Voting takes only a few minutes. Each Shareholder's vote is important. Your prompt response will be much appreciated. After you have voted on the Proposals, please be sure to sign your proxy card and return it in the enclosed postage-paid envelope.

We appreciate your participation in this important Meeting.

VOTING

Under the By-Laws of the Fund, a quorum is constituted by the presence in person or by proxy of the holders of thirty-three and one-third percent (33-1/3%) of the voting power of the outstanding class of Shares entitled to vote on a matter. For the purposes of establishing whether a quorum is present, all Shares present and entitled to vote, including abstentions and broker non-votes (i.e., Shares held by brokers or nominees as to which (i) instructions have not been received from the beneficial owners or the persons entitled to vote and (ii) the broker or nominee does not have discretionary voting power on a particular matter), shall be counted. Any meeting of shareholders may be postponed prior to the meeting with notice to the shareholders entitled to vote at that meeting. Any meeting of shareholders may, by action of the chairman of the meeting, be adjourned to permit further solicitation of proxies without further notice with respect to one or more matters to be considered at such meeting to a designated time and place, whether or not a quorum is present with respect to such matter. In addition, upon motion of the chairman of the meeting, the question of adjournment may be submitted to a vote of the shareholders, and in that case, any adjournment must be approved by the vote of holders of a majority of the Shares present and entitled to vote with respect to the matter or matters adjourned, and without further notice. Unless a proxy is otherwise limited in this regard, any Shares present and entitled to vote at a meeting, including broker non-votes, may, at the discretion of the proxies named therein, be voted in favor of such an adjournment.

The required votes for the proposals included in this Proxy Statement are:

Proposal 1: As described further in Proposal 1 set forth in this Proxy Statement, the affirmative vote of the holders of a plurality of the Shares present and entitled to vote at the Meeting will be required to elect the Class II Trustees of the Fund provided a quorum is present. Abstentions and broker non-votes will have no effect on the approval of Proposal 1.

Proposal 2: As described further in Proposal 2 set forth in this Proxy Statement, if properly presented at the Meeting, the affirmative vote of a majority of the Shares voted in person or by proxy will be required to approve the shareholder proposal to request the Board to authorize a self-tender offer. Abstentions and broker non-votes are not considered votes cast and, therefore, will have no effect on the approval of Proposal 2.

If the enclosed proxy card is properly executed and returned in time to be voted at the Meeting, the Fund's Shares represented thereby will be voted in accordance with the instructions marked thereon, or, if no instructions are marked thereon, will be voted in the discretion of the persons named on the proxy card. Accordingly, unless instructions to the contrary are marked thereon, a properly executed and returned proxy will be voted "FOR" Proposal 1, "AGAINST"

Proposal 2, and, at the discretion of the named proxies, on any other matters that may properly come before the Meeting, as deemed appropriate. The New York Stock Exchange ("NYSE") permits brokers to vote their customers' shares on routine matters when the brokers have not received voting instructions from their customers. The election of Trustees is an example of a routine matter on which brokers may vote in this way. Brokers may not vote their customers' shares on non-routine matters, such as shareholder proposals, unless they have received voting instructions from their customers. Non-voted shares on non-routine matters will be broker non-votes. If you beneficially own Shares that are held in "street name" through a broker-dealer and do not give specific voting instructions for your Shares, it is possible that they may not be voted. Therefore, you are strongly encouraged to give your broker-dealer specific instructions as to how you want your Shares to be voted.

- 3 -

Any shareholder who has given a proxy has the right to revoke it at any time prior to its exercise either by attending the Meeting and voting his or her Shares in person, or by timely submitting a letter of revocation or a later-dated proxy to the Fund at the above address. A list of shareholders entitled to notice of and to be present and to vote at the Meeting will be available at the offices of the Fund, 120 East Liberty Drive, Suite 400, Wheaton, Illinois 60187, for inspection by any shareholder during regular business hours beginning ten days prior to the date of the Meeting. Shareholders will need to show valid identification and proof of Share ownership to be admitted to the Meeting or to inspect the list of shareholders.

OUTSTANDING SHARES

On the Record Date, the Fund had 5,831,641 Shares outstanding. Shares of the Fund are listed on the NYSE under the ticker symbol FEO. Shareholders of record on the Record Date are entitled to one vote for each Share the shareholder owns and a proportionate fractional vote for any fraction of a Share the shareholder owns.

To the knowledge of the Board, as of the Record Date, no single shareholder or "group" (as that term is used in Section 13(d) of the Securities Exchange Act of 1934 (the "1934 Act")) beneficially owned more than 5% of the Fund's outstanding Shares, except as described as follows. Information as to beneficial ownership of Shares, including percentage of outstanding Shares beneficially owned, is based on reports filed with the Securities and Exchange Commission ("SEC") by such holders and securities position listing reports as of the Record Date. The Fund does not have any knowledge of who the ultimate beneficiaries are of the Shares listed.

PROPOSAL 1: ELECTION OF CLASS II TRUSTEES OF THE FUND

Two (2) Class II Trustees are to be elected by holders of Shares of the Fund. Current Trustees Richard E. Erickson and Thomas R. Kadlec are the nominees for

election as Class II Trustees by shareholders of the Fund for a three-year term.

The Fund has established a staggered Board consisting of five (5) Trustees divided into three (3) classes pursuant to its By-Laws. As indicated on the chart set forth below under "Management of the Fund," the term of each Trustee is set in accordance with the structure of the staggered Board of the Fund. At the annual meeting of shareholders of the Fund held in 2007 (the "2007 Meeting"), current Trustees Richard E. Erickson and Thomas R. Kadlec were designated and elected as Class II Trustees with a term expiring at this year's Meeting and will stand as the nominees for election as Trustees at this year's Meeting. If elected, Messrs. Erickson and Kadlec will hold office for a three-year term expiring at the Fund's annual meeting of shareholders in 2012 or until their successors are elected and qualified, or until they resign, retire or are otherwise removed. James A. Bowen, Robert F. Keith and Niel B. Nielson are current and continuing Trustees. At the 2007 Meeting, Messrs. Bowen and Nielson were designated and elected as Class III Trustees for a term expiring at the Fund's annual meeting of shareholders in 2010 or until their successors are elected and qualified, or until they resign, retire or are otherwise removed. At the annual meeting of shareholders of the Fund held in 2008, Mr. Keith was elected as the Class I Trustee for a term expiring at the Fund's annual meeting of shareholders in 2011 or until his successor is elected and qualified, or until he resigns, retires or is otherwise removed.

