Philips appoints Egbert van Acht as Chief Business Leader of the Personal Health businesses, and proposes to appoint Marnix van Ginneken as member of the Board of Management

Amsterdam, the Netherlands Royal Philips (NYSE: PHG; AEX: PHIA) today announced that Egbert van Acht, who currently leads Philips Health & Wellness business group, will succeed Pieter Nota as Chief Business Leader of Philips Personal Health businesses, effective October 1, 2017. In this role, Mr. Van Acht will join Philips Executive Committee, reporting to CEO Frans van Houten.

In line with the previous announcement on July 20, 2017, Pieter Nota will resign from Philips Board of Management and Executive Committee, per October 31, 2017, and join a listed company in another industrial sector in 2018.

Philips Supervisory Board intends to propose at an Extraordinary General Meeting of Shareholders (EGM), to be held on October 20, 2017, to appoint Marnix van Ginneken, Philips Chief Legal Officer and member of Philips Executive Committee, as a member of the Board of Management. The appointment of Mr. Van Ginneken is recommended in view of the important role he has played in the Executive Committee since 2014, providing valuable contributions on a wide array of subjects. His broad knowledge of Philips and his vast international corporate governance expertise make him an excellent candidate to complement the Board of Management.

I am very pleased to announce Egbert van Acht as the new Chief Business Leader for our Personal Health businesses, said Frans van Houten, CEO of Royal Philips. In the past seven years, he has led a threefold growth in sales and strong improvement in profitability of the Health & Wellness business group. He has also played a very active role in building a culture of performance in our Personal Health businesses. I am also very pleased that in Marnix van Ginneken, we have found an excellent candidate for our Board of Management with broad and deep knowledge from within the company. I look forward to a seamless Personal Health leadership transition that will be enabled by the support that Pieter Nota will be providing, as well as the EGM later this year.

Philips convened the EGM today, which will be held at the Hilton Amsterdam hotel, Apollolaan 138, in Amsterdam on Friday October 20, 2017, and will begin at 9:30 hours am CET. Click on this [link](#) to view the agenda, explanatory notes and other meeting materials of the EGM.
