Explanatory Note

This Amendment No. 1 to the Annual Report on Form 20-F of Companhia Brasileira de Distribuição (the “Company”) amends the Company’s Annual Report on Form 20-F for the year ended December 31, 2017 (the “Annual Report”), filed with the Securities and Exchange Commission on April 30, 2018. The Company is filing this Amendment No. 1 for the following reasons:

(i) To replace the report of the Company’s independent registered public accounting firm, Ernst & Young Auditores Independentes S.S., relating to their Opinion on the Financial Statements, on page F-1 of the Annual Report, to correct the date of the report and inadvertent typographical errors, with the report in Annex A hereto.

(ii) To replace the report of the Company’s independent registered public accounting firm, Ernst & Young Auditores Independentes S.S., relating to their Opinion on Internal Control over Financial Reporting, on pages F-2 to F-3 of the Annual Report, to correct the date of the report and inadvertent typographical errors, with the report in Annex B hereto.

(iii) To provide certain corrected figures presented in Item 3A. “Selected Financial Data,” as follows:

	As of and for the Year Ended December 31,					2017 (US\$, except as indicated)
	2013	2014	2015	2016	2017

(4) Calculated using the average of square meters of selling area on the last day of each month in the period.

This Amendment No. 1 comprises a cover page, this explanatory note, the signature page and the required certifications of the chief executive officer and chief financial officer of the Company.

Other than as set forth above, this Amendment No. 1 does not, and does not purport to, amend any other information set forth in the Annual Report, and the Company has not updated disclosures included therein to reflect any events that occurred subsequent to April 27, 2018.

Report of Independent Registered Public Accounting Firm

To the Shareholders and the Board of Directors of

Companhia Brasileira de Distribuição

Opinion on the Financial Statements

We have audited the accompanying consolidated balance sheets of Companhia Brasileira de Distribuição and subsidiaries (the Company) as of December 31, 2017, the related consolidated statements of operations and comprehensive income (loss), changes in shareholders' equity and cash flows for the year ended December 31, 2017, and the related notes (collectively referred to as the "consolidated financial statements"). In our opinion, based on our audit and the report of other auditors, the consolidated financial statements present fairly, in all material respects, the financial position of the Company at December 31, 2017, and the results of its operations and its cash flows for the year ended December 31, 2017, in conformity with International Financial Reporting Standards - IFRS as issued by the International Accounting Standards Board - IASB.

We did not audit the financial statements of Via Varejo S.A., a Company's subsidiary, whose assets, liabilities and operations are presented as discontinued operations as of December 31, 2017. Via Varejo S.A. total assets constitute 48% of the Company's total consolidated assets as of December 31, 2017 and its net income constitute 44% of the Company's consolidated net income for the year ended December 31, 2017. Those statements were audited by other auditors whose report has been furnished to us, and our opinion, insofar as it relates to the amounts included for Via Varejo S.A., is based solely on the report of the other auditors.

We also have audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States) (PCAOB), the Company's internal control over financial reporting as of December 31, 2017, based on criteria established in Internal Control-Integrated Framework issued by the Committee of

Sponsoring Organizations of the Treadway Commission (2013 framework) and our report dated April 27, 2018 expressed an unqualified opinion thereon.

Basis for Opinion

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statements based on our audit. We are a public accounting firm registered with the PCAOB and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit and the report of other auditors provide a reasonable basis for our opinion.

Report of Independent Registered Public Accounting Firm

To the Shareholders and the Board of Directors of

Companhia Brasileira de Distribuição

Opinion on Internal Control over Financial Reporting

We have audited Companhia Brasileira de Distribuição's internal control over financial reporting as of December 31, 2017, based on criteria established in Internal Control—Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission (2013 framework) (the COSO criteria). In our opinion, Companhia Brasileira de Distribuição (the Company), based on our audit and the report of other auditors, maintained, in all material respects, effective internal control over financial reporting as of December 31, 2017, based on the COSO criteria.

We did not examine the effectiveness of internal control over financial reporting of Via Varejo S.A., a Company's subsidiary, whose assets, liabilities and operations are presented as discontinued operations as of December 31, 2017. Via Varejo S.A. total assets constitute 48% of the Company's total consolidated assets as of December 31, 2017 and its net income constitute 44% of the Company's consolidated net income for the year ended December 31, 2017. The effectiveness of Via Varejo S.A.'s internal control over financial reporting was audited by other auditors whose report has been furnished to us, and our opinion, insofar as it relates to the effectiveness of Via Varejo S.A.'s internal control over financial reporting, is based solely on the report of the other auditors.

We also have audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States) (PCAOB), the consolidated balance sheets of the Company and subsidiaries as of December 31, 2017, the related consolidated statements of operations and comprehensive income (loss), changes in shareholders' equity and cash flows for the year ended December 31, 2017, and the related notes and our report dated April 27, 2018 expressed an unqualified opinion thereon, based on our audit

Edgar Filing: BRAZILIAN DISTRIBUTION CO COMPANHIA BRASILEIRA DE DISTR CBD - Form 20-F/A
and the report of the other auditors.

Basis for Opinion

The Company's management is responsible for maintaining effective internal control over financial reporting and for its assessment of the effectiveness of internal control over financial reporting included in the accompanying Management's Report on Internal Control over Financial Reporting. Our responsibility is to express an opinion on the Company's internal control over financial reporting based on our audit. We are a public accounting firm registered with the PCAOB and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether effective internal control over financial reporting was maintained in all material respects.

Our audit included obtaining an understanding of internal control over financial reporting, assessing the risk that a material weakness exists, testing and evaluating the design and operating effectiveness of internal control based on the assessed risk, and performing such other procedures as we considered necessary in the circumstances. We believe that our audit and the report of the other auditors provides a reasonable basis for our opinion.

Definition and Limitations of Internal Control Over Financial Reporting

A company's internal control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Because of its inherent limitations, internal control over financial reporting may not prevent or detect misstatements. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.
