Item 2.02 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year

On December 15, 2008, our Board of Directors approved amendments to Sections 2.05, 2.06, 2.07, 2.10 and 2.12 of our second amended and restated bylaws, all of which are effective immediately. These amendments:

1. clarify that the advance notice requirements and procedures set forth in our bylaws are the exclusive means, and distinguish such requirements and procedures, for a stockholder to nominate individuals to serve as directors or to propose other business to be heard at our stockholder meetings;
2. expand the information stockholders are required to include in notices proposing director nominations or other business to be heard at our stockholder meetings to include (a) information regarding any associated stockholder; and (b) a description of any derivative positions and other hedging transactions into which the stockholder or any associated stockholder may have entered;
3. require that notices for director nominees also describe whether the nominee is or intends to become a party to an agreement, arrangement or understanding with respect to how the nominee, if elected, will act or vote on any issue or pursuant to which another person will compensate or indemnify the nominee, if elected, for his/her service as our director;
4. require stockholders to update and supplement their notice so that the information provided is accurate as of the date of our stockholders meetings; and
5. clarify the quorum and voting requirements for stockholders meetings.

The foregoing description of these amendments are qualified in their entirety by reference to the full text of the second amended and restated bylaws (as amended December 15, 2008) that are filed as Exhibits 3.1 and 3.2 hereto and incorporated herein by reference.
