## Introduction.

On July 11, 2013, Aid Holdings, LLC ("Parent"), an affiliate of TPG Capital, L.P., completed its previously-announced acquisition of Assisted Living Concepts, Inc. (the "Company"). Pursuant to the Agreement and Plan of Merger, dated as of February 25, 2013 (the "Merger Agreement"), among the Company, Parent, and Aid Merger Sub, LLC, a wholly owned subsidiary of Parent ("Merger Sub"), at the Effective Time (as defined in the Merger Agreement), Merger Sub merged with and into the Company, with the Company continuing as the surviving company and a wholly owned subsidiary of Parent (the "Merger").

Pursuant to the Merger Agreement, at the Effective Time, (i) each share of Class A Company common stock issued and outstanding immediately prior to the Effective Time (other than shares owned by the Company, Parent or any direct or indirect subsidiary of either of them) was converted automatically into the right to receive \$12.00 in cash, without interest (the "Class A Per Share Merger Consideration") and (ii) each share of Class B Company common stock issued and outstanding immediately prior to the Effective Time (other than shares owned by the Company, Parent or any direct or indirect subsidiary of either of them or stockholders who have properly exercised and perfected dissenters' rights under Nevada law) was converted automatically into the right to receive \$12.90 in cash, without interest (as required under the Company's charter based on the Class A Per Share Merger Consideration) (the "Class B Per Share Merger Consideration"). All Company tandem stock options/stock appreciation rights were cancelled upon completion of the Merger in exchange for the excess, if any, of the Class A Per Share Merger Consideration over the exercise price of the tandem stock option/stock appreciation right, multiplied by the number of shares of Class A Company common stock subject to such award.

As a result of the Merger, Parent is delivering approximately \$274,742,859.60 million of cash to Company stockholders in the aggregate. Prior to the opening of trading on July 12, 2013, the Class A Company common stock, which previously traded under the symbol "ALC," ceased to be traded on the New York Stock Exchange (the "NYSE").

Following the Effective Time, the Company was converted from a Nevada corporation to a Nevada limited liability company.

The foregoing description does not purport to be complete and is qualified in its entirety by reference to the Merger Agreement, which was included as Exhibit 2.1 to the Current Report on Form 8-K filed by the Company on February 26, 2013 and is incorporated herein by reference.

## Item 1.02. Termination of a Material Definitive Agreement.

In connection with the consummation of the Merger, on July 11, 2013, certain affiliates of the Company that are Borrowers (as defined in the following agreements) under the following agreements, as applicable, repaid all of the outstanding principal balances and terminated all applicable commitments under such agreements and the Agents and Lenders (as defined in the following agreements) under each of the following agreements, as applicable, released and terminated all liens, security interests and pledges securing the obligations under such agreements:
