We encourage you to review these materials and vote your shares. This delivery method allows us to conserve natural resources and reduce the cost of delivery while also meeting our obligations to you, our stockholders, to provide information relevant to your continued investment in the Company. If you received the Notice of Internet Availability by mail and would like to receive a printed copy of our proxy materials, you should follow the instructions for requesting such materials included in the Notice of Internet Availability.

This notice of annual meeting of stockholders and accompanying proxy statement are being distributed or made available to stockholders on or about April 29, 2013.

PROXY STATEMENT FOR THE

2013 ANNUAL MEETING OF STOCKHOLDERS

This proxy statement and proxy card are furnished in connection with the solicitation of proxies to be voted at the 2013 Annual Meeting of Stockholders (the “Annual Meeting”) of Alimera Sciences, Inc. (sometimes referred to as “we”, the “Company” or “Alimera”), which will be held at 6120 Windward Parkway, Suite 290, Alpharetta, Georgia 30005, on Tuesday, June 18, 2013 at 9:30 a.m. local time.

We are making this proxy statement and our annual report available to stockholders at www.proxyvote.com. On April 29, 2013, we will begin mailing to our stockholders (i) a notice (the “Notice”) containing instructions on how to access and review this proxy statement and our annual report or (ii) a copy of this proxy statement, a proxy card and our annual report. The Notice also instructs you how you may submit your proxy over the Internet. If you received a Notice and would like to receive a printed copy of our proxy materials, you should follow the instructions for requesting those materials included in the Notice.

QUESTIONS AND ANSWERS ABOUT THIS PROXY MATERIAL AND VOTING

Why am I receiving these proxy materials?

You have received these proxy materials because you owned shares of Alimera common stock or Series A Convertible Preferred Stock (“Series A Preferred Stock”) as of April 26, 2013, the record date for the Annual Meeting, and our board of directors is soliciting your proxy to vote at the Annual Meeting. This proxy statement describes matters on which we would like you to vote at the Annual Meeting. It also gives you information on these matters so that you can make an informed decision.

Why did I receive a Notice of Internet Availability of Proxy Materials in the mail instead of a printed set of proxy materials?

Pursuant to rules adopted by the Securities and Exchange Commission, we are permitted to furnish our proxy materials over the Internet to our stockholders by delivering a Notice in the mail. As a result, only stockholders that specifically request a printed copy of the proxy statement will receive one. Instead, the Notice instructs stockholders on how to access and review the proxy statement and annual report over the Internet at www.proxyvote.com. The Notice also instructs stockholders on how they may submit their proxy over the Internet or via phone. If a stockholder who received a Notice would like to receive a printed copy of our proxy materials, such stockholder should follow the instructions for requesting these materials contained in the Notice.

How may I vote at the Annual Meeting?

You are invited to attend the Annual Meeting to vote on the proposals described in this proxy statement. However, you do not need to attend the meeting to vote your shares. Instead, you may simply follow the instructions below to submit your proxy via telephone or on the Internet. If you received or requested a printed set of materials, you may also vote by mail by signing, dating and returning the proxy card.

When you vote by using the Internet or by telephone or by signing and returning the proxy card, you appoint C. Daniel Myers and Richard S. Eiswirth, Jr. as your representatives (or proxyholders) at the Annual Meeting. They will vote your shares at the Annual Meeting as you have instructed them or, if an issue that is not on the proxy card comes up for vote, in accordance with their best judgment. This way, your shares will be voted whether or not you attend the Annual Meeting.

Who is entitled to vote at the Annual Meeting?

Only stockholders of record at the close of business on April 26, 2013, the record date for the Annual Meeting, will be entitled to vote at the Annual Meeting. On the record date, there were 31,556,075 shares of the Company’s common stock and 1,000,000 shares of the Company’s Series A Preferred Stock outstanding. All of these outstanding shares are entitled to vote at the Annual Meeting (one vote per share of common stock and one vote per share of common stock underlying the Series A Preferred Stock on an as-converted basis (based on a deemed conversion price of \$2.95 per

share) as of the record date) in connection with the matters set forth in this proxy statement.

In accordance with Delaware law, a list of stockholders entitled to vote at the meeting will be available at the place of the annual meeting on June 18, 2013 and will be accessible for ten days prior to the meeting at our principal place of business, 6120 Windward Parkway, Suite 290, Alpharetta, Georgia 30005, between the hours of 9:00 a.m. and 5:00 p.m. local time.

How do I vote?

If on April 26, 2013, your shares were registered directly in your name with our transfer agent, American Stock Transfer & Trust Company, then you are a stockholder of record. Stockholders of record may vote by using the Internet, by telephone or (if you received a proxy card by mail) by mail as described below. Stockholders also may attend the meeting and vote in person. If you hold shares through a bank or broker, please refer to your proxy card, Notice or other information forwarded by your bank or broker to see which voting options are available to you.

- You may vote by using the Internet. The address of the website for Internet voting is www.proxyvote.com. Internet voting is available 24 hours a day and will be accessible until 11:59 p.m. Eastern Time on June 17, 2013. Easy-to-follow instructions allow you to vote your shares and confirm that your instructions have been properly recorded.
- You may vote by telephone. The toll-free telephone number is noted on your proxy card. Telephone voting is available 24 hours a day and will be accessible until 11:59 p.m. Eastern Time on June 17, 2013. Easy-to-follow voice prompts allow you to vote your shares and confirm that your instructions have been properly recorded.
- You may vote by mail. If you received a proxy card by mail and choose to vote by mail, simply mark your proxy card, date and sign it, and return it in the postage-paid envelope. Your proxy card must be received by the close of business on June 17, 2013.

The method you use to vote will not limit your right to vote at the Annual Meeting if you decide to attend in person. Written ballots will be passed out to anyone who wants to vote at the Annual Meeting. If you hold your shares in “street name,” you must obtain a proxy, executed in your favor, from the holder of record to be able to vote in person at the Annual Meeting.

Can I change my vote after submitting my proxy?

Yes. You can revoke your proxy at any time before the final vote at the Annual Meeting. If you are the record holder of your shares, you may revoke your proxy in any one of three ways:

- You may submit a subsequent proxy by using the Internet, by telephone or by mail with a later date;
- You may deliver a written notice that you are revoking your proxy to the Secretary of the Company at 6120 Windward Parkway, Suite 290, Alpharetta, Georgia 30005; or
- You may attend the Annual Meeting and vote your shares in person. Simply attending the Annual Meeting without affirmatively voting will not, by itself, revoke your proxy.

If you are a beneficial owner of your shares, you must contact the broker or other nominee holding your shares and follow their instructions for changing your vote.

How many votes do you need to hold the Annual Meeting?

A quorum of stockholders is necessary to conduct business at the Annual Meeting. Pursuant to our amended and restated bylaws, a quorum will be present if a majority of the voting power of outstanding shares of the Company entitled to vote generally in the election of directors is represented in person or by proxy at the Annual Meeting. On the record date, there were 31,556,075 shares of common stock outstanding and entitled to vote and 13,559,322 shares of common stock underlying the outstanding Series A Preferred Stock (based on a deemed conversion price of \$2.95 per share) entitled to vote. Thus, 22,557,699 shares must be represented by stockholders present at the Annual Meeting or represented by proxy to have a quorum. The holders of the common stock and the Series A Preferred Stock (on an as converted basis based on a deemed conversion price of \$2.95 per share) vote together as a single class for the proposals in this proxy statement.

Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other nominee) or if you attend the Annual Meeting and vote in person. Abstentions and broker non-votes will be counted for the purpose of determining whether a quorum is present for the transaction of

business. If a quorum is not present, the chairman of the meeting or holders of a majority of the votes present at the Annual Meeting may adjourn the Annual Meeting to another date.

What matters will be voted on at the Annual Meeting?

The following matters are scheduled to be voted on at the Annual Meeting:

- Proposal 1: To elect three Class III directors nominated by our board of directors and named in this proxy statement to serve a term of three years until our 2016 annual meeting of stockholders;
- Proposal 2: To ratify the appointment of Grant Thornton LLP as our independent registered public accountants for the year ending December 31, 2013; and
- Proposal 3: To approve, on an advisory basis, the compensation of our named executive officers.

No cumulative voting rights are authorized, and dissenters' rights are not applicable to these matters.

Could other matters be decided at the Annual Meeting?

Alimera does not know of any other matters that may be presented for action at the Annual Meeting. Should any other matter be properly presented at the Annual Meeting, the persons named on the proxy card will have discretionary authority to vote the shares represented by proxies in accordance with their best judgment. If you hold shares through a broker, bank or other nominee as described above, they will not be able to vote your shares on any other business that comes before the Annual Meeting unless they receive instructions from you with respect to such other business.

What will happen if I do not vote my shares?

Stockholder of Record: Shares Registered in Your Name. If you are the stockholder of record of your shares and you do not vote by proxy card, by telephone, via the Internet or in person at the Annual Meeting, your shares will not be voted at the Annual Meeting.

Beneficial Owner: Shares Registered in the Name of Broker or Bank. Brokers or other nominees who hold shares of our common stock or preferred stock for a beneficial owner have the discretion to vote on routine proposals when they have not received voting instructions from the beneficial owner at least ten days prior to the Annual Meeting. A broker non-vote occurs when a broker or other nominee does not receive voting instructions from the beneficial owner and does not have the discretion to direct the voting of the shares. Under the rules that govern brokers who are voting shares held in street name, brokers have the discretion to vote those shares on routine matters but not on non-routine matters. Proposal 2 is the only routine matter in this proxy statement. As such, your broker does not have discretion to vote your shares on Proposals 1 or 3.

We encourage you to provide instructions to your bank or brokerage firm by voting your proxy. This action ensures your shares will be voted at the meeting in accordance with your wishes.

How may I vote for each proposal and what is the vote required for each proposal?

Proposal 1: Election of three Class III directors.

With respect to the election of nominees for director, you may:

- vote "FOR" the election of the three nominees for director;
- "WITHHOLD" your vote for one or two of the nominees and vote "FOR" the remaining nominee(s); or
- "WITHHOLD" your vote for the three nominees.

Directors will be elected by a plurality of the votes cast at the Annual Meeting, meaning the three nominees who are properly nominated in accordance with our amended and restated bylaws, and receive the most "FOR" votes will be elected. Only votes cast "FOR" a nominee will be counted. An instruction to "WITHHOLD" authority to vote for one or more of the nominees will result in those nominees receiving fewer votes, but will not count as a vote against the nominees. Abstentions and broker non-votes will have no effect on the outcome of the election of directors. Because the election of directors is not a matter on which a broker or other nominee is generally empowered to vote, broker non-votes are expected to exist in connection with this matter.

Proposal 2: Ratification of the appointment of Grant Thornton LLP as our independent registered public accountants for the year ending December 31, 2013.

You may vote “FOR” or “AGAINST” or abstain from voting. To ratify the selection by the audit committee of our board of directors of Grant Thornton LLP as the independent registered public accounting firm of the Company for the year ending December 31, 2013, the Company must receive a “FOR” vote from a majority of all those outstanding shares that are present in person, or represented by proxy, and that are cast either affirmatively or negatively on the proposal at the Annual Meeting. Abstentions and broker non-votes will not be counted “FOR” or “AGAINST” the proposal and will have no effect on the proposal. Because the ratification of the appointment of the independent registered public accounting firm is a matter on which a broker or other nominee is generally empowered to vote, no broker non-votes are expected to exist in connection with this matter.

Proposal 3: Advisory vote on executive compensation.

You may vote “FOR” or “AGAINST” or abstain from voting. To approve, by non-binding vote, the compensation of the Company’s named executive officers as set forth in this proxy, the Company must receive a “FOR” vote from a majority of all those outstanding shares that are present in person, or represented by proxy, and that are cast either affirmatively or negatively on the proposal at the Annual Meeting. Abstentions and broker non-votes will not be counted “FOR” or “AGAINST” the proposal and will have no effect on the proposal. Because Proposal 3 is a non-routine matter, broker non-votes are expected to exist in connection with this matter.

What happens if a director nominee is unable to stand for election?

If a nominee is unable to stand for election, our board of directors may either:

- reduce the number of directors that serve on the board or
- designate a substitute nominee.

If our board of directors designates a substitute nominee, shares represented by proxies voted for the nominee who is unable to stand for election will be voted for the substitute nominee.

How does the board of directors recommend that I vote?

Our board recommends a vote:

- Proposal 1: “FOR” the election of each of Mark J. Brooks, Brian K. Halak, Ph.D. and Peter J. Pizzo, III as Class III directors to serve a term of three years until our 2016 annual meeting of stockholders;
- Proposal 2: “FOR” the ratification of the appointment of Grant Thornton LLP as the independent registered public accounting firm of the Company for the year ending December 31, 2013; and
- Proposal 3: “FOR” the approval, in an advisory manner, of the compensation of our named executive officers as set forth in this proxy statement.

What happens if I sign and return my proxy card but do not provide voting instructions?

If you return a signed and dated proxy card without marking any voting selections, your shares will be voted:

- Proposal 1: “FOR” the election of each of Mark J. Brooks, Brian K. Halak, Ph.D. and Peter J. Pizzo, III as Class III directors;
- Proposal 2: “FOR” the ratification of the appointment of Grant Thornton LLP as our independent registered public accounting firm for the year ending December 31, 2013; and
- Proposal 3: “FOR” the approval, in an advisory manner, of the compensation of our named executive officers as set forth in this proxy statement.

If any other matter is properly presented at the Annual Meeting, the proxyholders for shares voted on the proxy card (i.e. one of the individuals named as proxies on your proxy card) will vote your shares using his or her best judgment.

What do I need to show to attend the Annual Meeting in person?

You will need proof of your share ownership (such as a recent brokerage statement or letter from your broker showing that you owned shares of Alimera Sciences, Inc. common stock or preferred stock as of April 26, 2013) and a form of photo identification. If you do not have proof of ownership and valid photo identification, you may not be admitted to the Annual Meeting. All bags, briefcases and packages will be held at registration and will not be allowed in the meeting. We will not permit the use of cameras (including cell phones with photographic capabilities) and other recording devices in the meeting room.

Who is paying for this proxy solicitation?

The accompanying proxy is being solicited by the board of directors of the Company. In addition to this solicitation, directors and employees of the Company may solicit proxies in person, by telephone, or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies. In addition, the Company may also retain one or more third parties to aid in the solicitation of brokers, banks and institutional and other stockholders. We will pay for the entire cost of soliciting proxies. We may reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

What happens if the Annual Meeting is postponed or adjourned?

Unless the polls have closed or you have revoked your proxy, your proxy will still be in effect and may be voted once the Annual Meeting is reconvened. However, you will still be able to change or revoke your proxy with respect to any proposal until the polls have closed for voting on such proposal.

How can I find out the results of the voting at the Annual Meeting?