REQUIRED VOTE

The Class II Trustees, neither of whom is an "interested person" of the Fund as that term is defined in the Investment Company Act of 1940, as amended (the "1940 Act") (each such Trustee, one of the "Independent Trustees"), must be elected by the affirmative vote of the holders of a plurality of the Shares of the Fund cast in person or by proxy at the Meeting and entitled to vote thereon, provided a quorum is present. Abstentions and broker "non-votes" will have no effect on the approval of the proposal. Proxies cannot be voted for a greater number of persons than the number of nominees named.

Unless you give contrary instructions on your proxy card, your Shares will be voted FOR the election of the nominees listed if your proxy card has been properly executed and timely received by the Fund. If a nominee should withdraw or otherwise become unavailable for election, your Shares will be voted FOR such other nominee as management may recommend.

THE BOARD OF TRUSTEES UNANIMOUSLY RECOMMENDS THAT
SHAREHOLDERS VOTE FOR PROPOSAL NO. 1.

MANAGEMENT

MANAGEMENT OF THE FUND

The management of the Fund, including general supervision of the duties performed for the Fund under the investment management agreement between the Fund and the Adviser, is the responsibility of the Board of Trustees. The Board of Trustees of the Fund is divided into three classes: Class I, Class II and Class III; the length of the term of office of each Trustee is generally three years, and when each Trustee's term begins and ends depends on the Trustee's designated class. The Fund has five Trustees, one of whom is an "interested

Edgar Filing: FIRST TRUST/ABERDEEN EMERGING OPPORTUNITY FUND - Form DEF 14A

person" (as that term is defined in the 1940 Act) (such Trustee, the "Interested Trustee") and four of whom are Independent Trustees. The Trustees of the Fund set broad policies for the Fund, choose the Fund's officers, and hire the Fund's investment adviser and sub-adviser. The officers of the Fund manage the day-to-day operations and are responsible to the Fund's Board of Trustees.

The following is a list of Trustees and officers of the Fund and a statement of their present positions, principal occupations during the past five years, the number of portfolios each Trustee oversees, and the other directorships the Trustees hold, if applicable.

As of December 31, 2008, the Independent Trustees and their immediate family members did not own, beneficially or of record, any class of securities of First Trust Advisors or any sub-adviser or principal underwriter of the Fund or any person, other than a registered investment company, directly or indirectly controlling, controlled by, or under common control with First Trust Advisors or any sub-adviser or principal underwriter of the Fund, nor, since the beginning of the most recently completed fiscal year of the Fund, did any Independent Trustee purchase or sell securities of First Trust Advisors, or any sub-adviser to any fund in the First Trust Fund Complex, their parents or any subsidiaries of any of the foregoing.

As of December 31, 2008, the Trustees and officers of the Fund as a group beneficially owned approximately 45,485 shares of the funds in the First Trust Fund Complex (less than 1% of the shares outstanding). As of December 31, 2008, the Trustees and officers of the Fund as a group beneficially owned 3,450 Shares of the Fund, which is less than 1% of the Fund's Shares outstanding.

COMPENSATION

Under the Trustees' compensation plan, each Independent Trustee is paid an annual retainer of \$10,000 per trust for the first 14 trusts in the First Trust Fund Complex and an annual retainer of \$7,500 per trust for each additional trust in the First Trust Fund Complex. The annual retainer is allocated equally among each of the trusts. Trustees are also reimbursed by the trusts in the First Trust Fund Complex for travel and out-of-pocket expenses in connection with all meetings. No additional meeting fees are paid in connection with Board or committee meetings. Additionally, Dr. Erickson is paid annual compensation of \$10,000 to serve as the Lead Trustee, Mr. Keith is paid annual compensation of \$5,000 to serve as the chairman of the Audit Committee, Mr. Kadlec is paid annual compensation of \$2,500 to serve as the chairman of the Valuation Committee and Mr. Nielson is paid annual compensation of \$2,500 to serve as the chairman of the Nominating and Governance Committee. The committee chairmen and the Lead Trustee will serve two year periods ending December 31, 2009 before rotating to serve as a chairman of another committee or as Lead Trustee. The additional compensation is allocated equally among each of the trusts in the First Trust Fund Complex.

During the calendar year ended December 31, 2008, for all the trusts in the First Trust Fund Complex, Dr. Erickson was paid \$10,000 to serve as the Lead Trustee, Mr. Keith was paid \$5,000 to serve as the chairman of the Audit Committee, Mr. Kadlec was paid \$2,500 to serve as the chairman of the Valuation Committee, and Mr. Nielson was paid \$2,500 to serve as the chairman of the Nominating and Governance Committee. The annual compensation was allocated equally among each of the trusts in the First Trust Fund Complex.

The Board held seven meetings during the Fund's last fiscal year. Each of the Trustees attended all of the meetings of the Board.

ATTENDANCE AT ANNUAL MEETINGS OF SHAREHOLDERS

The policy of the Board is to have as many Trustees as possible in attendance at annual meetings of shareholders. The policy of the Nominating and Governance Committee relating to attendance by Trustees at annual meetings of shareholders is contained in the Fund's Nominating and Governance Committee Charter, which is available on the Fund's website located at <http://www.ftportfolios.com>. All of the Trustees attended the previous year's annual meeting of shareholders for the Fund.

