(2) Form, Schedule or Registration Statement No.:

(3) Filing Party:

(4) Date Filed:

Persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB control number.

www.simpsonmfg.com Investor Presentation: 2017 Annual Meeting

www.simpsonmfg.com Important Additional Information 2 This presentation may be deemed to be solicitation material in respect of the solicitation of proxies from shareholders of Simpson Manufacturing Co., Inc. (the “Company” or “Simpson”) for its 2017 annual meeting of shareholders (the “2017 Annual Meeting”). The Company has filed with the U.S. Securities and Exchange Commission (the “SEC”) on April 11, 2017 a definitive proxy statement (the “Definitive Proxy Statement”) and a proxy card in connection with the 2017 Annual Meeting and has made the Definitive Proxy Statement and the accompanying proxy card available to its shareholders of record on March 24, 2017. **BEFORE MAKING ANY VOTING DECISION, COMPANY SHAREHOLDERS ARE STRONGLY ENCOURAGED TO READ THE DEFINITIVE PROXY STATEMENT AND THE ACCOMPANYING PROXY CARD, IN CONJUNCTION WITH THIS PRESENTATION, AS THEY CONTAIN IMPORTANT INFORMATION REGARDING THE PROPOSALS TO BE CONSIDERED AT THE 2017 ANNUAL MEETING.** The Company and its directors and executive officers will be deemed to be participants in the solicitation of proxies from the Company’s shareholders with respect to the proposals to be considered at the 2017 Annual Meeting. Information regarding the names, affiliations, and direct or indirect interests (by security holdings or otherwise) of such individuals is set forth in the Definitive Proxy Statement. Additional information about the Company, its directors and executive officers and such individuals’ ownership of shares of the Company’s common stock or restricted stock units and options granted by the Company is available in the Company’s other relevant SEC filings, including the Company’s preliminary proxy statement for the 2017 Annual Meeting (and the amendment No. 1 thereto) and the Company’s 2016 Annual Report on Form 10 - K for the year ended December 31, 2016, and in such individuals’ SEC filings on Forms 3, 4, and 5. Shareholders will be able to obtain the Company’s preliminary and definitive proxy statements with respect to the 2017 Annual Meeting, any amendments or supplements to such proxy statements and other documents filed by the Company with the SEC at the SEC’s website at www.sec.gov. Copies of such documents are also available free of charge at the Company’s website at <http://www.simpsonmfg.com> or by writing to the Company’s Secretary at 5956 W. Las Positas Blvd., Pleasanton, CA 94588.

www.simpsonmfg.com Safe Harbor Statement 3 This presentation contains forward - looking statements within the meaning of the Private Securities Litigation Reform Act of 1995, based on numerous assumptions and subject to risks and uncertainties, such as statements regarding prospective performance and plans and future executive compensation , corporate governance practices and board structure, as well as dividends and share repurchases of the Company. Forward - looking statements generally can be identified by references to future years or by words such as “will” and similar expressions. There are a number of factors that could significantly affect the Company's operations and cause the Company's financial condition to differ substantially from what the Company expects. Those factors include, but are not limited to, risks and uncertainties indicated from time to time in the Company's filings with the SEC including most recently the Company's Annual Report on Form 10 - K for the period ended December 31, 2016, under the heading "Item 1A - Risk Factors." Actual results, therefore, might be materially different from results suggested by any forward - looking statements in this presentation. The Company does not have an obligation to publicly update any forward - looking statements, whether as a result of the receipt of new information, the occurrence of future events or otherwise. Each forward - looking statement contained in this presentation is specifically qualified in its entirety by the factors identified in the documents referenced above. The Company further cautions that you should not rely on any estimates, projections or other forward - looking statements or data contained herein to reach conclusions or make any investment decisions. This presentation is not intended to serve as an indicator of the Company's future operations or financial performance or serve as a guide for investing in the Company. Statements in this presentation speak only as of their respective dates. This presentation is qualified in its entirety by the Company's definitive proxy statement for the 2017 Annual Meeting of shareholders (the “2017 Annual Meeting”) filed with the SEC on April 11, 2017. Each of the terms “we”, “our”, “us” and “similar terms used herein refer collectively to the Company, including its subsidiaries, unless otherwise stated. “\$” signs appearing herein represent U.S. dollars, unless otherwise stated.