Preliminary voting results are expected to be announced at the Annual Meeting. Final voting results will be reported on a Current Report on Form 8-K filed with the SEC no later than June 24, 2013.

How can I find Alimera's proxy materials and annual report on the Internet?

This proxy statement and the 2012 annual report are available at our corporate website at www.alimerasciences.com. You also can obtain copies without charge at the SEC's website at www.sec.gov. Additionally, in accordance with SEC rules, you may access these materials at www.proxyvote.com, which does not have "cookies" that identify visitors to the site.

How do I obtain a separate set of Alimera's proxy materials if I share an address with other stockholders?

In some cases, stockholders holding their shares in a brokerage or bank account who share the same surname and address and have not given contrary instructions receive only one copy of the Notice. This practice is designed to reduce duplicate mailings and save printing and postage costs as well as natural resources. If you would like to have a separate copy of the Notice or our annual report and/or proxy statement mailed to you or to receive separate copies of future mailings, please submit your request to the address or phone number that appears on your Notice or proxy card. We will deliver such additional copies promptly upon receipt of such request.

In other cases, stockholders receiving multiple copies of the Notice at the same address may wish to receive only one. If you would like to receive only one copy if you now receive more than one, please submit your request to the address or phone number that appears on your Notice or proxy card.

Can I receive future proxy materials and annual reports electronically?

Yes. This proxy statement and the 2012 annual report are available on our investor relations website located at <http://investor.alimerasciences.com>. Instead of receiving paper copies in the mail, stockholders can elect to receive an email that provides a link to our future annual reports and proxy materials on the Internet. Opting to receive your proxy materials electronically will save us the cost of producing and mailing documents to your home or business, will reduce the environmental impact of our annual meetings and will give you an automatic link to the proxy voting site.

Whom should I call if I have any questions?

If you have any questions, would like additional Alimera proxy materials or proxy cards, or need assistance in voting your shares, please contact Investor Relations, Alimera Sciences, Inc., 6120 Windward Parkway, Suite 290, Alpharetta, Georgia 30005 or by telephone at (310) 954-1105.

Can I submit a proposal for inclusion in the proxy statement for the 2014 annual meeting?

Stockholders of the Company may submit proper proposals (other than the nomination of directors) for inclusion in our proxy statement and for consideration at our 2014 annual meeting of stockholders by submitting their proposals in writing to the Secretary of the Company in a timely manner. In order to be considered for inclusion in our proxy materials for the 2014 annual meeting of stockholders, stockholder proposals must:

- be received by the Secretary of the Company no later than the close of business on December 30, 2013 (which is the 120th day prior to the first anniversary of the date that we released this proxy statement to our stockholders for the Annual Meeting); and
- otherwise comply with the requirements of Delaware law, Rule 14a-8 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and our amended and restated bylaws.

Unless we receive notice in the foregoing manner, the proxyholders shall have discretionary authority to vote for or against any such proposal presented at our 2014 annual meeting of stockholders. If we change the date of the 2014 annual meeting of stockholders by more than 30 days from the anniversary of this year’s Annual Meeting, stockholder proposals must be received a reasonable time before we begin to print and mail our proxy materials for the 2014 annual meeting of stockholders.

Can I submit a nomination for director candidates and proposals not intended for inclusion in the proxy statement for the 2014 annual meeting?

Stockholders of the Company who wish to nominate persons for election to the board of directors at the 2014 annual meeting of stockholders or who wish to present a proposal at the 2014 annual meeting of stockholders, but who do not intend for such proposal to be included in our proxy materials for such meeting, must deliver written notice of the nomination or proposal to Alimera Sciences, Inc., 6120 Windward Parkway, Suite 290, Alpharetta, Georgia 30005, Attention: Secretary no earlier than February 13, 2014 and no later than March 15, 2014. However, if the 2014 annual meeting of stockholders is held earlier than May 19, 2014 or later than July 18, 2014, nominations and proposals must be received no later than the close of business on the later of (a) the 90th day prior to the 2014 annual meeting of stockholders and (b) the 10th day following the day we first publicly announce the date of the 2014 annual meeting. In addition, if the number of directors to be elected to the board of directors is increased and we do not publicly announce all of the nominees for election or specify the size of the increase by March 15, 2014, then proposals with respect to nominees for any new positions created by the increase in board size must be delivered to the address listed above no later than the 10th day following such public announcement. The stockholder’s written notice must include certain information concerning the stockholder and each nominee and proposal, as specified in our amended and restated bylaws.

Where can I obtain a copy of the Company’s amended and restated bylaws?

A copy of our amended and restated bylaw provisions governing the notice requirements set forth above may be obtained by writing to the Secretary of the Company. A current copy of our amended and restated bylaws also is available at our corporate website at www.alimerasciences.com. Such requests and all notices of proposals and director nominations by stockholders should be sent to Alimera Sciences, Inc., 6120 Windward Parkway, Suite 290, Alpharetta, Georgia 30005, Attention: Secretary.

MATTERS TO BE CONSIDERED AT THE ANNUAL MEETING

PROPOSAL 1: ELECTION OF DIRECTORS

General

Our board of directors is currently comprised of nine (9) directors divided into three equal classes with staggered three-year terms. The term of office of our Class III directors, Brian K. Halak, Ph.D., Mark J. Brooks and Peter J. Pizzo, III, will expire at this year's Annual Meeting. The term of office of our Class I directors, C. Daniel Myers, Calvin W. Roberts, M.D. and James R. Largent, will expire at the 2014 annual meeting of stockholders. The term of office of our Class II directors, Philip R. Tracy, Glen Bradley, Ph.D. and Garheng Kong, M.D., Ph.D., will expire at the 2015 annual meeting of stockholders. There are no family relationships among any of our directors or executive officers. It is our policy to encourage nominees for director to attend the Annual Meeting.

Nominees for Election as Class III Directors at the Annual Meeting

This year's nominees for election to the board of directors as our Class III directors to serve for a term of three years expiring at the 2016 annual meeting of stockholders, or until their successors have been duly elected and qualified or until their earlier death, resignation or removal, are provided below. The age of each director as of April 26, 2013 is set forth below. Each of the nominees has agreed to serve as a director if elected, and we have no reason to believe that either nominee will be unable to serve if elected.

Name	Age	Positions and Offices Held with Company	Director Since
Mark J. Brooks	46	Director	2004
Brian K. Halak, Ph.D.	41	Director	2004
Peter J. Pizzo, III	46	Director	2010

The following is additional information about each of the nominees as of the date of this proxy statement, including their business experience, director positions held currently or at any time during the last five years, involvement in certain legal or administrative proceedings, if applicable, and the experiences, qualifications, attributes or skills that caused the nominating/corporate governance committee and our board of directors to determine that the nominees should serve as one of our directors.

Mark J. Brooks has been a member of our board of directors since 2004. Since its formation in January 2007, Mr. Brooks has served as a Managing Director of Scale Venture Partners. Prior to joining Scale Venture Partners, from 1995 Mr. Brooks worked for Bank of America Ventures, ultimately serving as a Managing Director. Dr. Halak holds a Doctorate in Immunology from Thomas Jefferson University and a B.S. in Engineering from the University of Pennsylvania. In addition, Mr. Myers served on the board of directors of Ocular Therapeutix, Inc. from 2009 to 2012.