COMMITTEES

AUDIT COMMITTEE

The Board has an Audit Committee, which consists of Messrs. Erickson, Kadlec, Keith and Nielson, all of whom are "independent" as defined in the listing standards of the NYSE. Messrs. Kadlec and Keith serve as Audit Committee Financial Experts. The Audit Committee is responsible for overseeing the Fund's accounting and financial reporting process, the system of internal controls, audit process and evaluating and appointing the independent registered public accounting firm (subject also to Board approval). The Audit Committee held six

meetings during the Fund's last fiscal year. Each Trustee who is a member of the Audit Committee attended all of such meetings.

In carrying out its responsibilities, as described below under "Pre-Approval," the Audit Committee pre-approves all audit services and permitted non-audit services for the Fund (including the fees and terms thereof) and non-audit services to be performed for the Adviser by Deloitte & Touche LLP ("Deloitte & Touche"), the Fund's independent registered public accounting firm ("independent auditors") if the engagement relates directly to the operations and financial reporting of the Fund.

- 12 -

AUDIT COMMITTEE REPORT

The role of the Audit Committee is to assist the Board of Trustees in its oversight of the Fund's accounting and financial reporting process. The Audit Committee operates pursuant to a charter (the "Charter") that was most recently reviewed and approved by the Board of Trustees on December 15, 2008, a copy of which is attached as Exhibit A hereto, and is available on the Fund's website located at <http://www.ftportfolios.com>. As set forth in the Charter, management of the Fund is responsible for maintaining appropriate systems for accounting and internal controls and the audit process. The Fund's independent auditors are responsible for planning and carrying out proper audits of the Fund's financial statements and expressing an opinion as to their conformity with accounting principles generally accepted in the United States of America.

In performing its oversight function, the Audit Committee reviewed and discussed with management and the independent auditors, Deloitte & Touche, the audited financial statements of the Fund for the fiscal year ended December 31, 2008 at a meeting held on February 19, 2009, and discussed the audits of such financial statements with the independent auditors and management.

In addition, the Audit Committee discussed with the independent auditors the accounting principles applied by the Fund and such other matters brought to the attention of the Audit Committee by the independent auditors as required by the Public Company Accounting Oversight Board ("PCAOB") AU 380, Communication with Audit Committees. The Audit Committee also received from the independent auditors the written disclosures and letter required by PCAOB Ethics and Independence Rule 3526, Communication with Audit Committees Concerning Independence, delineating relationships between the independent auditors and the Fund and discussed the impact that any such relationships may have on the objectivity and independence of the independent auditors.

The members of the Fund's Audit Committee are not full-time employees of the Fund and are not performing the functions of auditors or accountants. As such, it is not the duty or responsibility of the Audit Committee or its members to conduct "field work" or other types of auditing or accounting reviews or procedures or to set auditor independence standards. Members of the Fund's Audit Committee necessarily rely on the information provided to them by Fund management and the independent auditors. Accordingly, the Audit Committee's considerations and discussions referred to above do not assure that the audits of the Fund's financial statements have been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with generally accepted accounting principles or that the independent auditors are in fact "independent."

Based on its consideration of the Fund's audited financial statements and the discussions referred to above with Fund management and Deloitte & Touche, and subject to the limitations on the responsibilities and role of the Audit Committee as set forth in the Charter and discussed above, the Audit Committee recommended to the Board the inclusion of the Fund's audited financial statements for the year ended December 31, 2008.

INDEPENDENT AUDITORS' FEES

Deloitte & Touche has been selected to serve as the independent auditors for the Fund for its current fiscal year, and acted as the independent auditors for the Fund for its most recently completed fiscal year. Deloitte & Touche has advised the Fund that, to the best of its knowledge and belief, Deloitte & Touche professionals did not have any direct or material indirect ownership interest in the Fund inconsistent with independent professional standards pertaining to independent registered public accounting firms. It is expected that representatives of Deloitte & Touche will be present at the Meeting to answer any questions that may arise and will have the opportunity to make a statement if they desire to do so. In reliance on Rule 32a-4 under the 1940 Act, the Fund is not seeking shareholder ratification of the selection of Deloitte & Touche as independent auditors.

Audit Fees, Audit-Related Fees, Tax Fees and All Other Fees

During each of the last two fiscal years of the Fund, Deloitte & Touche has billed the Fund and the Adviser for the following fees:

Adviser	N/A	N/A	\$2,600	\$0	\$0	\$0

Non-Audit Fees

During each of the last two fiscal years of the Fund, Deloitte & Touche has billed the non-audit fees listed below for services provided to the entities indicated.

- 14 -

AGGREGATE NON-AUDIT FEES

FEES BILLED TO:	2007	2008
Fund	\$4,350	\$8,589.90
Adviser	\$7,000	\$12,143

Pre-Approval

Pursuant to its Charter and its Audit and Non-Audit Services Pre-Approval Policy, the Audit Committee of the Fund is responsible for the pre-approval of all audit services and permitted non-audit services (including the fees and terms thereof) to be performed for the Fund by its independent auditors. The chairman of the Audit Committee is authorized to give such pre-approvals on behalf of the Audit Committee up to \$25,000 and report any such pre-approval to the full Audit Committee.

The Audit Committee is also responsible for the pre-approval of the independent auditors' engagements for non-audit services with the Adviser and any entity controlling, controlled by or under common control with the Adviser that provides ongoing services to the Fund, if the engagement relates directly to the operations and financial reporting of the Fund, subject to the de minimis exceptions for non-audit services described in Rule 2-01 of Regulation S-X. If the independent auditors have provided non-audit services to the Adviser or any entity controlling, controlled by or under common control with the Adviser that provides ongoing services to the Fund that were not pre-approved pursuant to its policies, the Audit Committee will consider whether the provision of such non-audit services is compatible with the auditor's independence.

None of the Audit Fees, Audit-Related Fees, Tax Fees, and All Other Fees and Aggregate Non-Audit Fees disclosed above that were required to be pre-approved by the Audit Committee pursuant to its pre-approval policies were pre-approved by the Audit Committee pursuant to the pre-approval exceptions included in Regulation S-X.

