**Item 8.01 Other Events**

On July 5, 2018, CPI Aerostructures, Inc. (the “Company”) filed a complaint in the Supreme Court of the State of New York, County of New York, against Air Industries Group (“Air Industries”) relating to the previously announced Stock Purchase Agreement dated as of March 21, 2018 (the “Agreement”) between the Company and Air Industries, pursuant to which Air Industries agreed to sell to the Company all of the shares of capital stock of its subsidiary, Welding Metallurgy, Inc. (“WMI”).

The complaint alleges that Air Industries willfully breached its contractual obligation to provide financial information required to fulfill key conditions for closing under the Agreement. The Company is seeking, among other things, an order of specific performance requiring Air Industries to comply with its obligations under the Agreement, monetary damages, and attorneys’ fees and costs.

A copy of the press release issued by the Company in connection with the filing of the complaint is attached hereto as Exhibit 99.1 and is incorporated by reference herein.

The information contained in the press release is being furnished and shall not be deemed “filed” for purposes of Section 18 of the Securities Exchange Act of 1934 (the “Exchange Act”) or otherwise subject to the liability of such section, nor shall such information be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act, except as shall be expressly set forth by specific reference in such filing.