CORPORATE GOVERNANCE

Series A Preferred Director

On October 2, 2012, we entered into a Securities Purchase Agreement for the sale of an aggregate of 1,000,000 units comprised of 1,000,000 shares of our Series A Preferred Stock and Warrants exercisable for up to an aggregate of 300,000 shares of our Series A Preferred Stock at an exercise price of \$44.00 per share for gross proceeds of \$40.0 million prior to the payment of related expenses. Pursuant to such agreement and the Certificate of Designation of Series A Convertible Preferred Stock filed in connection with the sale of the Series A Preferred Stock, so long as

certain conditions are met, the holders of Series A Preferred Stock, voting as a separate class, are entitled to elect, at any election of our Class II Directors, one director to serve on the board of directors (the “Preferred Director”). For so long as the holders of the Series A Preferred Stock retain this right, the Preferred Director is to be nominated by Sofinnova Venture Partners VIII, L.P. The current Preferred Director is Dr. Kong.

Independent Directors

Each of our directors, other than C. Daniel Myers, qualifies as an independent director in accordance with the published listing requirements of the Nasdaq Global Market, or Nasdaq. The Nasdaq independence definition includes a series of objective tests, such as that the director is not also one of our employees and has not engaged in various types of business dealings with us. In addition, as further required by the Nasdaq rules, our board of directors has made a subjective determination as to each independent director that no relationships exist which, in the opinion of our board of directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. In making these determinations, our directors reviewed and discussed information provided by the directors and us with regard to each director’s business and personal activities as they may relate to us and our management.

Board Committees

Our board of directors has established an audit committee, a compensation committee and a nominating/corporate governance committee. Our board of directors and its committees set schedules to meet throughout the year and also can hold special meetings and act by written consent from time to time as appropriate. The independent directors of our board of directors also will hold separate regularly scheduled executive session meetings at least twice a year at which only independent directors are present. Our board of directors has delegated various responsibilities and authority to its committees as generally described below. The committees will regularly report on their activities and actions to the full board of directors. Each current member of each committee of our board of directors qualifies as an independent director in accordance with the Nasdaq standards described above and SEC rules and regulations. Each committee of our board of directors has a written charter approved by our board of directors. Copies of each charter are posted on our website at www.alimerasciences.com under the Investor Relations section. The inclusion of our website address in this proxy statement does not include or incorporate by reference the information on our website into this proxy statement.

The following table provides membership and meeting information for each of the committees of the board of directors during the year ended December 31, 2012:

Committee	Chairman	Members	Number of Meetings in 2012
Audit Committee	Peter J. Pizzo, III	Calvin W. Roberts, M.D. (1) Glen Bradley, Ph.D. Mark J. Brooks (2)	8
Compensation Committee	Brian K. Halak, Ph.D.	Mark J. Brooks James R. Largent	11
Nominating/Corporate Governance Committee	Philip R. Tracy	Brian K. Halak, Ph.D. James R. Largent	1

(1) Resigned from the audit committee in June 2012.

(2) Replaced Dr. Roberts as a member of the audit committee in June 2012.

The primary responsibilities of each committee are described below.

Audit Committee

Our audit committee currently consists of Peter J. Pizzo, III, Glen Bradley, Ph.D. and Mark J. Brooks. Mr. Pizzo serves as the chairman of the audit committee. Our board of directors annually reviews the Nasdaq listing standards definition of independence for audit committee members and has determined that all current members of our audit committee are independent (as independence is currently defined in applicable Nasdaq listing standards and Rule 10A-3 promulgated under the Exchange Act).

Mr. Pizzo qualifies as an “audit committee financial expert” as that term is defined in the rules and regulations of the SEC. The designation of Mr. Pizzo as an “audit committee financial expert” does not impose on him any duties, obligations or liability that are greater than those that are generally imposed on him as a member of our audit committee and our board of directors, and his designation as an “audit committee financial expert” pursuant to this SEC requirement does not affect the duties, obligations or liability of any other member of our audit committee or board of directors.

The audit committee monitors our corporate financial statements and reporting and our external audits, including, among other things, our internal controls and audit functions, the results and scope of the annual audit and other services provided by our independent registered public accounting firm and our compliance with legal matters that have a significant impact on our financial statements. Our audit committee also consults with our management and our independent registered public accounting firm prior to the presentation of financial statements to stockholders and, as appropriate, initiates inquiries into aspects of our financial affairs. Our audit committee is responsible for establishing procedures for the receipt, retention and treatment of complaints regarding accounting, internal accounting controls or auditing matters and for the confidential, anonymous submission by our employees of concerns regarding questionable accounting or auditing matters. Our audit committee monitors compliance with our Code of Business

Conduct policy. In addition, our audit committee is directly responsible for the appointment, retention, compensation and oversight of the work of our independent auditors, including approving services and fee arrangements. Related party transactions will be approved by our audit committee before we enter into them, in accordance with the applicable rules of Nasdaq.

Both our independent registered public accounting firm and internal financial personnel regularly meet with, and have unrestricted access to, the audit committee.

Compensation Committee

Our compensation committee currently consists of Mark J. Brooks, Brian K. Halak, Ph.D., James R. Largent and Garheng Kong, M.D., Ph.D., who was appointed to the compensation committee in March 2013. Dr. Halak serves as chairman of the compensation committee. Our

board of directors has determined that Mr. Brooks, Dr. Halak, Mr. Largent and Dr. Kong satisfy the general independence requirements of the Nasdaq and the SEC rules and regulations for directors. Although as a smaller reporting company we are not expected to be subject to the enhanced compensation committee independence standards recently approved by Nasdaq, we currently believe each of the members of our compensation committee would satisfy these more stringent standards. Each member of our compensation committee is a non-employee director, as defined pursuant to Rule 16b-3 promulgated under the Securities Exchange Act of 1934, as amended, and an outside director, as defined pursuant to Section 162(m) of the Internal Revenue Code of 1986, as amended. The compensation committee makes recommendations to the board of directors and reviews and approves our compensation policies and all forms of compensation to be provided to our directors and executive officers, including, among other things, annual salaries, bonuses, and equity incentive awards and other incentive compensation arrangements. In addition, our compensation committee will administer our equity incentive and employee stock purchase plans, including granting stock options or awarding restricted stock units to our directors and executive officers. Our compensation committee also reviews and approves employment agreements with executive officers and other compensation policies and matters.

Prior to the third quarter of 2010, the compensation committee had not engaged a compensation consultant for advice on matters related to compensation for executive officers, other key employees and non-employee directors. In July 2010, the compensation committee determined that, in light of Company's initial public offering, it would engage an executive compensation consultant to review the compensation of the Company's executives and advise the compensation committee with respect to any recommended changes to such compensation. The compensation committee engaged Hewitt Associates LLC in 2010 to provide advice in connection with our 2011 executive compensation program and used Hewitt Associates' recommendations as part of its decision-making process for setting the named executive officers' 2011 base salary and target bonus. The compensation committee assessed the independence of Hewitt Associates pursuant to the Nasdaq listing standards and concluded that the work of Hewitt Associates has not raised any conflict of interest. The compensation committee engaged Frederick W. Cook & Co. ("FW Cook") in 2011 and 2012 to provide advice in connection with our 2012 and 2013 executive compensation programs and used FW Cook's recommendations as part of its decision-making process for setting the named executive officers' 2012 compensation. The compensation committee assessed the independence of FW Cook pursuant to the Nasdaq listing standards and concluded that the work of FW Cook has not raised any conflict of interest.

Nominating/Corporate Governance Committee

Our nominating/corporate governance committee currently consists of Brian K. Halak, Ph.D., Philip R. Tracy and James R. Largent. Mr. Tracy serves as chairman of the nominating/corporate governance committee.

