PROXY STATEMENT

The Board of Directors of Sabra Health Care REIT, Inc. (“Sabra,” “we,” “our” and “us”) solicits your proxy for the 2013 Annual Meeting of Stockholders (the “Annual Meeting”) to be held at 9:00 a.m., Pacific time, on Wednesday, June 19, 2013 at our headquarters located at 18500 Von Karman Avenue, Suite 550, Irvine, California 92612, and at any and all adjournments or postponements of the Annual Meeting. The approximate date on which these proxy materials are first being sent or made available to our stockholders is May 3, 2013.

Until November 15, 2010, we were a subsidiary of Sun Healthcare Group, Inc. (“Old Sun”). Pursuant to a restructuring plan by Old Sun, Old Sun restructured its business by separating its real estate assets and its operating assets into two separate publicly traded companies (the “Separation”). The Separation occurred by means of a spin-off transaction pursuant to which Old Sun distributed to its stockholders on a pro rata basis all of the outstanding shares of common stock of SHG Services, Inc. (“Sun”). Immediately following the Separation, Old Sun merged with and into Sabra, with Sabra surviving the merger (the “REIT Conversion Merger”), and Sun was renamed “Sun Healthcare Group, Inc.” Effective November 15, 2010, the Separation and REIT Conversion Merger were completed and Sabra and Sun began operations as separate companies. Effective December 1, 2012, Sun was acquired by Genesis HealthCare LLC (“Genesis”).

IMPORTANT NOTICE REGARDING INTERNET AVAILABILITY OF PROXY MATERIALS

This Proxy Statement and our 2012 Annual Report on Form 10-K are posted in the Investor Relations—Annual Report and Proxy section of our website at www.sabrahealth.com. You can also view these materials at www.proxyvote.com by using the 12-digit control number provided on your proxy card or Notice of Internet Availability of Proxy Materials (the “Notice of Internet Availability”).

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING

Q: Why did I receive only a Notice of Internet Availability?

As permitted by the Securities and Exchange Commission (the “SEC”), Sabra is furnishing to stockholders its Notice of Annual Meeting, Proxy Statement and Annual Report for the year ended December 31, 2012 primarily over the Internet. On or about May 3, 2013, we mailed to each of our stockholders (other than those who previously requested electronic delivery or to whom we are mailing a paper copy of the proxy materials) a Notice of Internet Availability containing instructions on how to access and review the proxy materials via the Internet and how to submit a proxy electronically using the Internet. The Notice of Internet Availability also contains instructions on how to receive, free of charge, paper copies of the proxy materials. If you received the Notice of Internet Availability, you will not receive a paper copy of the proxy materials unless you request one.

We believe the delivery options that we have chosen will allow us to provide our stockholders with the proxy materials they need, while lowering the cost of the delivery of the materials and reducing the environmental impact of printing and mailing printed copies.

Q: What items will be voted on at the Annual Meeting?

A: The items of business scheduled to be voted on at the Annual Meeting are:

- the election to the Board of Directors of the five (5) nominees named in this Proxy Statement to serve until the 2014 annual meeting of stockholders and until their successors are duly elected and qualified (Proposal No. 1);
- the approval of amendments to the Sabra Health Care REIT, Inc. 2009 Performance Incentive Plan (Proposal No. 2);

the ratification of the appointment of PricewaterhouseCoopers LLP (“PwC”) as Sabra’s independent registered public accounting firm for the fiscal year ending December 31, 2013 (Proposal No. 3); and an advisory approval of executive officer compensation (Proposal No. 4).

We will also consider any other business that properly comes before the Annual Meeting or any adjournments or postponements thereof. See “—How will voting on any other business be conducted?” below.

Q: How does the Board recommend I vote on these items?

A: The Board of Directors recommends that you vote your shares:

- FOR the election to the Board of Directors of each of the following five nominees: Craig A. Barbarosh, Robert A. Ettl, Michael J. Foster, Richard K. Matros and Milton J. Walters (Proposal No. 1);

- FOR the approval of amendments to the Sabra Health Care REIT, Inc. 2009 Performance Incentive Plan (Proposal No. 2);

- FOR the ratification of the appointment of PwC as our independent registered public accounting firm for the fiscal year ending December 31, 2013 (Proposal No. 3); and

- FOR the approval of the compensation of our Named Executive Officers (as hereinafter defined) (Proposal No. 4).

Q: Who is entitled to vote at the Annual Meeting?

The record date for the Annual Meeting is April 22, 2013. Stockholders of record of Sabra’s common stock as of the close of business on the record date are entitled to receive notice of, and to vote at, the Annual Meeting. Holders of Sabra’s preferred stock are not entitled to receive notice of, or to vote at, the Annual Meeting.

Q: What options are available to me to vote my shares?

Whether you hold shares directly as the stockholder of record or through a bank, broker or other nominee (that is, in “street name”), your shares may be voted at the Annual Meeting by following any of the voting options available to you below:

You may vote via the Internet.

(1) If you received a Notice of Internet Availability by mail, you can submit your proxy or voting instructions over the Internet by following the instructions provided in the Notice of Internet Availability;

(2) If you received a Notice of Internet Availability or proxy materials by email, you may submit your proxy or voting instructions over the Internet by following the instructions included in the email; or

(3) If you received a printed set of the proxy materials by mail, including a paper copy of the proxy card or voting instruction form, you may submit your proxy or voting instructions over the Internet by following the instructions on the proxy card or voting instruction form.

You may vote via the telephone. If you are a stockholder of record, you can submit your proxy by calling the telephone number specified on the paper copy of the proxy card you received if you received a printed set of the proxy materials. You must have the control number that appears on your proxy card available when submitting your proxy over the telephone. Most stockholders who hold their shares in street name may submit voting instructions by calling the telephone number specified on the paper copy of the voting instruction form provided by their bank, broker or other nominee. Those stockholders should check the voting instruction form for telephone voting availability.

You may vote by mail. If you received a printed set of the proxy materials, you can submit your proxy or voting instructions by completing and signing the separate proxy card or voting instruction form you received and mailing it in the accompanying prepaid and addressed envelope.

You may vote in person at the meeting. All stockholders of record may vote in person at the Annual Meeting. Written ballots will be passed out to anyone who wants to vote at the meeting. However, if you are the beneficial owner of shares held in street name through a bank, broker or other nominee, you may not vote your shares at the Annual Meeting unless you obtain a “legal proxy” from the bank, broker or nominee that holds your shares giving you the right to vote the shares at the Annual Meeting.

Even if you plan to attend the Annual Meeting, we recommend that you submit your proxy or voting instructions in advance to authorize the voting of your shares at the Annual Meeting so that your vote will be counted if you later are unable to attend the Annual Meeting.

Q: What is the deadline for voting my shares?

If you are a stockholder of record, your proxy must be received by telephone or the Internet by 11:59 p.m. Eastern time on June 18, 2013 in order for your shares to be voted at the Annual Meeting. However, if you are a stockholder of record and you received a copy of the proxy materials by mail, you may instead mark, sign, date and return the proxy card you received and return it in the accompanying prepaid and addressed envelope so that it is received by Sabra before the Annual Meeting in order for your shares to be voted at the Annual Meeting. If you hold your shares in street name, please provide your voting instructions by the deadline specified by the bank, broker or other nominee who holds your shares.

Q: Once I have submitted my proxy, is it possible for me to change or revoke my proxy?

A: Yes. Any stockholder of record has the power to change or revoke a previously submitted proxy at any time before it is voted at the Annual Meeting by:

submitting to our Secretary, before the voting at the Annual Meeting, a written notice of revocation bearing a later date than the proxy;

properly submitting a proxy on a later date prior to the deadlines specified in “—What is the deadline for voting my shares?” above (only the latest proxy submitted by a stockholder by Internet, telephone or mail will be counted); or attending the Annual Meeting and voting in person; attendance at the Annual Meeting will not by itself constitute a revocation of a proxy.

For shares held in street name, you may revoke any previous voting instructions by submitting new voting instructions to the bank, broker or nominee holding your shares by the deadline for voting specified in the voting instructions provided by your bank, broker or nominee. Alternatively, if your shares are held in street name and you have obtained a legal proxy from the bank, broker or nominee giving you the right to vote the shares at the Annual Meeting, you may revoke any previous voting instructions by attending the Annual Meeting and voting in person; attendance at the Annual Meeting will not by itself constitute a revocation of any previous voting instructions.

Q: How many shares are eligible to vote at the Annual Meeting?

As of the close of business on the record date of April 22, 2013, there were 37,333,943 shares of Sabra common stock outstanding and eligible to vote at the Annual Meeting. There is no other class of voting securities outstanding. Each share of common stock entitles its holder to one vote at the Annual Meeting.

Q: How is a quorum determined?

A quorum refers to the number of shares that must be in attendance at an annual meeting of stockholders to lawfully conduct business. The representation, in person or by proxy, of holders entitled to cast a majority of all of the votes entitled to be cast at the Annual Meeting constitutes a quorum at the meeting. Your shares will be counted for purposes of determining whether a quorum exists for the Annual Meeting if you returned a signed and dated proxy card or voting instruction form, if you submitted your proxy or voting instructions by telephone or the Internet, or if you vote in person at the Annual Meeting, even if you abstain from voting on any of the proposals. In addition, if you are a street name holder, your shares may also be counted for purposes of determining whether a quorum exists for the Annual Meeting even if you do not submit voting instructions to your broker. See “—How will votes be counted at the Annual Meeting?” below.

Q: What is required to approve each proposal at the Annual Meeting?

Election of Directors (Proposal No. 1). Our Amended and Restated Bylaws (“Bylaws”) provide for a majority voting standard for the election of directors. Under this majority voting standard, once a quorum has been established, each director nominee receiving a majority of the votes cast with respect to his or her election (that is, the number of votes cast FOR the nominee exceeds the number of votes cast AGAINST the nominee) will be elected as a director. As required by our Bylaws, each incumbent director has submitted an irrevocable letter of resignation as a director that becomes effective if the director is not elected by stockholders and the Board of Directors accepts the resignation. The majority voting standard does not apply, however, in a contested election where the number of director nominees exceeds the number of directors to be elected. In such circumstances, directors will instead be elected by a plurality of the votes cast, meaning that the persons receiving the highest number of FOR votes, up to the total number of directors to be elected at the meeting, will be elected. The majority voting standard is discussed further under the section entitled “Election of Directors (Proposal No. 1)—Majority Voting Standard.”

The election of directors at the Annual Meeting is not contested. Therefore, in accordance with the majority voting standard, director nominees will be elected at the Annual Meeting by a majority of the votes cast. Stockholders are not permitted to cumulate their shares for the purpose of electing directors.

Approval of Amendments to the Sabra Health Care REIT, Inc. 2009 Performance Incentive Plan (Proposal No. 2). Once a quorum has been established, pursuant to our Bylaws, approval of amendments to the Sabra Health Care REIT, Inc. 2009 Performance Incentive Plan requires the affirmative vote of a majority of all of the votes cast on the proposal at the meeting.

Other Items (Proposal Nos. 3 and 4). Once a quorum has been established, pursuant to our Bylaws, approval of each of the other items to be submitted for a vote of stockholders at the Annual Meeting requires the affirmative vote of a majority of all of the votes cast on the item at the meeting. Notwithstanding this vote standard required by our Bylaws, Proposal No. 3 (ratification of the appointment of PwC as our independent registered public accounting firm for the fiscal year ending December 31, 2013) and Proposal No. 4 (an advisory approval of executive officer compensation) are advisory only and are not binding on Sabra. Our Board of Directors will consider the outcome of the vote on each of these items in considering what action, if any, should be taken in response to the vote by stockholders.

Q: How will votes be counted at the Annual Meeting?

In the election of directors (Proposal No. 1), you may vote FOR, AGAINST or ABSTAIN with respect to each director nominee. For each of the other proposals (Proposal Nos. 2, 3 and 4), you may vote FOR, AGAINST or ABSTAIN. Abstentions with respect to any proposal at the Annual Meeting will be counted as present and entitled to vote for purposes of determining the presence of a quorum, but will not be counted as a vote cast on the proposal and therefore will not be counted in determining the outcome of the proposal.

If you hold your shares in street name through a brokerage account and you do not submit voting instructions to your broker, your broker may generally vote your shares in its discretion on routine matters. However, a broker cannot vote shares held in street name on non-routine matters unless the broker receives voting instructions from the street name holder. The proposal to ratify the appointment of PwC as our independent registered public accounting firm for the fiscal year ending December 31, 2013 (Proposal No. 3) is considered routine under applicable rules, while each of the other items to be submitted for a vote of stockholders at the Annual Meeting is considered non-routine. Accordingly, if you hold your shares in street name through a brokerage account and you do not submit voting instructions to your broker, your broker may exercise its discretion to vote your shares on Proposal No. 3, but will not be permitted to vote your shares on any of the other items at the Annual Meeting. If your broker exercises this discretion, your shares will be counted as present for the purpose of determining the presence of a quorum at the Annual Meeting and will be voted on Proposal No. 3 in the manner directed by your broker, but your shares will constitute “broker non-votes” on each of the other items at the Annual Meeting. Broker non-votes will not be counted as a vote cast with respect to these other items and therefore will not be counted in determining the outcome of the items.

Q: How will my shares be voted if I do not give specific voting instructions in the proxy or voting instructions I submit?

A: If you properly submit a proxy or voting instructions but do not indicate your specific voting instructions on one or more of the items listed above in the notice of meeting, your shares will be voted as recommended by the Board of Directors on those items. See “—How does the Board recommend I vote on these items?” above.

Q: How will voting on any other business be conducted?

A: Although the Board of Directors does not know of any business to be considered at the Annual Meeting other than the items described in this Proxy Statement, if any other business properly comes before the Annual Meeting, a stockholder’s properly submitted proxy gives authority to the proxy holders to vote on those matters in their discretion.

Q: Who will bear the costs of the solicitation of proxies?

A: The cost of preparing the Notice of Annual Meeting of Stockholders, this Proxy Statement, the Notice of Internet Availability and the form of proxy, the cost of making such materials available on the Internet and the cost of soliciting proxies will be paid by Sabra. In addition to solicitation by mail, certain officers, regular employees and directors of Sabra, without receiving any additional compensation, may solicit proxies personally or by telephone. Sabra will request brokerage houses, banks and other custodians or nominees holding stock in their names for others to forward proxy materials to their customers or principals who are the beneficial owners of shares of our common stock and will reimburse them for their expenses in doing so.

Q: Where can I find the voting results of the Annual Meeting?

A: We intend to announce preliminary voting results at the Annual Meeting and disclose final voting results in a Current Report on Form 8-K to be filed with the SEC within four business days following the Annual Meeting.

CORPORATE GOVERNANCE

Corporate Governance Guidelines

The Board of Directors has adopted Corporate Governance Guidelines, which provide the framework for the governance of our company and represent the Board's current views with respect to selected corporate governance issues considered to be of significance to our stockholders. The Corporate Governance Guidelines direct our Board's actions with respect to, among other things, Board composition and director qualifications, selection of the Chairman of the Board and the Lead Independent Director, composition of the Board's standing committees, stockholder communications with the Board, succession planning and the Board's annual performance evaluation. A current copy of the Corporate Governance Guidelines is posted in the About Sabra—Governance Documents section of our website at www.sabrahealth.com.

Director Independence

Our Corporate Governance Guidelines require that a substantial majority of our Board of Directors qualify as "independent directors" under applicable rules of the NASDAQ Stock Market LLC (the "NASDAQ rules") and the rules and regulations of the SEC. In considering the independence of each director, the Board of Directors reviews information provided by each director and considers whether any director has a relationship that would interfere with the director's exercise of independent judgment in carrying out his responsibilities as a director. Our Board of Directors has affirmatively determined that none of Messrs. Barbarosh, Ettl, Foster or Walters has a relationship that, in the opinion of the Board of Directors, would interfere with the director's exercise of independent judgment in carrying out his responsibilities as a director and that each such director is an independent director under the NASDAQ and SEC rules. Mr. Matros does not qualify as an independent director because he is employed as our President and Chief Executive Officer.

Committees of the Board of Directors

The standing committees of our Board of Directors include: Audit, Compensation, and Nominating and Governance. The members of these standing committees are appointed by and serve at the discretion of the Board of Directors. Current copies of the charters for each of these committees are posted in the About Sabra—Governance Documents section of our website at www.sabrahealth.com.

Our Chief Executive Officer and Secretary regularly attend meetings of our Board committees when they are not in executive session and report on matters that are not addressed by other officers. In addition, our directors are encouraged to communicate directly with members of management regarding matters of interest, including matters related to risk, at times when meetings are not being held.

Audit Committee

The Audit Committee consists of Mr. Barbarosh (Chair), Mr. Foster and Mr. Walters. The Board of Directors has determined that each member of the Audit Committee is an "independent director" under the NASDAQ rules. In addition, each member of the Audit Committee is also "independent" under Rule 10A-3 under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and satisfies the additional financial literacy requirements of the NASDAQ rules. The Board has designated one member of the Audit Committee, Mr. Foster, as an "audit committee financial expert" as defined by SEC rules. Mr. Foster's biography is set forth above.

The Audit Committee is responsible for overseeing Sabra's accounting and financial reporting processes and the audit of Sabra's financial statements, including the integrity of Sabra's financial statements, the qualifications and independence of Sabra's independent registered public accounting firm and the performance of Sabra's independent registered public accounting firm and internal auditors. Among other things, the Audit Committee is responsible for the appointment, compensation and retention of Sabra's independent registered public accounting firm; pre-approval of all audit and non-audit services to be performed by the independent registered public accounting firm; review of Sabra's internal controls and disclosure controls and procedures; oversight of Sabra's internal audit function; oversight of Sabra's legal and regulatory compliance and risk assessment and risk management policies; and review and approval of any related party transactions. The Audit Committee is also responsible for preparing the Audit Committee Report included in this Proxy Statement. In performing its responsibilities, the Audit Committee meets regularly with management, Sabra's independent registered public accounting firm and Sabra's internal auditors.

Compensation Committee

The Compensation Committee consists of Mr. Ettl (Chair), Mr. Barbarosh and Mr. Walters. The Board of Directors has determined that each member of the Compensation Committee is an “independent director” under the NASDAQ rules.

The Compensation Committee oversees and determines the compensation of Sabra’s Chief Executive Officer and other executive officers, including salaries, bonuses and awards of equity-based compensation, approves all employment and severance agreements for executive officers, makes recommendations to the Board with respect to the adoption or amendment of incentive compensation plans and stock-based benefit plans, administers Sabra’s stock-based benefit plans and makes recommendations to the Board of Directors concerning the compensation of directors. The Compensation Committee is also responsible for reviewing the Compensation Discussion and Analysis included in this Proxy Statement and for preparing the Compensation Committee Report included in this Proxy Statement.

The Compensation Committee is solely responsible for making the final decisions on compensation for Sabra’s executive officers. However, the Compensation Committee takes into account recommendations of Sabra’s Chief Executive Officer in determining the compensation (including stock awards) of executive officers other than the Chief Executive Officer. Otherwise, Sabra’s officers do not have any role in determining the form or amount of compensation paid to the executive officers of Sabra. In addition, the Compensation Committee retains the power to appoint and delegate matters to a subcommittee comprised of at least one member of the Compensation Committee, except that the Compensation Committee may not delegate to a subcommittee any power or authority required by any law, regulation or listing standard to be exercised by the Compensation Committee as a whole. The Compensation Committee does not currently intend to delegate any of its responsibilities to a subcommittee.

Pursuant to its charter, the Compensation Committee is authorized to retain compensation consultants to assist in the evaluation of compensation to Sabra’s executive officers. As further described under “Executive Compensation—Compensation Discussion and Analysis” below, since our becoming a separate publicly traded company following the Separation and REIT Conversion Merger, the Compensation Committee has retained Frederic W. Cook & Company, Inc. (“FWC”) as its independent compensation consultant to assist the Compensation Committee with the design and structure of our executive compensation program and the amounts payable thereunder. The Compensation Committee is directly responsible for the appointment, compensation and oversight of FWC’s work, and does not believe FWC’s work has raised any conflict of interest. FWC reports only to the Compensation Committee and does not perform services for us, except for executive compensation-related services on behalf of, and as instructed by, the Compensation Committee. All compensation decisions were made solely by our Compensation Committee or Board of Directors.

Nominating and Governance Committee

The Nominating and Governance Committee consists of Mr. Ettl (Chair), Mr. Foster and Mr. Walters. The Board of Directors has determined that each member of the Nominating and Governance Committee is an “independent director” under NASDAQ rules.

As further described below under “—Director Nomination Process,” the Nominating and Governance Committee assists our Board of Directors in identifying individuals qualified to become Board members and selecting the director nominees for each annual meeting of stockholders. The Nominating and Governance Committee also makes recommendations to the Board of Directors concerning the structure and operations of the Board and its committees and is responsible for overseeing the Corporate Governance Guidelines, for developing and recommending to the Board of Directors any changes to the Corporate Governance Guidelines, for overseeing new director orientation and director continuing education and for receiving reports annually from the Chief Executive Officer concerning senior management development and succession plans.

Meetings and Attendance

During 2012, there were seven meetings of the Board of Directors, six meetings of the Audit Committee, four meetings of the Compensation Committee and two meetings of the Nominating and Governance Committee. Each of our directors attended at least 75% of the aggregate meetings of the Board and the committees of the Board on which he served during 2012. In addition, the independent directors meet regularly in executive session without the presence of management. Mr. Foster, who has been designated by our Board of Directors as Lead Independent Director, chairs these executive sessions of the independent directors.

Our Board of Directors encourages each director to attend the annual meeting of stockholders. Four of our directors attended the 2012 annual meeting of stockholders in person or by telephone.

Board Leadership Structure

Our Corporate Governance Guidelines provides that the Board is free to make its choice for Chairman and Chief Executive Officer in any way that the Board of Directors considers best for Sabra at a given point in time.

Accordingly, the Chairman and Chief Executive Officer positions may be filled by one individual or by two different individuals. The Board believes that the most effective leadership structure for Sabra at this time is for Mr. Matros to serve as both our Chairman and Chief Executive Officer, in concert with an independent director serving as our Lead Independent Director.

Our Board of Directors believes that Mr. Matros, our Chief Executive Officer, is best suited to serve as our Chairman because he is the director most familiar with Sabra's business and industry and most capable of identifying strategic priorities. In the Board's view, combining the roles of Chairman and Chief Executive Officer facilitates the flow of information between management and the Board, and helps assure that the strategies adopted by the Board will be best positioned for execution by management.

To promote the independence of the Board and appropriate oversight of management and to demonstrate our commitment to strong corporate governance, the Board of Directors designates an independent, non-employee director to serve as our Lead Independent Director. As noted above, our Board of Directors has currently designated Mr. Foster to serve as our Lead Independent Director. The Lead Independent Director helps to facilitate free and open discussion and communication among the independent directors of the Board. The duties of the Lead Independent Director include chairing all meetings of the independent directors when they meet in executive session and chairing all meetings of the full Board in the absence of the Chairman; representing the Board in meetings with third parties, as appropriate; and working with the Chairman to finalize information provided to the Board, meeting agendas and meeting schedules. The Lead Independent Director also sets the agenda for the meetings held in executive session, and discusses issues that arise from these meetings with the Chief Executive Officer. The non-employee members of the Board meet in executive session during each regularly scheduled Board meeting and during special meetings of the Board as appropriate.