The Audit Committee of the Fund has considered whether the provision of non-audit services that were rendered to the Adviser and any entity controlling, controlled by or under common control with the Adviser that provides ongoing services to the Fund that were not pre-approved pursuant to paragraph (c) (7) (ii) of Rule 2-01 of Regulation S-X is compatible with maintaining the principal accountant's independence.

OTHER COMMITTEES

The Board of the Fund has three other standing committees: the Executive Committee (also serving as the Dividend and Pricing Committee), the Nominating and Governance Committee and the Valuation Committee. The Executive Committee, which meets between Board meetings, is authorized to exercise all powers of and to act in the place of the Board to the extent permitted by the Fund's Declaration of Trust and By-Laws. The members of the Executive Committee also serve as a special committee of the Board known as the Dividend and Pricing Committee which is authorized to exercise all of the powers and authority of the

Board with respect to the declaration and setting of dividends and the issuance and sale, through an underwritten public offering, of the Shares of the Fund and all other such matters relating to such financing, including determining the

- 15 -

price at which such Shares are to be sold and approval of the final terms of the underwriting agreement, including approval of the members of the underwriting syndicate. Mr. Bowen and Dr. Erickson are members of the Executive Committee. The Executive Committee held four meetings during the Fund's last fiscal year. The Fund's Executive Committee met to authorize the Fund's dividend declarations.

The Fund's Nominating and Governance Committee (the "Committee") is composed entirely of Independent Trustees who are also "independent directors" within the meaning of the listing standards of the NYSE. Messrs. Erickson, Kadlec, Keith and Nielson are members of the Committee. The purpose of the Committee is to oversee matters related to the nomination of Trustees and, as necessary, the corporate governance of the Fund. The Committee is responsible for, among other things, seeking, identifying and nominating qualified candidates for election or appointment as Trustees in the event of a vacancy, consistent with criteria approved by the Board, for the next annual meeting of shareholders; evaluating Board performance and processes; reviewing Board committee assignments; and, to the extent necessary or desirable, establishing corporate governance guidelines and procedures. The Committee operates under a written charter adopted and approved by the Board, a copy of which is available on the Fund's website at <http://www.ftportfolios.com>. Mr. Nielson serves as chairman of the Committee. The Committee held four meetings during the Fund's last fiscal year.

If there is no vacancy on the Board, the Board will not actively seek recommendations from other parties, including shareholders of the Fund. When a vacancy on the Board occurs, the Committee may seek recommendations for candidates from those sources it deems appropriate in its discretion, including shareholders of the Fund. The Committee may retain a search firm to identify candidates.

If a recommendation is received with satisfactorily completed information regarding a candidate during a time when a vacancy exists on the Board or during such other time as the Committee is accepting recommendations, the recommendation will be forwarded to the chairman of the Committee and outside counsel to the Independent Trustees. Recommendations received at any other time will be kept on file until such time as the Committee is accepting recommendations at which point they may be considered for nomination.

In recruiting new Trustees, the Committee seeks to recruit and retain qualified Independent Trustees of high integrity, whose skills and experience will enhance the Board's ability to effectively represent the interests of the Fund's shareholders and oversee the wide range of regulatory and business issues affecting the Fund. A candidate for Trustee must meet certain basic requirements, including relevant skills and experience, time availability and if qualifying as a non-"interested person" candidate, independence from the Fund and the Adviser or other service providers. The qualifications of a particular candidate, however, may vary depending on the current composition of the Board and the mix of skills and backgrounds of the incumbent Trustees since the Committee seeks to establish an effective Board with an appropriate range of skills and experience, in the aggregate. In addition to relevant skills and

experience, all candidates must possess high standards of personal integrity that are assessed on the basis of personal interviews, recommendations, or direct knowledge by Committee members. The review process may include, without limitation, personal interviews, background checks, written submissions by the candidates and third party references. Under no circumstances shall the Committee evaluate persons recommended by a shareholder of the Fund on a basis substantially different than that used for other persons recommended for the same election or appointment of Trustees. The Fund has a retirement policy in

- 16 -

place that prohibits consideration for election as a Trustee of persons age 72 or older. The Committee reserves the right to make the final selection regarding the nomination of any Trustees.

The Valuation Committee is responsible for the oversight of valuation procedures of the Fund. Messrs. Erickson, Kadlec, Keith and Nielson are members of the Valuation Committee. Mr. Kadlec serves as chairman of the Valuation Committee. The Valuation Committee held four meetings during the Fund's last fiscal year.

PROPOSAL 2: SHAREHOLDER PROPOSAL REGARDING A SELF-TENDER OFFER

Opportunity Income Plus L.P. has notified the Fund that it intends to introduce the proposal set forth below at the Meeting:

RESOLVED: The shareholders of First Trust/Aberdeen Emerging Opportunity Fund (the "Fund") request the board of directors to authorize the Fund to conduct a self-tender offer for all outstanding shares of the Fund at net asset value (NAV). If more than 50% of the Fund's outstanding shares are tendered, the tender offer should be cancelled and the Fund should be liquidated or merged into an open-end mutual fund.

Opportunity Income Plus L.P. has submitted the following statement in support of its proposal:

SUPPORTING STATEMENT: Shares of the Fund have traded at a double-digit discount to NAV since May 2007. Despite the existence of certain "lifeboat" provisions in the prospectus that require the Board of Directors to consider actions to address a prolonged double-digit discount to NAV no action has been taken. As of October 6, 2008 the discount stood at 24%.

In light of these facts, we think the board should authorize the Fund to conduct a self-tender offer for all outstanding shares at NAV to afford shareholders an opportunity to receive full value for their shares. If a majority of the Fund's outstanding shares are tendered, that would demonstrate that there is insufficient shareholder support for continuing the Fund in its closed-end format. In that case, the tender offer should be cancelled and the Fund should be liquidated or merged into an open-end fund.

