MARKET SPECULATION

BHP Billiton notes the recent speculation in relation to a potential offer for Rio Tinto at a premium. BHP Billiton now confirms that it recently wrote to the Board of Rio Tinto outlining a proposal in relation to a potential combination with Rio Tinto on terms incorporating a premium, reflecting its confidence in the benefits for both sets of shareholders of such a transaction. In preparing its proposal, BHP Billiton has examined in detail the regulatory issues and other practicalities of a combination.

In its letter, BHP Billiton sought to pursue discussions with Rio Tinto regarding its proposal. Rio Tinto rejected the proposal.

BHP Billiton has again written to Rio Tinto and intends to continue to seek an opportunity to meet and discuss its proposal with Rio Tinto. There can be no assurance that any transaction or offer will result from BHP Billiton's proposal.

Dealing Disclosure Requirements

Under the provisions of Rule 8.3 of the Takeover Code (the “Code”), if any person is, or becomes, “interested” (directly or indirectly) in 1% or more of any class of “relevant securities” of BHP Billiton or Rio Tinto, all “dealings” in any “relevant securities” of that company (including by means of an option in respect of, or a derivative referenced to, any such “relevant securities”) must be publicly disclosed by no later than 3.30 pm (London time) on the London business day following the date of the relevant transaction. This requirement will continue until the date on which the offer becomes, or is declared, unconditional as to acceptances, lapses or is otherwise withdrawn or on which the “offer period” otherwise ends. If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire an “interest” in “relevant securities” of BHP Billiton or Rio Tinto, they will be deemed to be a single person for the purpose of Rule 8.3.

Under the provisions of Rule 8.1 of the Code, all “dealings” in “relevant securities” of either BHP Billiton or Rio Tinto by BHP Billiton or Rio Tinto, or by any of their respective “associates”, must be disclosed by no later than 12.00 noon (London time) on the London business day following the date of the relevant transaction.

A disclosure table, giving details of the companies in whose “relevant securities” “dealings” should be disclosed, and the number of such securities in issue, can be found on the Takeover Panel’s website at www.thetakeoverpanel.org.uk.

“Interests in securities” arise, in summary, when a person has long economic exposure, whether conditional or absolute, to changes in the price of securities. In particular, a person will be treated as having an “interest” by virtue of the ownership or control of securities, or by virtue of any option in respect of, or derivative referenced to, securities.

Terms in quotation marks are defined in the Code, which can also be found on the Panel’s website. If you are in any doubt as to whether or not you are required to disclose a “dealing” under Rule 8, you should consult the Panel.