Risk Oversight

One of the principal functions of our Board of Directors is to provide oversight concerning the assessment and management of risk related to our business. The Board of Directors is involved in risk oversight through approval authority with respect to fundamental financial and business strategies and major corporate activities, including material acquisitions and financings, as well as through its oversight of management and the committees of the Board of Directors. Management is responsible for identifying the material risks facing Sabra, implementing appropriate risk management strategies and ensuring that information with respect to material risks is shared with the Board of Directors or the appropriate Board committee. In connection with this responsibility, members of management provide regular reports to the Board of Directors regarding business operations and strategic planning, financial planning and budgeting and regulatory matters, including any material risk to Sabra relating to such matters.

The Board of Directors has delegated oversight for specific areas of risk exposure to committees of the Board of Directors as follows:

The Audit Committee is responsible for periodically discussing Sabra's overall risk assessment and risk management policies with management, our internal auditors and our independent registered public accounting firm as well as Sabra's plans to monitor, control and minimize any risk exposure. The Audit Committee is also responsible for primary risk oversight related to our financial reporting, accounting and internal controls and oversees risks related to our compliance with legal and regulatory requirements.

The Compensation Committee oversees, among other things, the assessment and management of risks related to Sabra's compensation plans, policies and overall philosophy and equity-based incentive plans.

The Nominating and Governance Committee oversees the assessment and management of risks related to our governance structure, including our Board leadership structure and management succession.

At each regular meeting of our Board of Directors, the chairperson of each committee reports to the full Board regarding the matters reported and discussed at any committee meetings, including any matters relating to risk assessment or risk management. Our Chief Executive Officer, Chief Financial Officer and outside legal counsel regularly attend meetings of these committees when they are not in executive session, and often report on matters that may not be otherwise addressed at these meetings. In addition, our directors are encouraged to communicate directly with members of management regarding matters of interest, including matters related to risk, at times when meetings are not being held.

Our Board of Directors believes that the processes it has established to administer the Board's risk oversight function would be effective under a variety of leadership frameworks and therefore do not have a material effect on Sabra's leadership structure described under "—Board Leadership Structure" above.

Compensation Risk Assessment

Consistent with the Compensation Committee's responsibilities described above, the Compensation Committee takes risk into consideration when reviewing and approving executive compensation, including when it approved our executive compensation program. The Compensation Committee has concluded that the current executive compensation program does not encourage inappropriate or excessive risk-taking. In making its determination, the Compensation Committee noted that each Named Executive Officer's direct compensation under our executive compensation program consists primarily of a fixed base salary, an annual incentive bonus opportunity and long-term equity incentive awards. Annual incentive bonuses are balanced with long-term equity incentives, use different performance criteria, and are payable in shares of our common stock at the election of each Named Executive Officer. Long term incentive awards granted under our long-term equity award program are generally subject to a multi-year vesting schedule and performance conditions that are not solely dependent on stock price.

Director Nomination Process

Identifying and Evaluating Director Nominee Candidates

In identifying, evaluating and selecting potential director nominees for election at each annual meeting of stockholders and nominees for directors to be appointed by the Board of Directors to fill vacancies and newly created directorships, the Nominating and Governance Committee will consider as potential director nominees candidates recommended by various sources, including any member of the Board, any stockholder of Sabra, senior management or an outside search firm engaged by the Nominating and Governance Committee if determined appropriate. All potential director nominees, other than potential incumbent director nominees, will be initially reviewed by the Chairman of the Nominating and Governance Committee or, in the Chairman's absence, any other member of the committee delegated to initially review director candidates. If it is determined appropriate to proceed, a prospective director candidate may be interviewed by one or more of the other members of the Nominating and Governance Committee, other members of the Board of Directors and by the Chief Executive Officer. The Nominating and Governance Committee will provide informal progress updates to the Board of Directors and will meet to consider and recommend any final director candidates to the full Board of Directors. The Board of Directors is responsible for determining the final director candidates to be nominated for election at each annual meeting of stockholders and for appointing directors to fill vacancies on the Board.

The Nominating and Governance Committee considers all potential director nominees without regard to race, color, religion, gender, ancestry, national origin or disability. In considering whether to nominate a potential director candidate for election to the Board of Directors, the Nominating and Governance Committee considers whether the director candidate would meet the definition of independence required by NASDAQ rules and applicable rules and regulations of the SEC. As set forth in Sabra's Corporate Governance Guidelines, the Nominating and Governance Committee also seeks to elect directors who: (i) are of high character and integrity; (ii) are accomplished in their respective fields; (iii) have relevant expertise and experience, and are able to offer advice and guidance to management based on that expertise and experience; (iv) have sufficient time available to devote to Sabra's affairs; (v) will represent the long-term interests of Sabra's stockholders as a whole; and (vi) are not age 80 or older at the time of

election. In addition, while the Board does not have a formal policy for the consideration of diversity in identifying nominees for director, as provided in Sabra's Corporate Governance Guidelines, the Nominating and Governance Committee seeks to elect directors that will collectively represent a diversity of backgrounds and experiences. On an annual basis, as part of the performance evaluation of the Board of Directors, the Nominating and Governance Committee

15

seeks feedback from members of the Board of Directors concerning whether the overall mix and diversity of Board members is appropriate for our company.

Stockholder Recommendations

As described above, the Nominating and Governance Committee will consider director candidates recommended by stockholders. Properly communicated stockholder recommendations will be considered in the same manner as recommendations received from other sources. To be properly communicated, stockholders desiring to recommend candidates for nomination or election to the Board of Directors should submit their recommendations in writing to the attention of the Secretary, Sabra Health Care REIT, Inc., 18500 Von Karman Avenue, Suite 550, Irvine, California 92612, together with the following information: (i) all information about the stockholder and the candidate that would be required pursuant to Article II, Section 11 of our Bylaws if the stockholder was nominating the candidate for election to the Board of Directors, (ii) a statement of the proposed director candidate's qualifications, taking into account the principles used by the Nominating and Governance Committee in evaluating possible candidates as described above, (iii) a statement detailing any relationship between the proposed director candidate and any tenant or competitor of Sabra, and (iv) detailed information about any relationship or understanding between the recommending stockholder and the director candidate. The Nominating and Governance Committee may request additional information concerning the director candidate as it deems reasonably necessary to determine the eligibility and qualification of the director candidate to serve as a member of our Board of Directors. Stockholders who are recommending candidates for consideration by the Board of Directors in connection with the next annual meeting of stockholders should submit their written recommendation no later than January 1 of the year of that meeting. Please note that stockholders who wish to nominate a person for election as a director in connection with an annual meeting of stockholders (as opposed to making a recommendation to the Nominating and Governance Committee as described above) must deliver written notice to our Secretary in the manner described in Article II, Section 11 of our Bylaws.

Policy on Hedging and Pledging of Sabra Shares

Sabra recognizes that hedging against losses in Sabra securities may disturb the alignment between stockholders and executives that Sabra's Stock Ownership Policy (as described in the "Compensation Discussion and Analysis" below) and equity awards are intended to build. Accordingly, our Board has incorporated prohibitions on various hedging activities within Sabra's Insider Trading Policy, which applies to all directors, executive officers and employees. The policy prohibits short sales of Sabra common stock and trading in "puts" and "calls" or other derivative securities that relate to Sabra common stock. The policy also prohibits hedging or monetization transactions (such as prepaid variable forwards, equity swaps, collars and exchange funds) that are designed to hedge or offset any decrease in the market value of Sabra securities.

In addition, because a margin call or foreclosure sale may occur at a time when a director, executive officer or employee is aware of material non-public information concerning Sabra, directors, executive officers and employees are prohibited from holding Sabra securities in a margin account or pledging Sabra securities as collateral for a loan. Accordingly, none of our directors or executive officers have pledged any shares of Sabra common stock.

Code of Conduct and Ethics

We have adopted a Code of Conduct and Ethics that applies to all of our directors, officers and employees. Our Code of Conduct and Ethics can be found in the About Sabra—Governance Documents section of our website at www.sabrahealth.com. Waivers from, and amendments to, our Code of Conduct and Ethics that apply to our directors and executive officers, including our principal executive officer, principal financial officer, principal accounting officer and persons performing similar functions, will be timely posted in the About Sabra—Governance Documents section of our website at www.sabrahealth.com as required by applicable law.

Stockholder Communications with the Board

Stockholders may send written communications to the Board of Directors or to specified individuals on the Board, c/o Sabra's Secretary at 18500 Von Karman Avenue, Suite 550, Irvine, California 92612. All mail received will be opened and communications from verified stockholders that relate to matters that are within the scope of the responsibilities

of the Board of Directors, other than solicitations, junk mail and frivolous or inappropriate communications, will be forwarded to the Chairman of the Board of Directors or any specified individual director, as applicable. If the correspondence is addressed to the Board of Directors, the Chairman will distribute it to the other Board members if he determines it is appropriate for the full Board to review.

Amounts reported represent the aggregate grant date fair value of the annual equity awards granted to the Non-Employee Directors in 2012. The aggregate grant date fair value of these awards was computed in accordance (1) with FASB ASC Topic 718, and excludes the effects of estimated forfeitures. The reported award values have been determined using the assumptions described in Note 12 to the Consolidated Financial Statements included in Sabra’s Annual Report on Form 10-K for the year ended December 31, 2012.

(2) Each Non-Employee Director received an annual equity award of 2,421 stock units on June 21, 2012. The grant date fair value of each director’s annual equity award was \$39,995.

However, the retainers that each Director elected to receive in units are reported as though they had been paid in cash and not converted to units.

Directors’ Compensation Policy

Under our Directors’ Compensation Policy approved on December 17, 2010 that was in effect through June 20, 2012, each Non-Employee Director was entitled to receive the following as cash compensation: (1) an annual retainer of \$40,000, payable in four equal quarterly installments, and (2) \$1,000 for each committee (but not Board of Directors) meeting attended, with the meeting fee reduced to \$500 for telephonic meetings lasting less than thirty minutes or for in-person meetings which the director attends other than in person. Any Non-Employee Director serving as Chair of the Board or as the Lead Independent Director and each Chairperson of a committee of the Board of Directors was entitled to receive an additional annual retainer, payable in four equal quarterly installments, as follows: \$20,000 for Chair or Lead Independent Director, \$12,500 for Audit, \$7,500 for Compensation, and \$5,000 for Nominating and Governance. The annual retainer and any additional retainers are each pro-rated for partial years of service. Effective as of June 21, 2012, the Directors’ Compensation Policy was modified to (i) increase the annual retainer payable to Non-Employee Directors to \$50,000 and (ii) increase the additional annual retainer payable to the Chairperson of the Nominating and Governance Committee to \$7,500.

The directors have the right to elect to receive their annual retainers and any additional annual retainers in the form of stock units in lieu of cash, which units would be issued as of the last day of the quarter in which the retainers relate and the units would be valued as of the award date. In addition, each of the Non-Employee Directors was entitled to receive (a) an initial award of restricted stock units in connection with the director’s appointment to the Board of Directors valued at \$40,000 on the date of the award and (b) an annual award of restricted stock units valued at \$40,000 on the date of the award. Each director’s initial award vests monthly over two years, is not distributable as shares of our common stock until the earlier of the fifth anniversary of the grant date, a change in control or the director’s separation from service from the Board of Directors, and any unvested restricted stock units shall accelerate

and vest in full on the occurrence of a change in control or the Non-Employee Director's death or disability. Each director's annual award of restricted stock units generally has the same terms as

17

the initial award described above, but will vest over a period of one year (and will in all events become vested in connection with the annual meeting of stockholders occurring in the year following the date of grant). All stock units are entitled to receive dividend equivalent payments, which are either paid in cash on a current basis or reinvested into additional stock units. Each director's annual award of restricted stock units is pro-rated for partial years of service. Effective as of June 21, 2012, the Directors' Compensation Policy was modified to reduce the value of the initial award of restricted stock units (but not the annual award) to \$20,000 for any new Non-Employee Directors appointed to the Board of Directors after June 21, 2012 in recognition of the fact that we have been a separate publicly traded company for over one year and the ramp-up period has ended.

Each of our Non-Employee Directors is reimbursed for out-of-pocket expenses for attendance at Board of Directors and committee meetings.

Stock Ownership Policy Applicable to Non-Employee Directors

Our Board of Directors has adopted a Stock Ownership Policy that requires each non-employee director to own shares of our common stock equal in value to three times the annual Board cash retainer. Shares of our common stock subject to stock unit awards that have vested but the payment of which has been deferred count toward satisfaction of the required ownership level, but shares subject to stock options or unvested stock unit awards are not considered owned by the non-employee director for purposes of this policy. Non-employee directors must be in compliance with the ownership levels required by the policy by December 31, 2014.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Introduction

Sabra became a separate publicly traded company on November 15, 2010 when our former parent company, Old Sun, restructured its business by separating its health care operating assets and its health care real estate assets into Sun and Sabra. The Separation occurred by means of a spin-off of Old Sun's operating assets to Sun, with Sun continuing the business and operations of Old Sun and its subsidiaries. Immediately following the Separation, Old Sun and Sabra effected the REIT Conversion Merger, with Sabra surviving the merger. The Separation and REIT Conversion Merger were completed on November 15, 2010. Effective December 1, 2012, Sun was acquired by Genesis.

Following the Separation and REIT Conversion Merger, Old Sun's Chairman and Chief Executive Officer, Richard K. Matros, became our Chairman, President and Chief Executive Officer. In addition, two finance professionals with significant experience in the real estate industry became our other two executive officers. Harold W. Andrews, Jr., a finance professional with more than 10 years of experience in both the provision of healthcare services and healthcare real estate, became our Executive Vice President, Chief Financial Officer and Secretary. Talya Nevo-Hacohen, a real estate finance executive with more than 20 years of experience in real estate finance, acquisition and development, became our Executive Vice President, Chief Investment Officer and Treasurer. Messrs. Matros and Andrews and Ms. Nevo-Hacohen are referred to as the Named Executive Officers in this Proxy Statement.

We believe that the Named Executive Officers successfully implemented our business plan during 2012 and built upon our operating and financial performance results achieved during 2011, as demonstrated by Sabra's substantial achievements highlighted below:

- We achieved an approximate 80% increase in the trading price of our common stock during the 2012 calendar year.
- We achieved a total stockholder return (measured as stock price appreciation plus dividends paid, and assuming the reinvestment of dividends) of 94% for the 2012 calendar year.

We completed \$217.5 million of investments in 2012, including the acquisition of 10 skilled nursing facilities and 13 senior housing facilities. As a result of our 2012 acquisitions, our investment portfolio consisted of 119 real estate properties held for investment as of December 31, 2012, as compared to 97 properties as of December 31, 2011 and 86 properties at the time of the Separation and REIT Conversion Merger. Our 2012 acquisitions helped us to further diversify our investment portfolio by tenant, asset class and geography.

We completed a \$100 million aggregate principal amount add-on to our existing 8.125% senior notes due 2018 at a price of 106.0% for net proceeds of \$103.0 million (after underwriting costs and other offering expenses) and a yield-to-maturity of 6.92%.

- We increased the borrowing capacity under our amended secured revolving credit facility from \$100 million to \$230 million.

- We refinanced \$54.6 million of mortgage debt and amended the loan agreement for \$58.3 million of mortgage debt during the 2012 calendar year, resulting in annual interest savings of \$1.9 million.

In connection with Genesis's acquisition of Sun, we were able to obtain a parent guaranty from Genesis, which replaced the then-existing Sun guaranty of the lease obligations of its subsidiaries that are tenants under our lease agreements. Additionally, we were able to obtain certain favorable amendments to our master lease agreements with Sun, including to fix the annual rent escalators at 2.5% and to add cross-default provisions with Genesis's term loan. We achieved funds from operations ("FFO") and adjusted funds from operations ("AFFO") for 2012 of \$52.3 million and \$60.3 million, as compared to \$39.4 million and \$47.1 million for 2011. Our FFO and AFFO performance allowed us to set our quarterly dividend at \$0.33 per share in 2012 and increase that dividend to \$0.34 per share in the first quarter of 2013.

Please see pages 35 and 36 of Sabra's Annual Report on Form 10-K for information about FFO and AFFO, including a reconciliation of these measures to net income, the most directly comparable financial measure reported under GAAP.

During 2012, we retained substantially the same executive compensation program that we implemented in late 2010 following the Separation from Old Sun. We believe the say-on-pay votes at our 2012 and 2011 annual meetings of stockholders, where stockholders supported our say-on-pay proposal by 95.3% and 98.5% of the votes cast, respectively, affirm our stockholders' support for this program. Consistent with our commitment to a pay-for-performance culture and our objective of aligning the interests of our executive officers with the interests of our stockholders, each of our Named Executive Officer's total compensation for 2012 was higher than it was for 2011. As described in more detail below, this increase in total compensation is primarily due to (1) our policy of permitting executives to elect to tie the value of any annual bonus payment becoming earned to the increase or decrease in the trading price of our common stock over the performance year, which resulted in significantly higher 2012 annual bonus payments for each of the Named Executive Officers as a result of the approximate 80% increase in the trading price of our common stock during 2012 and (2) the structure of the three-year long-term equity award program established following the Separation and REIT Conversion Merger, which provided for no annual equity awards in 2011 as a result of the double "front loaded" awards made at the end of 2010, but did provide for new equity awards to be made in 2012.

This remainder of this section describes our executive compensation program and the material elements of compensation awarded to, earned by or paid to the Named Executive Officers during 2012.

Compensation Program and Objectives

Our compensation program for executives is intended to:

- attract and retain quality executive officers;
- motivate and reward high performance levels;
- align the interests of our executive officers with the interests of our stockholders;
- enhance FFO and AFFO; and
- inspire teamwork and collaboration among the executives.

Our executive compensation program consists of four material elements: base salaries, annual incentive compensation opportunities, long-term incentive awards and severance benefits. For the following reasons, we believe our executive compensation program is appropriately structured to accomplish the objectives noted above:

The terms of each executive's employment agreement that was entered into in connection with the Separation and REIT Conversion Merger and continues in effect, including the initial base salary and the terms of the severance benefit protections provided for in each agreement, allowed us to attract and assemble a qualified executive team that successfully led Sabra during 2012 and that we expect will continue to successfully lead Sabra.

The structure of our three-year long-term equity award program established shortly after the Separation and REIT Conversion Merger motivates our executives to achieve high performance levels and aligns the interests of the executives with those of our stockholders because the awards are payable in shares of our common stock that may increase or decrease in value during the performance period. The three separate annual awards that have been made under the program were each structured so that 2/3 of each executive's award consists of FFO-based stock units ("FFO Units") and relative total stockholder return-based stock units ("TSR Units") where vesting is contingent on both our performance over three full fiscal years and the executive's continued employment through the last day of the applicable performance period.

The terms of our annual incentive bonus program established for our 2012 fiscal year incentivized the Named Executive Officers to achieve real property acquisitions for Sabra's portfolio that both diversified the portfolio and helped contribute to our strong operational and financial performance results. Based on an election by the Named Executive Officers, bonuses earned under the bonus program were also tied to the increase or decrease in the trading price of our common stock during 2012 and were paid in shares of our common stock instead of cash.

Role of the Compensation Committee

Pursuant to its charter, the Compensation Committee of our Board of Directors has the authority to determine the amount of compensation given to each of the Named Executive Officers. The Compensation Committee approves our executive compensation philosophy and procedures, and is responsible for administering our equity compensation plans, including approving grants of awards under the plans. The Compensation Committee is also responsible for approving employment agreements we may enter into with the Named Executive Officers. In performing its duties, the Compensation Committee is authorized to consider the recommendations of our Chairman and Chief Executive Officer when determining the compensation of the other Named Executive Officers.

The elements of our executive compensation program were each approved by the Compensation Committee. None of the Named Executive Officers is a member of the Compensation Committee or, except for recommendations made by Mr. Matros with respect to the compensation of the other Named Executive Officers, had any role in determining the compensation of the Named Executive Officers.

Role of the Compensation Consultant

Since our becoming a separate publicly traded company following the Separation and REIT Conversion Merger, the Compensation Committee has retained FWC as its independent compensation consultant. The Compensation Committee is directly responsible for the appointment, compensation and oversight of FWC's work and does not believe FWC's work has raised any conflict of interest. FWC reports only to the Compensation Committee, and does not perform services for us, except for executive compensation-related services on behalf of, and as instructed by, the Compensation Committee.

In connection with Sabra becoming a separate publicly traded company, FWC was retained to prepare a recommended executive compensation program for Sabra to implement. The cornerstone of Sabra's executive compensation program continues to be the three-year long-term equity award program that was established by the Compensation Committee shortly after we became a separate publicly traded REIT following the Separation and REIT Conversion Merger. FWC provided recommendations regarding the structure of the Named Executive Officers' long-term equity award grants, and recommended that each separate annual equity award grant consist of a mixture of time-based stock units ("Time-Based Units"), FFO Units and TSR Units, as this mixture is consistent with equity award programs used by other REITs and results in the vesting of 2/3 of each executive's annual equity award grant being performance-contingent in addition to being contingent on continued employment.

At the end of 2011 and in preparation for making compensation decisions for 2012, the Compensation Committee engaged FWC to conduct an independent review of our executive compensation program to provide a competitive reference on pay levels, structure and performance alignment, and to confirm that the executive compensation program established after the Separation and REIT Conversion Merger was still appropriately structured in order to accomplish our compensation objectives. FWC analyzed the salaries, target bonus opportunities, target cash compensation opportunities, equity award opportunities and targeted total direct compensation at similar peer companies (listed below). FWC also advised the Compensation Committee that Sabra's executive compensation program (and in particular our three-year long-term equity award program) was still structured to accomplish our compensation objectives. The Compensation Committee reviewed the report prepared by FWC and used this report when determining the amount and structure of each Named Executive Officer's 2012 cash base salary, target bonus and equity award grants.

FWC also advised on other aspects of executive compensation as requested by the Compensation Committee during 2012. For example, FWC provided the Compensation Committee with proposals for an updated group of peer companies to use for TSR comparison purposes for the TSR Units that were granted in December 2012. FWC also provided the Compensation Committee with advice regarding the timing of our annual equity awards and advised that making annual equity awards during the fourth quarter of each calendar year will better allow us to take our performance for the calendar year into account when determining the level of equity awards to be granted for that calendar year. This in turn, will allow us to most closely match the value of our executive compensation program with internal performance and shareholder return during the year.

Peer Companies

When determining the amount of each Named Executive Officer's 2012 cash base salary, target bonus award and equity award grants, the Compensation Committee, with the assistance of FWC, considered the compensation paid by

the following peer companies:

21

Acadia Realty Trust
Associated Estates Realty Corp
CapLease
Cedar Shopping Centers
Cogdell Spencer
Cousins Properties
Education Realty Trust
First Potomac Realty
Healthcare Realty Trust

Hersha Hospitality Trust
Inland Real Estate Corp
Investors Real Estate Trust
LTC Properties
Medical Properties Trust
National Health Investors
Omega Healthcare
Parkway Properties
Sun Communities

We have used this same group of peer companies since we became a separate publicly traded REIT following the Separation and REIT Conversion Merger. The peer companies are all publicly traded REITs or companies with significant real estate operations, and several of the peer companies are also publicly traded health care REITs. The Compensation Committee believes that the peer companies are a reasonable reference point for compensation decisions with respect to the Named Executive Officers based on each peer company's similarity to Sabra taking into account their respective businesses, revenues, FFO, number of employees, market capitalization, enterprise value, and the talent pool for which they compete.

