Item 1.01. Entry into a Material Definitive Agreement

On November 16, 2006, Textron Financial Corporation ("TFC"), a wholly owned subsidiary of Textron Inc., authorized the sale of and established the terms of an

unlimited principal amount of its Medium-Term Notes, Series F, Due Nine Months or More From Date of Issue (collectively, the "TFC Notes"), and Textron Financial Canada Funding Corp., an unlimited liability company duly organized under the laws of the Province of Nova Scotia ("Textron Canada Funding"), authorized the sale of and established the terms of an unlimited principal amount of Textron Canada Funding's Medium-Term Notes, Series F-CAD, Due Nine Months or More From Date of Issue (collectively the "TFCFC Notes" and together with the TFC Notes, the "Notes"), fully and unconditionally guaranteed by TFC, under their shelf registration statement on Form S-3 (Registration Statement No. 333-138755) (the "Registration Statement"). The Notes, which may be offered from time to time, will be due nine months or more from the date of issue and will bear interest at fixed or floating rates or at no interest. The forms of Notes are filed as exhibits hereto. The TFC Notes will be issued under an Indenture dated December 9, 1999 (the "TFC Original Indenture") between TFC and U.S. Bank National Association (successor trustee to SunTrust Bank) (the "Trustee"), as amended by a First Supplemental Indenture dated November 16, 2006 (the "TFC Supplemental Indenture," and together with the TFC Original Indenture, the "TFC Indenture"). The TFCFC Notes will be issued under an Indenture dated November 30, 2001 (the "TFCFC Original Indenture") among Textron Canada Funding, TFC, as guarantor, and the Trustee, as amended by a First Supplemental Indenture dated November 16, 2006 (the "TFCFC Supplemental Indenture," and together with the TFCFC Original Indenture, the "TFCFC Indenture," and together with the TFC Indenture, the "Indentures"). The terms of the Notes will be established from time to time as issued under the program. The Indentures provide that the Notes may be accelerated, after certain notice and grace periods, upon the occurrence of an event of default, including default in the payment of principal, interest and other amounts due under the Notes; a breach of any covenant or warranty contained in the respective Indenture or the Notes; a default in the payment of other indebtedness of TFC, or in the case of the TFCFC Notes, Textron Canada Funding, if such indebtedness becomes or is declared due and payable prior to the date on which it would otherwise become due and payable; subject to certain exceptions, if the Support Agreement between TFC and Textron Inc. shall have ceased to be in full force and effect; and certain events of bankruptcy and insolvency of Textron Inc. and TFC, and in the case of the TFCFC Notes, Textron Canada Funding.

TFC entered into the TFC Supplemental Indenture on November 16, 2006. Textron Canada Funding and TFC entered into the TFCFC Supplemental Indenture on November 16, 2006 (the TFC Supplemental Indenture and the TFCFC Supplemental Indenture and hereinafter referred to as the "Supplemental Indentures"). The Supplemental Indentures amend the cross-default provision in Section 4(d) of each of the Indentures to provide for a default under the Indenture for all series of debt securities issued under the Indenture on or after November 16, 2006 in the event indebtedness of TFC, and in the case of the TFCFC Indenture, Textron Canada Funding, in principal amount in excess of \$100,000,000 becomes or is declared due and payable prior to the date on which it would otherwise become due and payable. For all series of debt securities issued prior to November 16, 2006, the amount of indebtedness that would trigger a cross-default remains at \$50,000,000.

Each of the Supplemental Indentures is filed as an exhibit hereto.