Our nominating/corporate governance committee identifies, evaluates and recommends nominees to our board of directors and committees of our board of directors, conducts searches for appropriate directors and evaluates the performance of our board of directors and of individual directors. In evaluating potential nominees to the board of directors, the nominating/corporate governance committee considers a wide variety of qualifications, attributes and other factors and recognizes that a diversity of viewpoints and practical experience can enhance the effectiveness of our board of directors. Accordingly, as part of its evaluation of each candidate, the nominating/corporate governance committee takes into account that candidate's background, experience, qualifications, attributes and skills that may complement, supplement or duplicate those of other prospective candidates and current directors. Our nominating/corporate governance committee also considers candidates proposed in writing by stockholders, provided such proposal meets the eligibility requirements for submitting stockholder proposals under our amended and restated bylaws and is accompanied by certain required information about the candidate and the stockholder submitting the proposal. Candidates proposed by stockholders will be evaluated by our nominating/corporate governance committee using the same criteria as for all other candidates. Our nominating/corporate governance committee is also responsible for reviewing developments in corporate governance practices, evaluating the adequacy of our corporate governance practices and reporting and making recommendations to the board of directors concerning corporate governance matters. Our nominating/corporate governance committee has not adopted a policy regarding the consideration of diversity in identifying director nominees.

Board Meetings and Attendance

Our board of directors held twenty (20) meetings in 2012. In 2012, each member of the board of directors attended 75% or more of the aggregate of (i) the total number of board meetings held during the period of such member's service, with the exception of Mark Brooks, who attended 70% of the total number of board meetings, and (ii) the total number of meetings of committees on which such member served, during the period of such member's service.

Director Attendance at Annual Meetings of Stockholders

Directors are encouraged, but not required, to attend our annual stockholder meetings. All of our then-serving directors attended our last annual meeting.

Separation of CEO and Chairman Roles

Our board of directors separates the positions of chairman of the board and Chief Executive Officer. Separating these positions allows our Chief Executive Officer to focus on our day-to-day business activities, while allowing the chairman of the board to lead our board of directors in its fundamental role of providing advice to and independent oversight of our management. Our board of directors recognizes the time, effort and energy that the Chief Executive Officer is required to devote to his position in the current business environment, as well as the commitment

required to serve as our chairman of the board, particularly as the board of directors' oversight responsibilities continue to grow. Our board of directors is led by our chairman of the board. The chairman of the board chairs all board meetings (including executive sessions), acts as liaison between the independent directors and management, approves board meeting schedules and oversees the information distributed in advance of board meetings, is available to our outside corporate counsel to discuss and, as necessary, respond to stockholder communications to our board of directors and calls meetings of the independent directors. We believe that having different people serving in the roles of chairman of the board and chief executive officer is an appropriate and effective organizational structure for our Company.

Risk Oversight

Our board of directors oversees the management of risks inherent in the operation of our business and the implementation of our business strategies. Our board of directors performs this oversight role by using several different levels of review. In connection with its reviews of the operations and corporate functions of our Company, our board of directors addresses the primary risks associated with those operations and corporate functions. In addition, our board of directors reviews the risks associated with our Company's business strategies periodically throughout the year as part of its consideration of undertaking any such business strategies.

Each of our board committees also oversees the management of our Company's risk that falls within the committee's areas of responsibility. In performing this function, each committee has full access to management, as well as the ability to engage advisors. Our Chief Financial Officer reports to the audit committee with respect to risk management and is responsible for identifying, evaluating and implementing risk management controls and methodologies to address any identified risks. In connection with its risk management role, our audit committee meets privately with representatives from our independent registered public accounting firm and our Chief Financial Officer. The audit committee oversees the operation of our risk management program, including the identification of the primary risks associated with our business and periodic updates to such risks and reports to our board of directors regarding these activities.

Code of Business Conduct

Our board of directors has adopted a code of ethics and business conduct that applies to all of our employees, executive officers (including our principal executive officer, principal financial officer and principal accounting officer or controller, or persons performing similar functions) and directors. The full text of our code of ethics and business conduct is posted on our website at www.alimerasciences.com under the Investor Relations section. We intend to disclose future amendments to certain provisions of our code of ethics and business conduct, or waivers of such provisions, applicable to our directors and executive officers at the same location on our website identified above and also in a Current Report on Form 8-K, as required, within four business days following the date of such amendment or waiver. The inclusion of our website address in this proxy statement does not include or incorporate by reference the information on our website into this proxy statement.

Limitation of Liability and Indemnification

We have entered into indemnification agreements with each of our directors and executive officers. The agreements provide that we will indemnify each of our directors and executive officers against any and all expenses incurred by that director or executive officer because of his or her status as one of our directors or executive officers, to the fullest extent permitted by Delaware law, our restated certificate of incorporation and amended and restated bylaws. In addition, the agreements provide that, to the fullest extent permitted by Delaware law, but subject to various exceptions, we will advance all expenses incurred by our directors in connection with a legal proceeding.

Our restated certificate of incorporation and amended and restated bylaws contain provisions relating to the limitation of liability and indemnification of directors. The restated certificate of incorporation provides that our directors will not be personally liable to us or our stockholders for monetary damages for any breach of fiduciary duty as a director, except for liability:

- for any breach of the director's duty of loyalty to us or our stockholders;
- for acts or omissions not in good faith or that involve intentional misconduct or a knowing violation of law;
- in respect of unlawful payments of dividends or unlawful stock repurchases or redemptions as provided in Section 174 of the Delaware General Corporation Law; or

- for any transaction from which the director derives any improper personal benefit.

Our restated certificate of incorporation also provides that if Delaware law is amended in the future to authorize corporate action further eliminating or limiting the personal liability of directors, then the liability of our directors will be eliminated or limited to the fullest extent permitted by Delaware law. The foregoing provisions of the restated certificate of incorporation are not intended to limit the liability of directors or officers for any violation of applicable federal securities laws. As permitted by Section 145 of the Delaware General Corporation Law, our restated certificate of incorporation provides that we may indemnify our directors to the fullest extent permitted by Delaware law and the restated certificate of incorporation provisions relating to indemnity may not be retroactively repealed or modified so as to adversely affect the protection of our directors.

In addition, as permitted by Section 145 of the Delaware General Corporation Law, our amended and restated bylaws provide that we are authorized to enter into indemnification agreements with our directors and executive officers and we are authorized to purchase directors' and officers' liability insurance, which we currently maintain to cover our directors and executive officers.

Communications to the Board of Directors

Stockholders interested in communicating with the independent directors regarding their concerns or issues may address correspondence to a particular director, or to the independent directors generally, in care of Alimera Sciences, Inc., 6120 Windward Parkway, Suite 290, Alpharetta, Georgia 30005, Attn: Secretary. The Secretary of the Company has the authority to disregard any inappropriate communications or to take other appropriate actions with respect to any inappropriate communications. If deemed an appropriate communication, the Secretary of the Company will forward it, depending on the subject matter, to the chairman of the board of directors, chairman of a committee of the board of directors, the full board of directors or a particular director, as appropriate.