The Role of Stockholder Say-on-Pay Votes

Sabra provides its stockholders with the opportunity to cast an annual non-binding, advisory vote on the compensation of our Named Executive Officers, which we refer to as a say-on-pay proposal. At our 2012 Annual Meeting of Stockholders, approximately 95.3% of the votes cast supported our say-on-pay proposal. The Compensation Committee believes this high degree of stockholder support for our 2012 say-on-pay proposal affirms stockholders' support of the executive compensation program the Compensation Committee has implemented since our becoming a separate publicly traded REIT. As discussed in more detail elsewhere in this section, the compensation program that was voted on by stockholders in our 2012 say-on-pay proposal continued to apply in 2012 in substantially the same form, as the Compensation Committee did not make any fundamental changes to the program for 2012. The Compensation Committee will continue to consider the outcome of stockholders' votes on our say-on-pay proposals when making future compensation decisions for the Named Executive Officers.

Material Elements of Compensation

Base Salaries. We pay each Named Executive Officer a base salary to provide each executive with a minimum, fixed level of cash compensation. Following the Separation and REIT Conversion Merger in the fourth quarter of 2010, the initial annual base salary for Mr. Matros was set at \$700,000, which was a reduction of \$175,000 from his base salary as CEO of Old Sun before the Separation and REIT Conversion, while the initial annual base salaries for Mr. Andrews and Ms. Nevo-Hacohen were each set at \$325,000. The salaries of the Named Executive Officers' were not increased in 2011, so the Compensation Committee approved \$25,000 increase to each Named Executive Officer's base salary for 2012, which was the first increase after the Separation.

Based on a review of Mr. Matros's performance during 2011 and our operating and financial performance results achieved during 2011, the Compensation Committee determined that a \$75,000 increase to Mr. Matros's base salary for 2012 was appropriate. However, because of the decrease in the trading price of our common stock during the 2011 calendar year and because (as described in detail below) Mr. Matros's base salary already exceeds our targeted positioning level relative to our peer companies, the Compensation Committee determined that it was not appropriate to increase Mr. Matros's cash base salary by the full \$75,000. Instead, the Compensation Committee granted Mr. Matros a special award of performance-based stock units outside of our long-term equity award program having a grant date dollar value of \$50,000 (which was equal to the difference between the \$25,000 actual increase to his cash base salary and the \$75,000 increase the Compensation Committee determined was appropriate). Mr. Matros's special base salary stock units were subject to a performance vesting condition based on the increase in the trading price of our common stock in calendar 2012. 50% of the shares subject to the award were eligible to vest if we achieved at least a 15% increase in the trading price of our common stock during calendar 2012, while the remaining 50% of the shares subject to the award were only eligible to vest if we achieved at least a 25% increase in the trading price of our common stock during 2012. We achieved an approximate 80% increase in the trading price of our common stock

during 2012, and as a result of this strong performance, Mr. Matros vested in all of the shares subject to his special base salary award at the end of 2012.

When determining the amount of each executive's base salary, we generally set the amount at approximately the 75th percentile of the base salaries paid by our peer companies to similarly situated executives. This level was chosen because, except for Mr. Matros, following the Separation and REIT Conversion Merger, we were required to recruit a new executive

team with substantial industry experience and contacts that would be capable of immediately executing our operating plan. This level has also been chosen because of the significant effort involved in our creation and the continuing efforts required to grow our business as a separate publicly traded REIT.

The base salary established for Mr. Matros exceeds the 75th percentile of the base salaries paid by our peer companies to their Chief Executive Officers. Unlike the other Named Executive Officers, Mr. Matros was a former employee of Old Sun who joined us in connection with the Separation and REIT Conversion Merger. Prior to joining us, Mr. Matros was paid an annual base salary of \$875,000 by Old Sun. Following the Separation and REIT Conversion Merger, we reduced Mr. Matros's annual base salary to \$700,000 in order to establish a base salary that more closely approximated the 75th percentile of base salaries paid by our peer companies. We did not believe that any additional reduction to Mr. Matros's base salary was appropriate in light of the significant effort and leadership involved following the Separation and REIT Conversion Merger to execute our operating plan. As discussed above, partly because of the relative positioning of Mr. Matros's base salary, rather than increasing his 2012 cash base salary by the full amount determined to be appropriate, the Compensation Committee instead granted him additional performance-based base salary stock unit awards. For 2013, the Compensation Committee has taken a similar approach and has determined not to approve any increase in the amount of Mr. Matros's cash base salary. Instead of increasing his cash base salary, the Compensation Committee awarded him another special performance-based base salary stock unit award that is described in more detail in the "Long-Term Incentives" section below.

The base salary that was paid to each Named Executive Officer for our 2012 fiscal year is reported in the "Summary Compensation Table—Fiscal 2010 – Fiscal 2012" below.

2012 Annual Incentive Compensation

Our annual incentive bonus program for 2012 retained substantially the same structure as our 2011 program and continued to permit participants to elect to tie the value of any bonus payment becoming earned to the increase or decrease in the trading price of our common stock over the course of 2012. The Named Executive Officers were each entitled to participate in the 2012 bonus program pursuant to the terms of their employment agreements.

Under the terms of the 2012 bonus program, prior to the start of our 2012 fiscal year, each Named Executive Officer was permitted to elect to receive any bonus payment ultimately becoming earned under the program in a number of shares of our common stock instead of cash. All of the Named Executive Officers elected to receive payment in shares of our common stock instead of cash in order to increase their ownership of our common stock. In order to further link the value of any bonus payment earned by the Named Executive Officers to the value of our common stock, the number of shares of stock becoming payable was based on the closing trading price of a share of our common stock at the end of 2011. This feature, which denominated the bonus in shares of our common stock, ensured that the value of any bonus payment ultimately earned by the Named Executive Officers would increase if the trading price of our common stock increased following the end of 2011, and would decrease if the trading price of our common stock decreased following the end of 2011. Our bonus program for 2013 retained this same feature where each Named Executive Officer was permitted to elect to receive any bonus payment ultimately becoming earned in shares of our common stock instead of cash, and all of our Named Executive Officers elected to link the value of their 2013 bonus to the increase or decrease in the trading price of our common stock during 2013.

The target bonus under the 2012 bonus program for Mr. Matros was set at 106.9% of his cash base salary. This percentage resulted in a target bonus of \$775,000 for Mr. Matros, which amount approximated 100% of Mr. Matros's actual cash base salary plus the grant date value of his special base salary stock unit award described above. The target bonus for Mr. Andrews and Ms. Nevo-Hacohen was set at 90% of each executive's base salary amount. Each Named Executive Officer's target bonus amount was generally set at approximately the 75th percentile of the target bonus opportunities awarded by our peer companies to similarly situated executives. Each Named Executive Officer was eligible to earn a maximum bonus equal to 175% of the executive's target bonus amount, while the bonus payable for achieving the threshold performance level was set at 50% of the executive's target bonus amount. For 2012, the Compensation Committee determined to increase the maximum payout percentage to 175% (from the 133.3% maximum in effect for 2011) and decrease the threshold payout percentage to 50% (from the 88.8% threshold in effect for 2011). We believe these changes improve the performance-based nature of our bonus program and bring our bonus plan structure more in line with the bonus structures used by our peer companies. Executives now have a greater upside opportunity for exceptional performance, but will receive a significantly lower threshold payout for

underperformance (and will receive no bonus payout if we fail to meet the threshold performance level).
The following chart shows the amount of each Named Executive Officer's target and maximum bonus opportunities.

23

Named Executive Officer	2012 Target Bonus Amount	2012 Maximum Bonus Amount
Richard K. Matros	\$775,000	\$1,356,250
Harold W. Andrews, Jr.	\$315,000	\$551,250
Talya Nevo-Hacohen	\$315,000	\$551,250

Like 2011, bonuses under the 2012 bonus program became earned based on the level of completed real property acquisitions for Sabra's portfolio achieved in 2012 ("Acquisitions"). The Compensation Committee selected Acquisitions as the performance criteria for 2012 in conjunction with the separate earnings per share performance requirement described below in order to incentivize the Named Executive Officers to achieve Acquisitions for Sabra's portfolio during 2012 that the Compensation Committee believed would both diversify Sabra's portfolio and lead to growth in our operational and financial performance results. The target level of Acquisitions was set at \$100,000,000.

Achievement of \$200,000,000 or greater of Acquisitions was required in order for each Named Executive Officer to earn his or her maximum bonus opportunity, while achievement of at least \$50,000,000 of Acquisitions was required in order for each Named Executive Officer to earn his or her threshold bonus opportunity. The threshold level of Acquisitions established for 2012 represented a significant increase over 2011. For 2011, the Compensation Committee determined that it was not possible to establish a specific minimum dollar value of Acquisitions target for our first full fiscal year as a publicly traded REIT and determined that \$0 would be the minimum level of 2011 Acquisitions required for the payment of a bonus. For 2012, the Compensation Committee evaluated our performance during 2011, and after taking into account our 2011 performance, was able to establish an increased threshold performance level for 2012.

During 2012, Sabra achieved Acquisitions in excess of \$200,000,000, which resulted in each Named Executive Officer earning his or her maximum bonus opportunity under the 2012 bonus program. As described above, the maximum bonus earned by Mr. Matros was \$1,356,250, and the maximum bonus earned by Mr. Andrews and Ms. Nevo-Hacohen was \$551,250. However, because the amount of each Named Executive Officer's bonus becoming earned was payable in a number of shares of our common stock based on the closing trading price of a share of our common stock at the end of 2011, the actual value of the bonus paid to each Named Executive Officer was higher than the value of the bonus that was ultimately earned. Mr. Matros received a total of 118,079 shares of our common stock as payment for his 2012 bonus, while Mr. Andrews and Ms. Nevo-Hacohen each received a total of 47,991 shares of our common stock as a 2012 bonus payment. The number of shares paid to the Named Executive Officers listed above includes shares credited as a dividend equivalent payment to account for the dividends paid on the shares of our common stock paid as a 2012 bonus payment between the beginning of 2012 and the date the 2012 bonuses were paid. The following chart shows the cash value of each Named Executive Officer's bonus earned for 2012 and the value of the shares of common stock that they actually received as a bonus payment based on the closing trading prices at the end of 2012 and on the date the bonuses were actually paid.

Named Executive Officer	Cash Value of Bonus Earned for 2012	Value of Shares Paid at 2012 Year-End	Value of Shares on 2/1/13 Payment Date
	(175% of Target)	Price = \$21.72	Price = \$25.38
Richard K. Matros	\$1,356,250	\$2,564,676	\$2,996,845
Harold W. Andrews, Jr.	\$551,250	\$1,042,365	\$1,218,012
Talya Nevo-Hacohen	\$551,250	\$1,042,365	\$1,218,012

We believe this chart illustrates the link between the value of the bonus payment actually earned by the Named Executive Officers and the value of our common stock. The trading price of our common stock increased by approximately 80% from the end of 2011 to the end of 2012 and increased by approximately an additional 17% from

the end of 2012 through the February 1, 2013 payment date. Like our stockholders, the Named Executive Officers benefited from the significant increase in the trading price of our common stock during 2012 in the form of bonus payments having a significantly higher payment date value than they would have had if the bonuses were not linked to the trading price of our common stock. This was the opposite result of 2011, where the payment date value of the Named Executive Officers' 2011 bonuses was lower than the value the bonuses would have otherwise had if they were not linked to the trading price of our common stock. We believe this is consistent with our objective of aligning the interests of our executive officers with the interests of our stockholders and our commitment to a pay-for-performance culture.

In addition to the performance criteria based on Acquisitions described above, the payment of each Named Executive Officer's bonus under the 2012 bonus program was also subject to Sabra's attainment of a performance condition based on

24

Sabra's earnings per share for the 2012 calendar year. This earnings per share performance condition was designed to create an additional performance requirement that would help assure the deductibility of the bonus payments pursuant to Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"). No bonuses were payable to the Named Executive Officers unless Sabra achieved a minimum earnings per share for the 2012 calendar year equal to \$0.50 per share. Sabra achieved this earnings per share target during the 2012 calendar year.

The Named Executive Officers' bonuses earned under the 2012 bonus program that were paid in shares of our common stock are reported in the stock awards column of the "Summary Compensation Table—Fiscal 2010 – Fiscal 2012" below, and also in the "Grants of Plan-Based Awards—Fiscal 2012" table below.

Long-Term Incentives

Three-Year Equity Award Program Established After Separation and REIT Conversion Merger. The cornerstone of Sabra's executive compensation program continues to be the long-term equity award program that was established by the Compensation Committee in November 2010 shortly after we became a separate publicly traded company. As described in more detail below, the long-term equity award program established following the Separation and REIT Conversion Merger was intended to be implemented over a period of three years, with the amount of the initial awards made in 2010 continuing to impact the level of awards made for 2011, 2012 and 2013. As with base salaries and target bonus amounts, the total grant date value of each executive's annual equity award is generally set with reference to approximately the 75th percentile of the equity award opportunities granted by our peer companies to similarly situated executives, although with two-thirds of the award value contingent on FFO performance or relative TSR performance. However, and as described in more detail below, the intended implementation of our long-term equity award program over a three-year period has resulted in significant year-to-year deviations in the value of the long-term equity awards granted to each Named Executive Officer. As a result, the value of the long-term equity awards reported in the Summary Compensation Table for the 2010, 2011 and 2012 calendar years has been uneven. In November 2010, following the Separation and REIT Conversion Merger, we granted an initial equity award to each of the Named Executive Officers to provide a performance-based compensation opportunity over a multi-year period. When determining the total grant date dollar value of each executive's initial equity award that was granted in November 2010, we generally set the amount with reference to approximately the 75th percentile of the equity award opportunities granted by our peer companies to similarly situated executives. However, each executive's initial award was structured as a "front loaded" award and represented two years' worth of incentives, so the value of each executive's initial equity award was set at approximately two times the 75th percentile level (e.g., if the 75th percentile level for an executive was approximately \$1,000,000, the total grant date dollar value of his or her equity award would have been approximately \$2,000,000). The Compensation Committee, with the assistance of FWC, determined to structure the 2010 awards as front loaded awards to give each executive a meaningful unvested equity position in Sabra immediately following the Separation and REIT Conversion Merger.

As a result of the front loaded structure of the initial 2010 awards and in adherence to the terms of the long-term equity award program established following the Separation and REIT Conversion Merger, the Compensation Committee did not grant any long-term equity incentive awards to the Named Executive Officers during 2011. In 2012, we continued to adhere to the terms of our initial long-term equity award program and in January 2012 the Compensation Committee granted each Named Executive Officer an annual equity award at a reduced level to take into account the front loaded structure of the initial 2010 awards. The January 2012 equity awards were intended as each Named Executive Officer's annual equity award for 2012 under our original three-year long-term equity award program, and had a total grant date dollar value set at approximately one-half (50%) of the 75th percentile level (e.g., if the 75th percentile level for an executive was approximately \$1,000,000, the total grant date dollar value of his January 2012 equity award would have been approximately \$500,000).

In December 2012, the Compensation Committee granted each Named Executive Officer's annual equity award for 2013 under our original three-year long-term equity award program. Like the January 2012 awards, the equity awards for 2013 were also granted at a reduced level to take into account the front loaded structure of the initial 2010 awards. The total grant date dollar value of each Named Executive Officer's equity award for 2013 was set at approximately one-half (50%) of the 75th percentile level.

The 2013 equity awards granted in December 2012 were the last annual awards contemplated by the three-year long-term equity award program established following the Separation and REIT Conversion Merger. Beginning in the

fourth quarter of the 2013 calendar year and in future calendar years, we anticipate making annual long-term equity awards to our executive officers, and the level of these awards will not be impacted by the original front-loaded 2010 awards. We believe that making

25

annual equity awards in the fourth quarter of each calendar year (instead of during the first quarter of each calendar year) will better allow us to take our performance for the calendar year into account when determining the level of equity awards to be granted for that calendar year.

Structure of Annual Equity Awards. Like the initial 2010 awards, one-third of the total grant date dollar value of each executive's 2012 and 2013 equity awards was awarded in the form of each of (1) Time-Based Units, (2) FFO Units and (3) TSR Units. As a result, each executive's 2012 and 2013 equity award consisted of an approximately equal number of Time-Based Units, FFO Units and TSR Units, the terms of which are described in more detail below.

Time-Based Units: Time-Based Units are included as part of each executive's long-term equity award to provide an equity incentive linked to the value realized by our stockholders that becomes earned based on the executive's continued employment with us. Each executive's 2012 Time-Based Units become vested in equal annual installments over a period of four years following the grant date. Each executive's 2013 Time-Based Units also become vested in equal annual installments over a period of four years, with installments vesting on December 31 in each of 2013, 2014, 2015 and 2016.

FFO Units: FFO Units are included as part of each executive's long-term equity award to motivate them to execute our multi-year operating plan and increase our FFO performance. Each executive's 2012 FFO Units become vested based on our FFO performance for the calendar year 2014 relative to a target FFO amount for that year established by the Compensation Committee. Similarly, each executive's 2013 FFO Units become vested based on our FFO performance for the calendar year 2015 relative to a target FFO amount for that year established by the Compensation Committee. We believe the targeted FFO levels for both 2014 and 2015 are reasonably attainable if we are successful in executing our operating plan and increasing our FFO performance over the next three years. The decision to use the third calendar year in the performance period as the performance measurement year is intended to give the executives a period of time to execute on Sabra's operating plan and grow the business.

100% of each executive's target number of 2012 and 2013 FFO Units will become vested if we achieve the targeted performance level. If we achieve less than 75% of the targeted performance level (the threshold level), 0% of each executive's target number of 2012 and 2013 FFO Units will become vested, while if we achieve 125% or more of the targeted performance level (the maximum level), 200% of each executive's target number of FFO Units will become vested. Performance between the threshold level and the targeted performance level will result in between 0% and 100% of each executive's target number of 2012 and 2013 FFO Units becoming vested, with the percentage becoming vested generally decreasing 4% for each 1% decrease in the targeted performance level achieved (e.g., if we achieve 95% of the targeted performance level, 80% of each executive's target number of FFO Units will become vested). Performance between the targeted performance level and the maximum level will result in between 100% and 200% of each executive's target number of 2012 and 2013 FFO Units becoming vested, with the percentage becoming vested generally increasing 4% for each 1% increase in the targeted performance level achieved. This vesting schedule thus includes both a 4-1 reduction for below-target performance and a 4-1 increase for above-target performance so that the upside and downside leverage for the awards is symmetrical.

Any 2012 or 2013 FFO Units that become eligible to vest based on our FFO performance are also subject to a vesting condition based on the executive's continued employment through the last day of the applicable performance period.

TSR Units: TSR Units are included as part of each executive's long-term equity award to motivate the executives to increase our stockholders' total return. The 2012 TSR Units become vested based on our relative total stockholder return over a three-year performance period consisting of calendar years 2012-2014 measured against the following publicly-traded REITs: Alexandria RE Equities, Biomed Realty Trust, Boston Properties, Brandywine Realty Trust, Cogdell Spencer, Commonwealth REIT, Corporate Office Properties, DCT Industrial Trust, Digital Realty Trust, Douglas Emmett, Duke Realty Corp, Dupont Fabros Technology, Eastgroup Properties, First Industrial Realty, First Potomac Realty, Franklin Street Properties, Government Properties, HCP, Health Care REIT, Healthcare Realty Trust, Highwoods Properties, Kilroy Realty Corp, Lexington Realty Trust, LTC Properties, Mack-Cali Realty Corp, Medical Properties Trust, Mission West Properties, Monmouth Real Estate Investment, MPG Office Trust, National Health Investors, Omega Healthcare, Parkway Properties, Piedmont Office Realty, Prologis, SL Green Realty Corp, Senior Housing Properties, Terreno Realty Corp, Universal Health Realty, and Ventas.

The 2013 TSR Units become vested based on our relative total stockholder return over a three-year performance period consisting of calendar years 2013-2015 measured against the same group of companies, except that Cogdell

Spencer, Duke Realty Corp, First Potomac Realty, and Lexington Realty Trust were removed and CoreSite Realty, Healthcare Trust of America, Hudson Pacific Properties, and STAG Industrial were added. Cogdell Spencer was removed because it was acquired by Ventas in 2012, and Duke Realty Corp, First Potomac Realty, and Lexington Realty Trust were each removed because they

26

were reclassified in the last year as diversified REITs. The new publicly traded REITs were added to replace the companies that were removed.

Although there is some overlap, the peer companies that we use for TSR comparison purposes differ from the peer companies described above under the heading "Peer Companies." The TSR comparison peers were selected because they are either healthcare, office or industrial REITs. In contrast, the peer companies were selected based on their similarity to Sabra, taking into account their respective businesses, revenues, FFO, number of employees, market capitalization, enterprise value and the talent pool for which they compete. The Compensation Committee believes that the selection criteria for relative TSR performance comparison can be different than for compensation benchmarking peers because REIT sectors are affected by similar economic forces (with REIT size playing a relatively small role in shareholder return), while compensation amounts correlate with both the REIT sector and Sabra's size.

100% of each executive's target number of 2012 and 2013 TSR Units will become vested if we achieve a total stockholder return percentile ranking at the 70th percentile relative to the applicable TSR peer companies. The 70th percentile was chosen as the target performance level in order to align target performance with the target value of the awards, which, as discussed above, was generally intended to be determined with reference to approximately the 75th percentile of the equity award opportunities granted by our peer companies. If our total stockholder return percentile ranking relative to the applicable TSR peer companies is less than the 30th percentile (the threshold level), 0% of each executive's target number of 2012 and 2013 TSR Units will become vested, while if we achieve a total stockholder return percentile ranking relative to the applicable TSR peer companies at or above the 95th percentile (the maximum level), 150% of each executive's target number of 2012 and 2013 TSR Units will become vested. (Although if we achieve a negative absolute total stockholder return over the performance period, the maximum percentage of each executive's target number of 2012 and 2013 TSR Units eligible to become vested is in all events capped at 100%, in recognition that in such event, while our total stockholder return may have exceeded that of our peers, our stockholders have not realized a positive total stockholder return on an absolute basis for this period.) Performance between the threshold level and the maximum level will result in between 0% and 150% of each executive's target number of 2012 and 2013 TSR Units becoming vested, with the vesting schedule including a steeper 2.5-1 percentage reduction for below-target performance relative to the 2-1 percentage increase for above-target performance to reinforce the significance of the 70th percentile target level. The selection of a three-year period to measure total stockholder return helps ensure that performance must be achieved and sustained over a period of years in order for the awards to vest.

Like the FFO Units, any 2012 or 2013 TSR Units becoming eligible to vest based on our relative stockholder return performance are also subject to a vesting condition based on the executive's continued employment through the last day of the applicable performance period.