If you agree that the Fund's persistent discount is unacceptable and would like to increase the value of your shares, please vote for this proposal.

The address and number of Fund Shares beneficially owned by Bulldog Investors, Phillip Goldstein and Andrew Dakos, reporting persons with respect to the proponent's beneficial ownership of Fund Shares, are set forth above under "Beneficial Ownership of Shares." The Fund believes that Opportunity Income Plus L.P. or its affiliated entities have submitted similar proposals to other closed-end funds in the past.

STATEMENT OF OPPOSITION

Recommendation of the Board of Trustees

The Trustees unanimously oppose the proposal described above and strongly urge all shareholders to vote AGAINST the proposal. The reasons for this unanimous recommendation are as follows:

- o The Board continues to believe in the Fund's long-term investment strategy. The Trustees do not believe a tender offer is in the best interests of the Fund's long-term shareholders and will likely only benefit arbitrageurs with a short-term investment strategy at the expense of long-term shareholders.

- 18 -

- o The Board has recently adopted an open-market share repurchase program pursuant to which the Fund is authorized to repurchase up to 12% of the Fund's outstanding Shares that it believes will create more value for the Fund's remaining shareholders than the suggested tender offer. In addition, the Board believes that with an open-market share repurchase program, management can control the timing and amount of the open-market purchases and the resulting impact on the remaining shareholders.
- o A tender offer would reduce the Fund's discount only during the period of the tender offer and could have adverse consequences on the long-term viability of the Fund.
- o A merger of the Fund into an open-end fund may not be in the best interests of the Fund because open-end funds differ in meaningful ways from closed-end funds and there is no guarantee that a suitable open-end fund with comparable investment objectives and policies could be found.
- o The Board is concerned that a forced liquidation of the Fund during this significant economic downturn would not be in the best interests of the long-term shareholders of the Fund as portfolio positions would be liquidated in a forced sale at depressed prices.

Tender offer not in best interests of long-term investors.

The Trustees believe that the proposed tender offer is against the best interests of long-term investors. The Board believes that a tender offer will only serve the interests of short-term investors who purchased the Shares without regard to the Fund's investment strategy at the expense of the Fund's

long-term shareholders. Shareholders with a long-term investment horizon should consider:

- o The Fund's investment strategy includes investing in debt and equity securities of emerging market countries and companies. While the value of such securities has declined during the current market downturn, the Fund believes that such markets have strong prospects for long-term growth. The Fund's unique investment strategy, which includes investing in both debt and equity securities of emerging market countries and companies, allows the Fund to participate in emerging markets at various stages of maturity. The Trustees continue to believe that the long-term prospects for such investments are strong.
- o The high level of distributions paid by the Fund. Based upon the most recent quarterly dividend of \$0.39 per share, the Fund's annualized distribution rate is in excess of 15 percent (based on the closing price on February 19, 2009). Total distributions paid to shareholders since the Fund's inception in August 2006 have aggregated \$3.72 per share (of which \$0.41 was a return of capital for tax purposes).
- o Conducting a tender offer at this time could force a liquidation of securities at a time when valuations are low compared to recent historical prices.

Open-market share repurchase program.

As stated in the Fund's prospectus, shares of closed-end funds listed for trading on a securities exchange frequently trade at a discount, and the market price of such shares may be affected by various factors. The Board has

- 19 -

reviewed from time to time the amount of the discount and has carefully evaluated possible options to attempt to narrow the discount, including conducting a tender offer for Fund Shares and open-market purchases. In evaluating each option, the Trustees have carefully considered whether implementation of the option would be in the best interests of the Fund's long-term shareholders and whether there is sufficient evidence to suggest that implementation of the option could have a measurable long-term effect on the discount. The Trustees have also considered the experiences of other funds and the actions they have taken to reduce discounts, including conversion to an open-end fund. The Trustees then considered how each of these strategies might impact the Fund's long-term shareholders, performance, portfolio management and the size of the discount.

Based upon these deliberations, the Trustees adopted an open-market share repurchase program instead of a tender offer because the Board believes that open-market share repurchases will create more value for the Fund's remaining shareholders. When the Fund purchases Shares on the open market at the discounted market price, the Fund's remaining shareholders should experience an increase in their net asset value per share. This increase would come from the Fund's "capturing" the discount on the Shares repurchased (less the per-share transaction costs of the repurchase). This increase in net asset value per share may, in turn, contribute to an increase in the Fund's market price per share. If, alternatively, the Fund conducts a tender offer for its Shares at a price at

or close to the net asset value, the remaining shareholders will not be able to "capture" the discount at all, or only a very small piece of it. It would be the shareholders who tender their Shares who realize most or all of the benefit of "capturing" the discount, not the Fund's long-term shareholders.

The open-market repurchase program may additionally provide the Fund the flexibility to help to eliminate any excess liquidity in the market for the Fund's Shares, which can have a positive effect on the market price of Fund Shares and discount and can be done in a pre-determined amount so as to control the impact on remaining shareholders. If the Fund were to instead conduct a tender offer for Fund Shares, the Fund would not have the same degree of flexibility to repurchase Shares at opportune times throughout the year. In order to conduct a tender offer, the Fund would have to comply with a burdensome series of rules under the federal securities laws governing tender offers. These rules would require, among other things, that the Fund prepare and file a tender offer statement with the SEC. The Fund would be able to conduct only one tender offer pursuant to that statement and could not make numerous tender offers whenever it feels that the market for Fund Shares is particularly sluggish and the discount is unusually wide. Further, the costs associated with preparing and filing the tender offer statement and conducting the tender offer would be significantly higher than the costs associated with the open-market share repurchase program. These additional costs would be borne by all shareholders.

Finally, the open-market repurchase program provides the Fund the ability to conduct the repurchases in a pre-determined amount so that there is minimal disruption to the investment strategy of the Fund and, consequently, a smaller adverse impact on remaining shareholders. By controlling the amount of repurchases made, the Fund will not be forced to liquidate portfolio positions to the detriment of the Fund and also will not be forced to delever at a time it does not wish. If, alternatively, the Fund conducts a tender offer for its Shares, the Fund may be forced to liquidate portfolio positions to the detriment of the long-term strategy of the Fund, or the Fund may violate loan covenants or be forced to delever, which would be inconsistent with the Fund's long-term strategy and not in the best interests of the Fund.

