# **Explanation of Responses:**

- \* If the form is filed by more than one reporting person, see Instruction 4(b)(v).
- \*\* Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).
- This represents the difference between the number of SARs exercised (25,000) and the number of shares issued as a result of the exercise (1) (10,700). The number of shares to be issued under a SAR exercise is determined by multiplying the number of SARs being exercised by the difference between the FMV on the date immediately prior to the date the SAR is exercised (\$10.77) and the base price (\$6.16).
- (2) Represents 4,060 shares outstanding, 63,130 vested RSUs, and 56,870 unvested RSUs.
- (3) The Stock Appreciation Right vests 25% after 1 year and 6.25% each quarter thereafter.
  - The Stock Appreciation Right grant is subject to a ceiling such that when the fair market value of the Company's common stock is equal to or great than two times the base appreciation amount of the stock appreciation right, the portion of the stock appreciation rights that is
- (4) vested on such date is automatically exercised on the next trading day and the appreciation amount is paid by the issuance of the respective number of shares of the Company's common stock. Therefore, the number of underlying shares of common stock that may be received upon exercise cannot exceed 1/2 of the number of stock appreciation rights granted.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
