paid at the time the Share Purchase Contracts are issued or that payment be made at a specified future date. The Share Purchase Contracts may be issued separately or as part of units consisting of a Share Purchase Contract and Debt Securities or obligations of third parties (including U.S. treasury securities) (the Share Purchase or Equity Units), and may or may not serve as collateral for a holder's obligations. The Share Purchase Contracts may require holders to secure their obligations thereunder in a specified manner. The Share Purchase Contracts also may require the Company to make periodic payments to the holders of the Share Purchase Contracts or vice versa, and such payments may be unsecured or refunded on some basis.

The applicable Prospectus Supplement will describe the terms of the Share Purchase Contracts or Share Purchase or Equity Units. The description in the Prospectus Supplement will not necessarily be complete, and reference will be made to the Share Purchase Contracts, and, if applicable, collateral, depository or custodial arrangements, relating to the Share Purchase Contracts or Share Purchase or Equity Units. Material United States and Canadian federal income tax considerations applicable to the holders of the Share Purchase or Equity Units and the Share Purchase Contracts will also be discussed in the applicable Prospectus Supplement.

Edgar Filing: TELUS CORP - Form F-10/A

Original purchasers of Share Purchase Contracts or Share Purchase or Equity Units will be granted a contractual right of rescission against the Company in respect of the conversion, exchange or exercise of such Share Purchase Contract or Share Purchase or Equity Unit. The contractual right of rescission will entitle such original purchasers to receive the amount paid upon conversion, exchange or exercise, upon surrender of the underlying securities gained thereby, in the event that this Prospectus (as supplemented or amended) contains a misrepresentation, provided that: (i) the conversion, exchange or exercise takes place within 180 days of the date of the purchase of the convertible, exchangeable or exercisable security under this Prospectus; and (ii) the right of rescission is exercised within 180 days of the date of the purchase of the convertible, exchangeable or exercisable security under this Prospectus. This

contractual right of rescission will be consistent with the statutory right of rescission described under section 131 of the *Securities Act* (British Columbia), and is in addition to any other right or remedy available to original purchasers under section 131 of the *Securities Act* (British Columbia) or otherwise at law.

In an offering of Share Purchase Contracts or Share Purchase or Equity Units, investors are cautioned that the statutory right of action for damages for a misrepresentation contained in the prospectus is limited, in certain provincial securities legislation, to the price at which the Share Purchase Contracts or Share Purchase or Equity Units are offered to the public under the prospectus offering. This means that, under the securities legislation of certain provinces, if the purchaser pays additional amounts upon conversion, exchange or exercise of the security, those amounts may not be recoverable under the statutory right of action for damages that applies in those provinces. The purchaser should refer to any applicable provisions of the securities legislation of the purchaser's province for the particulars of this right of action for damages and consult with a legal adviser.

DENOMINATIONS, REGISTRATION AND TRANSFER

The Securities will be issued in fully registered form without coupons attached in either global or definitive form and in denominations and integral multiples as set out in the applicable Prospectus Supplement (unless otherwise provided with respect to a particular series of Debt Securities pursuant to the provisions of the Trust Indenture, as supplemented by a supplemental indenture). Other than in the case of book-entry only securities, Securities may be presented for registration of transfer (with the form of transfer endorsed thereon duly executed) in the city specified for such purpose at the office of the registrar or transfer agent designated by the Company for such purpose with respect to any issue of Securities referred to in the Prospectus Supplement. No service charge will be made for any transfer, conversion or exchange of the Securities but the Company may require payment of a sum to cover any transfer tax or other governmental charge payable in connection therewith. Such transfer, conversion or exchange will be effected upon such registrar or transfer agent being satisfied with the documents of title and the identity of the Person making the request. If a Prospectus Supplement refers to any registrar or transfer agent designated by the Company with respect to any issue of Securities, the Company may at any time rescind the designation of any such registrar or transfer agent and appoint another in its place or approve any change in the location through which such registrar or transfer agent acts.

In the case of book-entry only securities, a global certificate or certificates representing the Securities will be held by a designated depository for its participants. The Securities must be purchased or transferred through such participants, which includes securities brokers and dealers, banks and trust companies. The depository will establish and maintain book-entry accounts for its participants acting on behalf of holders of the Securities. The interests of such holders of Securities will be represented by entries in the records maintained by the participants. Holders of Securities issued in book-entry only form will not be entitled to receive a certificate or other instrument evidencing their ownership thereof, except in limited circumstances. Each holder will receive a customer confirmation of purchase from the participants from which the Securities are purchased in accordance with the practices and procedures of that participant.

RISK FACTORS

Prospective investors in the Securities should consider carefully the matters set forth in the section entitled "Risks and risk management" in Management's Discussion and Analysis of financial results in respect of the Company's most recent annual financial statements and in Management's Discussion and Analysis of financial results in respect of the Company's interim financial statements filed thereafter, each of which is deemed to be incorporated by reference in this Prospectus.

PLAN OF DISTRIBUTION

The Company may sell the Securities to or through underwriters or dealers, and also may sell Securities to one or more other purchasers directly or through agents. Each Prospectus Supplement will set forth the terms of the offering, including the name or names of any underwriters or agents, the purchase price or prices of the Securities and the proceeds to the Company from the sale of the Securities.