www.simpsonmfg.com Compensation Practices Governance Practices Board Structure Shareholder Feedback has Shaped Recent Changes » During 2015, 2016 and early 2017, the Board of Directors (the “Board”) and management of the Company conducted outreach to a majority of our shareholders to seek feedback on our executive compensation program and governance practices » In direct response to shareholder feedback, and a thorough review of our practices, the Board made several changes since our 2016 Annual Meeting: 4 Our Board is committed to ongoing communication with our shareholders • Adopted a median pay for median performance pay philosophy • Transformed our executive compensation program: Reduced proportion delivered through EOCPS Extended all performance periods (added annual measurement to EOCPS and 3 - year measurement to LTIP) Established LTIP equity metrics distinct from EOCPS which align with our strategy • Adopted clawback , anti - hedging and anti - pledging policies • Declassified the Board, phased in over a three - year period beginning at the 2017 Annual Meeting • Eliminated Cumulative Voting • Eliminated the shareholder rights plan • Reduced Director term limits for new directors elected to the Board These practices are in addition to our: • Separate Independent Chairman and CEO roles • Majority vote standard for director elections • No supermajority voting provisions • Conducted a comprehensive Board self assessment and third party governance evaluation to formalize director candidate search criteria • Nominated new independent director candidate, Michael Bless , for election at the 2017 Annual Meeting • Announced retirement of Tom Fitzmyers effective as of the 2017 Annual Meeting • Continue to maintain a Board comprised of 50% female directors (Full summary of changes on pages 9 – 14) (Full summary of changes on pages 15 - 16)

www.simpsonmfg.com » Composed of various materials including steel, chemicals and carbon fiber. Used to repair, protect and strengthen concrete, brick or mortar structures » Produce and market over 2,000 products » Typically made of steel and are used primarily to strengthen, support and connect wood joints » Produce and market over 16,000 products Company Overview 5 Simpson Manufacturing designs, engineers, and manufactures wood construction products, connectors, truss plates, and other products for construction, remodeling and do - it - yourself markets Simpson operates across 3 reporting segments (North America, Europe and Asia/Pacific) with 2 primary product lines Wood Construction Products Concrete Construction Products Key Facts and Figures (December 31, 2016) » Ticker: NYSE:SSD » Market Cap: \$2.1B » 2016 Revenue : \$861M » Headquarters: Pleasanton, CA » Operations: 20 Locations Globally » Employees: 2,600 Company History Barclay Simpson (1921 - 2014), founded Simpson in 1956, and spent over 50 years building a culture under the leadership of Thomas Fitzmyers and Karen Colonias that has been valued by our shareholders. Under Barclay's leadership, Simpson became a publicly traded company in 1994 and established itself as one of the world's largest suppliers of structural building products. In addition to delivering strong records of performance through fiscal management and innovative approaches to growth, Barclay, Tom and Karen have promoted a culture of employee ownership focused on the value and contributions of every employee .

www.simpsonmfg.com 2017 EOCPS Changes for NEOs » Adopted a compensation philosophy to target median pay for median performance » Lengthened performance period 50 % of target EOCPS will be based on annual operating income 50% will remain based on quarterly operating income » Total EOCPS payout will be capped at 2x target in addition to having a \$2.5M cap Implications of these changes for all NEOs: » Higher qualifying income threshold compared to 2016 » Reduced target EOCPS awards to align with peer median short - term incentive pay Implications of these changes for CEO: » Salary increased to median (\$740k) » Target EOCPS award decreased from \$1.7M (2016) to \$740k (2017) to align with peer median \$73.9 \$88.3 \$46.2 2016 Annual Operating Income (\$208.4M) Threshold Level Retained Qualifying Income Qualifying Income to Fund CPS Pool and EOCPS Pool; \$46.2 Executive Officer Cash Profit Sharing Plan (EOCPS) 11 2016 Operating Income Achievement and CEO EOCPS Award Qualifying Income to Fund CPS Pool and EOCPS Pool = CEO Share = \$2.7 Qualifying Income Above Threshold Level Paid to Employees » Annual EOCPS planning process: 1. Administration : Compensation and Leadership Development Committee (CLDC) oversees plan and determines NEO target awards 2. Operating Income Target - setting : CLDC employs a thoughtful process that considers quarterly operating profit targets for the year, the rate of return on qualified assets, and the percentage participation of each NEO 3. Annual Budgeting Process: CLDC approves threshold level and qualified operating profit to be retained that ensures shareholders receive a return before profits are shared with employees 4. Payout Determination: Following each quarter and every year, the CLDC assesses operating profit above the threshold qualifying level and determines the portion of the qualified income that funds the EOCPS pool; if operating profit falls short of the qualifying threshold, no compensation is paid Our Cash Profit - Sharing is a company - wide 1 annual incentive plan that is deeply rooted in the Company's culture of promoting employee ownership of financial performance by sharing profits above a specified return on qualified assets. Executive Officers participate in EOCPS and other employees participate in CPS. 1 Most salaried employees based in N. America \$208.4 Amount paid to CEO after CLDC exercised negative discretion to immediately improve pay and performance alignment with peer group \$1.9 = (- \$800,000) EOCPS Pool (\$4.7M)