Section 162(m) Vesting Requirement: In order to help assure deductibility of the 2012 and 2013 Time-Based Units and FFO Units granted to the Named Executive Officers pursuant to Section 162(m) of the Code, these awards are initially subject to a performance condition before they are eligible to become vested in accordance with their terms. This performance condition for the 2012 awards required us to achieve a minimum earnings per share for the 2012 calendar year equal to \$0.50 per share, which we achieved. The 2013 awards are also subject to a requirement that we achieve a minimum earnings per share for the 2013 calendar year equal to \$0.50 per share.

Special Performance-Based Base Salary Stock Unit Awards: As discussed above, rather than increasing Mr. Matros's 2012 cash base salary by the full amount we determined to be appropriate, the Compensation Committee granted him an award of performance-based stock unit awards instead. Mr. Matros's 2012 grant of special base salary stock units became vested at the end of 2012 as a result of the approximate 80% increase in the trading price of our common stock that was achieved during 2012.

At the same time that annual equity awards for 2013 were granted in December 2012, the Compensation Committee granted Mr. Matros an award of special base salary stock units for 2013 having a total grant date dollar value of \$100,000. Like the 2012 award, Mr. Matros's 2013 base salary stock units are subject to a performance vesting condition based on the increase in the trading price of our common stock during calendar 2013. One-third of the shares subject to the award are eligible to vest if we achieve at least a 5% increase in the trading price of our common stock during 2013, another one-third are eligible to vest if we achieve at least a 10% increase, and the final one-third

are eligible to vest if we achieve at least a 15% increase in the trading price of our common stock during 2013. The 2012 and 2013 special base salary stock units were granted outside of our long-term equity award program, and were awarded instead of increasing Mr. Matros's cash base salary.

Dividend Equivalents: Time-Based Units, FFO Units, and TSR Units granted under our long-term equity award program and the special base salary awards entitle the executive to receive an additional credit of stock units having a value

27

equal to the amount of the ordinary cash dividends paid on the shares of common stock underlying the award (e.g., dividend equivalents are reinvested in additional units). Any additional stock units credited as a dividend equivalent payment will not be paid unless they vest and are subject to the same vesting requirements as the stock unit awards to which they relate (including the applicable performance conditions).

Clawback: Time-Based Units, FFO Units, and TSR Units granted under our long-term equity award program and the special base salary awards are each subject to the terms of our recoupment, clawback or similar policy as may be in effect from time to time, and to any similar provisions of applicable law.

The grant-date fair value of the 2012 and 2013 Time-Based Units, FFO Units, TSR Units and the special base salary awards that were awarded in 2012 as determined under the accounting principles used in our financial reporting are reported in the “Summary Compensation Table—Fiscal 2010 – Fiscal 2012” and the “Grants of Plan-Based Awards—Fiscal 2012” tables below, and a related narrative description of the awards is included following the “Grants of Plan-Based Awards—Fiscal 2012” table.

Severance Benefits

We believe that severance protections, particularly in the context of the uncertainty surrounding any potential change in control transaction, play a valuable role in attracting and retaining quality executive officers. We provide severance protections to each of the Named Executive Officers pursuant to their employment agreements and believe that these potential benefits helped us to attract and assemble a qualified executive team following the Separation and REIT Conversion Merger. The level of severance benefits provided to Mr. Matros is generally similar to the level of severance benefits he was entitled to receive from Old Sun prior to the Separation and REIT Conversion Merger. The level of severance benefits for the other Named Executive Officers was determined based on their seniority and with reference to Mr. Matros’s severance benefits.

As described in more detail below under the heading “Potential Payments Upon Termination or Change in Control,” each of the Named Executive Officers would be entitled to severance benefits in the event of a termination of employment by us without “good cause” or by the executive for “good reason” (as those terms are defined in each executive’s employment agreement). We do not believe that the Named Executive Officers should be entitled to receive their cash severance benefits merely because a change in control transaction occurs, and a change in control does not, in and of itself, entitle any Named Executive Officer to receive severance benefits (i.e., these severance benefits are “double-trigger” benefits). The amount of each Named Executive Officer’s severance benefits is likely to increase in connection with a qualifying termination in connection with or following a change in control because, although the multiple for our Chief Executive Officer decreases, the multiple for the other Named Executive Officers increases, and a target bonus component is included in the change in control severance benefit formula for all of the Named Executive Officers. We offer these increased benefits in order to encourage our Named Executive Officers to remain employed with us, and focus on the creation of value for stockholders, during an important time when their prospects for continued employment following a change in control transaction may be uncertain. No Named Executive Officer is entitled to receive a “gross-up” or similar payment for any excise taxes that may become payable in connection with a change in control pursuant to Sections 280G and 4999 of the Code, and, depending on what results in the best after-tax benefit for the executive, benefits may be “cut back” instead in such circumstances.

The terms of Time-Based Units, FFO Units, and TSR Units granted under our long-term equity award program and other outstanding equity awards granted by us each provide for accelerated vesting in connection with certain terminations of the Named Executive Officers’ employment with us, including a termination due to death, disability or a termination by us without good cause or by the executive for good reason but only if such termination occurs in connection with or following a change in control. Please see the “Potential Payments Upon Termination or Change in Control” section below for a discussion of the termination of employment-based vesting provisions of these equity awards.

Stock Ownership Policy Applicable to Executive Officers

We believe that in order to align the interests of our executive officers with those of our stockholders, executive officers should have direct ownership in shares of our common stock. Accordingly, our Board of Directors has adopted a Stock Ownership Policy that requires our Chief Executive Officer to own shares of our common stock having a value equal to at least six times his or her annual base salary and each of our other executive officers to own shares of our common stock having a value equal to at least two times the executive’s annual base salary. Shares

subject to stock options and unvested stock unit awards are not considered owned by the executive for purposes of the policy. The executives covered by the policy must be in compliance with the ownership levels above by December 31, 2014. Each of the Named Executive Officers is currently in compliance with the required ownership levels.

28

Policy with Respect to Section 162(m)

In making its compensation decisions, the Compensation Committee considers the impact of Section 162(m) of the Code. Under Section 162(m), Sabra is generally precluded from deducting compensation in excess of \$1.0 million per year for our Named Executive Officers, unless the payments are made under qualifying performance-based plans. The Compensation Committee believes that the majority of the compensation of each Named Executive Officer should be performance-based, and generally designs our incentive programs to comply with Section 162(m). However, while it is generally the Compensation Committee's intention to maximize the deductibility of compensation paid to the Named Executive Officers, deductibility is only one among a number of factors used by the Compensation Committee in ascertaining appropriate levels or modes of compensation. The Compensation Committee maintains the flexibility to approve compensation for the Named Executive Officers based upon an overall determination of what it believes to be in our best interests, even if the compensation paid may not be deductible.

Compensation Committee Report

The Compensation Committee of the Board of Directors has reviewed and discussed with management the disclosures contained in the Compensation Discussion and Analysis section of this Proxy Statement. Based upon this review and discussion, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis section be included in this Proxy Statement.

Summary Compensation Table—Fiscal 2010 – Fiscal 2012

The following table provides information on the compensation of the Named Executive Officers for fiscal 2012 and 2011 and for the period from November 15, 2010 through December 31, 2010 following the Separation and REIT Conversion Merger when we were a separate publicly traded company. Because only three individuals served as our executive officers during 2012, we have only three Named Executive Officers for 2012.

(1) 2012 and 2013 Annual Equity Awards. The amounts reported for 2012 represent the aggregate grant date fair value of the 2012 and 2013 time-based stock units (“Time-Based Units”), the FFO-based stock units (“FFO Units”) and the relative total stockholder return-based stock units (“TSR Units”) granted to the Named Executive Officers during 2012, together with the performance-based special base salary stock units granted to Mr. Matros in 2012 for the 2012 and 2013 calendar years. As described in the “Compensation Discussion and Analysis” above, the Named Executive Officers’ annual equity awards for the 2012 and 2013 calendar years were both granted during 2012.

The aggregate grant date fair value of these awards was computed in accordance with FASB ASC Topic 718, and excludes the effects of estimated forfeitures. The reported award values have been determined using the assumptions described in Note 12 to the Consolidated Financial Statements included in Sabra’s Annual Report on Form 10-K for the year ended December 31, 2012. The 2012 and 2013 FFO Units are valued based on the probable outcome of the applicable performance conditions as determined on the grant date, which results in a grant date fair value for the 2012 and 2013 FFO Units as follows: Mr. Matros (2012 FFO Units \$199,992 and 2013 FFO Units \$200,006); Mr. Andrews (2012 FFO Units \$99,996 and 2013 FFO Units \$99,992); and Ms. Nevo-Hacohen (2012 FFO Units \$99,996 and 2013 FFO Units \$99,992). If we achieve the highest level of performance under the 2012 and 2013 FFO Units, the grant date fair value for the 2012 and 2013 FFO Units would increase to the following amounts: Mr. Matros (2012 FFO Units \$399,984 and 2013 FFO Units \$400,012); Mr. Andrews (2012 FFO Units \$199,992 and 2013 FFO Units \$199,985); and Ms. Nevo-Hacohen (2012 FFO Units \$199,992 and 2013 FFO Units \$199,985).

2012 Bonus Payments. The amounts reported for 2012 also represent the value of the Named Executive Officers’ bonuses earned under our 2012 annual bonus program that were paid in shares of our common stock at the election of the Named Executive Officers. The amounts reported above represent the value of the shares of common stock received by the Named Executive Officers based on the closing price on the date the 2012 annual bonuses were paid. The 2012 bonus amount reported above for each executive is as follows: Mr. Matros (\$2,996,845); Mr. Andrews (\$1,218,012); and Ms. Nevo-Hacohen (\$1,218,012).

(2) Amounts reported for 2012 represent 401(k) plan matching contributions.

Description of Employment Agreements—Salary and Incentive Bonus Payments

Following the Separation and REIT Conversion Merger, we entered into employment agreements with each of the Named Executive Officers, and certain of the terms of these agreements are briefly described below. Each executive's agreement has an initial three-year term. The initial term is extended for a new three-year term on each anniversary of the effective date, unless either party provides 60 days' notice prior to the applicable anniversary of the effective date, in which case the agreement will terminate on the anniversary of the effective date occurring in the second year following the year in which such notice was provided. Each agreement is also subject to earlier termination in connection with an executive's termination of employment, and has a maximum term of ten years.

Each executive's employment agreement provides for an initial annual base salary to the executive that is subject to annual merit increases. Each executive's agreement entitles the executive to an annual incentive bonus pursuant to the terms of our executive bonus plan, which for 2011 was our 2011 bonus program described above in "Compensation Discussion and Analysis—2011 Annual Incentive Compensation." Each executive's agreement also provides that the executive is entitled to participate in our usual benefit programs for our senior executives, to accrue paid time off in accordance with our policy for senior executives and to be reimbursed for the executive's business expenses.

Grants of Plan-Based Awards—Fiscal 2012

The following table sets forth certain information concerning the 2012 and 2013 Time-Based Units, FFO Units, TSR Units and performance-based base salary stock units that were granted to the Named Executive Officers during 2012. The following table also sets forth certain information concerning the Named Executive Officers' incentive bonus opportunity under our 2012 bonus program. All of these awards were granted under our 2009 Performance Incentive Plan.

The grant date reported above for the 2012 Bonus Plan Awards is the effective date of the executive's election to receive any bonus payment earned under our 2012 bonus program in shares of our common stock instead of cash. (1) For all other awards reported above, the grant date reported above is the date that the Compensation Committee approved the awards.

Under the terms of the 2012 bonus program, prior to the start of our 2012 fiscal year, the Named Executive Officers were permitted to elect to receive payment of any bonus payment earned under the program in shares of our common stock instead of cash. The number of shares payable was determined by taking the amount of the cash bonus earned divided by the closing trading price of a share of our common stock at the end of 2011, with the (2) number of shares increased to account for additional shares credited as dividend equivalents. The threshold, target and maximum bonus amounts reported above reflect the cash denominated bonus opportunity for each executive under the 2012 bonus program and not a number of shares or units. Please see the "Compensation Discussion and Analysis—2012 Annual Incentive Compensation" for a narrative discussion of the material terms of our 2012 bonus program.

(3)

For the 2012 Bonus Plan Awards, amounts reported represent the value of the shares of common stock received by the Named Executive Officers as payment for the bonuses earned under the 2012 bonus program based on the closing price on the date the 2012 annual bonuses were paid. For all other awards reported above, amounts reported reflect the aggregate grant date fair value of these awards computed in accordance with FASB ASC Topic 718 based on the

assumptions and methodologies referenced in footnote (1) of the “Summary Compensation Table,” and, in the case of the FFO Units, the probable outcome of the applicable performance conditions. Unlike for the 2012 Bonus Plan Awards, the amounts reported for these awards do not reflect whether the Named Executive Officer has actually realized or will realize a financial benefit from the awards (such as by vesting in an award).

Description of Equity Awards

During 2012, we granted each Named Executive Officer 2012 and 2013 annual equity awards in the form of Time-Based Units, FFO Units and TSR Units. We also granted Mr. Matros performance-based base salary stock unit awards for 2012 and 2013. Each stock unit subject to an award of Time-Based Units, FFO Units, TSR Units and base salary units represents the contractual right to receive one share of Sabra’s common stock. All of these awards were granted under our 2009 Performance Incentive Plan, and the awards are all subject to the terms of the 2009 Performance Incentive Plan. Certain of the terms of these awards are briefly described below.

Vesting Terms for Time-Based Units. Subject to the executive’s continued employment, each executive’s 2012 Time-Based Units vest in equal annual installments over a period of four years following the grant date. Each executive’s 2013 Time-Based Units also become vested in equal annual installments over a period of four years, with installments vesting on December 31 in each of 2013, 2014, 2015 and 2016.

Vesting Terms for FFO Units. Each executive’s 2012 FFO Units become vested based on our FFO performance for the calendar year 2014 relative to a target FFO amount for that year established by the Compensation Committee. Similarly, each executive’s 2013 FFO Units become vested based on our FFO performance for the calendar year 2015 relative to a target FFO amount for that year established by the Compensation Committee. We believe the targeted FFO levels for both 2014 and 2015 are reasonably attainable if we are successful in executing our operating plan and increasing our FFO performance over the next three years. 100% of each executive’s target number of 2012 and 2013 FFO Units will become vested if we achieve the targeted performance level. If we achieve less than 75% of the targeted performance level (the threshold level), 0% of each executive’s target number of 2012 and 2013 FFO Units will become vested, while if we achieve 125% or more of the targeted performance level (the maximum level), 200% of each executive’s target number of FFO Units will become vested. Performance between the threshold level and the targeted performance level will result in between 0% and 100% of each executive’s target number of 2012 and 2013 FFO Units becoming vested, with the percentage becoming vested generally decreasing 4% for each 1% decrease in the targeted performance level achieved (e.g., if we achieve 95% of the targeted performance level, 80% of each executive’s target number of FFO Units will become vested). Performance between the targeted performance level and the maximum level will result in between 100% and 200% of each executive’s target number of 2012 and 2013 FFO Units becoming vested, with the percentage becoming vested generally increasing 4% for each 1% increase in the targeted performance level achieved. Any 2012 or 2013 FFO Units that become eligible to vest based on our FFO performance are also subject to a vesting condition based on the executive’s continued employment through the last day of the applicable performance period.

Vesting Terms for TSR Units. Each executive’s 2012 and 2013 TSR Units become vested based on our relative total stockholder return over a three-year performance period measured against a group of TSR comparison companies. The applicable TSR comparison companies are listed in the “Compensation Discussion and Analysis” above. The performance period for the 2012 TSR Units covers calendar years 2012-2014, while the performance period for the 2013 TSR Units covers calendar years 2013-2015. 100% of each executive’s target number of 2012 and 2013 TSR Units will become vested if we achieve a total stockholder return percentile ranking at the 70th percentile relative to the applicable TSR peer companies. If our total stockholder return percentile ranking relative to the applicable TSR peer companies is less than the 30th percentile (the threshold level), 0% of each executive’s target number of 2012 and 2013 TSR Units will become vested, while if we achieve a total stockholder return percentile ranking relative to the applicable TSR peer companies at or above the 95th percentile (the maximum level), 150% of each executive’s target number of 2012 and 2013 TSR Units will become vested. (Although if we achieve a negative absolute total stockholder return over the performance period, the maximum percentage of each executive’s target number of 2012 and 2013 TSR Units eligible to become vested is in all events capped at 100%.) Performance between the threshold level and the maximum level will result in between 0% and 150% of each executive’s target number of 2012 and 2013

TSR Units becoming vested, with the vesting schedule including a steeper 2.5-1 percentage reduction for below-target performance relative to the 2-1 percentage increase for above-target performance. Any 2012 or 2013 TSR Units that become eligible to vest based on our relative stockholder return performance are also subject to a vesting condition based on the executive's continued employment through the last day of the applicable performance period.

Vesting Terms for Base Salary Units. Subject to Mr. Matros's continued employment through the vesting date, 50% of the shares subject to his 2012 base salary award were eligible to vest if we achieved at least a 15% increase in the trading price of our common stock during calendar 2012, while the remaining 50% of the shares subject to the 2012 award were only eligible to vest if we achieved at least a 25% increase in the trading price of our common stock during 2012. Both stock price appreciation hurdles were achieved at the end of 2012. Subject to Mr. Matros's continued employment through the vesting date, one-third of the shares subject to his 2013 base salary award are eligible to vest if we achieve at least a 5% increase in the trading price of our common stock during 2013, another one-third are eligible to vest if we achieve at least a 10% increase, and the final one-third are eligible to vest if we achieve at least a 15% increase in the trading price of our common stock during 2013.

Termination of Employment. Unvested Time-Based Units, FFO Units, TSR Units and base salary units will generally terminate in connection with an executive's termination of employment. However, vesting will be accelerated in connection with certain types of terminations of employment, as described in more detail in the "Potential Payments Upon Termination or Change in Control" section below.

Dividend Equivalents. The Time-Based Units, FFO Units, TSR Units and base salary units each entitle the executive to receive an additional credit of stock units having a value equal to the amount of the ordinary cash dividends paid on the shares of common stock underlying the award (e.g., dividend equivalents are reinvested in additional units). Any additional stock units credited as a dividend equivalent payment will in all cases be subject to the same vesting requirements applicable to the stock unit awards to which they relate (including the applicable performance conditions).

Section 162(m) Vesting Requirement. In order to help assure deductibility of the 2012 and 2013 Time-Based Units and FFO Units granted to the Named Executive Officers pursuant to Section 162(m) of the Code, these awards are initially subject to a performance condition before they are eligible to become vested in accordance with their terms. This performance condition for the 2012 awards required us to achieve a minimum earnings per share for the 2012 calendar year equal to \$0.50 per share, which we achieved. The 2013 awards are also subject to a requirement that we achieve a minimum earnings per share for the 2013 calendar year equal to \$0.50 per share.

Clawback. The Time-Based Units, FFO Units, TSR Units and base salary units are each subject to the terms of our recoupment, clawback or similar policy as may be in effect from time to time, and to any similar provisions of applicable law.

Outstanding Equity Awards at End of Fiscal 2012

The following table presents information regarding the outstanding equity awards held by each of our Named Executive Officers as of December 31, 2012, including the vesting dates for the portions of these awards that had not vested as of that date. For outstanding stock units that are entitled to receive dividend equivalents that are reinvested in an additional number of units that are subject to the same vesting requirements (including the applicable performance conditions) as the underlying units, the amounts reported include the additional units credited in respect of dividend equivalents.

Option Exercises and Stock Vested—Fiscal 2012

The following table provides information concerning shares of our common stock acquired by the Named Executive Officers on exercise of stock options or upon the vesting of stock awards during our 2012 fiscal year.

Name (a)	Option Awards		Stock Awards	
	Number of Shares Acquired on Exercise (#) (b)	Value Realized on Exercise \$(1) (c)	Number of Shares Acquired on Vesting (#) (d)	Value Realized on Vesting \$(1) (e)
Richard K. Matros	41,640	183,216	70,576	1,341,175
Harold W. Andrews, Jr.	—	—	10,418	187,087
Talya Nevo-Hacohen	—	—	10,418	187,087

The dollar amount shown in Column (c) above for option awards is determined by multiplying (i) the number of shares of our common stock to which the exercise of the option related, by (ii) the difference between the per-share (1) closing price of our common stock on the date of exercise and the exercise price of the options. The dollar amounts shown in Column (e) above for stock awards are determined by multiplying the number of shares subject to the stock award that vested by the per-share closing price of our common stock on the vesting date.

Potential Payments Upon Termination or Change in Control

The following section describes the benefits that may become payable to the Named Executive Officers in connection with a termination of their employment with us and/or a change in control of Sabra. These benefits are generally provided under the Named Executive Officers' employment agreements or under the terms governing outstanding equity-based awards. For each Named Executive Officer, payment of the severance benefits provided for under his or her employment agreement is conditioned upon the executive's execution and delivery of (and not revoking) a general release in favor of us. All of the benefits described below would be provided by us. Please see "Compensation Discussion and Analysis" above for a discussion of how the level of these benefits was determined.

Severance Benefits—Employment Agreements. In the event that a Named Executive Officer's employment is terminated by us without "good cause" or by the executive for "good reason" (as those terms are defined in each executive's employment agreement), each executive will be entitled to receive the following benefits under his or her employment agreement:

- a lump sum cash severance payment equal to his or her annual base salary then in effect multiplied by a severance multiplier (equal to 2.25 for Mr. Matros and 1.5 for each of Mr. Andrews and Ms. Nevo-Hacohen);
 - any accrued and unpaid bonus for any prior fiscal year;
 - a prorated bonus payment for the year in which the termination occurs based on actual performance, with any bonus earned becoming payable within seventy-four days after the completion of the year in which the executive's termination occurs; and
 - continued coverage for the executive and his or her family members under our health plans or, at the executive's option, a monthly cash payment equal to the applicable COBRA premium for such continued coverage, for up to 24 months for Mr. Matros and up to 18 months for each of Mr. Andrews and Ms. Nevo-Hacohen.
- Under the employment agreements, if a Named Executive Officer's employment is terminated by us without good cause or by the executive for good reason on or within two years following a change in control of Sabra (including a termination by us without good cause that occurs up to six months prior to a change in control at the request of the party seeking to effect the change in control), each executive will be entitled to receive the following benefits under his or her employment agreement in lieu of the benefits described above:

- a lump sum cash severance payment equal to his or her annual base salary plus target bonus for the then current year multiplied by a severance multiplier of two;
- any accrued and unpaid bonus for any prior fiscal year;
- a prorated target bonus payment for the year in which the termination occurs calculated assuming we achieve 100% of the applicable financial performance target(s), with any bonus earned becoming payable within seventy-four days after the completion of the year in which the executive's termination occurs; and
- continued coverage for the executive and his or her family members under our health plans or, at the executive's option, a monthly cash payment equal to the applicable COBRA premium for such continued coverage, for up to 24 months.

However, the benefits described above may be limited—if any payments under an executive's employment agreement or otherwise trigger the excise tax imposed by Section 4999 of the Code, payments to the executive will be reduced as provided in the agreement to a level that does not trigger the excise tax if the total after tax-benefit of such reduction exceeds the total after tax-benefit if such reduction is not made.

If a Named Executive Officer's employment terminates due to his or her death or disability, the executive will be paid any accrued and unpaid bonus for any prior fiscal year, and a prorated bonus payment for the year in which the termination occurs.

