Upon request, we shall furnish to the Commission or its staff a copy or copies of all of the documents included in such file. The Company will also provide copies of this Registration Statement, as amended or supplemented from time to time, any other documents (or parts of documents) that constitute part of the prospectus under Section 10(a) of the Securities Act, or which Rule 428(b) under the Securities Act requires us to deliver, and its Annual Report to Stockholders, without charge to each such person, upon

Corporate Secretary

EClips Energy Technologies, Inc.

St. Petersburg, Florida 33714

Telephone: (727) 525-5552

We established the Plan effective September 18, 2008 covering 20,000,000 shares of our common stock, to provide us with flexibility and to conserve our cash resources in compensating certain of our technical, administrative and professional employees and consultants. The issuance of shares under the Plan is restricted to persons and firms who are closely-related to us and who provide services in connection with the development and production of our products and services or otherwise in connection with our business.

The Plan was amended on March 16, 2009 and currently authorizes us to issue up to 80,000,000 shares of our common stock. Securities must be issued only for bona fide services. Shares are awarded under the Plan pursuant to individually negotiated compensation contracts or as determined and/or approved by the Board of Directors or compensation committee. The eligible participants include directors, officers, employees and non-employee consultants and advisors. There is no limit as to the number of securities that may be awarded under the Plan to a single participant. We anticipate that a substantial portion of the securities to be issued under the Plan will be issued as compensation to our employees, directors, technical consultants and advisors who provide services in the development and promoting of our various products and services and assisting the Company in developing our internal infrastructure, our strategic planning, and our acquisition and strategic alliance program.

[Link to Table of Contents](#)

The Plan does not require restrictions on the transferability of securities issued thereunder. However, such shares may be restricted as a condition to their issuance where the Board of Directors deems such restrictions appropriate. The Plan is not subject to the Employee Retirement Income Securities Act of 1974 ("ERISA"). Restricted shares awarded under the Plan are intended to be fully taxable to the recipient as earned income.

Item 6. Indemnification of Directors and Officers.

The Company has no provision for indemnification in its By-Laws; however, the Company Articles of Incorporation provide for indemnification subject to the following provision of Florida law. Section 607.0850 of the Florida Statutes authorizes a corporation to indemnify any person if he or she acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to, the best interests of the corporation and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful. The termination of any proceeding by

judgment, order, settlement, or conviction or upon a plea of nolo contendere or its equivalent shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he or she reasonably believed to be in, or not opposed to, the best interests of the corporation or, with respect to any criminal action or proceeding, had reasonable cause to believe that his or her conduct was unlawful. A corporation shall have the power to indemnify any person against expenses and amounts paid in settlement not exceeding, in the judgment of the board of directors, the estimated expense of litigating the proceeding to conclusion, actually and reasonably incurred in connection with the defense or settlement of such proceeding, including any appeal thereof.

The Registrant maintains standard policies of insurance under which coverage is provided (a) to its directors and officers against loss rising from claims made by reason of breach of duty or other wrongful act, while acting in their capacity as directors and officers of the Registrant, and (b) to the Registrant with respect to payments which may be made by the Registrant to such officers and directors pursuant to any indemnification provision contained in the Registrant's Certificate of Incorporation or otherwise as a matter of law.

Item 9. Undertakings.

The Company hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act.

(ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) (§230.424(b) of this chapter) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;

provided, however, that paragraphs (1)(i) and (1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Company pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

[Link to Table of Contents](#)

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

The Company hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Company's annual report pursuant to section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Company pursuant to the foregoing provisions, or otherwise, the Company has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Company of expenses incurred or paid by a director, officer or controlling person of the Company in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Company will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
