(the “Company”) committed to a plan intended to improve its operational efficiency (“Plan”), which includes a reduction in workforce of 129 employees, or approximately 11% of its workforce, and other cost cutting measures. The Company anticipates that it will complete the reduction in workforce during the second quarter of 2015, and other cost cutting measures will continue throughout fiscal year 2015. The Company estimates that it will incur total cash costs of approximately \$2,600,000, including approximately \$2,300,000 in one-time employee severance benefits, substantially all of which will be paid in cash, and approximately \$300,000 in transaction fees related to subletting of facilities. The Company also may incur an estimated \$2,600,000 in non-cash charges for the impairment of lease related assets, such as leasehold improvements. The Company expects to record the majority of these charges in the second quarter of 2015.