Restrictive Covenants. The employment agreements with the Named Executive Officers include each executive's agreement that he or she will not disclose any of our confidential information at any time during or after employment. In addition, each executive has agreed that, for a period of two years following a termination of employment, he or she will not solicit our employees or customers or materially interfere with any of our business relationships. Each agreement also includes mutual non-disparagement covenants by the Named Executive Officer and us. If a Named Executive Officer breaches any of these restrictive covenants, we may generally cease further payment of the executive's severance benefits and recover any severance benefits that were paid to the executive before the breach.

Accelerated Vesting – Equity Awards. Outstanding equity awards granted to the Named Executive Officers under our 2009 Performance Incentive Plan will be subject to accelerated vesting in connection with certain types of terminations of employment, as described below:

Time-Based Units. If an executive's employment terminates due to death or disability, or as a result of a termination by us without good cause or by the executive for good reason within thirty days prior to or eighteen months after a change in control of Sabra, any unvested Time-Based Units and other stock-units granted by Sabra that vest based on continued employment will become fully vested.

FFO Units. If an executive's employment terminates due to death or disability, or as a result of a termination by us without good cause or by the executive for good reason within thirty days prior to or eighteen months after a change in control of Sabra, the executive's target number of FFO Units will become fully vested.

TSR Units and 2013 Base Salary Units . If an executive's employment terminates due to death or disability, the executive's target number of TSR Units (and for Mr. Matros, his target number of 2013 base salary stock units) will become fully vested. If an executive's employment terminates as a result of a termination by us without good cause or by the executive for good reason within thirty days prior to or eighteen months after a change in control of Sabra, then any TSR Units (and for Mr. Matros, any 2013 base salary stock units) earned based on actual performance will become fully vested.

In addition, the stock options and stock units originally granted by Old Sun that were assumed by us in connection with the Separation and REIT Conversion Merger will also generally become fully vested in connection with an executive's termination of employment due to death or disability (and for options, as a result of a termination by us without good cause or by the executive for good reason), or upon a change in control of Sabra.

The following table provides information concerning the potential termination or change in control payments that would be made to each Named Executive Officer under the circumstances described above. As prescribed by the SEC's disclosure rules, in calculating the amount of any potential payments to the Named Executive Officers, we have assumed that

the applicable triggering event (i.e., termination of employment and/or change in control) occurred on December 31, 2012. In the following table, we use the term “involuntary termination” to refer to a termination by us without good cause or by the executive for good reason.

	Cash Severance \$(1)	Equity Acceleration Value \$(2)(3)(4)	Health Benefits (\$)	Total \$(5)
Richard K. Matros

Involuntary Termination in Connection With Change in Control	1,330,000	2,369,435	21,854	3,721,289

(1) None of the Named Executive Officers would have been entitled to an additional pro-rated bonus payment from us for a termination of employment occurring at the end of our 2012 fiscal year, so the pro-rated bonus-based severance provisions contained in each executive’s employment agreement would not result in any additional severance amounts for a termination occurring at year end.

(2) Based upon the closing price of our common stock (\$21.72) on December 31, 2012, which was the last trading day in 2012.

(3) In the event of a change in control, the stock options and stock units originally granted by Old Sun that were assumed by us in connection with the Separation and REIT Conversion Merger would generally become fully vested regardless of whether the executive’s employment is terminated. The value of this acceleration for Mr. Matros would have been \$801,463 for a change in control occurring on December 31, 2012.

(4) For TSR Units and the 2013 base salary stock units granted to Mr. Matros, we have assumed that the target number of units would become vested in connection with a change in control, although the actual number of TSR Units and 2013 base salary stock units (if any) that would become vested in connection with a change in control is based on actual performance, and could be higher or lower than the target number of units.

(5) We have assumed that no Named Executive Officer’s severance benefits would be “cut back” under his or her employment agreement in order to obtain the greatest after tax-benefit after giving effect to the excise tax imposed under Section 4999 of the Code. The actual severance benefits payable to the Named Executive Officers may be less than the amounts reported above as a result of the application of this “cut-back.”

EQUITY COMPENSATION PLAN INFORMATION

The following table sets forth, for each of Sabra's equity compensation plans, the number of shares of common stock subject to outstanding awards, the weighted average exercise price of outstanding options, and the number of shares remaining available for future award grants as of December 31, 2012. Sabra's equity compensation plans consist of the 2009 Plan and the 2004 Equity Incentive Plan.

Plan category	Number of securities to be issued upon exercise of outstanding options, warrants and rights (a)	Weighted average exercise price of outstanding options, warrants and rights (b)	Number of securities remaining available for future issuance under equity compensation plans (excluding securities reflected in Column (a)) (c)
Equity compensation plans approved by security holders	1,349,288 (1)(2)	\$18.97 (3)	902,647 (4)
Equity compensation plans not approved by security holders	—	—	—
Totals	1,349,288	\$18.97	902,647

Of these shares, 85,714 shares were subject to outstanding stock option awards under the 2009 Performance Incentive Plan, 277,056 shares were subject to outstanding stock option awards under the 2004 Equity Incentive Plan, 978,661 shares were subject to outstanding stock unit awards under the 2009 Performance Incentive Plan, and 7,857 shares were subject to outstanding stock unit awards under the 2004 Equity Incentive Plan.

(1) Reflects the maximum number of shares potentially issuable in connection with awards subject to performance-based vesting conditions.

(2) This weighted-average exercise price does not reflect the 986,518 shares that will be issued upon the payment of outstanding stock units.

(3) Of the aggregate number of shares that remained available for future issuance, all were available under the 2009 Plan and may be used for any type of award authorized under the 2009 Plan, including stock options, stock units, restricted stock and stock bonuses. No new awards may be granted under the 2004 Equity Incentive Plan.

For purposes of this policy, a related person is (i) any person who is, or at any time since the beginning of Sabra's last fiscal year was, an executive officer, director or director nominee of Sabra, (ii) any person who is known to be the beneficial owner of more than 5% of Sabra's common stock, (iii) any immediate family member of any of the foregoing persons, or (iv) any firm, corporation or other entity in which any of the foregoing persons is employed or is a general partner or principal or in a similar position, or in which all the related persons, in the aggregate, have a 10% or greater beneficial interest.

Under this policy, Sabra's Audit Committee is responsible for reviewing and approving or ratifying each related person transaction or proposed transaction, provided, however, that if the transaction falls within one of certain specified pre-approved categories, it shall not require review by the Audit Committee and shall be deemed to have been pre-approved by the Audit Committee. In determining whether to approve or ratify a related person transaction, the Audit Committee is required to consider all relevant facts and circumstances of the related person transaction available to the Audit Committee and to approve only those related person transactions that are in, or not inconsistent with, the best interests of Sabra and its stockholders, as the Audit Committee determines in good faith. No member of the Audit Committee is permitted to participate in any consideration of a related person transaction with respect to which that member or any of his or her immediate family is a related person.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our directors and executive officers, and persons who own more than 10% of a registered class of our equity securities, to file with the SEC reports of ownership and reports of changes in ownership of our equity securities. These persons are required by SEC regulations to furnish us with copies of all of these reports that they file. To our knowledge, based solely on our review of the copies of such reports, including any amendments thereto, furnished to us and written responses to annual directors' and officers' questionnaires that no other reports were required, all Section 16(a) reports required to be filed during 2012 were timely filed, with the exception of a Form 4 filed by Mr. Matros to report the exercise of a stock option on April 30, 2012 and a Form 4 filed by each of Messrs. Barbarosh, Ettl, Foster and Walters to report the grant of the annual equity award on June 21, 2012.

AUDIT COMMITTEE REPORT

The Audit Committee of the Board of Directors assists the Board in performing its oversight responsibilities for our financial reporting process, audit process and internal controls as more fully described in the written charter of the Audit Committee. Management has the primary responsibility for the financial statements and the reporting process, including the system of internal controls. Our independent registered public accounting firm is responsible for performing an independent audit of our consolidated financial statements and internal control over financial reporting in accordance with the auditing standards of the Public Company Accounting Oversight Board (United States) and to issue a report thereon.

In the performance of its oversight function, the Audit Committee reviewed and discussed our audited consolidated financial statements for the year ended December 31, 2012 with management and with our independent registered public accounting firm. In addition, the Audit Committee discussed with our independent registered public accounting firm the matters required to be discussed by the Statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1. AU section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T, which includes, among other items, matters related to the conduct of the audit of our financial statements. The Audit Committee has also received and reviewed the written disclosures and the letter from our independent registered public accounting firm required by the applicable requirements of the Public Company Accounting Oversight Board regarding the accounting firm's communications with the Audit Committee concerning independence and has discussed with our independent registered public accounting firm that firm's independence and considered whether the non-audit services provided by the independent registered public accounting firm are compatible with maintaining its independence.

Based on the review and discussions with management and our independent registered public accounting firm described above, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2012 filed with the SEC.

ELECTION OF DIRECTORS

(Proposal No. 1)

Nominees for Election

The Board of Directors is currently comprised of five members. Upon the recommendation of the Nominating and Governance Committee, the Board has nominated Craig A. Barbarosh, Robert A. Ettl, Michael J. Foster, Richard K. Matros and Milton J. Walters for election to the Board. All of our director nominees are currently directors of Sabra. In recommending director nominees for selection by the Board, the Nominating and Governance Committee considers a number of factors, which are described in more detail above under “Corporate Governance—Director Nomination Process.” In considering these factors, the Nominating and Governance Committee and the Board consider the fit of each individual’s skills with those of other directors to build a board of directors that is effective, collegial and responsive to the needs of our company.

Each of the nominees for election has consented to be named in this Proxy Statement and to serve as a director if elected. If any nominee becomes unavailable for any reason (which is not anticipated), your proxy may be voted for such other person or persons as may be determined by the holders of such proxies or for the balance of the nominees, leaving a vacancy, unless our Board of Directors chooses to reduce the number of directors serving on the Board of Directors. Each of the directors who are elected will serve until the next annual meeting of stockholders and until his successor is elected and qualified.

Majority Voting Standard

Our Bylaws provide for a majority voting standard for the election of directors. Under this majority voting standard, once a quorum has been established, each director nominee receiving a majority of the votes cast with respect to his or her election (that is, the number of votes cast FOR the nominee exceeds the number of votes cast AGAINST the nominee) will be elected as a director. The majority voting standard does not apply, however, in a contested election where the number of director nominees exceeds the number of directors to be elected. In such circumstances, directors will instead be elected by a plurality of the votes cast, meaning that the persons receiving the highest number of FOR votes, up to the total number of directors to be elected at the meeting, will be elected.

In the case of an uncontested election where the number of director nominees does not exceed the number of directors to be elected, if a nominee who is then serving as a director is not elected at the meeting by the requisite majority of the votes cast, under Maryland law, the director would continue to serve on the Board of Directors as a “holdover director.” To address this holdover issue, as required by our Bylaws, each director has submitted an irrevocable letter of resignation that becomes effective if the director is not elected by stockholders and the Board of Directors accepts the resignation. If a director is not elected, the Nominating and Governance Committee will consider the facts and circumstances relating to the election and the resignation and recommend to the Board of Directors, within 60 days following certification of the election results, whether the resignation should be accepted or rejected or whether other action should be taken. The Board of Directors must decide whether to accept or reject the resignation within 90 days following certification of the election results, taking into account the recommendation of the Nominating and Governance Committee, and shall publicly disclose its decision. A nominee who was not already serving as a director and is not elected at the meeting by a majority of the votes cast with respect to such director’s election will not be elected to our Board of Directors.

The election of directors at the Annual Meeting is not contested. Therefore, in accordance with the majority voting standard, director nominees will be elected at the Annual Meeting by a majority of the votes cast. Stockholders are not permitted to cumulate their shares for the purpose of electing directors.

Recommendation of the Board

Our Board of Directors recommends that you vote FOR each of the five nominees for director.

APPROVAL OF AMENDMENTS TO THE SABRA HEALTH CARE REIT, INC.
2009 PERFORMANCE INCENTIVE PLAN

(Proposal No. 2)

Introduction

In connection with the Separation and REIT Conversion Merger, we assumed Old Sun's 2009 Performance Incentive Plan and renamed it the Sabra Health Care REIT, Inc. 2009 Performance Incentive Plan (the "2009 Plan"). Because the 2009 Plan was originally adopted by Old Sun, the business criteria specified in the 2009 Plan for performance-based awards do not include typical REIT performance metrics such as funds from operations ("FFO") and adjusted funds from operations ("AFFO").

Section 162(m) of the Code generally limits the deductibility of executive compensation paid to our Named Executive Officers in any one year to \$1.0 million. An exception to this limitation applies to qualified "performance-based compensation" as defined in the U.S. Treasury regulations under Section 162(m) of the Code. This exception is referred to as the "performance-based compensation exception."

One element of the 2009 Plan is the flexibility to grant certain awards with performance-based vesting or payment requirements that are designed to satisfy the requirements of the performance-based compensation exception under Section 162(m) of the Code. These awards are referred to as "Performance-Based Awards" and are in addition to other awards, such as stock options and stock appreciation rights discussed below, which are expressly authorized under the 2009 Plan and may also qualify as performance-based compensation for Code Section 162(m) purposes.

One of the requirements under the "performance-based compensation exception" under Code Section 162(m) is shareholder approval of the plan under which the awards are granted. In the case of Performance-Based Awards, shareholders must also approve the material terms of the performance goals pursuant to which compensation is paid under the awards. We are required to obtain this approval for Performance-Based Awards at least every five years in order to enable us to claim an income tax deduction when we pay such awards. Shareholders last approved the material terms of the performance goals for Performance-Based Awards under the 2009 Plan in June 2009 when the 2009 Plan was adopted. When the 2009 Plan was adopted, we were not a publicly traded REIT, and FFO and AFFO were not included as permissible business criteria for performance goals for Code Section 162(m) purposes.

Approvals Sought

At the Annual Meeting, our stockholders will be asked to approve the amended 2009 Plan, and specifically, (1) the extension of the Performance-Based Award feature of the plan through the first annual meeting of stockholders that occurs in 2018 and (2) the material terms of the performance goals in the 2009 Plan under which Performance-Based Awards may be granted. We are not seeking to increase the number of shares authorized for issuance under the 2009 Plan. For purposes of Section 162(m) of the Code, the material terms of the performance goals include:

• The employees eligible to receive awards under the 2009 Plan. There is no change in the employees eligible to receive awards in the amended version of the 2009 Plan.

• A description of the business criteria on which the performance goal is based (performance measures). If stockholders approve this proposal, (1) the business criteria will be expanded to include both FFO and AFFO (each on an aggregate or per share basis), which are two common performance metrics used by REITs and (2) certain business criteria applicable to Old Sun's business that are not anticipated to be used by us will be removed.

The maximum compensation that can be paid to an employee under the performance goal during any specified period (individual award limits). If stockholders approve this proposal, the maximum limit on awards payable in cash granted in any one calendar year will be increased from \$3,000,000 to \$5,000,000 to provide us with additional flexibility should we ever need it in the future. The maximum limit on awards payable in shares of our common stock granted in any one calendar year has not been changed.

Stockholder approval of the extension of the Performance-Based Award feature of the plan and the material terms of the performance goals in the 2009 Plan will allow the Compensation Committee the opportunity to continue to grant Performance-Based Awards intended to qualify as "performance-based compensation" under Section 162(m) of the Code,

thereby permitting us to claim an income tax deduction for such compensation when it is paid. Approval of this proposal will constitute approval of the amended 2009 Plan, and specifically, the extension of the Performance-Based Award feature of the plan until 2018 and the material terms of the performance goals in the 2009 Plan.

As of April 1, 2013, a total of 892,749 shares of our common stock were subject to outstanding awards granted under the 2009 Plan, and an additional 589,021 shares of our common stock were available for new award grants under the 2009 Plan. As noted above, this proposal will not increase the number of shares authorized for issuance under the 2009 Plan.

If stockholders do not approve this proposal, the current terms of the Performance-Based Award feature under, and other terms and conditions of, the 2009 Plan will continue in effect. However, our authority to grant Performance-Based Awards under the 2009 Plan will expire in June 2014 and we will not be able to grant Performance-Based Awards after that date unless and until the requisite stockholder approval is obtained in accordance with the provisions of Code Section 162(m).

Summary Description of the 2009 Plan

The principal terms of the 2009 Plan, as amended, are summarized below. The following summary is qualified in its entirety by the full text of the 2009 Plan, which appears as Exhibit A to this Proxy Statement.

Purpose. The purpose of the 2009 Plan is to promote the success of the Company and the interests of our stockholders by providing an additional means for us to attract, motivate, retain and reward directors, officers, employees and other eligible persons through the grant of awards and incentives for high levels of individual performance and improved financial performance of the Company. Equity-based awards are also intended to further align the interests of award recipients and our stockholders.

Administration. Our Board of Directors or one or more committees appointed by our Board of Directors will administer the 2009 Plan. Our Board of Directors has delegated general administrative authority for the 2009 Plan to the Compensation Committee. A committee may delegate some or all of its authority with respect to the 2009 Plan to another committee of directors, and certain limited authority to grant awards to employees may be delegated to one or more officers of the Company. (The appropriate acting body, be it the Board of Directors, a committee within its delegated authority, or an officer within his or her delegated authority, is referred to in this proposal as the “Administrator”).

The Administrator has broad authority under the 2009 Plan with respect to award grants including, without limitation, the authority:

- to select participants and determine the type(s) of award(s) that they are to receive;
- to determine the number of shares that are to be subject to awards and the terms and conditions of awards, including the price (if any) to be paid for the shares or the award;
- to cancel, modify, or waive the Company’s rights with respect to, or modify, discontinue, suspend, or terminate any or all outstanding awards, subject to any required consents;
- to accelerate or extend the vesting or exercisability or extend the term of any or all outstanding awards; subject to the other provisions of the 2009 Plan, to make certain adjustments to an outstanding award and to authorize the conversion, succession or substitution of an award; and
- to allow the purchase price of an award or shares of the Company’s common stock to be paid in the form of cash, check, or electronic funds transfer, by the delivery of already-owned shares of the Company’s common stock or by a reduction of the number of shares deliverable pursuant to the award, by services rendered by the recipient of the award, by notice and third party payment or cashless exercise on such terms as the Administrator may authorize, or any other form permitted by law.

No Repricing. In no case (except due to an adjustment to reflect a stock split or other event referred to under “Adjustments” below, or any repricing that may be approved by stockholders) will the Administrator (1) amend an outstanding stock option or stock appreciation right to reduce the exercise price or base price of the award, (2) cancel, exchange, or surrender an outstanding stock option or stock appreciation right in exchange for cash or other awards for the purpose of repricing the award, or (3) cancel, exchange, or surrender an outstanding stock option or stock appreciation right in exchange

for an option or stock appreciation right with an exercise or base price that is less than the exercise or base price of the original award.

Eligibility. Persons eligible to receive awards under the 2009 Plan include officers or employees of the Company or any of its subsidiaries, directors of the Company, and certain consultants and advisors to the Company or any of its subsidiaries. Currently, our 8 officers and employees (including all of the Named Executive Officers) and each of our 4 non-employee directors are considered eligible under the 2009 Plan.

Authorized Shares; Limits on Awards. Including shares subject to or previously issued in respect of awards granted under the 2009 Plan, the maximum number of shares of the Company's common stock that may be issued or transferred pursuant to awards under the 2009 Plan equals the sum of: (1) 1,733,333 shares, plus (2) the number of any shares subject to stock options and stock appreciation rights granted under either the Company's 2004 Equity Incentive Plan or the Company's former 2002 Non-Employee Director Equity Incentive Plan (the "Director Plan") and outstanding on December 31, 2008 which expire, or for any reason are cancelled or terminated, after that date without being exercised, plus (3) 1.25 times the number of any shares subject to restricted stock and restricted stock unit awards granted under the Company's 2004 Equity Incentive Plan that were outstanding and unvested as of December 31, 2008 which are forfeited, terminated, cancelled, or otherwise reacquired after that date without having become vested. This proposal will not increase the number of shares authorized for issuance under the 2009 Plan.

Shares issued in respect of any "full-value award" granted under the 2009 Plan will be counted against the share limit described in the preceding paragraph as 1.25 shares for every one share actually issued in connection with the award. For example, if the Company granted 100 shares of its common stock under the 2009 Plan, 125 shares would be charged against the share limit with respect to that award. For this purpose, a "full-value award" generally means any award granted under the plan other than a stock option or stock appreciation right.

The following other limits are also contained in the 2009 Plan:

• The maximum number of shares that may be delivered pursuant to options qualified as incentive stock options granted under the plan is 1,733,333 shares.

• The maximum number of shares subject to those options and stock appreciation rights that are granted during any calendar year to any individual under the plan is 333,333 shares.

In the case of awards related to shares (and in addition to options and stock appreciation rights which are subject to the limit referred to above), Performance-Based Awards granted to a participant in any one calendar year will not provide for payment of more than 333,333 shares. This limit has not been changed in the amended version of the 2009 Plan.

If stockholders approve this proposal, in the case of awards payable only in cash and not related to shares, Performance-Based Awards granted to a participant in any one calendar year will not provide for payment of more than \$5,000,000.

To the extent that an award is settled in cash or a form other than shares, the shares that would have been delivered had there been no such cash or other settlement will not be counted against the shares available for issuance under the 2009 Plan. In the event that shares are delivered in respect of a dividend equivalent right, only the actual number of shares delivered with respect to the award shall be counted against the share limits of the 2009 Plan (with the actual number of shares determined after giving effect to the 1.25 to 1 "full-value award" counting ratio described above). To the extent that shares are delivered pursuant to the exercise of a stock appreciation right or stock option, the number of underlying shares as to which the exercise related shall be counted against the applicable share limits, as opposed to only counting the shares actually issued. (For purposes of clarity, if a stock appreciation right relates to 100,000 shares and is exercised at a time when the payment due to the participant is 15,000 shares, 100,000 shares shall be charged against the applicable share limits with respect to such exercise.) Shares that are subject to or underlie awards which expire or for any reason are cancelled or terminated, are forfeited, fail to vest, or for any other reason are not paid or delivered under the 2009 Plan will again be available for subsequent awards under the 2009 Plan. Shares that are exchanged by a participant or withheld by the Company to pay the exercise price of an award granted under the 2009 Plan, as well as any shares exchanged or withheld to satisfy the tax withholding obligations related to any award, will not be available for subsequent awards under the 2009 Plan. In addition, the 2009 Plan generally provides that shares issued in connection with awards that are granted by or become obligations of the Company through the assumption of awards (or in substitution for awards) in connection with an acquisition of another company will not count against

the shares

47

available for issuance under the 2009 Plan. The Company may not increase the applicable share limits of the 2009 Plan by repurchasing shares of common stock on the market (by using cash received through the exercise of stock options or otherwise).

Types of Awards. The 2009 Plan authorizes stock options, stock appreciation rights, restricted stock, stock bonuses, stock units and other forms of awards granted or denominated in the Company's common stock or units of the Company's common stock, as well as cash bonus awards. The 2009 Plan retains flexibility to offer competitive incentives and to tailor benefits to specific needs and circumstances. Any award may be paid or settled in cash.

