Item 8.01. Other Events.

On February 13, 2018 Covanta Holding Corporation (“Covanta”) announced that Green Investment Group Limited (“GIG”) has closed on its investment in the Dublin waste to energy project. As an initial step of the joint venture announced on December 18, 2017, GIG agreed to invest €136 million for a 50% equity stake in the project. Covanta retains ownership of the remaining 50% of the project and will continue to operate and maintain the Dublin facility. Covanta initially expects to use the proceeds from the transaction to reduce debt outstanding. As projects in the joint venture’s combined UK development pipeline move to construction, the funds will be available to meet Covanta’s portion of project equity obligations.

For further information on these arrangements, see Covanta’ press release dated February 13, 2018 attached as Exhibit 99.1 hereto and incorporated by reference herein.
