Item 1.01. Entry Into a Material Definitive Agreement.

On November 7, 2017, Sears Holdings Corporation (the Company) and certain of its subsidiaries entered into an amendment (the Amendment) to the Pension Plan Protection and Forbearance Agreement (as amended, supplemented or otherwise modified from time to time, the PPPFA), dated as of March 18, 2016, among the Company, certain of its subsidiaries and Pension Benefit Guaranty Corporation (PBGC), and certain related transaction documents. Under the terms of the Amendment, upon the satisfaction of various conditions (including the contribution to the Company's pension plans (or payment into escrow for their benefit) of \$500 million less the amount of certain contributions made to the Company's pension plans from July 1, 2017 through the date of such contribution (the Amendment Payment)), the PPPFA's ring-fence arrangements with respect to approximately 140 real properties will be terminated.

The funds for the Amendment Payment are required to be generated from the monetization (by sale, financing, sale/leaseback or other similar transaction) of the ring-fenced real properties. The Company expects that the Amendment Payment will be made in approximately three months. If the Amendment Payment is made at such time, the amount of the Amendment Payment shall be approximately \$407 million.

In addition to the Amendment Payment, the Company shall be required by the Amendment to make an additional \$20 million supplemental contribution (the Supplemental Payment) to its pension plans on or before June 15, 2018. Following the making of the Amendment Payment and the Supplemental Payment, the Company shall be relieved of its minimum funding obligations with respect to its pension plans for approximately two years.

The foregoing description of the Amendment is not complete and is qualified in its entirety by reference to the actual Amendment, which is attached to this report as Exhibit 10.1 and is incorporated herein by reference.