Table of Contents

The Securities may be sold, from time to time in one or more transactions at a fixed price or prices which may be changed or at market prices prevailing at the time of sale, at prices related to such prevailing market prices or at negotiated prices.

Underwriters, dealers and agents who participate in the distribution of the Securities may be entitled under agreements to be entered into with the Company to indemnification by the Company against certain liabilities, including liabilities under securities legislation, or to contribution with respect to payments which such underwriters, dealers or agents may be required to make in respect thereof. Such underwriters, dealers and agents may be customers of, engage in transactions with, or perform services for, the Company in the ordinary course of business.

In connection with any offering of Securities, the underwriters or agents may, subject to applicable law, over-allot or effect transactions which stabilize or maintain the market price of the Securities offered at a level above that which might otherwise prevail in the open market. Such transactions, if commenced, may be discontinued at any time.

Certain legal matters in connection with any offering hereunder will be passed upon by Norton Rose Fulbright Canada LLP, Toronto, Ontario and by Paul, Weiss, Rifkind, Wharton & Garrison LLP, New York, New York for the Company.

Indemnification

Sections 160 to 163 of the Business Corporations Act (British Columbia) (successor to the Company Act (British Columbia)) provide as follows:

160 Subject to section 163, a company may do one or both of the following:

- (a) indemnify an eligible party against all eligible penalties to which the eligible party is or may be liable;
- (b) after the final disposition of an eligible proceeding, pay the expenses actually and reasonably incurred by an eligible party in respect of that proceeding.

161 Subject to section 163, a company must, after the final disposition of an eligible proceeding, pay the expenses actually and reasonably incurred by the eligible party in respect of that proceeding if the eligible party

- (a) has not been reimbursed for those expenses, and
- (b) is wholly successful, on the merits or otherwise, in the outcome of the proceeding or is substantially successful on the merits in the outcome of the proceeding.

162 (1) Subject to section 163 and subsection (2) of this section, a company may pay, as they are incurred in advance of the final disposition of an eligible proceeding, the expenses actually and reasonably incurred by an eligible party in respect of that proceeding.

(2) A company must not make the payments referred to in subsection (1) unless the company first receives from the eligible party a written undertaking that, if it is ultimately determined that the payment of expenses is prohibited by section 163, the eligible party will repay the amounts advanced.

163 (1) A company must not indemnify an eligible party under section 160(a) or pay the expenses of an eligible party under section 160(b), 161 or 162 if any of the following circumstances apply:

- (a) if the indemnity or payment is made under an earlier agreement to indemnify or pay expenses and, at the time that the agreement to indemnify or pay expenses was made, the company was prohibited from giving the indemnity or paying the expenses by its memorandum or articles;
- (b) if the indemnity or payment is made otherwise than under an earlier agreement to indemnify or pay expenses and, at the time that the indemnity or payment is made, the company is prohibited from giving the indemnity or paying the expenses by its memorandum or articles;
- (c) if, in relation to the subject matter of the eligible proceeding, the eligible party did not act honestly and in good faith with a view to the best interests of the company or the associated corporation, as the case may be;

(d) in the case of an eligible proceeding other than a civil proceeding, if the eligible party did not have reasonable grounds for believing that the eligible party's conduct in respect of which the proceeding was brought was lawful.

II-1

Table of Contents

(2) If an eligible proceeding is brought against an eligible party by or on behalf of the company or by or on behalf of an associated corporation, the company must not do either of the following:

- (a) indemnify the eligible party under section 160(a) in respect of the proceeding;
- (b) pay the expenses of the eligible party under section 160(b), 161 or 162 in respect of the proceeding.

Article 20 of the Articles of the Registrant provides as follows:

20.1 Mandatory Indemnification of Eligible Parties

Subject to the Business Corporations Act, the Company must indemnify an eligible party and his or her heirs and legal personal representatives against all eligible penalties to which such person is or may be liable, and the Company must indemnify and pay expenses in advance of the final disposition of an eligible proceeding in accordance with, and to the fullest extent and in all circumstances permitted by, the Business Corporations Act.

20.2 Indemnification of Other Persons

Subject to any restrictions in the Business Corporations Act, the Company may indemnify any person.

20.3 Non-Compliance with Business Corporations Act

The failure of an eligible party or any other person to comply with the Business Corporations Act or these Articles does not invalidate any indemnity to which he or she is entitled under this Part.

20.4 Company May Purchase Insurance

Subject to the limitations contained in the Business Corporations Act, the Company may purchase and maintain insurance for the benefit of any person referred to in this Article 20.

To the extent permitted by law, the Company has entered into an indemnification agreement with its directors for liabilities incurred while performing their duties. The Company also maintains Directors & Officers Liability and Fiduciary Liability insurance which protect individual directors and officers and the Company against claims made, provided they acted in good faith on behalf of the Company, subject to policy restrictions.

Insofar as indemnification for liabilities arising under the Securities Act of 1933, as amended, may be permitted to directors, officers or persons controlling the Registrant pursuant to the foregoing provisions, the Registrant has been informed that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act of 1933, as amended, and is therefore unenforceable.
