The Fifth Amendment extends the term of the Credit Agreement for 90 days and provides for a secured revolving credit facility of up to \$25 million. The Amended Credit Agreement terminates on June 20, 2009. The Amended Credit Agreement includes a provision requiring the Company to apply 100% of the proceeds from any private investment liquidation and 50% of the proceeds from the sale of any publicly traded portfolio assets to the outstanding balance of the facility. In addition, each prepayment of principal of the loans under the Amended Credit Agreement will permanently reduce the maximum amount of the loans under the Amended Credit Agreement to an amount equal to the outstanding principal balance of the loans under the Amended Credit Agreement immediately following the prepayment. During the extension, outstanding loan balances generally will accrue interest at a variable rate equal to the greater of (i) the one-month LIBOR plus 3.00 percent and (ii) 5.50 percent, with a fee of 0.50 percent on any unused balance of the facility.

The description of the Fifth Amendment does not purport to be complete and is qualified in its entirety by reference to the Fifth Amendment that is filed hereto as Exhibit 10.1 and incorporated herein by reference.
