Amendment No. 4 amends the Credit Agreement to, among other things, (a) waive leverage covenants until June 2011 and increase leverage thresholds thereafter, (b) provide additional flexibility with respect to WLV’s interest coverage ratios, (c) extend the maturity on approximately \$610 million of the remaining \$697 million of revolving commitments from August 2011 to July 2013 (after giving effect to the permanent reduction in revolving commitments described below), and (d) remove the dollar cap on the equity cure for covenant calculations over the life of the loan. In connection with Amendment No. 4, WLV agreed to permanently reduce its revolving commitments under the Credit Agreement to approximately \$697 million.

The lenders and agents under the Credit Agreement and certain of their affiliates have performed investment banking, commercial lending and advisory services for WLV and its affiliates, from time to time, for which they have received customary fees and expenses. These parties may, from time to time, engage in transactions with, and perform services for, WLV and its affiliates in the ordinary course of their business.
