Item 1.01 Entry into a Material Definitive Agreement.

Share Purchase Agreement and Tender Offer Agreement. On April 28, 2015, XPO Logistics, Inc., a Delaware corporation (XPO), entered into (1) a Share Purchase Agreement (the Share Purchase Agreement) relating to Norbert Dentressangle SA, a French *société anonyme* (ND), among Dentressangle Initiatives, a French *société par actions simplifiée*, Mr. Norbert Dentressangle, Mrs. Evelyne Dentressangle, Mr. Pierre-Henri Dentressangle, Ms. Marine Dentressangle and XPO and (2) a Tender Offer Agreement (the Tender Offer Agreement and, together with the Share Purchase Agreement, the Transaction Agreements) between XPO and ND. The Transaction Agreements provide for the acquisition of a majority stake in ND by XPO , followed by an all-cash simplified tender offer by XPO to acquire the remaining outstanding shares.

Pursuant to the terms and subject to the conditions of the Share Purchase Agreement, Dentressangle Initiatives, Mrs. Evelyne Dentressangle, Mr. Pierre-Henri Dentressangle and Ms. Marine Dentressangle (collectively, the Sellers) will sell to XPO, and XPO will purchase from the Sellers (the Share Purchase), all of the ordinary shares of ND owned by the Sellers, representing a total of approximately 67% of the share capital of ND and all of the outstanding share subscription warrants granted by ND to employees, directors or other officers of ND and its affiliates. Pursuant to the terms and subject to the conditions of the Tender Offer Agreement, as soon as reasonably practicable following completion of the Share Purchase and in any event no later than five business days thereafter, XPO will file with the French *Autorité des Marchés Financiers* (the AMF) a mandatory simplified cash offer (the Tender Offer) to purchase all of the outstanding ordinary shares of ND (other than the shares already owned by XPO).

In the Tender Offer Agreement, ND has agreed, among other things, (1) to conduct its business in the ordinary course consistent with past practice during the period between the execution of the Tender Offer Agreement and the closing of the Tender Offer and (2) not to solicit alternative acquisition proposals. In the Share Purchase Agreement, Mr. Norbert Dentressangle and the other Sellers have agreed, for three years after the closing date, subject to certain exceptions, not to (A) own, manage, operate, finance, control, advise, render services to, guarantee the obligations of, or be employed by, any person or entity engaged in the logistics, transport or freight forwarding business in any countries in which ND has operations or has operated within 24 months prior to signing, subject to certain limited exceptions (a Competing Business), (B) enter into any cooperation, joint venture or partnership with a Competing Business or (C) hold or acquire shares in any entity carrying on a Competing Business to the extent that the shares held or acquired represent more than 5% of such entity's share capital (other than by way of investment in any investment fund or the like). The Tender Offer Agreement and the Share Purchase Agreement also contain certain other covenants, representations and warranties.

XPO's and the Sellers' obligations to complete the Share Purchase are subject to the approval of the Share Purchase under the Hart-Scott-Rodino Antitrust Improvements Act of 1976 Act, as amended, and the applicable antitrust laws of Germany. XPO's obligations to complete the Share Purchase and the Tender Offer are not subject to any condition related to the availability of financing or to the approval of XPO's stockholders. Either Party may terminate the Share Purchase Agreement if the closing of the Share Purchase has not been completed on or before October 31, 2015, and XPO and ND may terminate the Tender Offer Agreement if the Share Purchase fails to occur.