- 20 -

From the inception of the open market repurchase plan on November 18, 2008 through February 19, 2009, the Fund has repurchased 68,692 Shares in the open market (approximately 1.2% of the Fund's outstanding Shares). The repurchase plan was announced after the close of markets on November 17, 2008. The closing price of the Fund's Shares on November 17, 2008 reflected a discount of 23.14% to net asset value. On February 19, 2009, the closing price of the Fund's Shares reflected a discount of 18.38% to net asset value, reflecting a decrease in the discount of 20.57%. The Trustees have discussed extending the time of the repurchase program and the number of Shares that may be repurchased by the Fund.

A tender offer would reduce the Fund's discount only during the period of the tender offer; after completion of the tender offer, the discount would likely return to its prior level.

The proposed tender offer at net asset value (a price higher than the current market value of your Fund's Shares) would likely cause a temporary increase in the market price of the Fund's Shares. However, the likely beneficiaries of such an increase would only be the shareholders who tender, and long-term investors would likely see no benefit.

Merging with an open-end fund is not in the best interests of the Fund.

The shareholder proposal does not discuss the potential negative consequences of abandoning the closed-end structure, to the extent that greater than 50% of the Fund's outstanding Shares are tendered as proposed. A closed-end fund is different from an open-end fund in meaningful ways, and investors often choose a closed-end fund for the very characteristics that distinguish it from an open-end fund. For example, the Fund's closed-end structure enables it to utilize a revolving credit facility as leverage for the Fund, which would not be permissible in an open-end fund structure. In addition, because an open-end fund must manage its portfolio in a manner that accommodates cash inflows and outflows, the open-end fund will be required to make portfolio management decisions that it might not otherwise make and that may potentially have a negative influence on the fund's long-term returns. These same factors may also impact the amount and character of distributions a fund can make.

There is no guarantee that a suitable open-end fund could be found with comparable investment objectives and policies. The Fund may be forced to sell significant portions of its portfolio holdings, potentially at depressed prices, in order to comply with the investment objectives and policies of the open-end fund. The Fund and the open-end fund may have different boards and the Fund's Board cannot unilaterally merge with the open-end fund. A merger would have to be approved by the board of trustees of the open-end fund. In addition, merging with an open-end fund is an undertaking that would involve considerable time and resources, including the cost of a proxy statement which must be prepared, printed and mailed to Fund shareholders, as well as solicitation, accounting, legal and other expenses.

Experience has shown that when closed-end funds are merged into open-end funds, some investors -- often professional fund arbitrageurs and certain hedge funds -- redeem their shares immediately, which reduces fund assets. Although redeeming shareholders may achieve a profit, it could be at the expense of long-term shareholders who wish to remain in the surviving fund. Significant redemptions by shareholders with a short-term investment horizon

- 21 -

would reduce the number of shares over which fixed costs of the fund are spread and would increase the portion of expenses that the remaining shareholders must bear.

Finally, the current investment strategy of the Fund includes the use of leverage designed to help increase returns to common shareholders. The ability of the Fund to continue to utilize leverage in an open-end fund would be significantly reduced as there are restrictions on the types of leverage that an open-end fund may use. In addition, the Fund would incur costs to delever the portfolio in connection with a possible merger, including the sale of portfolio securities, potentially at depressed prices, which may not be in the best interests of the Fund.

Liquidation is not in the best interests of the Fund.

Liquidation is a process that may not realize the value of the Fund's portfolio holdings. Liquidation is a lengthy process and the Trustees do not believe that liquidating the Fund is the best course of action in the current volatile market environment. Liquidation at this time would force the Fund to

sell portfolio holdings, potentially at depressed prices, and possibly at a loss to you.

FOR THE REASONS SET FORTH ABOVE, THE BOARD OF TRUSTEES
UNANIMOUSLY RECOMMENDS SHAREHOLDERS VOTE AGAINST PROPOSAL NO. 2.

REQUIRED VOTE

The affirmative vote of a majority of the Shares voted in person or by proxy is required to approve Proposal 2, if properly presented at the Meeting. Unless you give contrary instructions on your proxy card, your Shares will be voted AGAINST Proposal 2 if your proxy card has been properly executed and timely received by the Fund. Abstentions and broker non-votes are not considered votes cast and, therefore, will have no effect on the result of the vote.

The Board considered Proposal 2 at a meeting held on February 19, 2009, and, accordingly, the Statement of Opposition above takes into account certain information as of that date. Proposal 2 is only a recommendation and can have no binding effect on the Fund or the Board. Proposal 2 is not a shareholder vote to approve a tender offer and, if applicable, liquidation or merger with an open-end fund, but rather it proposes that the shareholders ask the Board to take action to effect such proposal. If Proposal 2 is approved, the Board would continue to exercise its fiduciary duty to act in the best interests of the Fund in investigating the details and potential benefits of the proposal. In considering whether or not to take action in response to the proposal, the Board will give the request set forth in the proposal such weight as it believes appropriate based on the voting of shareholders for the proposal and other relevant factors. A tender offer cannot occur without the approval of the Fund's Trustees. In addition, if Proposal 2 passes at the meeting, neither a liquidation of the Fund nor the merger of the Fund into an open-end structure can occur without the approval of the Fund's Trustees and/or shareholders, as applicable, to the extent required under the Fund's Declaration of Trust.

