Title of Securities to be Registered	Amount to be Registered (1)	Proposed Maximum Offering Price per Share	Proposed Maximum Aggregate Offering Price	Amount of Registration Fee
Common Stock, par value \$0.0001 per share	1,665 (2)	\$26.57(3)	\$44,239.05 (3)	\$5.51

Pursuant to the Agreement and Plan of Merger, dated as of May 17, 2018, by and among PayPal, Inc., Waverunner Acquisition Corp., Jetlore, Inc. (“Jetlore”) and Alsop Louie Capital 2, L.P. (the “Merger Agreement”), PayPal Holdings, Inc. (the “Company”) assumed certain outstanding unvested options to purchase shares of common stock of Jetlore granted under the Jetlore, Inc. 2012 Stock Plan (the “Plan”), subject to their respective continued vesting schedules and conditions. The assumed options became exercisable solely to purchase shares of common stock of the Company, with appropriate adjustments to the number of shares into which the assumed options are exercisable (1) and the exercise price of such options in accordance with the terms of the Merger Agreement.

Pursuant to Rule 416(a) under the Securities Act of 1933, as amended (the “Securities Act”), this Registration Statement shall also cover any additional shares of common stock of the Company that become issuable under the Plan by reason of any stock dividend, stock split, recapitalization or other similar transaction effected without the receipt of consideration that results in an increase or decrease in the number of outstanding shares of the common stock of the Company.

Represents shares of common stock of the Company subject to outstanding unvested options as of May 24, 2018 (2) under the Plan.

Estimated solely for the purpose of calculating the amount of the registration fee pursuant to Rule 457(h) under the Securities Act. The offering price per share and aggregate offering price are based upon the weighted average (3) exercise price for shares subject to the outstanding unvested options granted pursuant to the Plan.

EXPLANATORY NOTE

This Registration Statement on Form S-8 is filed by PayPal Holdings, Inc. (the “Company”) in connection with that certain Agreement and Plan of Merger, dated as of May 17, 2018 (the “Merger Agreement”), by and among PayPal, Inc. (“Parent”), Waverunner Acquisition Corp. (“Merger Sub”), Jetlore, Inc. (“Jetlore”) and Alsop Louie Capital 2, L.P. Pursuant to the Merger Agreement, on May 17, 2018 (the “Effective Time”), Merger Sub merged with and into Jetlore with Jetlore surviving as a wholly-owned subsidiary of Parent. Under the Merger Agreement, each “in-the-money” unvested option held by an individual who is an employee of Jetlore immediately following the Effective Time to purchase Jetlore common stock granted under the Jetlore, Inc. 2012 Stock Plan (the “Plan”) that was outstanding and unexercised immediately prior to the Effective Time was assumed by the Company and converted into an option to purchase shares of common stock of the Company, on the same terms and conditions (including vesting and exercisability) as the Jetlore stock option, except (X) the number of shares of Company common stock subject to each such converted Jetlore stock option equals (a) the number of shares of Jetlore common stock subject to each such Jetlore stock option, multiplied by (b) the conversion ratio (as defined below), rounded down to the nearest whole share of Company common stock; (Y) the per share exercise price for each such converted Jetlore stock option equals (i) the per share exercise price specified in each such Jetlore stock option divided by (ii) the conversion ratio, rounded up to the nearest whole cent; and (Z) for certain administrative and other changes required for consistency with the Company’s equity compensation plan. The “conversion ratio” is equal to 0.0064, which equals the fraction (rounded to the nearest 1/10,000) obtained by dividing \$0.5067 by the average closing price of a share of Company common stock as reported on the NASDAQ Global Select Market for the period of 10 consecutive trading days ending on (and including) the second trading day prior to the Effective Time. This Registration Statement relates to the 1,665 shares of Company common stock issuable pursuant to such converted Jetlore stock options outstanding as of May 24, 2018 under the Plan.

ITEM 9. UNDERTAKINGS

1. The undersigned registrant hereby undertakes:

(a) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the “Calculation of Registration Fee” table in the effective Registration Statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement; provided, however, that paragraphs (a)(i) and (a)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference herein.

(b) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

2. The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

3. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
