## Explanation of Responses:

\* If the form is filed by more than one reporting person, see Instruction 4(b)(v).

\*\* Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).

This stock option grant was inadvertently reported as a holding rather than a transaction on the Form 4 as originally filed. In addition,

(1) although the total number of shares for the two types of options included in this grant was reported correctly, the split between incentive and non-qualified stock options was incorrect on the report as originally filed.

(2) The option vests over five years at 20% per year beginning one year from the grant date.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, see Instruction 6 for procedure.

Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