A stock option is the right to purchase shares of the Company's common stock at a future date at a specified price per share (the "exercise price"). The per share exercise price of an option generally may not be less than the fair market value of a share of the Company's common stock on the date of grant. The maximum term of an option is seven years from the date of grant. An option may either be an incentive stock option or a nonqualified stock option. Incentive stock option benefits are taxed differently from nonqualified stock options, as described under "Federal Income Tax Consequences of Awards Under the 2009 Plan" below. Incentive stock options are also subject to more restrictive terms and are limited in amount by the Code and the 2009 Plan. Incentive stock options may only be granted to employees of the Company or a subsidiary. The Company's outstanding options generally may not be transferred to third parties for value and do not include dividend equivalent rights.

A stock appreciation right is the right to receive payment of an amount equal to the excess of the fair market value of a share of the Company's common stock on the date of exercise of the stock appreciation right over the base price of the stock appreciation right. The base price will be established by the Administrator at the time of grant of the stock appreciation right and generally may not be less than the fair market value of a share of the Company's common stock on the date of grant. Stock appreciation rights may be granted in connection with other awards or independently. The maximum term of a stock appreciation right is seven years from the date of grant.

The other types of awards that may be granted under the 2009 Plan include, without limitation, stock bonuses, restricted stock, performance stock, stock units, phantom stock, dividend equivalents, or similar rights to purchase or acquire shares, and cash awards.

Performance-Based Awards. The Administrator may grant Performance-Based Awards that are intended to satisfy the requirements of the performance-based compensation exception under Section 162(m) of the Code.

Performance-Based Awards are in addition to any of the other types of awards that may be granted under the 2009 Plan (including options and stock appreciation rights which may also qualify as performance-based awards for Section 162(m) purposes). Performance-Based Awards may be in the form of restricted stock, performance stock, stock units, other rights, or cash bonus opportunities.

The vesting or payment of Performance-Based Awards (other than options or stock appreciation rights) will depend on the absolute or relative performance of the Company on a consolidated, subsidiary, segment, division, or business unit basis. The Administrator will establish the criterion or criteria and target(s) on which performance will be measured. The Administrator must establish criteria and targets in advance of applicable deadlines under the Code and while the attainment of the performance targets remains substantially uncertain. The criteria that the Administrator may use for this purpose will include one or more of the following: earnings per share; cash flow (which means cash and cash equivalents derived from either net cash flow from operations or net cash flow from operations, financing and investing activities); stock price; total stockholder return; gross revenue; revenue growth; operating income (before or after taxes); net earnings (before or after interest, taxes, depreciation and/or amortization); return on equity or on assets or on net investment; net revenue growth; market share; planning accuracy (as measured by comparing planned results to actual results); net revenue; earnings before interest, taxes, depreciation, amortization (EBITDA); pre- or after-tax income (before or after allocation of corporate overhead and bonus); appreciation in and/or maintenance of the price of our common stock or any other publicly-traded securities of the Company; gross profits; economic value-added models or equivalent metrics; comparisons with various stock market indices; cash flow per share (before or after dividends); return on capital (including return on total capital or return on invested capital); cash flow return on investment; stockholder equity; strategic partnerships or transactions financial ratios, including those measuring liquidity, activity, profitability or leverage; cost of capital or assets under management; financing and other capital raising transactions (including sales of the Company's equity or debt securities); implementation, completion or attainment of measurable objectives with respect to acquisitions and divestitures and recruiting and maintaining

personnel; or any combination thereof. In addition, if stockholders approve this proposal, the criteria will also include FFO and AFFO (each on aggregate or per share basis). The performance measurement period with respect to an award may range from three months to ten years. The terms of the Performance-Based Award may specify the manner, if any, in which the performance targets will be adjusted to mitigate the unbudgeted impact of material, unusual or nonrecurring gains and losses, accounting changes or other

48

extraordinary events not foreseen at the time the targets were set unless the Administrator provides otherwise at the time of establishing the targets.

Performance-Based Awards may be paid in stock or in cash (in either case, subject to the limits described under the heading “Authorized Shares; Limits on Awards” above). Before any Performance-Based Award (other than an option or stock appreciation right) is paid, the Administrator must certify that the performance target or targets have been satisfied. The Administrator has discretion to determine the performance target or targets and any other restrictions or other limitations of Performance-Based Awards and may reserve discretion to reduce payments below maximum award limits.

Deferrals. The Administrator may provide for the deferred payment of awards, and may determine the other terms applicable to deferrals.

Assumption and Termination of Awards. Generally, and subject to limited exceptions set forth in the 2009 Plan, if the Company dissolves or undergoes certain corporate transactions such as a merger, business combination, or other reorganization, or a sale of substantially all of its assets, all awards then-outstanding under the 2009 Plan will become fully vested or paid, as applicable, and will terminate or be terminated in such circumstances, unless the Administrator provides for the assumption, substitution or other continuation of the award. The Administrator also has the discretion to establish other change in control provisions with respect to awards granted under the 2009 Plan. For example, the Administrator could provide for the acceleration of vesting or payment of an award in connection with a corporate event that is not described above and provide that any such acceleration shall be automatic upon the occurrence of any such event.

Transfer Restrictions. Subject to certain exceptions contained in Section 5.7 of the 2009 Plan, awards under the 2009 Plan generally are not transferable by the recipient other than by will or the laws of descent and distribution and are generally exercisable, during the recipient’s lifetime, only by the recipient. Any amounts payable or shares issuable pursuant to an award generally will be paid only to the recipient or the recipient’s beneficiary or representative. The Administrator has discretion, however, to establish written conditions and procedures for the transfer of awards to other persons or entities, provided that such transfers comply with applicable federal and state securities laws and are not made for value (other than nominal consideration, settlement of marital property rights, or for interests in an entity in which more than 50% of the voting securities are held by the award recipient or by the recipient’s family members).

Adjustments. As is customary in incentive plans of this nature, each share limit and the number and kind of shares available under the 2009 Plan and any outstanding awards, as well as the exercise or purchase prices of awards, and performance targets under certain types of performance-based awards, are subject to adjustment in the event of certain reorganizations, mergers, combinations, recapitalizations, stock splits, stock dividends, or other similar events that change the number or kind of shares outstanding, and extraordinary dividends or distributions of property to the stockholders.

No Limit on Other Authority. The 2009 Plan does not limit the authority of the Board of Directors or any committee to grant awards or authorize any other compensation, with or without reference to the Company’s common stock, under any other plan or authority.

Termination of or Changes to the 2009 Plan. The Board of Directors may amend or terminate the 2009 Plan at any time and in any manner. Stockholder approval for an amendment will be required only to the extent then required by applicable law or any applicable listing agency or required under Sections 162, 422 or 424 of the Code to preserve the intended tax consequences of the plan. Unless terminated earlier by the Board of Directors, the authority to grant new awards under the 2009 Plan will terminate on March 26, 2019. Outstanding awards, as well as the Administrator’s authority with respect thereto, generally will continue following the expiration or termination of the plan. Generally speaking, outstanding awards may be amended by the Administrator (except for a repricing), but the consent of the award holder is required if the amendment (or any plan amendment) materially and adversely affects the holder.

Federal Income Tax Consequences of Awards under the 2009 Plan

The U.S. federal income tax consequences of the 2009 Plan under current federal law, which is subject to change, are summarized in the following discussion of the general tax principles applicable to the 2009 Plan. This summary is not intended to be exhaustive and, among other considerations, does not describe the deferred compensation provisions of Section 409A of the Code to the extent an award is subject to and does not satisfy those rules, nor does it describe state, local, or international tax consequences.

With respect to nonqualified stock options, the company is generally entitled to deduct and the participant recognizes taxable income in an amount equal to the difference between the option exercise price and the fair market value of the shares at the time of exercise. With respect to incentive stock options, the company is generally not entitled to a deduction nor does the participant recognize income at the time of exercise, although the participant may be subject to the U.S. federal alternative minimum tax.

The current federal income tax consequences of other awards authorized under the 2009 Plan generally follow certain basic patterns: nontransferable restricted stock subject to a substantial risk of forfeiture results in income recognition equal to the excess of the fair market value over the price paid (if any) only at the time the restrictions lapse (unless the recipient elects to accelerate recognition as of the date of grant); bonuses, stock appreciation rights, cash and stock-based performance awards, dividend equivalents, stock units, and other types of awards are generally subject to tax at the time of payment; and compensation otherwise effectively deferred is taxed when paid. In each of the foregoing cases, the company will generally have a corresponding deduction at the time the participant recognizes income.

If an award is accelerated under the 2009 Plan in connection with a “change in control” (as this term is used under the Code), the company may not be permitted to deduct the portion of the compensation attributable to the acceleration (“parachute payments”) if it exceeds certain threshold limits under the Code (and certain related excise taxes may be triggered).

Furthermore, as described above, Section 162(m) of the Code generally limits the deductibility of executive compensation paid to our Named Executive Officers in any one year to \$1.0 million. As outlined above, an exception to this limitation applies to qualified “performance-based compensation” that satisfies the requirements of the “performance-based compensation exception.” The Compensation Committee may designate certain awards under the 2009 Plan as intended to qualify as performance-based compensation for purposes of Code Section 162(m). One of the requirements for Performance-Based Awards to satisfy the “performance-based compensation exception” under Code Section 162(m) is that the material terms of the performance goals under the 2009 Plan must be approved by the Company’s stockholders at least every five years. As described above, if stockholders approve this proposal, the Performance-Based Award feature of the 2009 Plan will be extended through the first annual meeting of the Company’s stockholders that occurs in 2018.

Specific Benefits under the 2009 Plan

The Company has not approved any awards that are conditioned upon stockholder approval of the proposed amendments to the 2009 Plan. The Company is not currently considering any other specific award grants under the 2009 Plan. If the amendments reflected in this proposal had been in existence in fiscal 2012, the Company expects that its award grants for fiscal 2012 would not have been substantially different from those actually made in that year under the 2009 Plan. For information regarding stock-based awards granted to the Company’s Named Executive Officers during fiscal 2012, see the material under the heading “Executive Compensation” above.

The total number of shares of our common stock issued and outstanding as of April 1, 2013 was 37,333,801 shares. The closing market price for a share of the Company’s common stock as of April 1, 2013 was \$28.90 per share.

Aggregate Past Grants under the 2009 Plan

As of April 1, 2013, awards covering 1,407,082 shares of our common stock had been granted under the 2009 Plan following the Separation and REIT Conversion Merger. The following table shows information regarding (1) the distribution of those awards among the persons and groups identified below, (2) stock units that have vested and become payable prior to that date and (3) stock units that are outstanding as of that date. For purposes of this table, outstanding stock units that are subject to performance-based vesting conditions are reflected at the maximum payout level.

Recommendation of the Board

Our Board of Directors recommends that you vote FOR approval of the proposed amendments to the 2009 Plan as described above.

All members of our Board of Directors and all of our executive officers are eligible for awards under the 2009 Plan and therefore have a personal interest in the approval of this proposal.

**RATIFICATION OF APPOINTMENT OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

(Proposal No. 3)

The Audit Committee has appointed PwC to serve as our independent registered public accounting firm for the fiscal year ending December 31, 2013. We are not required by our Bylaws or applicable law to submit the appointment of PwC for stockholder approval. However, as a matter of good corporate governance, the Board of Directors has determined to submit the Audit Committee's appointment of PwC as our independent registered public accounting firm to stockholders for ratification. If stockholders do not ratify the appointment of PwC, the Audit Committee will consider the appointment of another independent registered public accounting firm. In addition, even if stockholders ratify the Audit Committee's selection, the Audit Committee, in its discretion, may still appoint a different independent registered public accounting firm if it believes that such a change would be in the best interests of Sabra and its stockholders.

A representative of PwC is expected to attend the Annual Meeting. The representative will have the opportunity to make a statement if he or she desires to do so, and is expected to be available to answer appropriate questions.

Recommendation of the Board

Our Board of Directors recommends that you vote FOR ratification of the appointment of PwC as Sabra's independent registered public accounting firm for the fiscal year ending December 31, 2013.

ADVISORY APPROVAL OF EXECUTIVE OFFICER COMPENSATION

(Proposal No. 4)

Sabra is providing its stockholders with the opportunity to cast a non-binding, advisory vote on the compensation of our Named Executive Officers as disclosed pursuant to the SEC's executive compensation disclosure rules and set forth in this Proxy Statement (including in the compensation tables and narratives accompanying those tables as well as in the Compensation Discussion and Analysis).

Our executive compensation program is approved by the Compensation Committee, which consists entirely of independent directors. The Compensation Committee originally implemented our executive compensation program in late 2010 following our separation from Old Sun when we became a separate publicly traded REIT. During both 2012 and 2011, we retained substantially the same executive compensation program that we implemented in late 2010. We believe the votes cast on our say-on-pay proposals at our 2012 and 2011 annual meetings of stockholders, where stockholders supported our say-on-pay proposals by 95.3% and 98.5% of the votes cast, respectively, affirm our stockholders' support for this program.

As described in our Compensation Discussion and Analysis, the cornerstone of Sabra's executive compensation program continues to be the long-term equity award program that was established by the Compensation Committee following our becoming a separate publicly traded REIT. Annual equity awards under the program vest based on performance over three full fiscal years and are payable in shares of our common stock that may increase or decrease in value during the performance period. The vesting of 2/3 of each Named Executive Officer's annual equity award is contingent upon company performance in addition to the vesting being contingent on continued employment. There is no minimum vesting for the performance-based awards (i.e., all of the awards will be forfeited if minimum performance is not achieved), and the maximum number of awards that may be earned based on performance is capped.

In addition to our long-term equity award program, we established an annual incentive bonus program for 2012. Bonuses earned under the program by the Named Executive Officers were paid in shares of our common stock instead of cash, and were tied to the increase or decrease in the trading price of our common stock during 2012.

In accordance with the requirements of Section 14A of the Exchange Act and the related rules of the SEC, our Board of Directors will request your advisory vote on the following resolution at the Annual Meeting:

RESOLVED, that the compensation paid to the Named Executive Officers, as disclosed in this Proxy Statement pursuant to the SEC's executive compensation disclosure rules (which disclosure includes the Compensation Discussion and Analysis, the compensation tables and the narrative discussion that accompanies the compensation tables), is hereby approved.

This proposal on the compensation paid to our Named Executive Officers is advisory only and will not be binding on Sabra, the Board of Directors or the Compensation Committee, and will not be construed as overruling a decision by, or creating or implying any additional fiduciary duty for, Sabra, the Board of Directors or the Compensation Committee. However, the Compensation Committee, which is responsible for designing and administering Sabra's executive compensation program, values the opinions expressed by stockholders in their vote on this proposal and will consider the outcome of the vote when making future compensation decisions for Named Executive Officers. Sabra's current policy is to provide stockholders with an opportunity to vote on the compensation of the Named Executive Officers each year at the annual meeting of stockholders. It is expected that the next such vote will occur at the 2014 annual meeting of stockholders.

Recommendation of the Board

Our Board of Directors recommends that you vote FOR the approval of the compensation of our Named Executive Officers, as disclosed in this Proxy Statement pursuant to the SEC's executive compensation disclosure rules.

OTHER MATTERS

As of the date of this Proxy Statement, the Board of Directors knows of no matters that will be presented for consideration at the Annual Meeting other than as described in this Proxy Statement. If any other matter properly comes before the Annual Meeting or any adjournment or postponement thereof and is voted upon, the proxyholders named in the proxies solicited by the Board of Directors will have the authority to vote all proxies received with respect to such matters in their discretion, and it is their intention to vote such proxies in accordance with the recommendation of the Board of Directors.

If a stockholder's written notice is not received between the dates specified above and does not satisfy these additional informational requirements, the notice will not be considered properly submitted and will not be acted upon at the 2014 annual meeting of stockholders. A stockholder's written notice should be sent to the attention of the Secretary, Sabra Health Care REIT, Inc., 18500 Von Karman Avenue, Suite 550, Irvine, California 92612.

SABRA HEALTH CARE REIT, INC.
2009 PERFORMANCE INCENTIVE PLAN

1. PURPOSE OF PLAN

The purpose of this Sabra Health Care REIT, Inc. 2009 Performance Incentive Plan (this “Plan”) of Sabra Health Care REIT, Inc., a Maryland corporation (the “Corporation”), is to promote the success of the Corporation and to increase stockholder value by providing an additional means through the grant of awards to attract, motivate, retain and reward selected employees and other eligible persons.

2. ELIGIBILITY

The Administrator (as such term is defined in Section 3.1) may grant awards under this Plan only to those persons that the Administrator determines to be Eligible Persons. An “Eligible Person” is any person who is either: (a) an officer (whether or not a director) or employee of the Corporation or one of its Subsidiaries; (b) a director of the Corporation or one of its Subsidiaries; or (c) an individual consultant or advisor who renders or has rendered bona fide services (other than services in connection with the offering or sale of securities of the Corporation or one of its Subsidiaries in a capital-raising transaction or as a market maker or promoter of securities of the Corporation or one of its Subsidiaries) to the Corporation or one of its Subsidiaries and who is selected to participate in this Plan by the Administrator; provided, however, that a person who is otherwise an Eligible Person under clause (c) above may participate in this Plan only if such participation would not adversely affect either the Corporation’s eligibility to use Form S-8 to register under the Securities Act of 1933, as amended (the “Securities Act”), the offering and sale of shares issuable under this Plan by the Corporation or the Corporation’s compliance with any other applicable laws. An Eligible Person who has been granted an award (a “participant”) may, if otherwise eligible, be granted additional awards if the Administrator shall so determine. As used herein, “Subsidiary” means any corporation or other entity a majority of whose outstanding voting stock or voting power is beneficially owned directly or indirectly by the Corporation; and “Board” means the Board of Directors of the Corporation.

3. PLAN ADMINISTRATION

The Administrator. This Plan shall be administered by and all awards under this Plan shall be authorized by the Administrator. The “Administrator” means the Board or one or more committees appointed by the Board or another committee (within its delegated authority) to administer all or certain aspects of this Plan. Any such committee shall be comprised solely of one or more directors or such number of directors as may be required under applicable law. A committee may delegate some or all of its authority to another committee so constituted. The Board or a committee comprised solely of directors may also delegate, to the extent permitted by the Maryland General Corporation Law and any other applicable law, to one or more officers of the Corporation, its powers under this Plan (a) to designate the officers and employees of the Corporation and its Subsidiaries who will receive grants of awards under this Plan, and (b) to determine the number of shares subject to, and the other terms and conditions of, such awards. The Board may delegate different levels of authority to different committees with administrative and grant authority under this Plan. Unless otherwise provided in the Bylaws of the Corporation or the applicable charter of any Administrator: (a) a majority of the members of the acting Administrator shall constitute a quorum, and (b) the vote of a majority of the members present assuming the presence of a quorum or the unanimous written consent of the members of the Administrator shall constitute action by the acting Administrator.

With respect to awards intended to satisfy the requirements for performance-based compensation under Section 162(m) of the Internal Revenue Code of 1986, as amended (the “Code”), this Plan shall be administered by a committee consisting solely of two or more outside directors (as this requirement is applied under Section 162(m) of the Code); provided, however, that the failure to satisfy such requirement shall not affect the validity of the action of any committee otherwise duly authorized and acting in the matter. Award grants, and transactions in or involving awards, intended to be exempt under Rule 16b-3 under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), must be duly and timely authorized by the Board or a committee consisting solely of two or more non-employee directors (as this requirement is applied under Rule 16b-3 promulgated under the Exchange Act). To the extent required by any applicable listing agency, this Plan shall be administered by a committee composed entirely of independent directors (within the meaning of the applicable listing agency).

3.2

Powers of the Administrator. Subject to the express provisions of this Plan, the Administrator is authorized and empowered to do all things necessary or desirable in connection with the authorization of awards and the

A-1

administration of this Plan (in the case of a committee or delegation to one or more officers, within the authority delegated to that committee or person(s)), including, without limitation, the authority to:

- (a) determine eligibility and, from among those persons determined to be eligible, the particular Eligible Persons who will receive an award under this Plan;
grant awards to Eligible Persons, determine the price at which securities will be offered or awarded and the number of securities to be offered or awarded to any of such persons, determine the other specific terms and conditions of such awards consistent with the express limits of this Plan, establish the installments (if any) in which such awards
- (b) shall become exercisable or shall vest (which may include, without limitation, performance and/or time-based schedules), or determine that no delayed exercisability or vesting is required, establish any applicable performance targets, and establish the events of termination or reversion of such awards;
- (c) approve the forms of award agreements (which need not be identical either as to type of award or among participants);
construe and interpret this Plan and any agreements defining the rights and obligations of the Corporation, its
- (d) Subsidiaries, and participants under this Plan, further define the terms used in this Plan, and prescribe, amend and rescind rules and regulations relating to the administration of this Plan or the awards granted under this Plan;
- (e) cancel, modify, or waive the Corporation's rights with respect to, or modify, discontinue, suspend, or terminate any or all outstanding awards, subject to any required consent under Section 8.6.5;
accelerate or extend the vesting or exercisability or extend the term of any or all such outstanding awards (in the case of options or stock appreciation rights, within the maximum seven-year term of such awards) in such
- (f) circumstances as the Administrator may deem appropriate (including, without limitation, in connection with a termination of employment or services or other events of a personal nature) subject to any required consent under Section 8.6.5;
adjust the number of shares of Common Stock subject to any award, adjust the price of any or all outstanding
- (g) awards or otherwise change previously imposed terms and conditions, in such circumstances as the Administrator may deem appropriate, in each case subject to Sections 4 and 8.6 (subject to the no repricing provision below);
determine the date of grant of an award, which may be a designated date after but not before the date of the
- (h) Administrator's action (unless otherwise designated by the Administrator, the date of grant of an award shall be the date upon which the Administrator took the action granting an award);
determine whether, and the extent to which, adjustments are required pursuant to Section 7 hereof and authorize the
- (i) termination, conversion, substitution or succession of awards upon the occurrence of an event of the type described in Section 7;
- (j) acquire or settle (subject to Sections 7 and 8.6) rights under awards in cash, stock of equivalent value, or other consideration (subject to the no repricing provision below); and
- (k) determine the fair market value of the Common Stock or awards under this Plan from time to time and/or the manner in which such value will be determined.

Notwithstanding the foregoing and except for an adjustment pursuant to Section 7.1 or a repricing approved by stockholders, in no case may the Administrator (1) amend an outstanding stock option or SAR to reduce the exercise price or base price of the award, (2) cancel, exchange, or surrender an outstanding stock option or SAR in exchange for cash or other awards for the purpose of repricing the award, or (3) cancel, exchange, or surrender an outstanding stock option or SAR in exchange for an option or SAR with an exercise or base price that is less than the exercise or base price of the original award.

Binding Determinations. Any action taken by, or inaction of, the Corporation, any Subsidiary, or the Administrator 3.3 relating or pursuant to this Plan and within its authority hereunder or under applicable law shall be within the absolute discretion of that entity or body and shall be conclusive and binding upon all

persons. Neither the Board nor any Board committee, nor any member thereof or person acting at the direction thereof, shall be liable for any act, omission, interpretation, construction or determination made in good faith in connection with this Plan (or any award made under this Plan), and all such persons shall be entitled to indemnification and reimbursement by the Corporation in respect of any claim, loss, damage or expense (including, without limitation, attorneys' fees) arising or resulting therefrom to the fullest extent permitted by law and/or under any directors and officers liability insurance coverage that may be in effect from time to time.