PROPOSAL 2

RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The audit committee of our board of directors has selected Grant Thornton LLP, an independent registered public accounting firm, as our independent auditors for the year ending December 31, 2013, and has further directed that management submit the selection of independent auditors for ratification by the stockholders at the Annual Meeting. Grant Thornton LLP has served as our independent registered public accounting firm since August 23, 2012. Prior to such time, Deloitte & Touche LLP served as our independent registered accounting firm. See “Changes in Independent Registered Public Accounting Firm” below. Representatives of Grant Thornton are expected to be present at the Annual Meeting. They will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Neither our amended and restated bylaws nor other governing documents or laws require stockholder ratification of the appointment of Grant Thornton LLP as our independent registered public accounting firm. However, the audit committee of the board of directors is submitting the appointment of Grant Thornton LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the audit committee of the board of directors will reconsider whether or not to retain Grant Thornton LLP. Even if the selection is ratified, the audit committee of our board of directors in its discretion may direct the appointment of different independent auditors at any time during the year if it determines that such a change would be in the best interests of the Company and our stockholders.

In order for Proposal 2 to pass, holders of a majority of all those outstanding shares present in person, or represented by proxy, and cast either affirmatively or negatively at the Annual Meeting must vote “FOR” Proposal 2. Abstentions and broker non-votes will be counted towards a quorum, however, they will not be counted either “FOR” or “AGAINST” the proposal and will have no effect on the proposal. Because the ratification of the appointment of the independent registered public accounting firm is a matter on which a broker or other nominee is generally empowered to vote, no broker non-votes are expected to exist in connection with this matter.

YOUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS YOU VOTE THE PROXY CARD “FOR” PROPOSAL 2

Changes in Independent Registered Public Accounting Firm

On August 23, 2012, the audit committee of our board of directors dismissed Deloitte & Touche LLP as the independent registered public accounting firm for the Company and its subsidiaries, effective as of August 23, 2012, and approved the Company’s engagement of Grant Thornton LLP as the independent registered public accounting firm for the Company and its subsidiaries, subject to Grant Thornton LLP’s acceptable of such engagement. On August 27, 2012, the Company formally engaged Grant Thornton LLP as its independent registered public accounting firm for the year ending December 31, 2012.

Deloitte & Touche LLP’s report on the Company’s financial statements for the fiscal year ended December 31, 2011 contained an explanatory paragraph regarding the Company’s ability to continue as a going concern. Other than such statement, no report of Deloitte & Touche LLP on the financial statement of the Company for either of the past two years contained an adverse opinion or disclaimer of opinion, or was qualified or modified as to uncertainty, audit scope or accounting principles.

During the Company’s fiscal year ended December 31, 2011 and through August 23, 2012, there were no disagreement(s) with Deloitte & Touche LLP on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreement(s), if not resolved to the satisfaction of Deloitte & Touche LLP, would have caused Deloitte & Touche LLP to make reference to the subject matter of the disagreement(s) in connection with its report on the Company’s consolidated financial statements.

The Company provided Deloitte & Touche LLP a copy of the above disclosures and requested that Deloitte & Touche LLP furnish to the Company a letter addressed to the SEC stating whether it agrees with the statements made above. A copy of that letter, dated August 28, 2012, was filed as Exhibit 16.1 to the Company’s current report on Form 8-K filed with the SEC on August 28, 2012.

All fees described above were pre-approved by the audit committee in accordance with applicable SEC requirements. Pre-Approval Policies and Procedures of the Audit Committee

The audit committee's policy is to pre-approve all audit and permissible non-audit services rendered by Deloitte & Touche LLP and Grant Thornton LLP, our independent registered public accounting firms. The audit committee can pre-approve specified services in defined categories of audit services, audit-related services and tax services up to specified amounts, as part of the audit committee's approval of the scope of the engagement of Deloitte & Touche LLP and Grant Thornton LLP or on an individual case-by-case basis before Deloitte & Touche LLP or Grant Thornton LLP is engaged to provide a service. The audit committee has determined that the rendering of tax-related services by Grant Thornton LLP in 2012 is compatible with maintaining the principal accountant's independence for audit purposes. Neither Deloitte & Touche LLP nor Grant Thornton LLP has been engaged to perform any non-audit services other than tax-related services.

REPORT OF THE AUDIT COMMITTEE¹

The audit committee of our board of directors operates pursuant to a charter which is reviewed annually by the audit committee. Additionally, a brief description of the primary responsibilities of the audit committee is included in this proxy statement under “Corporate Governance — Board Committees — Audit Committee”. Under the audit committee charter, our management is responsible for the preparation, presentation and integrity of our financial statements, the application of accounting and financial reporting principles and our internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent registered public accounting firm is responsible for auditing our financial statements and expressing an opinion as to their conformity with accounting principles generally accepted in the United States of America.

In the performance of its oversight function, the audit committee reviewed and discussed the audited financial statements of the Company with management and with the independent registered public accounting firm. In addition, the audit committee discussed with the independent registered public accounting firm those matters required to be discussed by Statement of Accounting Standards 114, as modified, as adopted by the Public Company Accounting Oversight Board, or “PCAOB”, in Rule 3200T and by PCAOB Auditing Standard No. 16, Communications with Audit Committees, as may be further modified or supplemented. Additionally, the independent registered public accounting firm provided to the audit committee the written disclosures and the letter required by PCAOB Rule 3526

“Communication with Audit Committees concerning independence” as adopted by the Public Company Accounting Oversight Board. The Audit Committee also discussed with the independent registered public accounting firm its independence from the Company.

The audit committee has adopted a charter and a process for pre-approving services to be provided by the independent registered public accountant.

Based upon the review and discussions described in the preceding paragraph, our audit committee recommended to the board of directors that the audited financial statements of the Company be included in the Annual Report on Form 10-K, as amended, for the year ended December 31, 2012 filed with the SEC.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our directors, executive officers, and certain holders of more than 10% of our common stock to file reports regarding their ownership and changes in ownership of our securities with the SEC and to furnish us with copies of all Section 16(a) reports that they file.

Based solely upon a review of Forms 3 and 4 and amendments thereto furnished to us and written representations provided to us by all of our directors and executive officers and certain of our greater than 10% stockholders, we believe that during the year ended December 31, 2012, our directors, executive officers, and greater than 10% stockholders complied with all applicable Section 16(a) filing requirements.

CERTAIN RELATIONSHIPS AND RELATED PERSONS TRANSACTIONS

In addition to the compensation arrangements with directors and executive officers described elsewhere in this proxy statement, the following is a description of transactions since January 1, 2011, in which we have been a participant, in which the amount involved exceeded or will exceed \$120,000 or 1% of the average of our total assets at year end for the last two completed fiscal years and in which any of our directors, executive officers, beneficial holders of more than 5% of our capital stock, or entities affiliated with them, had or will have a direct or indirect material interest. All of the transactions set forth below were approved by a majority of our board of directors, including a majority of the independent and disinterested members of our board of directors. We believe that we have executed all of the transactions set forth below on terms no less favorable to us than we could have obtained from unaffiliated third-parties. It is our intention to ensure that all future transactions between us and our directors, executive officers and principal stockholders and their affiliates are approved by a majority of the members of our board of directors, including a majority of the independent and disinterested members of our board of directors and are on terms no less favorable to us than those that we could obtain from unaffiliated third-parties.

Indemnification Agreements. We have entered into indemnification agreements with each of our directors and executive officers and certain other key employees. In addition, the agreements provide that, to the fullest extent permitted by Delaware law, we will advance all expenses incurred by our directors, executive officers and key employees in connection with a legal proceeding in which they may be entitled to indemnification.

