On November 20, 2003 ALLETE Water Services, Inc. (ALLETE Water Services), a subsidiary of ALLETE, signed a stock purchase agreement to sell its North Carolina subsidiary, Heater Utilities, Inc. (Heater) to Philadelphia Suburban Corporation (PSC). Heater provides water and wastewater utility services in North Carolina. The stock purchase agreement provides for a \$48 million cash payment at closing to ALLETE Water Services and the assumption by PSC of approximately \$28 million in debt. Closing is expected by mid-2004 and is subject to customary conditions, including approval of the North Carolina Utilities Commission.

ALLETE has been in the process of selling its Water Services business which is comprised primarily of Florida Water Services Corporation (Florida Water) and Heater. Presently, approximately 90 percent of Florida Water assets have been sold, or are under contract to be sold, for \$442 million. Including the proposed sale of Heater, the after-tax gain, net of all selling and transaction costs is expected to be approximately \$90 million. The expected net cash proceeds after transaction costs, retirement of most debt, and payment of income taxes are approximately \$300 million. Net proceeds from these sales have been and will be used to retire debt and securities at ALLETE.