3.4 Reliance on Experts. In making any determination or in taking or not taking any action under this Plan, the Administrator may obtain and may rely upon the advice of experts, including employees and professional advisors to the Corporation. No director, officer or agent of the Corporation or any of its Subsidiaries shall be liable for any such action or determination taken or made or omitted in good faith.

3.5 Delegation. The Administrator may delegate ministerial, non-discretionary functions to individuals who are officers or employees of the Corporation or any of its Subsidiaries or to third parties.

4. SHARES OF COMMON STOCK SUBJECT TO THE PLAN; SHARE LIMITS

4.1 Shares Available. Subject to the provisions of Section 7.1, the capital stock that may be delivered under this Plan shall be shares of the Corporation's authorized but unissued Common Stock and any shares of its Common Stock held as treasury shares. For purposes of this Plan, "Common Stock" shall mean the common stock of the Corporation and such other securities or property as may become the subject of awards under this Plan, or may become subject to such awards, pursuant to an adjustment made under Section 7.1.

4.2 Share Limits. The maximum number of shares of Common Stock that may be delivered pursuant to awards granted to Eligible Persons under this Plan (the "Share Limit") is equal to the sum of the following:

- (1) 1,733,333 shares of Common Stock, plus the number of any shares subject to stock options and stock appreciation rights granted under the Corporation's 2004 Equity Incentive Plan (the "2004 Plan") and under the Corporation's 2002 Non-Employee Director Equity Incentive Plan (the "Director Plan") and outstanding on December 31, 2008 which expire, or for any reason are cancelled or terminated, after that date without being exercised, plus
- (2) 1.25 times the number of any shares subject to restricted stock and restricted stock unit awards granted under the 2004 Plan that are outstanding and unvested on December 31, 2008 that are forfeited, terminated, cancelled or otherwise reacquired by the Corporation without having become vested.
- (3) Shares issued in respect of any "Full-Value Award" granted under this Plan shall be counted against the foregoing Share Limit as 1.25 shares for every one share actually issued in connection with such award. (For example, if a stock bonus of 100 shares of Common Stock is granted under this Plan, 125 shares shall be charged against the Share Limit in connection with that award.) For this purpose, a "Full-Value Award" means any award under this Plan that is not a stock option grant or a stock appreciation right grant.

Awards granted under the 2004 Plan after December 31, 2008 and prior to the termination of award grant authority under that plan shall count against the Share Limit as though such awards had been granted under this Plan. The following limits also apply with respect to awards granted under this Plan:

- (a) The maximum number of shares of Common Stock that may be delivered pursuant to options qualified as incentive stock options granted under this Plan is 1,733,333 shares.
- (b) The maximum number of shares of Common Stock subject to those options and stock appreciation rights that are granted during any calendar year to any individual under this Plan is 333,333 shares.
- (c) Additional limits with respect to Performance-Based Awards are set forth in Section 5.2.3.

Each of the foregoing numerical limits is subject to adjustment as contemplated by Section 4.3, Section 7.1, and Section 8.10.

Awards Settled in Cash, Reissue of Awards and Shares. To the extent that an award granted under this Plan is settled in cash or a form other than shares of Common Stock, the shares that would have been delivered had there been no such cash or other settlement shall not be counted against the shares available for issuance under this Plan. In the event that shares of Common Stock are delivered in respect of a dividend equivalent right granted under this Plan, the actual number of shares delivered with respect to the award shall be counted against the share limits of this Plan (including, for purposes of clarity, the limits of Section 4.2 of this Plan). (For purposes of clarity, if 1,000 dividend equivalent rights are granted and outstanding when the Corporation pays a dividend, and 50 shares are delivered in payment of those rights with respect to that dividend, 50 shares shall be counted against the share limits of this Plan). To the extent that shares of Common Stock are delivered pursuant to the exercise of a stock appreciation right or stock option granted under this Plan, the number of underlying shares as to which the exercise related shall be counted against the applicable share limits under Section 4.2, as opposed to only counting the 4.3 shares actually issued. (For purposes of clarity, if a stock appreciation right relates to 100,000 shares and is exercised at a time when the payment due to the participant is 15,000 shares, 100,000 shares shall be charged against the applicable share limits under Section 4.2 with respect to such exercise.) Shares that are subject to or underlie awards granted under this Plan which expire or for any reason are cancelled or terminated, are forfeited, fail to vest, or for any other reason are not paid or delivered under this Plan shall again be available for subsequent awards under this Plan. Shares that are exchanged by a participant or withheld by the Corporation as full or partial payment in connection with any award under this Plan, as well as any shares exchanged by a participant or withheld by the Corporation or one of its Subsidiaries to satisfy the tax withholding obligations related to any award, shall not be available for subsequent awards under this Plan. Refer to Section 8.10 for application of the foregoing share limits with respect to assumed awards. The foregoing adjustments to the share limits of this Plan are subject to any applicable limitations under Section 162(m) of the Code with respect to awards intended as performance-based compensation thereunder.

Reservation of Shares; No Fractional Shares; Minimum Issue. The Corporation shall at all times reserve a number of shares of Common Stock sufficient to cover the Corporation's obligations and contingent obligations to deliver shares with respect to awards then outstanding under this Plan (exclusive of any dividend equivalent obligations to the extent the Corporation has the right to settle such rights in cash). No fractional shares shall be delivered under this Plan. The Administrator may pay cash in lieu of any fractional shares in settlements of awards under this Plan. No fewer than 100 shares may be purchased on exercise of any award (or, in the case of stock appreciation or purchase rights, no fewer than 100 rights may be exercised at any one time) unless the total number purchased or exercised is the total number at the time available for purchase or exercise under the award.

5. AWARDS

Type and Form of Awards. The Administrator shall determine the type or types of award(s) to be made to each selected Eligible Person. Awards may be granted singly, in combination or in tandem. Awards also may be made 5.1 in combination or in tandem with, in replacement of, as alternatives to, or as the payment form for grants or rights under any other employee or compensation plan of the Corporation or one of its Subsidiaries. The types of awards that may be granted under this Plan are (subject, in each case, to the no repricing provisions of Section 3.2):

Stock Options. A stock option is the grant of a right to purchase a specified number of shares of Common Stock during a specified period as determined by the Administrator. An option may be intended as an incentive stock option within the meaning of Section 422 of the Code (an "ISO") or a nonqualified stock option (an option not intended to be an ISO). The award agreement for an option will indicate if the option is intended as an ISO; 5.1.1 otherwise it will be deemed to be a nonqualified stock option. The maximum term of each option (ISO or nonqualified) shall be seven (7) years. The per share exercise price for each option shall be not less than 100% of the fair market value of a share of Common Stock on the date of grant of the option. When an option is exercised, the exercise price for the shares to be purchased shall be paid in full in cash or such other method permitted by the Administrator consistent with Section 5.5.

Additional Rules Applicable to ISOs. To the extent that the aggregate fair market value (determined at the time of grant of the applicable option) of stock with respect to which ISOs first become exercisable by a participant in any calendar year exceeds \$100,000, taking into account both Common Stock subject to ISOs under this Plan and stock subject to ISOs under all other plans of the Corporation or one of its Subsidiaries (or any parent or predecessor corporation to the extent required by and within the meaning of Section 422 of the Code and the regulations promulgated thereunder), such options shall be treated as nonqualified stock options. In reducing the number of options treated as ISOs to meet the \$100,000 limit, the most recently granted options shall be reduced first. To the extent a reduction of simultaneously granted options is necessary to meet the \$100,000 limit, the Administrator may, in the manner and to the extent permitted by law, designate which shares of Common Stock are to be treated as shares acquired pursuant to the exercise of an ISO. ISOs may only be granted to employees of

5.1.2 the Corporation or one of its subsidiaries (for this purpose, the term “subsidiary” is used as defined in Section 424(f) of the Code, which generally requires an unbroken chain of ownership of at least 50% of the total combined voting power of all classes of stock of each subsidiary in the chain beginning with the Corporation and ending with the subsidiary in question). There shall be imposed in any award agreement relating to ISOs such other terms and conditions as from time to time are required in order that the option be an “incentive stock option” as that term is defined in Section 422 of the Code. No ISO may be granted to any person who, at the time the option is granted, owns (or is deemed to own under Section 424(d) of the Code) shares of outstanding Common Stock possessing more than 10% of the total combined voting power of all classes of stock of the Corporation, unless the exercise price of such option is at least 110% of the fair market value of the stock subject to the option and such option by its terms is not exercisable after the expiration of five years from the date such option is granted.

Stock Appreciation Rights. A stock appreciation right or “SAR” is a right to receive a payment, in cash and/or Common Stock, equal to the excess of the fair market value of a specified number of shares of Common Stock

5.1.3 on the date the SAR is exercised over the “base price” of the award, which base price shall be set forth in the applicable award agreement and shall be not less than 100% of the fair market value of a share of Common Stock on the date of grant of the SAR. The maximum term of a SAR shall be seven (7) years.

Other Awards. The other types of awards that may be granted under this Plan include: (a) stock bonuses, restricted stock, performance stock, stock units, phantom stock, dividend equivalents, or similar rights to purchase or acquire shares, whether at a fixed or variable price or ratio related to the Common Stock, upon the

5.1.4 passage of time, the occurrence of one or more events, or the satisfaction of performance criteria or other conditions, or any combination thereof; (b) any similar securities with a value derived from the value of or related to the Common Stock and/or returns thereon; or (c) cash awards.

Section 162(m) Performance-Based Awards. Without limiting the generality of the foregoing, any of the types of awards listed in Section 5.1.4 above may be, and options and SARs granted to officers and employees (“Qualifying Options” and “Qualifying SARs,” respectively) typically will be, granted as awards intended to satisfy the requirements for “performance-based compensation” within the meaning of Section 162(m) of the Code (“Performance-Based Awards”). The grant, vesting, exercisability or payment of Performance-Based Awards may depend (or, in the case of Qualifying Options or Qualifying SARs, may also depend) on the degree of achievement

5.2 of one or more performance goals relative to a pre-established targeted level or levels using one or more of the Business Criteria set forth below (on an absolute basis or relative to the performance of other companies or upon comparisons of any of the indicators of performance relative to other companies) for the Corporation on a consolidated basis or for one or more of the Corporation’s subsidiaries, segments, divisions or business units, or any combination of the foregoing. Any Qualifying Option or Qualifying SAR shall be subject only to the requirements of Section 5.2.1 and 5.2.3 in order for such award to satisfy the requirements for “performance-based compensation” under Section 162(m) of the Code. Any other Performance-Based Award shall be subject to all of the following provisions of this Section 5.2.

Class; Administrator. The eligible class of persons for Performance-Based Awards under this Section 5.2 shall be

5.2.1 officers and employees of the Corporation or one of its Subsidiaries. The Administrator approving Performance-Based Awards or making any certification required pursuant

A-5

to Section 5.2.4 must be constituted as provided in Section 3.1 for awards that are intended as performance-based compensation under Section 162(m) of the Code.

5.2.2 Performance Goals. The specific performance goals for Performance-Based Awards (other than Qualifying Options and Qualifying SARs) shall be, on an absolute or relative basis, established based on one or more of the following business criteria (“Business Criteria”) as selected by the Administrator in its sole discretion: earnings per share; cash flow (which means cash and cash equivalents derived from either net cash flow from operations or net cash flow from operations, financing and investing activities); stock price; total stockholder return; gross revenue; revenue growth; operating income (before or after taxes); net earnings (before or after interest, taxes, depreciation and/or amortization); return on equity or on assets or on net investment; net revenue growth; market share; planning accuracy (as measured by comparing planned results to actual results); net revenue; earnings before interest, taxes, depreciation, amortization (EBITDA); pre- or after-tax income (before or after allocation of corporate overhead and bonus); appreciation in and/or maintenance of the price of the Common Stock or any other publicly-traded securities of the Corporation; gross profits; economic value-added models or equivalent metrics; comparisons with various stock market indices; cash flow per share (before or after dividends); return on capital (including return on total capital or return on invested capital); cash flow return on investment; stockholder equity; strategic partnerships or transactions; financial ratios, including those measuring liquidity, activity, profitability or leverage; cost of capital or assets under management; financing and other capital raising transactions (including sales of the Corporation’s equity or debt securities); implementation, completion or attainment of measurable objectives with respect to acquisitions and divestitures and recruiting and maintaining personnel; funds from operations or adjusted funds from operations (each on an aggregate or per share basis); or any combination thereof. These terms are used as applied under generally accepted accounting principles or in the financial reporting of the Corporation or of its Subsidiaries. To qualify awards as performance-based under Section 162(m), the applicable Business Criterion (or Business Criteria, as the case may be) and specific performance goal or goals (“targets”) must be established and approved by the Administrator during the first 90 days of the performance period (and, in the case of performance periods of less than one year, in no event after 25% or more of the performance period has elapsed) and while performance relating to such target(s) remains substantially uncertain within the meaning of Section 162(m) of the Code. The terms of the Performance-Based Award may specify the manner, if any, in which performance targets shall be adjusted to mitigate the unbudgeted impact of material, unusual or nonrecurring gains and losses, accounting changes or other extraordinary events not foreseen at the time the targets were set unless the Administrator provides otherwise at the time of establishing the targets. The applicable performance measurement period may not be less than three months nor more than 10 years.

5.2.3 Form of Payment; Maximum Performance-Based Award. Grants or awards under this Section 5.2 may be paid in cash or shares of Common Stock or any combination thereof. Grants of Qualifying Options and Qualifying SARs to any one participant in any one calendar year shall be subject to the limit set forth in Section 4.2(b). The maximum number of shares of Common Stock which may be delivered pursuant to Performance-Based Awards (other than Qualifying Options and Qualifying SARs, and other than cash awards covered by the following sentence) that are granted to any one participant in any one calendar year shall not exceed 333,333 shares, either individually or in the aggregate, subject to adjustment as provided in Section 7.1. In addition, the aggregate amount of compensation to be paid to any one participant in respect of all Performance-Based Awards payable only in cash and not related to shares of Common Stock and granted to that participant in any one calendar year shall not exceed \$5,000,000. Awards that are cancelled during the year shall be counted against these limits to the extent required by Section 162(m) of the Code.

5.2.4 Certification of Payment. Before any Performance-Based Award under this Section 5.2 (other than Qualifying Options and Qualifying SARs) is paid and to the extent required to qualify the award as performance-based compensation within the meaning of Section 162(m) of the Code, the Administrator must certify in writing that the performance target(s) and any other material terms of the Performance-Based Award were in fact timely satisfied.

- 5.2.5 Reservation of Discretion. The Administrator will have the discretion to determine the restrictions or other limitations of the individual awards granted under this Section 5.2 including the authority to reduce awards, payouts or vesting or to pay no awards, in its sole discretion, if the Administrator preserves such authority at the time of grant by language to this effect in its authorizing resolutions or otherwise.
- 5.2.6 Expiration of Grant Authority. As required pursuant to Section 162(m) of the Code and the regulations promulgated thereunder, the Administrator's authority to grant new awards that are intended to qualify as performance-based compensation within the meaning of Section 162(m) of the Code (other than Qualifying Options and Qualifying SARs) shall terminate upon the first meeting of the Corporation's stockholders that occurs in the fifth year following the year in which the Corporation's stockholders first approve this Plan, subject to any subsequent extension that may be approved by stockholders.
- 5.3 Award Agreements. Each award shall be evidenced by either (1) a written award agreement in a form approved by the Administrator and executed by the Corporation by an officer duly authorized to act on its behalf, or (2) an electronic notice of award grant in a form approved by the Administrator and recorded by the Corporation (or its designee) in an electronic recordkeeping system used for the purpose of tracking award grants under this Plan generally (in each case, an "award agreement"), as the Administrator may provide and, in each case and if required by the Administrator, executed or otherwise electronically accepted by the recipient of the award in such form and manner as the Administrator may require. The Administrator may authorize any officer of the Corporation (other than the particular award recipient) to execute any or all award agreements on behalf of the Corporation. The award agreement shall set forth the material terms and conditions of the award as established by the Administrator consistent with the express limitations of this Plan.
- 5.4 Deferrals and Settlements. Payment of awards may be in the form of cash, Common Stock, other awards or combinations thereof as the Administrator shall determine, and with such restrictions as it may impose. The Administrator may also require or permit participants to elect to defer the issuance of shares or the settlement of awards in cash under such rules and procedures as it may establish under this Plan. The Administrator may also provide that deferred settlements include the payment or crediting of interest or other earnings on the deferral amounts, or the payment or crediting of dividend equivalents where the deferred amounts are denominated in shares.
- 5.5 Consideration for Common Stock or Awards. The purchase price for any award granted under this Plan or the Common Stock to be delivered pursuant to an award, as applicable, may be paid by means of any lawful consideration as determined by the Administrator, including, without limitation, one or a combination of the following methods:
- services rendered by the recipient of such award;
 - cash, check payable to the order of the Corporation, or electronic funds transfer;
 - notice and third party payment in such manner as may be authorized by the Administrator;
 - the delivery of previously owned shares of Common Stock;
 - by a reduction in the number of shares otherwise deliverable pursuant to the award; or
 - subject to such procedures as the Administrator may adopt, pursuant to a "cashless exercise" with a third party who provides financing for the purposes of (or who otherwise facilitates) the purchase or exercise of awards.
- In no event shall any shares newly-issued by the Corporation be issued for less than the minimum lawful consideration for such shares or for consideration other than consideration permitted by applicable state law. Shares of Common Stock used to satisfy the exercise price of an option shall be valued at their fair market value on the date of exercise. The Corporation will not be obligated to deliver any shares unless and until it receives full payment of the exercise or purchase price therefor and any related withholding obligations under Section 8.5 and any other conditions to exercise or purchase have been satisfied. Unless otherwise expressly

provided in the applicable award agreement, the Administrator may at any time eliminate or limit a participant's ability to pay the purchase or exercise price of any award or shares by any method other than cash payment to the Corporation.

Definition of Fair Market Value. For purposes of this Plan, "fair market value" shall mean, unless otherwise determined or provided by the Administrator in the circumstances, the last price (in regular trading) for a share of Common Stock as furnished by the National Association of Securities Dealers, Inc. (the "NASD") through the NASDAQ Global Market Reporting System (the "Global Market") for the date in question or, if no sales of Common Stock were reported by the NASD on the Global Market on that date, the last price (in regular trading) for a share of Common Stock as furnished by the NASD through the Global Market for the next preceding day on which sales of Common Stock were reported by the NASD. The Administrator may, however, provide with respect to one or more awards that the fair market value shall equal the last price (in regular trading) for a share of Common Stock as furnished by the NASD through the Global Market on the last trading day preceding the date in question or the average of the high and low trading prices of a share of Common Stock as furnished by the NASD through the Global Market for the date in question or the most recent trading day. If the Common Stock is no longer listed or is no longer actively traded on the Global Market as of the applicable date, the fair market value of the Common Stock shall be the value as reasonably determined by the Administrator for purposes of the award in the circumstances. The Administrator also may adopt a different methodology for determining fair market value with respect to one or more awards if a different methodology is necessary or advisable to secure any intended favorable tax, legal or other treatment for the particular award(s) (for example, and without limitation, the Administrator may provide that fair market value for purposes of one or more awards will be based on an average of closing prices (or the average of high and low daily trading prices) for a specified period preceding the relevant date).

5.7 Transfer Restrictions.

Limitations on Exercise and Transfer. Unless otherwise expressly provided in (or pursuant to) this Section 5.7 or required by applicable law: (a) all awards are non-transferable and shall not be subject in any manner to sale, transfer, anticipation, alienation, assignment, pledge, encumbrance or charge; (b) awards shall be exercised only by the participant; and (c) amounts payable or shares issuable pursuant to any award shall be delivered only to (or for the account of) the participant.

Exceptions. The Administrator may permit awards to be exercised by and paid to, or otherwise transferred to, other persons or entities pursuant to such conditions and procedures, including limitations on subsequent transfers, as the Administrator may, in its sole discretion, establish in writing. Any permitted transfer shall be subject to compliance with applicable federal and state securities laws and shall not be for value (other than nominal consideration, settlement of marital property rights, or for interests in an entity in which more than 50% of the voting interests are held by the Eligible Person or by the Eligible Person's family members).

5.7.3 Further Exceptions to Limits on Transfer. The exercise and transfer restrictions in Section 5.7.1 shall not apply to:

- (a) transfers to the Corporation (for example, in connection with the expiration or termination of the award), the designation of a beneficiary to receive benefits in the event of the participant's death or, if the participant has died, transfers to or exercise by the participant's beneficiary, or, in the absence of a validly designated beneficiary, transfers by will or the laws of descent and distribution,
- (c) subject to any applicable limitations on ISOs, transfers to a family member (or former family member) pursuant to a domestic relations order if approved or ratified by the Administrator,
- (d) if the participant has suffered a disability, permitted transfers or exercises on behalf of the participant by his or her legal representative, or the authorization by the Administrator of "cashless exercise" procedures with third parties who provide financing for
- (e) the purpose of (or who otherwise facilitate) the exercise of awards consistent with applicable laws and the express authorization of the Administrator.

5.8 International Awards. One or more awards may be granted to Eligible Persons who provide services to the Corporation or one of its Subsidiaries outside of the United States. Any awards granted to such persons may be granted pursuant to the terms and conditions of any applicable sub-plans, if any, appended to this Plan and approved by the Administrator.

6. EFFECT OF TERMINATION OF EMPLOYMENT OR SERVICE ON AWARDS

6.1 General. The Administrator shall establish the effect of a termination of employment or service on the rights and benefits under each award under this Plan and in so doing may make distinctions based upon, inter alia, the cause of termination and type of award. If the participant is not an employee of the Corporation or one of its Subsidiaries and provides other services to the Corporation or one of its Subsidiaries, the Administrator shall be the sole judge for purposes of this Plan (unless a contract or the award otherwise provides) of whether the participant continues to render services to the Corporation or one of its Subsidiaries and the date, if any, upon which such services shall be deemed to have terminated.

6.2 Events Not Deemed Terminations of Service. Unless the express policy of the Corporation or one of its Subsidiaries, or the Administrator, otherwise provides, the employment relationship shall not be considered terminated in the case of (a) sick leave, (b) military leave, or (c) any other leave of absence authorized by the Corporation or one of its Subsidiaries, or the Administrator; provided that, unless reemployment upon the expiration of such leave is guaranteed by contract or law or the Administrator otherwise provides, such leave is for a period of not more than three months. In the case of any employee of the Corporation or one of its Subsidiaries on an approved leave of absence, continued vesting of the award while on leave from the employ of the Corporation or one of its Subsidiaries may be suspended until the employee returns to service, unless the Administrator otherwise provides or applicable law otherwise requires. In no event shall an award be exercised after the expiration of the term set forth in the applicable award agreement.

6.3 Effect of Change of Subsidiary Status. For purposes of this Plan and any award, if an entity ceases to be a Subsidiary of the Corporation a termination of employment or service shall be deemed to have occurred with respect to each Eligible Person in respect of such Subsidiary who does not continue as an Eligible Person in respect of the Corporation or another Subsidiary that continues as such after giving effect to the transaction or other event giving rise to the change in status.