Changes in Control

As a result of our Series A Preferred Stock Financing, a change of control of the Company may be deemed to have occurred. Prior to the closing of the Series A Preferred Stock Financing, Palo Alto and its affiliates beneficially owned an aggregate of 3,634,984 shares of our common stock, according to a Form 13F filed by Palo Alto with the Securities and Exchange Commission on August 15, 2012, which represented approximately 11.6% of our common stock outstanding prior to the closing of our Series A Preferred Stock Financing. Palo Alto Investors, Inc. is the manager of Palo Alto. William Leland Edwards is the controlling shareholder of Palo Alto Investors, Inc. Anthony Joonkyoo Yun, M.D. is the President of Palo Alto and Palo Alto Investors, Inc. Prior to the closing of our Series A Preferred Stock Financing, no stockholder beneficially owned more than 15.5% of our outstanding shares of our Common Stock. At the closing of our Series A Preferred Stock Financing, Palo Alto and certain of its affiliates purchased 600,000 units, consisting of an aggregate of 600,000 shares of our Series A Preferred Stock and a Warrant to purchase 180,000 shares of our Series A Preferred Stock, for a purchase price of \$24,000,000. The purchase price was paid from its cash on hand.

Following the closing of our Series A Preferred Stock Financing, Palo Alto and its affiliates, assuming the exercise and subsequent conversion of warrants held by them (but no other warrants) and the conversion of all shares of Series A Preferred Stock (based on a conversion price of \$2.91) and including the number of shares of common stock then owned by Palo Alto and its affiliates, beneficially owns approximately 14,356,633 shares of our common stock, represented approximately 30.13% of the total voting power of our voting securities following the closing of our Series A Preferred Stock financing. If the United Kingdom's National Institute for Health and Clinical Excellence ("NICE") issues final guidance (following the review of a Patient Access Scheme (as commonly used by NICE), if required) recommending ILUVIEN (a "Positive Guidance") on or before June 30, 2013, Palo Alto and its affiliates, assuming the exercise and subsequent conversion of warrants held by them (but no other warrants) and the conversion of all shares of our Series A Preferred Stock (based on a conversion price of \$3.16) and including the number of shares of our common stock currently owned by Palo Alto and its affiliates, will own approximately 13,508,402 shares of our common stock, which represented 29.13% of the total voting power of our voting securities immediately following the closing of our Series A Preferred Stock Financing. If Positive Guidance is not received on or before June 30, 2013 or if NICE issues final unappealable guidance (following the review of a Patient Access Scheme) failing to recommend ILUVIEN, Palo Alto and its affiliates, assuming the exercise and subsequent conversion of the warrants held by them (but no other warrants) and the conversion of all shares of Series A Preferred Stock (based on a conversion price of \$2.66) and including the number of shares of our common stock currently owned by Palo Alto and its affiliates, will own approximately 15,364,307 shares of our common stock, which represented approximately 31.24% of the total voting power of our voting securities immediately following the closing of our Series A Preferred Stock Financing. The foregoing is based on our capitalization as of October 2, 2012, as adjusted for the sale of the units in the Series A Preferred Stock Financing.

Overview of Compensation Philosophy and Objectives

Our executive compensation programs are designed to fairly compensate our executive officers, attract and retain highly qualified executive officers, motivate the performance of our executive officers towards, and reward the achievement of, clearly defined corporate goals, and align our executive officers' long-term interests with those of our stockholders. Under these programs, our named executive officers are rewarded for the achievement of specific annual, long-term and strategic goals, corporate goals and individual goals. Our compensation programs are designed to motivate our executives to create a successful company. We believe that our compensation program, with its balance of short-term incentives (including cash bonus awards) and long-term incentives (including equity awards that vest over up to four years) reward sustained performance that is aligned with long-term stockholder interests.

To that end, the compensation committee applies the following principles when structuring compensation arrangements for our named executive officers:

In order to determine competitiveness in the marketplace, our compensation committee relies on an analysis of peer group companies, comparable in asset size and corporate structure, prepared by the compensation committee's compensation consultant. The compensation committee believes that total direct compensation should be established at a level that is competitive with the Company's defined peer group.

Total compensation should include "at risk" components that are linked to annual company and individual performance. Stock-based compensation should form a key component of total compensation as a means of linking senior management to the long-term performance of the Company, motivating our executive officers and aligning their interests with those of stockholders.

While base salary and the potential for cash bonuses must be at competitive levels, performance is most significantly impacted by appropriately relating the potential for creating stockholder value to an individual's compensation potential through the use of equity awards.

Highlights of our named executive officer 2012 compensation program include:

Base Salary – Base salaries are intended to reflect compensation commensurate with the individual’s current position and work experience. Our goal in this regard is to attract and retain high-caliber talent for the position and to provide a base wage that is not subject to performance risk. Our compensation committee did not to make any adjustments to the 2012 base salaries of our named executive officers from the amounts paid in 2011. See the column titled “Salary” in the 2012 Summary Compensation Table for additional information related to the base salaries of our named executive officers.

Annual Cash Incentive Compensation – Annual cash incentives for our named executive officers are designed to reward the achievement of overall performance by our executive officers each year, which we believe should increase stockholder value. In December 2012, our compensation committee approved the annual cash incentive awards set forth in the table below. See the columns titled “Bonus” and “Non-Equity Incentive Compensation” in the 2012 Summary Compensation Table for additional information.

Named Executive Officer	% of Objective Corporate Goals Achieved (1)	% of Subjective Discretionary Bonus Awarded (2)	Total % of Aggregate Target Cash Incentive Amount Awarded	Actual Cash Incentive Award
C. Daniel Myers	100%	100%	100%	\$237,407
Richard S. Eiswirth	100%	100%	100%	\$124,553
Kenneth Green, Ph.D.	100%	100%	100%	\$117,691

50% of each named executive officer's aggregate target cash incentive award was allocated to the achievement of objective corporate performance goals approved by the compensation committee, which included (i) obtaining marketing authorization for ILUVIEN in at least 4 countries in the European Union; (ii) creating a commercial infrastructure for the launch of ILUVIEN in Europe; (iii) developing a regulatory path to seek marketing authorization for ILUVIEN in the U.S. and (iv) securing sufficient financing to fund the initial commercial launch of ILUVIEN in Europe.

50% of each named executive officer's aggregate target cash incentive award was discretionary based upon the subjective assessment by the compensation committee of the progress of the executive team towards our strategic objectives.

Equity Compensation – We utilize equity awards for our long-term equity compensation to ensure that our executive officers have a continuing stake in our long-term success. In 2012, we granted our named executive officers options to purchase shares of our common stock and awarded our named executive officers with restricted stock unit awards. See the columns titled “Stock Awards” and “Option Awards” in the 2012 Summary Compensation Table for additional information related to the performance bonuses earned by our named executive officers. The table below sets forth the equity incentive grants and awards made to our named executive officers in 2012:

Tax and Accounting Treatment of Compensation

Section 162(m) of the Internal Revenue Code places a limit of \$1.0 million per person on the amount of compensation that we may deduct in any one year with respect to each of our named executive officers other than the Chief Financial Officer. There is an exemption from the \$1.0 million limitation for performance-based compensation that meets certain requirements. All grants of options under our 2010 Equity Incentive Plan are intended to qualify for the exemption. Grants of restricted shares or stock units under our 2010 Equity Incentive Plan may qualify for the exemption if vesting is contingent on the attainment of objectives based on the performance criteria set forth in the plan and if certain other requirements are satisfied. Grants of restricted shares or stock units that vest solely on the basis of service cannot qualify for the exemption. Our current cash incentive plan is not designed to qualify for the exemption. To maintain flexibility in compensating executive officers in a manner designed to promote varying corporate goals, our compensation committee has not adopted a policy requiring all compensation to be deductible. Although tax deductions for some amounts that we pay to our named executive officers as compensation may be limited by section 162(m), that limitation does not result in the current payment of increased federal income taxes by us due to our significant net operating loss carry-forwards. Our compensation committee may approve compensation or changes to plans, programs or awards that may cause the compensation or awards to exceed the limitation under section 162(m) if it determines that such action is appropriate and in our best interests.