Any shareholder submitting a nomination of any person or persons (as the case may be) for election as a Trustee or Trustees of the Fund is required to deliver, as part of such Shareholder Notice: (i) a statement in writing setting forth: (A) the name, age, date of birth, business address, residence address and nationality of the person or persons to be nominated; (B) the class or series and number of all Shares of the Fund owned or beneficially by each such person or persons, as reported to such shareholder by such nominee(s); (C) any other information regarding each such person required by paragraphs (a), (d), (e) and (f) of Item 401 of Regulation S-K or paragraph (b) of Item 22 of Rule 14a-101 (Schedule 14A) under the 1934 Act (or any successor provision thereto); (D) any other information regarding the person or persons to be nominated that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitation of proxies for election of trustees or directors pursuant to Section 14 of the 1934 Act and the rules and regulations promulgated thereunder; and (E) whether such shareholder believes any nominee is or will be an "interested person" of the Fund (as defined in the 1940 Act) and, if not an "interested person," information regarding each nominee that will be sufficient for the Fund to make such determination; and (ii) the written and signed consent of any person nominated to be named as a nominee and to serve as a Trustee if elected. In addition, the Trustees may require any proposed nominee to furnish such other information as they may reasonably require or deem necessary to determine the eligibility of such proposed nominee to serve as a Trustee.

EXHIBIT A

AUDIT COMMITTEE CHARTER

I. PURPOSE.

The Audit Committee (the "Committee") is appointed by the Boards of Trustees (the "Boards") of investment companies (the "Funds") advised by First Trust Advisors L.P. ("Fund Management") for the following purposes:

A. to oversee the accounting and financial reporting processes of each Fund and its internal controls and, as the Audit Committee deems appropriate, to inquire into the internal controls of certain third-party service providers;

B. to oversee the quality and integrity of each Fund's financial statements and the independent audit thereof;

C. to oversee, or, as appropriate, assist Board oversight of, each Fund's compliance with legal and regulatory requirements that relate to the Fund's accounting and financial reporting, internal controls and independent audits; and

D. to approve, prior to the appointment, the engagement of each Fund's independent auditor and, in connection therewith, to review and evaluate the qualifications, independence and performance of the Fund's independent auditor.

II. COMMITTEE ORGANIZATION AND COMPOSITION.

A. Size and Membership Requirements.

1. The Committee shall be composed of at least three members, all of whom shall be trustees of the Funds. Each member of the Committee, and a Committee chairperson, shall be appointed by the Board on the recommendation of the Nominating and Governance Committee.

2. Each member of the Committee shall be independent of the Fund and must be free of any relationship that, in the opinion of the Board, would interfere with the exercise of independent judgment as a Committee member. With respect to the Funds which are closed-end funds or open-end exchange-traded funds ("ETFs"), each member must meet the independence and experience requirements of the New York Stock Exchange, NYSE Arca, or the NYSE Alternext US or the NASDAQ Stock Market (as applicable), and Section 10A of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and Rule 10A-3 thereunder, and other applicable rules and regulations of the Securities and Exchange Commission ("SEC"). Included in the foregoing is the requirement that no member of the Committee be an "interested person" of the Funds within the meaning of Section 2(a)(19) of the Investment Company Act of 1940, as amended (the "1940 Act"), nor shall any Committee member accept, directly or indirectly, any consulting, advisory or other compensatory fee from the Funds (except in the capacity as a Board or committee member).

3. At least one member of the Committee shall have been determined by the Board, exercising its business judgment, to qualify as an "audit committee financial expert" as defined by the SEC.

4. With respect to Funds whose shares are listed on NYSE Arca or on the New York Stock Exchange, each member of the Committee shall have been determined by the Board, exercising its business judgment, to be "financially literate" as required by the New York Stock Exchange or NYSE Arca (as applicable). In addition, at least one member of the Committee shall have been determined by the Board, exercising its business judgment, to have "accounting or financial management expertise," as required by the New York Stock Exchange or NYSE Arca (as applicable). Such member may, but need not be, the same person as the Funds' "audit committee financial expert." With respect to Funds that are closed-end funds or ETFs whose shares are listed on the NYSE Alternext US or the NASDAQ Stock Market, each member of the Committee shall be able to read and understand fundamental financial statements, including a Fund's balance sheet, income statement and cash flow statement. In addition, at least one member of the Committee shall have been determined by the Board, exercising its business judgment, to be "financially sophisticated," as required by the NYSE Alternext US or the NASDAQ Stock Market (as applicable). A member whom the Board determines to be the Fund's "audit committee financial expert" shall be presumed to qualify as financially sophisticated.

5. With respect to Funds that are closed-end funds, Committee members shall not serve simultaneously on the audit committee of more than two public companies, in addition to their service on the Committee.

B. Frequency of Meetings.

The Committee will ordinarily meet once for every regular meeting of the Board. The Committee may meet more or less frequently as appropriate, but no less than twice per year.

C. Term of Office.

Committee members shall serve until they resign or are removed or replaced by the Board.

III. RESPONSIBILITIES.

A. With respect to Independent Auditors:

1. The Committee shall be responsible for the appointment or replacement (subject if applicable, to Board and/or shareholder ratification), compensation, retention and oversight of the work of any registered public accounting firm engaged (including resolution of disagreements between management and the auditor regarding financial reporting) for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Funds ("External Auditors"). The External Auditors shall report directly to the Committee.

A-2

2. The Committee shall meet with the External Auditors and Fund Management to review the scope, fees, audit plans and staffing of the proposed audits for each fiscal year. At the conclusion of the audit, the Committee shall review such audit results, including the External Auditor's evaluation of the Fund's financial and internal controls, any comments or recommendations of the External Auditors, any audit problems or difficulties and Fund Management's response, including any restrictions on the scope of the External Auditor's activities or on access to requested information, any significant disagreements with Fund Management, any accounting adjustments noted or proposed by the auditor but not made by the Fund, any communications between the audit team and the audit firm 's national office regarding auditing or accounting issues presented by the engagement, any significant changes required from the originally planned audit programs and any adjustments to the financial statements recommended by the External Auditors.

3. The Committee shall meet with the External Auditors in the absence of Fund Management, as necessary.

4. The Committee shall pre-approve all audit services and permitted non-audit services (including the fees and terms thereof) to be performed for the Fund by its External Auditors. The Chairman of the Committee is authorized to give such pre-approvals on behalf of the

Committee, and shall report any such pre-approval to the full Committee.