7. ADJUSTMENTS; ACCELERATION

7.1 Adjustments. Subject to Section 7.2, upon (or, as may be necessary to effect the adjustment, immediately prior to): any reclassification, recapitalization, stock split (including a stock split in the form of a stock dividend) or reverse stock split; any merger, combination, consolidation, or other reorganization; any spin-off, split-up, or similar extraordinary dividend distribution in respect of the Common Stock; or any exchange of Common Stock or other securities of the Corporation, or any similar, unusual or extraordinary corporate transaction in respect of the Common Stock; then the Administrator shall equitably and proportionately adjust (1) the number and type of shares of Common Stock (or other securities) that thereafter may be made the subject of awards (including the specific share limits, maximums and numbers of shares set forth elsewhere in this Plan), (2) the number, amount and type of shares of Common Stock (or other securities or property) subject to any outstanding awards, (3) the grant, purchase, or exercise price (which term includes the base price of any SAR or similar right) of any outstanding awards, and/or (4) the securities, cash or other property deliverable upon exercise or payment of any outstanding awards, in each case to the extent necessary to preserve (but not increase) the level of incentives intended by this Plan and the then-outstanding awards.

Unless otherwise expressly provided in the applicable award agreement, upon (or, as may be necessary to effect the adjustment, immediately prior to) any event or transaction described in the preceding paragraph or a sale of all or substantially all of the business or assets of the Corporation as an entirety, the Administrator shall equitably and proportionately adjust the performance standards applicable to any then-outstanding performance-based awards to the extent necessary to preserve (but not increase) the level of incentives intended by this Plan and the then-outstanding performance-based awards.

It is intended that, if possible, any adjustments contemplated by the preceding two paragraphs be made in a manner that satisfies applicable U.S. legal, tax (including, without limitation and as applicable in the circumstances, Section 424 of the Code, Section 409A of the Code and Section 162(m) of the Code) and accounting (so as to not trigger any

charge to earnings with respect to such adjustment) requirements.

A-9

Without limiting the generality of Section 3.3, any good faith determination by the Administrator as to whether an adjustment is required in the circumstances pursuant to this Section 7.1, and the extent and nature of any such adjustment, shall be conclusive and binding on all persons.

Corporate Transactions - Assumption and Termination of Awards. Upon the occurrence of any of the following: any merger, combination, consolidation, or other reorganization in connection with which the Corporation does not survive (or does not survive as a public company in respect of its Common Stock); any exchange of Common Stock or other securities of the Corporation in connection with which the Corporation does not survive (or does not survive as a public company in respect of its Common Stock); a sale of all or substantially all the business, stock or assets of the Corporation in connection with which the Corporation does not survive (or does not survive as a public company in respect of its Common Stock); a dissolution of the Corporation; or any other event in which the Corporation does not survive (or does not survive as a public company in respect of its Common Stock); then the Administrator may make provision for a cash payment in settlement of, or for the assumption, substitution or exchange of any or all outstanding share-based awards or the cash, securities or property deliverable to the holder of any or all outstanding share-based awards, based upon, to the extent relevant under the circumstances, the distribution or consideration payable to holders of the Common Stock upon or in respect of such event. Upon the occurrence of any event described in the preceding sentence, then, unless the Administrator has made a provision for the substitution, assumption, exchange or other continuation or settlement of the award or the award would otherwise continue in accordance with its terms in the circumstances: (1) unless otherwise provided in the applicable award agreement, each then-outstanding option and SAR shall become fully vested, all shares of restricted stock then outstanding shall fully vest free of restrictions, and each other award granted under this Plan that is then outstanding shall become payable to the holder of such award; and (2) each award shall terminate upon the related event; provided that the holder of an option or SAR shall be given reasonable advance notice of the impending termination and a reasonable opportunity to exercise his or her outstanding vested options and SARs (after giving effect to any accelerated vesting required in the circumstances) in accordance with their terms before the termination of such awards (except that in no case shall more than ten days' notice of the impending termination be required and any acceleration of vesting and any exercise of any portion of an award that is so accelerated may be made contingent upon the actual occurrence of the event).

Without limiting the preceding paragraph, in connection with any event referred to in the preceding paragraph or any change in control event defined in any applicable award agreement, the Administrator may, in its discretion, provide for the accelerated vesting of any award or awards as and to the extent determined by the Administrator in the circumstances.

The Administrator may adopt such valuation methodologies for outstanding awards as it deems reasonable in the event of a cash or property settlement and, in the case of options, SARs or similar rights, but without limitation on other methodologies, may base such settlement solely upon the excess if any of the per share amount payable upon or in respect of such event over the exercise or base price of the award.

In any of the events referred to in this Section 7.2, the Administrator may take such action contemplated by this Section 7.2 prior to such event (as opposed to on the occurrence of such event) to the extent that the Administrator deems the action necessary to permit the participant to realize the benefits intended to be conveyed with respect to the underlying shares. Without limiting the generality of the foregoing, the Administrator may deem an acceleration to occur immediately prior to the applicable event and/or reinstate the original terms of the award if an event giving rise to an acceleration does not occur.

Without limiting the generality of Section 3.3, any good faith determination by the Administrator pursuant to its authority under this Section 7.2 shall be conclusive and binding on all persons.

Other Acceleration Rules. The Administrator may override the provisions of Section 7.2 by express provision in the award agreement and may accord any Eligible Person a right to refuse any acceleration, whether pursuant to the award agreement or otherwise, in such circumstances as the Administrator may approve. The portion of any 7.3 ISO accelerated in connection with an event referred to in Section 7.2 (or such other circumstances as may trigger accelerated vesting of the award) shall remain exercisable as an ISO only to the extent the applicable \$100,000 limitation on ISOs is not exceeded. To the extent exceeded, the accelerated portion of the option shall be exercisable as a nonqualified stock option under the Code.

A-10

8. OTHER PROVISIONS

Compliance with Laws. This Plan, the granting and vesting of awards under this Plan, the offer, issuance and delivery of shares of Common Stock, and/or the payment of money under this Plan or under awards are subject to compliance with all applicable federal and state laws, rules and regulations (including but not limited to state and federal securities law and federal margin requirements) and to such approvals by any listing, regulatory or

8.1 governmental authority as may, in the opinion of counsel for the Corporation, be necessary or advisable in connection therewith. The person acquiring any securities under this Plan will, if requested by the Corporation or one of its Subsidiaries, provide such assurances and representations to the Corporation or one of its Subsidiaries as the Administrator may deem necessary or desirable to assure compliance with all applicable legal and accounting requirements.

8.2 No Rights to Award. No person shall have any claim or rights to be granted an award (or additional awards, as the case may be) under this Plan, subject to any express contractual rights (set forth in a document other than this Plan) to the contrary.

8.3 No Employment/Service Contract. Nothing contained in this Plan (or in any other documents under this Plan or in any award) shall confer upon any Eligible Person or other participant any right to continue in the employ or other service of the Corporation or one of its Subsidiaries, constitute any contract or agreement of employment or other service or affect an employee's status as an employee at will, nor shall interfere in any way with the right of the Corporation or one of its Subsidiaries to change a person's compensation or other benefits, or to terminate his or her employment or other service, with or without cause. Nothing in this Section 8.3, however, is intended to adversely affect any express independent right of such person under a separate employment or service contract other than an award agreement.

8.4 Plan Not Funded. Awards payable under this Plan shall be payable in shares or from the general assets of the Corporation, and no special or separate reserve, fund or deposit shall be made to assure payment of such awards. No participant, beneficiary or other person shall have any right, title or interest in any fund or in any specific asset (including shares of Common Stock, except as expressly otherwise provided) of the Corporation or one of its Subsidiaries by reason of any award hereunder. Neither the provisions of this Plan (or of any related documents), nor the creation or adoption of this Plan, nor any action taken pursuant to the provisions of this Plan shall create, or be construed to create, a trust of any kind or a fiduciary relationship between the Corporation or one of its Subsidiaries and any participant, beneficiary or other person. To the extent that a participant, beneficiary or other person acquires a right to receive payment pursuant to any award hereunder, such right shall be no greater than the right of any unsecured general creditor of the Corporation.

8.5 Tax Withholding. Upon any exercise, vesting, or payment of any award or upon the disposition of shares of Common Stock acquired pursuant to the exercise of an ISO prior to satisfaction of the holding period requirements of Section 422 of the Code, the Corporation or one of its Subsidiaries shall have the right at its option to:

- (a) require the participant (or the participant's personal representative or beneficiary, as the case may be) to pay or provide for payment of at least the minimum amount of any taxes which the Corporation or one of its Subsidiaries may be required to withhold with respect to such award event or payment; or
- (b) deduct from any amount otherwise payable in cash to the participant (or the participant's personal representative or beneficiary, as the case may be) the minimum amount of any taxes which the Corporation or one of its Subsidiaries may be required to withhold with respect to such cash payment.

In any case where a tax is required to be withheld in connection with the delivery of shares of Common Stock under this Plan, the Administrator may in its sole discretion (subject to Section 8.1) require or grant (either at the time of the award or thereafter) to the participant the right to elect, pursuant to such rules and subject to such conditions as the Administrator may establish, that the Corporation reduce the number of shares to be delivered by (or otherwise reacquire) the appropriate number of shares, valued in a consistent manner at their fair market value or at the sales price in accordance with authorized procedures for cashless exercises, necessary to satisfy the minimum applicable withholding obligation on exercise, vesting or payment. In no

event shall the shares withheld exceed the minimum whole number of shares required for tax withholding under applicable law.

8.6 Effective Date, Termination and Suspension, Amendments.

Effective Date. This Plan is effective as of March 27, 2009, the date of its approval by the Board (the "Effective Date"). This Plan shall be submitted for and subject to stockholder approval no later than twelve months after the Effective Date. Unless earlier terminated by the Board, this Plan shall terminate at the close of business on the day before the tenth anniversary of the Effective Date. After the termination of this Plan either upon such stated expiration date or its earlier termination by the Board, no additional awards may be granted under this Plan, but previously granted awards (and the authority of the Administrator with respect thereto, including the authority to amend such awards) shall remain outstanding in accordance with their applicable terms and conditions and the terms and conditions of this Plan.

8.6.1 Board Authorization. The Board may, at any time, terminate or, from time to time, amend, modify or suspend this Plan, in whole or in part. No awards may be granted during any period that the Board suspends this Plan.

8.6.2 Stockholder Approval. To the extent then required by applicable law or any applicable listing agency or required under Sections 162, 422 or 424 of the Code to preserve the intended tax consequences of this Plan, or deemed necessary or advisable by the Board, any amendment to this Plan shall be subject to stockholder approval. In addition, the no repricing provision included in Section 3.2 may not be amended without shareholder approval.

8.6.3 Amendments to Awards. Without limiting any other express authority of the Administrator under (but subject to) the express limits of this Plan, the Administrator by agreement or resolution may waive conditions of or limitations on awards to participants that the Administrator in the prior exercise of its discretion has imposed, without the consent of a participant, and (subject to the requirements of Sections 3.2 and 8.6.5) may make other changes to the terms and conditions of awards. Any amendment or other action that would constitute a repricing of an award is subject to the limitations set forth in Section 3.2(g).

8.6.4 Limitations on Amendments to Plan and Awards. No amendment, suspension or termination of this Plan or amendment of any outstanding award agreement shall, without written consent of the participant, affect in any manner materially adverse to the participant any rights or benefits of the participant or obligations of the Corporation under any award granted under this Plan prior to the effective date of such change. Changes, settlements and other actions contemplated by Section 7 shall not be deemed to constitute changes or amendments for purposes of this Section 8.6.

8.6.5 Privileges of Stock Ownership. Except as otherwise expressly authorized by the Administrator, a participant shall not be entitled to any privilege of stock ownership as to any shares of Common Stock not actually delivered to and held of record by the participant. Except as expressly required by Section 7.1 or otherwise expressly provided by the Administrator, no adjustment will be made for dividends or other rights as a stockholder for which a record date is prior to such date of delivery.

8.8 Governing Law; Construction; Severability.

8.8.1 Choice of Law. This Plan, the awards, all documents evidencing awards and all other related documents shall be governed by, and construed in accordance with the laws of the State of Maryland.

8.8.2 Severability. If a court of competent jurisdiction holds any provision invalid and unenforceable, the remaining provisions of this Plan shall continue in effect.

8.8.3 Plan Construction.

Rule 16b-3. It is the intent of the Corporation that the awards and transactions permitted by awards be interpreted (a) in a manner that, in the case of participants who are or may be subject to Section 16 of the Exchange Act, qualify, to the maximum extent compatible with the express terms of the award,

for exemption from matching liability under Rule 16b-3 promulgated under the Exchange Act. Notwithstanding the foregoing, the Corporation shall have no liability to any participant for Section 16 consequences of awards or events under awards if an award or event does not so qualify.

Section 162(m). Awards under Section 5.1.4 to persons described in Section 5.2 that are either granted or become vested, exercisable or payable based on attainment of one or more performance goals related to the Business Criteria, as well as Qualifying Options and Qualifying SARs granted to persons described in Section 5.2, that are approved by a committee composed solely of two or more outside directors (as this requirement is applied under Section 162(m) of the Code) shall be deemed to be intended as performance-based compensation within the (b) meaning of Section 162(m) of the Code unless such committee provides otherwise at the time of grant of the award. It is the further intent of the Corporation that (to the extent the Corporation or one of its Subsidiaries or awards under this Plan may be or become subject to limitations on deductibility under Section 162(m) of the Code) any such awards and any other Performance-Based Awards under Section 5.2 that are granted to or held by a person subject to Section 162(m) will qualify as performance-based compensation or otherwise be exempt from deductibility limitations under Section 162(m).

8.9 Captions. Captions and headings are given to the sections and subsections of this Plan solely as a convenience to facilitate reference. Such headings shall not be deemed in any way material or relevant to the construction or interpretation of this Plan or any provision thereof.

8.10 Stock-Based Awards in Substitution for Stock Options or Awards Granted by Other Corporation. Awards may be granted to Eligible Persons in substitution for or in connection with an assumption of employee stock options, SARs, restricted stock or other stock-based awards granted by other entities to persons who are or who will become Eligible Persons in respect of the Corporation or one of its Subsidiaries, in connection with a distribution, merger or other reorganization by or with the granting entity or an affiliated entity, or the acquisition by the Corporation or one of its Subsidiaries, directly or indirectly, of all or a substantial part of the stock or assets of the employing entity. The awards so granted need not comply with other specific terms of this Plan, provided the awards reflect only adjustments giving effect to the assumption or substitution consistent with the conversion applicable to the Common Stock in the transaction and any change in the issuer of the security. Any shares that are delivered and any awards that are granted by, or become obligations of, the Corporation, as a result of the assumption by the Corporation of, or in substitution for, outstanding awards previously granted by an acquired company (or previously granted by a predecessor employer (or direct or indirect parent thereof) in the case of persons that become employed by the Corporation or one of its Subsidiaries in connection with a business or asset acquisition or similar transaction) shall not be counted against the Share Limit or other limits on the number of shares available for issuance under this Plan.

8.11 Non-Exclusivity of Plan. Nothing in this Plan shall limit or be deemed to limit the authority of the Board or the Administrator to grant awards or authorize any other compensation, with or without reference to the Common Stock, under any other plan or authority.

8.12 No Corporate Action Restriction. The existence of this Plan, the award agreements and the awards granted hereunder shall not limit, affect or restrict in any way the right or power of the Board or the stockholders of the Corporation to make or authorize: (a) any adjustment, recapitalization, reorganization or other change in the capital structure or business of the Corporation or any Subsidiary, (b) any merger, amalgamation, consolidation or change in the ownership of the Corporation or any Subsidiary, (c) any issue of bonds, debentures, capital, preferred or prior preference stock ahead of or affecting the capital stock (or the rights thereof) of the Corporation or any Subsidiary, (d) any dissolution or liquidation of the Corporation or any Subsidiary, (e) any sale or transfer of all or any part of the assets or business of the Corporation or any Subsidiary, or (f) any other corporate act or proceeding by the Corporation or any Subsidiary. No participant, beneficiary or any other person shall have any claim under any award or award agreement against any member of the Board or the Administrator, or the Corporation or any employees, officers or agents of the Corporation or any Subsidiary, as a result of any such action.

8.13 Other Company Benefit and Compensation Programs. Payments and other benefits received by a participant under an award made pursuant to this Plan shall not be deemed a part of a participant's compensation for purposes of the determination of benefits under any other employee welfare or benefit plans or arrangements, if any,

provided by the Corporation or any Subsidiary, except where the Administrator

expressly otherwise provides or authorizes in writing. Awards under this Plan may be made in addition to, in combination with, as alternatives to or in payment of grants, awards or commitments under any other plans or arrangements of the Corporation or its Subsidiaries.

9. DEFINITIONS

Unless otherwise expressly provided in the applicable award agreement, the following terms shall have the meanings set forth in this Section 9 for purposes of awards granted hereunder to the extent any such terms are used with respect to such an award:

A “Change in Control” of the Corporation shall be deemed to have occurred if any of the following events occurs:

Any “person” or “group” (within the meaning of Sections 13(d) and 14(d)(2) of the Exchange Act), other than a trustee or other fiduciary holding securities under an employee benefit plan of the Corporation (an “Acquiring Person”), is or (i) becomes the “beneficial owner” (as defined in Rule 13d-3 under the Exchange Act), directly or indirectly, of more than 33 1/3% of the then outstanding voting stock of the Corporation;

A merger or consolidation of the Corporation with any other corporation, other than a merger or consolidation which would result in the voting securities of the Corporation outstanding immediately prior thereto continuing to (ii) represent (either by remaining outstanding or by being converted into voting securities of the surviving entity) at least 51% of the combined voting power of the voting securities of the Corporation or surviving entity outstanding immediately after such merger or consolidation;

(iii) A sale or other disposition by the Corporation of all or substantially all of the Corporation’s assets;

During any period of two (2) consecutive years (beginning on or after the Effective Date), individuals who at the beginning of such period constitute the Board and any new director (other than a director who is a representative or nominee of an Acquiring Person) whose election by the Board or nomination for election by the Corporation’s (iv) shareholders was approved by a vote of at least a majority of the directors then still in office who either were directors at the beginning of the period or whose election or nomination was previously so approved, no longer constitute a majority of the Board;

provided, however, in no event shall any acquisition of securities, a change in the composition of the Board or a merger or other consolidation pursuant to a plan of reorganization under chapter 11 of the Bankruptcy Code with respect to the Corporation (“Chapter 11 Plan”), or a liquidation under the Bankruptcy Code constitute a Change in Control. In addition, notwithstanding Sections 12(d)(i), 12(d)(ii), 12(d)(iii) and 12(d)(iv) hereof, a Change in Control shall not be deemed to have occurred in the event of a sale or conveyance in which the Corporation continues as a holding company of an entity or entities that conduct the business or businesses formerly conducted by the Corporation, or any transaction undertaken for the purpose of reincorporating the Corporation under the laws of another jurisdiction, if such transaction does not materially affect the beneficial ownership of the Corporation’s capital stock.

“Disability” with respect to a participant means that the participant has experienced one of the following: (1) the participant is unable to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment that can be expected to result in death or can be expected to last for a continuous period of not less than 12 months, or (2) the participant is, by reason of any medically determinable physical or mental impairment that can be expected to result in death or can be expected to last for a continuous period of not less than 12 months, receiving income replacement benefits for a period of not less than three months under an accident and health plan covering employees of the participant’s employer.

“Good Cause” with respect to a participant means (unless otherwise expressly provided in the applicable agreement setting forth the terms and conditions of the award, or another applicable contract with the participant that defines such term for purposes of determining the effect that a “for cause” termination has on the participant’s awards) any one of the following: (A) any criminal conviction of the participant under the laws of the United States or any state or other political subdivision thereof which, in the good faith determination of the Corporation renders the participant unsuitable as an employee or officer of the Corporation or any Subsidiary; (B) the participant’s continued failure to substantially perform the duties reasonably requested by the Corporation and commensurate with the participant’s position and within the participant’s control in such position (other than any such failure resulting from participant’s incapacity due to the participant’s Disability) after a written demand for substantial performance is delivered to the

A-14

participant by the Corporation, which demand specifically identifies the manner in which the Corporation believes that the participant has not substantially performed the participant's duties, and which performance is not substantially corrected by the participant within ten (10) days of receipt of such demand; or (C) any material workplace misconduct or willful failure to comply with the Corporation's general policies and procedures as they may exist from time to time by the Corporation which, in the good faith determination of the Corporation, renders the participant unsuitable as an employee or officer of Corporation.

"Good Reason" with respect to a participant means (unless otherwise expressly provided in the applicable agreement setting forth the terms and conditions of the award, or another applicable contract with the participant that defines such term for purposes of determining the effect that a "good reason" termination has on the participant's awards) a resignation of the participant's employment with the Corporation as a result of and within 60 days after the occurrence of any of the following without the participant's written consent: (A) a meaningful and detrimental reduction in the participant's authority, duties or responsibilities, or a meaningful and detrimental change in the participant's reporting responsibilities, as in effect immediately prior to the participant's termination of employment; (B) a material reduction in the participant's annual base salary as in effect immediately prior to the participant's delivery of notice to the Corporation stating the basis of the participant's allegation that "Good Reason" exists (the "Good Reason Notice"), a material reduction in the participant's target annual bonus (expressed as a percentage of base salary), if any, as in effect immediately prior to the circumstances described in the Good Reason Notice, or a material failure to provide the participant with any other form of compensation or material employment benefit being provided to the participant immediately prior to the circumstances described in the Good Reason Notice (excluding however, any reduction in the amount of any annual bonus or the granting or withholding of incentive compensation (including without limitation options or restricted stock units) but including a material reduction to the target amount of the bonus as stated above); or (C) a relocation of the participant's principal place of employment by more than fifty (50) miles (or the requirement that the participant be based at a different location), provided that such relocation results in a longer commute (measured by actual mileage) for the participant from his or her primary residence to such new location.

Notwithstanding the foregoing, for any of the foregoing circumstances to constitute "Good Reason" hereunder, (x) the participant must deliver the Good Reason Notice to the Corporation within 30 days of the date on which the circumstances creating "Good Reason" have first occurred, (y) such circumstances are not corrected by the Corporation in a manner that is reasonably satisfactory to the participant (including full retroactive correction with respect to any monetary matter) within 30 days of the Corporation's receipt of the Good Reason Notice from the participant and, (z) the participant thereafter resigns his or her employment within the 60 day time period described above.

A "Separation from Service" shall mean a "separation from service" within the meaning of Treasury Regulation Section 1.409A-1(h)(1), without regard to the optional alternative definitions available thereunder.

An "Unforeseeable Emergency" means a severe financial hardship to the participant resulting from (i) an illness or accident of the participant, the participant's spouse, or a dependent (as defined in Section 152(a) of the Code without regard to paragraphs (b)(1), (b)(2) and (d)(1)(b) thereof) of the participant, (ii) loss of the participant's property due to casualty, or (iii) other similar extraordinary and unforeseeable circumstances arising as a result of events beyond the control of the participant, all as determined by the Administrator in its sole discretion and in all events constituting an "unforeseeable emergency" within the meaning of Section 409A of the Code.