We account for equity compensation paid to our employees under the rules of FASB ASC Topic 718, which requires us to estimate and record an expense for each award of equity compensation over the service period of the award. Accounting rules also require us to record cash compensation as an expense at the time the obligation is accrued. We have not tailored our executive compensation program to achieve particular accounting results.

Stockholder Advisory Vote on Executive Compensation

At our 2012 annual meeting of stockholders, approximately 99.7% of the shares voted were in favor of the compensation of our named executive officers as disclosed in the proxy statement for the 2012 annual meeting of stockholders, including the Compensation Discussion and Analysis, the 2011 Summary Compensation Table and other related tables and disclosures. The compensation committee considers this vote to be an endorsement of our compensation philosophy and practices, including our balance between cash and equity compensation. Based upon that stockholder vote, the compensation committee believed that significant modifications to our executive compensation program were not necessary for 2012 and, as such, it remained relatively unchanged from our 2011 program. Both our compensation committee and board of directors intend to periodically reevaluate our executive compensation philosophy and practices in light of the Company's performance, needs and developments, including the outcome of future non-binding advisory votes by the Company's stockholders.

Employment Agreements with Our Executive Officers

We have entered into employment agreements with each of our named executive officers. The employment agreements provide for a starting base salary and a potential annual bonus, which is subject to adjustment by our board of directors from time to time. In addition, each of the agreements provides that if we terminate the named executive officer's employment without cause or if he or she resigns for good reason, the named executive officer is entitled to one year of his or her base salary at the rate in effect at the time of his termination paid in 12 equal monthly installments. The named executive officer will also be entitled to the portion of his or her bonus earned up until termination. In addition, the named executive officer is entitled to reimbursement of his or her premiums for medical insurance coverage under COBRA for 12 months after the date of termination or until the named executive officer is eligible to be covered under a medical insurance plan by a subsequent employer. The employment agreements also provide for acceleration of any unvested options held by our named executive officers in the event of a change of control. Under these provisions, in the event of change of control, each executive will receive 12 months of additional vesting for any stock options that are outstanding and unvested as of the date of such transaction. In addition, unvested options vest in full in the event that the stock options are not continued or replaced with an alternate security, the executive is terminated without cause, or the executive terminates his or her employment for good reason within 12 months of a change of control.

The following table sets forth the base salary and potential bonus of each of our named executive officers at January 1, 2013.

Name	Base Salary (\$)	Potential Bonus (\$)
C. Daniel Myers	444,599	244,529
Richard S. Eiswirth	320,725	128,290
Kenneth Green, Ph.D.	303,055	121,222

For purposes of severance payments, "good reason" is defined in all amended and restated employment agreements as an executive resigning within 12 months after one of the following conditions has come into existence without the executive's consent:

- a reduction of the executive's base salary;
- a material adverse change in the executive's primary responsibilities or duties;
- a geographical relocation of our corporate headquarters, or the executive's primary business location, to a location that is more than 35 miles from the present location; or
- any material breach by us of the employment agreement.

The executive must provide us with written notice within 90 days after a good reason condition comes into the existence, and we have 30 days to remedy the condition after receipt of the notice. For purposes of option acceleration,

“good reason” is defined in all applicable employment agreements as:

- a material adverse change in the executive’s responsibilities or duties;
- a geographical relocation of our corporate headquarters, or the executive’s primary business location, to a location that is more than 35 miles from the present location; or
- any breach by us of the employment agreement that is material and not cured, or capable of being cured, within 30 days after the executive gives us and our board of directors written notice.

Estimated Benefits and Payments Upon Termination of Employment

The following table describes the potential payments and benefits upon termination of our named executive officers' employment before or after a change in control of our Company as described above, as if each officer's employment terminated as of December 31, 2012, the last business day of the 2012 fiscal year.

(1) Represents aggregate target bonus, including objective and subjective portion, for 2012. Bonus payments in the year of termination would be based on the actual earned bonus and may be less than the aggregate target bonus.

(2) Based on each executive officer's base salary in effect at the end of 2012 and the number of accrued but unused vacation days at the end of 2012.

(3) The value of option acceleration was zero because the exercise price per share of the accelerated options was greater than the \$1.57 closing market price of per share of the Company's common stock on December 31, 2012 (the last trading day in fiscal 2012) and the exercise price of the option.

PROPOSAL NO. 3

ADVISORY VOTE ON EXECUTIVE COMPENSATION

Our board of directors recognizes the interests our investors have in the compensation of our executives. In recognition of that interest and as required by the recently enacted Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, or the Dodd-Frank Act, we are providing our stockholders with the opportunity to vote to approve, on an advisory (nonbinding) basis, the compensation of our named executive officers as disclosed in this proxy statement in accordance with the SEC's rules.

As described in detail in our Executive Officers – Overview of Compensation Philosophy and Objectives, our executive compensation programs are designed to attract, motivate and retain our named executive officers, who are critical to our success and will drive the creation of stockholder value. Under these programs, our named executive officers are rewarded for the achievement of specific annual, long-term and strategic goals, corporate goals and the realization of increased stockholder value. Please read “Executive Officers – Overview of Compensation Philosophy and Objectives” for additional details about our executive compensation programs, including information about the fiscal year 2012 compensation of our named executive officers.

The compensation committee of our board of directors continually reviews the compensation programs for our named executive officers to ensure they achieve the desired goals of aligning our executive compensation structure with our stockholders' interests and current market practices. As described in detail in our Executive Officers – Overview of Compensation Philosophy and Objectives, our compensation programs are designed to motivate our executives to create a successful company. We believe that our compensation program, with its balance of short-term incentives (including cash bonus awards) and long-term incentives (including equity awards that vest over up to four years) reward sustained performance that is aligned with long-term stockholder interests.

We are asking our stockholders to indicate their support for our named executive officer compensation as described in this proxy statement. This proposal, commonly known as a “say-on-pay” proposal, gives our stockholders the opportunity to express their views on our named executive officers' compensation. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies and practices described in this proxy statement. Stockholders are encouraged to read “Executive Officers – Overview of Compensation Philosophy and Objectives,” the accompanying compensation tables, and the narrative disclosure. Accordingly, we will ask our stockholders to vote “FOR” the following resolution at the Annual Meeting:

“RESOLVED, that the compensation paid to the Company's named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the compensation tables and narrative discussion, is hereby APPROVED.”

In order for Proposal 3 to be approved, holders of a majority of all those outstanding shares present in person, or represented by proxy, and cast either affirmatively or negatively at the Annual Meeting must vote “FOR” Proposal 3. Abstentions and broker non-votes will not be counted either “FOR” or “AGAINST” the proposal and will have no effect on the proposal. Because Proposal 3 is a non-routine matter, broker non-votes are expected to exist in connection with this matter.

As an advisory vote, the result will not be binding on our board of directors or compensation committee. Our board of directors and our compensation committee value the opinions of our stockholders and expect to take into account the outcome of the vote when considering future executive compensation decisions to the extent they can determine the cause or causes of any significant negative voting results.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” THE APPROVAL OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS, AS DISCLOSED IN THIS PROXY STATEMENT PURSUANT TO THE COMPENSATION DISCLOSURE RULES OF THE SECURITIES AND EXCHANGE COMMISSION