5. The Committee shall pre-approve the External Auditor's engagements for non-audit services to Fund Management and any entity controlling, controlled by or under common control with Fund Management that provides ongoing services to the Fund, if the engagement relates directly to the operations and financial reporting of the Fund, subject to the de minimis exceptions for non-audit services described in Rule 2-01 of Regulation S-X. The Chairman of the Committee is authorized to give such pre-approvals on behalf of the Committee, and shall report any such pre-approval to the full Committee.

6. If the External Auditors have provided non-audit services to Fund Management and any entity controlling, controlled by or under common control with Fund Management that provides ongoing services to the Fund that were not pre-approved pursuant to the de minimis exception, the Committee shall consider whether the provision of such non-audit services is compatible with the External Auditor's independence.

7. The Committee shall obtain and review a report from the External Auditors at least annually (including a formal written statement delineating all relationships between the auditors and the Fund consistent with Independence Standards Board Standard No. 1 as may be amended, restated, modified or replaced) regarding (a) the External Auditor's internal quality-control procedures; (b) any material issues raised by the most recent internal quality-control review, or peer review, of the firm, or by an inquiry or investigation by governmental or professional authorities within the preceding five years, respecting one or more independent audits carried out by the firm; (c) any steps taken to deal with any such issues; and (d) the External Auditor's independence, including all relationships between the External Auditors and the Fund and its affiliates; and evaluating the qualifications, performance and independence of the External Auditors, including their membership in the SEC practice section of the AICPA and their

compliance with all applicable requirements for independence and peer review, and a review and evaluation of the lead partner, taking into account the opinions of management and discussing such reports with the External Auditors. The Committee shall present its conclusions with respect to the External Auditors to the Board.

8. The Committee shall review reports and other information provided to it by the External Auditors regarding any illegal acts that the External Auditors should discover (whether or not perceived to have a material effect on the Fund's financial statements), in accordance with and as required by Section 10A(b) of the Exchange Act.

9. The Committee shall ensure the rotation of the lead (or concurring) audit partner having primary responsibility for the audit and the audit partner responsible for reviewing the audit as required by law, and further considering the rotation of the independent auditor firm itself.

10. The Committee shall establish and recommend to the Board for ratification a policy of the Funds with respect to the hiring of employees or former employees of the External Auditors who participated in the audits of the Funds' financial statements.

11. The Committee shall take (and, where appropriate, recommend that the Board take) appropriate action to oversee the independence of the External Auditors.

12. The Committee shall report regularly to the Board on the results of the activities of the Committee, including any issues that arise with respect to the quality or integrity of the Funds' financial statements, the Funds' compliance with legal or regulatory requirements, the performance and independence of the Funds' External Auditors, or the performance of the internal audit function, if any.

B. With respect to Fund Financial Statements:

1. The Committee shall meet to review and discuss with Fund Management and the External Auditors the annual audited financial statements of the Funds, major issues regarding accounting and auditing principles and practices, and the Funds' disclosures under "Management's Discussion and Analysis," and shall meet to review and discuss with Fund Management the semi-annual financial statements of the Funds and the Funds' disclosures under "Management's Discussion and Analysis."

2. The Committee shall review and discuss reports, both written and oral, from the External Auditors or Fund Management regarding (a) all critical accounting policies and practices to be used; (b) all alternative treatments of financial information within generally accepted accounting principles ("GAAP") for policies and practices that have been discussed with management, including the ramifications of the use of such alternative treatments and disclosures and the treatment preferred by the External Auditors; (c) other material written communications between the External Auditors and management, such as any management letter or schedule of unadjusted differences; and (d) all non-audit services provided to any entity in

A-4

the investment company complex (as defined in Rule 2-01 of Regulation S-X) that were not pre-approved by the Committee.

3. The Committee shall review disclosures made to the Committee by the Funds' principal executive officer and principal financial officer during their certification process for the Funds' periodic reports about any significant deficiencies in the design or operation of internal controls or material weaknesses therein and any fraud involving management or other employees who have a significant role in the Funds' internal controls.

4. The Committee shall discuss with the External Auditors the matters required to be discussed by Statement of Auditing Standards ("SAS") No. 90, Audit Committee Communications (which amended SAS No. 61, Communication with Audit Committees), that arise during the External Auditor's review of the Funds' financial statements.

5. The Committee shall review and discuss with management and the External Auditors (a) significant financial reporting issues and judgments made in connection with the preparation and presentation of the Funds' financial statements, including any significant changes in the Funds' selection or application of accounting principles and any major issues as to the adequacy of the Funds' internal controls and any special audit steps adopted in light of material control deficiencies, and (b) analyses prepared by Fund Management or the External Auditors setting forth significant financial reporting issues and judgments made in connection with the preparation of the financial statements, including analyses of the effects of alternative GAAP methods on the financial statements.

7. The Committee shall discuss with Fund Management the Funds' press releases regarding financial results and dividends, as well as financial information and earnings guidance provided to analysts and rating agencies. This discussion may be done generally, consisting of discussing the types of information to be disclosed and the types of presentations to be made. The Chairman of the Committee shall be authorized to have these discussions with Fund Management on behalf of the Committee, and shall report to the Committee regarding any such discussions.

8. The Committee shall discuss with Fund Management the Funds' major financial risk exposures and the steps Fund Management has taken to monitor and control these exposures, including the Funds' risk assessment and risk management policies and guidelines. In fulfilling its obligations under this paragraph, the Committee may, as applicable, review in a general manner the processes other Board committees have in place with respect to risk assessment and risk management.

iii. After considering the Report of a Material Violation, the Committee shall do the following if it deems an investigation necessary:

2. The Committee shall take all other action that it deems appropriate in the event that the Fund fails in any material respect to implement an appropriate response that the Committee, as the QLCC, has recommended the Fund take.
