in connection with Rule 12g3-2(b): 82- \_\_\_\_\_

RYANAIR AUG TRAFFIC GROWS 9% TO 13.8M CUSTOMERS

INCLUDES 0.5M LAUDA TRAFFIC FOR FIRST TIME

Ryanair, Europe's No.1 airline, today (4 Sep) released August traffic statistics as follows:

Total traffic grew 9% to 13.8m with a 97% load factor

Ryanair traffic grew 5% to 13.3m customers with a 97% load factor

Lauda traffic was 0.5m customers with a 92% load factor

ATC staff shortages and one unnecessary pilot strike (10 Aug) caused almost 550 flight cancellations in August compared to just 27 cancellations in August 17

	Aug 17 Customers (LF)	Aug 18 Customers (LF)	Growth
Ryanair	12.7M (97%)	13.3M (97%)	+5%
Lauda	-	0.5M (92%)	-
Total	12.7M (97%)	13.8M (97%)	+9%

Ryanair's Kenny Jacobs said:

"Ryanair's August traffic (which includes Lauda traffic for the first time) grew by 9% to 13.8m customers, while our load factor was unchanged at 97%, on the back of even lower fares.

Regrettably, over 100,000 Ryanair customers had their flights cancelled in August because of repeated ATC staff shortages in the UK, Germany and France, and one day of unnecessary pilot strikes. Ryanair, together with other European airlines, calls for urgent action by the EU Commission and Governments to correct these ATC staff shortages which are disrupting the travel plans of millions of Europe's consumers this summer."
