Item 4. Purpose of Transaction

Item 4 of the Statement is hereby amended and supplemented by the following:

On January 14, 2014, the Company commenced a modified "Dutch auction" tender offer to repurchase shares of Common Stock for an aggregate purchase price of up to \$275.0 million (the "Offer"). Trian Onshore, Trian Master Fund, Parallel Fund I, Strategic Fund and Trian GP (collectively, the "Trian Shareholders" and, together with Trian Management, the "Trian Parties") have advised the Company that because of anticipated potential federal income tax consequences with respect to the tender of shares of Common Stock beneficially and directly owned by the Trian Shareholders, the Trian Shareholders do not intend to tender any of the shares of Common Stock beneficially and directly owned by the Trian Shareholders, but that for portfolio management purposes the Trian Shareholders currently intend to sell in open market or privately negotiated transactions during the pendency of the Offer up to and not more than an aggregate of approximately 16,200,000 shares, which is approximately 15% of the aggregate 108,324,927 shares of Common Stock beneficially and directly owned by the Filing Persons. The actual number of shares of Common Stock to be sold by the Trian Shareholders, if any, will be determined by the Trian Parties in their sole discretion based upon, among things, then prevailing market conditions. Messrs. Peltz, May and Garden have advised the Company that they have no current intention to sell, in the Offer or otherwise, any of the 25,324,682 shares that they beneficially and directly own that are not beneficially and directly owned by the Trian Shareholders.

The Filing Persons also intend to review alternatives with respect to their investment in the Company on a continuing basis. Subject to the provisions of the 2011 Agreement (including the limitation on the number of shares of Common Stock that the Filing Persons and their Affiliates and Associates may beneficially own), depending on various factors, including, without limitation, the Company's financial position, results of operations and strategic direction, price levels of the Common Stock, conditions in the securities and credit markets, general economic and industry conditions, the Filing Persons' overall investment strategies and other

investment opportunities available to the Filing Persons and capital availability and applicable regulatory and legal constraints, the Filing Persons may, from time to time and at any time in the future, take such actions with respect to their investment in the Company as they deem appropriate, including, without limitation, communicating with the Company's other stockholders, industry participants and other interested or relevant parties about the Company, purchasing additional securities of the Company, entering into financial instruments or other agreements which increase or decrease the Filing Persons' economic exposure with respect to their investment in the Company and/or changing the form of ownership of securities of the Company by the Filing Persons, selling some or all of their holdings in the Company and/or otherwise changing their intention with respect to any and all matters referred to in Item 4 of Schedule 13D. The Filing Persons do not have any present plan or proposal that would relate to or result in any of the matters set forth in subparagraphs (a) through (j) of Item 4 of Schedule 13D.

(1) Part (a) through (c) of Item 5 of the Statement is amended by deleting (i) the eleventh through seventeenth paragraphs thereof and replacing them with the following:
