Item 4.01 Changes in Registrant's Certifying Accountant.

On August 9, 2005, Grant Thornton LLP ("Grant Thornton") resigned as the Company's independent registered public accounting firm by delivering a letter to the Company confirming that its auditor-client relationship with the Company and the Company's subsidiaries had ceased.

In connection with the audit of the financial statements of the Company for the fiscal years ended December 31, 2004 and 2003 and through the date hereof, the Company had no disagreement with Grant Thornton on any matter of accounting principles or practices, financial statement disclosures, or auditing scope or procedure, which disagreement, if not resolved to the satisfaction of Grant Thornton, would have caused them to make reference to such disagreement in their reports for such periods.

The audit reports of Grant Thornton on the financial statements of the Company for the fiscal years ended December 31, 2004 and 2003 contained no adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles, except that the audit report of Grant Thornton included in the Company's Annual Report on Form 10-K for the year ended December 31, 2004 was modified to include an explanatory paragraph relating to uncertainties about the Company's ability to continue as a going concern.

Grant Thornton was provided a copy of the above disclosures and was requested to furnish the Company with a letter addressed to the Securities and Exchange Commission stating whether it agrees with the above statements and, if not, stating the respects in which it does not agree. A letter from Grant Thornton to the Securities and Exchange Commission dated August 9, 2005 is filed as Exhibit 16.1 to this Current Report on Form 8-K.
