Presentation materials for meeting with South Carolina Public Service Commission, dated January 2018

Dominion Energy, Inc. and SCANA Corp. Key Regulatory Considerations January 2018

Forward-looking statements This presentation contains statements that constitute forward-looking statements within the meaning of the U.S. Private Securities Litigation Reform Act of 1995. The statements relate to, among other things, expectations, estimates and projections. We have used the words "anticipate," "believe," "could," "estimate," "expect," "intend," "may," "plan," "outlook," "predict," "project," "should," "strategy," "target," "will," "would," "potential" and other terms and phrases to identify forward-looking statements in this release. Factors that could cause actual results to differ include, but are not limited to: the expected timing and likelihood of completion of the proposed combination of SCANA with Dominion Energy, including the ability to obtain the requisite approval of SCANA's shareholders; the risk that Dominion Energy or SCANA may be unable to obtain necessary regulatory approvals for the transaction or required regulatory approvals may delay the transaction or cause the parties to abandon the transaction; the risk that conditions to the closing of the transaction may not be satisfied; or the risk that an unsolicited offer for the assets or capital stock of SCANA may interfere with the transaction. Other risk factors for Dominion Energy's and SCANA's businesses are detailed from time to time in Dominion Energy's and SCANA's quarterly reports on Form 10-Q or most recent annual report on Form 10-K filed with the Securities and Exchange Commission (SEC).

Additional Information In connection with the proposed transaction, Dominion Energy will file a registration statement on Form S-4, which will include a document that serves as a prospectus of Dominion Energy and a proxy statement of SCANA (the “proxy statement/prospectus”), and each party will file other documents regarding the proposed transaction with the SEC. INVESTORS AND SECURITY HOLDERS ARE URGED TO READ THE PROXY STATEMENT/PROSPECTUS AND OTHER RELEVANT DOCUMENTS FILED WITH THE SEC, WHEN THEY BECOME AVAILABLE, BECAUSE THEY WILL CONTAIN IMPORTANT INFORMATION. A definitive proxy statement/prospectus will be sent to SCANA’s shareholders. Investors and security holders will be able to obtain the registration statement and the proxy statement/prospectus free of charge from the SEC’s website (<http://www.sec.gov>) or from Dominion Energy or SCANA. The documents filed by Dominion Energy with the SEC may be obtained free of charge by directing a request to Dominion Energy, Inc., 120 Tredegar Street, Richmond, Virginia 23219, Attention: Corporate Secretary, Corporate.Secretary@dominionenergy.com, and the documents filed by SCANA with the SEC may be obtained free of charge to SCANA Corporation, 220 Operation Way, Mail Code D133, Cayce, South Carolina 29033, Attention: Office of the Corporate Secretary, BoardInformation@scana.com. Participants in the Solicitation Dominion Energy and SCANA and their respective directors and executive officers and other members of management and employees may be deemed to be participants in the solicitation of proxies in respect of the proposed transaction. Information about Dominion Energy’s directors and executive officers is available in Dominion Energy’s Annual Report on Form 10-K for the fiscal year ended December 31, 2016, in its proxy statement dated March 20, 2017, for its 2017 Annual Meeting of Shareholders, and certain of its Current Reports on Form 8-K. Information about SCANA’s directors and executive officers is available in SCANA’s Annual Report on Form 10-K for the fiscal year ended December 31, 2016, in its proxy statement dated March 24, 2017, for its 2017 Annual Meeting of Shareholders and certain of its Current Reports on Form 8-K. Other information regarding the participants in the proxy solicitation and a description of their direct and indirect interests, by security holdings or otherwise, will be contained in the proxy statement/prospectus and other relevant materials to be filed with the SEC regarding the transaction when they become available. Investors should read the proxy statement/prospectus carefully when it becomes available before making any voting or investment decisions. You may obtain free copies of these documents from Dominion Energy or SCANA as indicated above.