The foregoing description of the Share Purchase Agreement and the Tender Offer Agreement does not purport to be complete and is qualified in its entirety by reference to the actual terms of the Share Purchase Agreement and the Tender Offer Agreement, copies of which are attached hereto as Exhibit 2.1 and Exhibit 2.2 respectively and are incorporated herein by reference. The Share Purchase Agreement and the Tender Offer Agreement have been included to provide investors with information regarding their terms and are not intended to provide any financial or other factual information about XPO or ND. In particular, the representations, warranties and covenants contained in the Share Purchase Agreement and the Tender Offer Agreement (1) were made only for purposes of those agreements and as of specific dates, (2) were solely for the benefit of the parties to those agreements, (3) may be subject to limitations agreed upon by the parties, including being qualified by confidential disclosures made for the purposes of allocating contractual risk between the parties instead of establishing those matters as facts and (4) may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors. Moreover, information concerning the subject matter of the representations, warranties and covenants may change after the date of the Share Purchase Agreement and the Tender Offer Agreement, which subsequent information may or may not be fully reflected in public disclosures by XPO or ND. Accordingly, investors should read the representations and warranties in the Share Purchase Agreement and in the Tender Offer Agreement not in isolation but only in conjunction with the other information about XPO or ND and their respective subsidiaries that the respective companies include in reports, statements and other filings they make with the U.S. Securities and Exchange Commission (the "SEC") and the AMF, respectively.

Senior Unsecured Bridge Credit Facility. On April 28, 2015, XPO entered into a senior unsecured bridge credit facility (the "Bridge Credit Facility") with certain subsidiaries of XPO from time to time party thereto, Morgan Stanley Senior Funding, Inc., as Agent ("MSSF"), and the Lenders from time to time party thereto. The Bridge Credit Facility provides XPO with the ability to borrow up to 2.40 billion on an unsecured basis.

The Bridge Credit Facility provides for a 2.40 billion term facility that may be borrowed in multiple draws beginning on the closing of the Share Purchase (the "Acquisition Closing Date") and thereafter during the commitment period of the Bridge Credit Facility. Each borrowing is subject to borrowing conditions customary for facilities of this nature. The Bridge Credit Facility provides that, subject to certain exceptions, net cash proceeds received by XPO from debt and equity issuances shall, until the date that is one year after the Acquisition Closing Date, result in mandatory prepayments or commitment reductions under the Bridge Credit Facility. The proceeds of borrowings under the Bridge Credit Facility may be used to finance the Purchase, the Tender Offer and/or other purchases of shares of ND, to refinance existing indebtedness of ND, and to pay related fees and expenses.

The Bridge Credit Facility contains representations and warranties, affirmative and negative covenants and events of default customary for facilities of this nature.

XPO's borrowings under the Bridge Credit Facility will bear interest at a rate equal to EURIBOR plus an applicable margin. Under the Bridge Credit Facility the applicable margin equals (i) 4.25% from the Acquisition Closing Date through the 89th day following the Acquisition Closing Date, 4.75% from the 90th day following

the Acquisition Closing Date until the 179th day, 5.25% from the 180th day following the Acquisition Closing Day until the 269th day, and 5.75% thereafter. On the date 364 days after the Acquisition Closing Date, any outstanding bridge loans will be converted into senior unsecured term loans or senior exchange notes bearing interest at 7.00% and maturing five years after the Acquisition Closing Date.

Morgan Stanley Senior Funding, Inc. and its affiliates have various relationships with XPO and its subsidiaries involving the provision of financial services, including investment banking, commercial banking and advisory for which they receive customary fees and may do so in the future.

A copy of the Bridge Credit Facility is included herein as Exhibit 10.1 and is incorporated herein by reference. The foregoing description of the Bridge Credit Facility is qualified in its entirety by reference to the full text of the Bridge Credit Facility.

Item 8.01 Other Events.

Also, on April 28, 2015, in connection with the Share Purchase Agreement, XPO entered into a commitment and syndication letter (the Commitment Letter) with MSSF. The Commitment Letter provides that, subject to the conditions set forth therein, MSSF will commit to (i) vote for certain amendments to the Amended and Restated Revolving Loan Credit Agreement dated as of April 1, 2014 by and between XPO, certain of its subsidiaries party thereto, the Commitment Party, as administrative agent, and the other agents and parties thereto or (ii) if such amendments do not become effective prior to the Acquisition Closing Date, provide a \$415 million backstop to a new senior secured asset based revolving credit facility (the Backstop Revolving Credit Facility). The closing of the Backstop Revolving Credit Facility is subject to certain conditions, including (i) the accuracy of certain representations and warranties, (ii) the execution of satisfactory definitive documentation and (iii) other customary closing conditions.
