Item 3.02. Unregistered Sales of Equity Securities.

The disclosure in Item 5.02 of this Current Report on Form 8-K regarding the issuance of an inducement award in the form of options to purchase shares of common stock of Amplify Snack Brands, Inc. (the Company), par value \$0.0001, to Craig Shiesley is incorporated by reference into this Item. The inducement grant is exempt from the registration requirements of the Securities Act of 1933 by virtue of Section 4(a)(2) thereof and/or Regulation D promulgated thereunder.

A press release announcing the inducement grant to Craig Shiesley was issued by us on September 20, 2019, a copy of which is attached hereto as Exhibit 99.1.

Item 5.02. Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

On September 19, 2017, the Compensation Committee of the Company's Board of Directors (the Compensation Committee) granted Craig Shiesley, the Company's newly appointed Chief Operating Officer and President, North America, a stock option award to purchase 1,166,173 shares of the Company's common stock subject to the terms of the Company's Form of Inducement Award Non-Qualified Stock Option Agreement (Form of Inducement Option Agreement) which is attached to this report as Exhibit 10.1. One third (1/3) of the shares subject to Mr. Shiesley's option award shall vest and become exercisable on the last day of the month of first anniversary of September 12, 2017, and the remaining two thirds (2/3) of the shares subject to Mr. Shiesley's option award shall vest in twenty-four (24) equal monthly installments thereafter, subject to Mr. Shiesley's continued service to the Company on each vesting date. This option award replaces in its entirety the option award that was purported to be granted to Mr. Shiesley on September 12, 2017, as previously disclosed in the Current Report on Form 8-K filed by the Company on September 12, 2017 (the Prior Award). The Prior Award was not effective and is null and void. The terms of the new option are substantially identical to the Prior Award, except that the exercise price of the new option is \$7.06 per share which is \$0.02 higher than the Prior Award and equal to the closing price of the Company's common stock on the date of grant, September 19, 2017.

The option award granted to Mr. Shiesley on September 19, 2017, was granted outside of the Company's current stockholder-approved stock option and incentive plan and is intended to qualify as an employment inducement award within the meaning of Section 303A.08 of the New York Stock Exchange Listed Company Manual; accordingly, the Company is not required to seek (and did not seek) approval of the inducement award made to Mr. Shiesley by the Company's stockholders under applicable New York Stock Exchange rules.