Dominion Energy & SCANA Dominion's proposal provides the best outcome for SCANA customers \$1.3B cash to customers at close \$1,000/residential customer on average 5% immediate reduction in bills² NND removed from bills in 20 years \$1.7B assets funded by shareholders never put in rates Replacement gas fired power plant with no capital cost to customers (\$180M) Full amount (\$5.0B) of prudently spent capital recovered in rates Bills increase by ~3.0%² from current levels No upfront cash to ratepayers NND in rates for 60 years Cost of replacement gas fired power plant recovered in rates Total 12.2B more paid by customers compared to Option B NND portion removed from customer bills SCE&G credit downgraded to junk Will require public/private equity at high cost or bankruptcy filing Increased cost of capital increases revenue requirement Bills could increase from current levels (even after adjusting for disallowed NND revenue) A) Dominion's proposal B) Judiciary upholds BLRA1 C) Judiciary affirms repeal 1 Parties agree that BLRA is constitutional 2 Based on 1,000 kWh usage. Inclusive of preliminary tax reform estimate A B C A

Dominion Energy & SCANA C) Repeal of BLRA will negatively impact South Carolina citizens Bill reduces by NND portion, \$25/average monthly bill Disproportionate impact to SCE&G investors versus state owned Santee Cooper Undermines investor confidence for future investment in the state Results in years of uncertainty for South Carolina, SCANA and its customers Repeal BLRA retroactively Financially challenged utility Detrimental impact to citizens and community Credit downgrade of utility to junk: 1.5%+ increase in cost of debt¹ Immediate loss of access to short term borrowing Requires high cost public/private equity funding to fix balance sheet, increasing cost of equity substantially Could result in auction of company to a private/non-strategic buyer Higher cost of capital could impact reliability due to reduced investments in electric and gas systems Long-term increase in bills from current levels given higher cost of capital Significant reduction in employment, community benefits and charitable contributions Substantial loss in value for retirees and employees ¹ Spread between BBB and BB 10-year US Corporate Bond yields Dominion's proposal removes uncertainty for South Carolina, SCANA and its customers C

Dominion Energy & SCANA A) Dominion's proposal benefits all stakeholders \$1.3B cash to customers within 90 days of close Spread among all customer classes according to 2016 revised peak allocator \$1,000/average residential customer Reduction in typical monthly bill by at least 5% (or \$7/month) within 90 days of close1 Write-off \$1.7B of capital that would have otherwise increased rates Replacement power to customers free of any capital cost (\$180M) \$12.2 B total benefit vs. option B including shorter amortization period (20 vs. 60 years) Protects employees until 2020 Increases charitable contributions by \$1M a year for at least 5 years Dominion's offer price provides investor reassurance on health of utility Offset amounts paid by customers for NND to date Reduces ongoing customer electric bills Increased community benefits and charitable contributions Cash Up-front Lower Rates Community Benefits 1 1,000 kWh/month usage. Includes tax reform savings estimate of 1.5%. Actual savings may be higher and will be provided to reduce bills further A B B

Dominion Energy & SCANA A) Immediate cash payments by customer class Total: \$628M \$1,000 per average residential customer Residential Industrials State agencies¹ Churches¹ A Total: \$299M As much as \$22.2M for certain customers Total: \$36.6M As much as \$9.8M for certain agencies Total: \$2.6M As much as \$197,000 for certain churches Municipalities¹ Total: ~\$22.6M ¹Preliminary estimates

Dominion Energy & SCANA A) Benefits to customers immediately and over time Customer benefits from Dominion Energy proposal total \$12.2B \$1.7B \$1,000/avg. residential customer Not included on chart: Further reduction by passing on full benefits of lower tax rates to customers Savings vs. 60 year recovery of NND capital in option 1 \$8.4B \$575M \$1.3B A B 1 Difference in cumulative revenue requirements net of 1.7B write off

Dominion Energy & SCANA A) Reduction in customer bills (\$/month) Illustrative NND rates decline under
Dominion Energy proposal NND portion: 20 years Non NND portion: \$123 Total bill: \$148 NND portion: \$0 Over 20
years: 100% reduction in NND portion Immediate: 5% reduction in total bill Non NND portion: \$123 NND portion: A
Note: bill estimates based on \$1,000kWh monthly usage. Includes estimated tax reform benefits Total bill: \$141
\$1.3B upfront cash payment \$1,000/avg. residential customer Equates to ~7 months of typical bills Cash payment Bill
