Edgar Filing: COLONIAL INVESTMENT GRADE MUNICIPAL TRUST - Form DEF 14A

the Funds Complex consisted of 107 open-end funds and 15 closed-end management investment company portfolios. Two-thirds of the Trustees' fees are allocated among the funds within the Funds Complex based on the relative net assets of each fund and one-third of the fees is divided equally among the funds within the Funds Complex.

FOR MORE INFORMATION REGARDING THE COMPENSATION OF THE TRUSTEES, SEE APPENDIX B.1 AND APPENDIX B.2 TO THIS PROXY STATEMENT.

SHAREHOLDER COMMUNICATIONS

Shareholders may communicate with the Trustees as a group or individually. Any such communications should be sent to a Fund's Board or an individual Trustee in writing, c/o the Secretary of the Funds, One Financial Center, Boston, MA 02111-2621. The Secretary may determine not to forward any letter to the Board or a Trustee that does not relate to the business of a Fund.

8

TRUSTEE SHARE OWNERSHIP

The table in Appendix C shows, as of December 31, 2003, the dollar range of equity securities beneficially owned by each Trustee (i) in each of the Funds, and (ii) in all funds overseen by the Trustee in the Funds Complex.

TRUSTEES' MEETINGS AND COMMITTEES

The Board of Trustees of each Fund (the "Board") is responsible for the overall management and supervision of that Fund's affairs and for protecting the interests of the Fund's shareholders. For the fiscal year ended October 31, 2003, CIHIF held 7 meetings (6 regular joint Board meetings and 1 special joint Board meetings). (CIHIF has since changed its fiscal year end to November 30.) For the fiscal year ended November 30, 2003, each other Fund held 8 meetings (6 regular joint Board meetings and 2 special joint Board meetings). The Funds do not have a formal policy on Trustee attendance at the annual meetings of shareholders, but encourage such attendance. One Trustee attended the Funds' 2003 annual meetings.

The Board has created several committees to perform specific functions on behalf of the Funds. The members of each committee, along with a description of each committee's functions, appear below, followed by a table that sets forth the number of meetings held by the Board and each committee during the last fiscal year.

1. AUDIT COMMITTEE

Each Fund has an Audit Committee (the "Audit Committee") comprised of only "Independent Trustees" (as defined in the listing standards of the New York Stock Exchange ("NYSE") and the American Stock Exchange ("AMEX")), who are also not "interested persons" (as defined in the Investment Company Act of 1940, as amended ("1940 Act")) of any Fund. Each member of the Audit Committee must be financially literate and at least one member must have prior accounting experience or related financial management expertise. The Board has determined, in accordance with applicable regulations of the NYSE and AMEX, that each member of the Audit Committee is financially literate and has prior accounting experience or related financial management expertise.

On February 10, 2004, the Audit Committee adopted a revised written charter which sets forth the Audit Committee's structure, duties and powers, and methods of operation. A copy of the revised Audit Committee Charter is attached as Appendix F. The Audit Committee serves as an independent and objective party to

monitor the Funds' accounting policies, financial reporting and internal control systems and the work of the Funds'

9

independent auditors. The Audit Committee also serves to provide an open avenue of communication between the independent accountants, Columbia's internal accounting staff and the Board. The principal functions of the Audit Committee are to assist Board oversight of: (1) the integrity of each Fund's financial statements, (2) each Fund's compliance with legal and regulatory requirements, (3) the independent accountants' qualifications and independence, (4) the performance of the Adviser's internal audit function, and (5) the independent accountants. The Audit Committee is directly responsible for the appointment, compensation, retention and oversight of the work of the independent accountants (including the resolution of disagreements between management and the independent accountants regarding financial reporting) for the purpose of preparing or issuing an audit report or performing other review or attest services for the Funds.

AUDIT COMMITTEE REPORT

At a meeting of the Audit Committees on January 12, 2004, the Audit Committees: (i) reviewed and discussed with management the Funds' audited financial statements for the most recently completed fiscal year and (ii) discussed with PricewaterhouseCoopers LLP ("PwC"), the Funds' independent accountants, the matters required to be discussed by Statement on Auditing Standards No. 61 and other professional standards and regulatory requirements. At a meeting of the Audit Committees on February 10, 2004, the Audit Committees obtained from PwC a formal written statement consistent with Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees," describing all relationships between the independent accountants and the Funds that might bear on the independent accountants' independence and discussed with PwC any relationships that may impact its objectivity and independence and satisfied itself as to the independent accountants' independence. Based on its review and discussion, the Audit Committee recommended to the Board that the audited financial statements for each Fund be included in that Fund's Annual Report to shareholders. The Funds' Audit Committee members are Ms. Verville and Messrs. Hacker, Stitzel and Woolworth.

Based on the recommendation from the Audit Committee and on its own review, the Board selected PwC as independent accountants for the Funds for the fiscal year ending November 30, 2004. Representatives of PwC are not expected to be at the Meeting, but have been given the opportunity to make a statement if they so desire and will be available should any matter arise requiring their presence.

10

2. GOVERNANCE COMMITTEE

Messrs. Lowry, Mayer, Simpson and Theobald are members of the Governance Committee of each Fund. The Funds have no nominating or compensation committee. The Governance Committee performs certain of the functions typically performed by these committees. Among other things, the Governance Committee recommends to the Board nominees for Trustee and nominees for appointment to various committees; performs periodic evaluations of the effectiveness of the Board; reviews and recommends to the Board policies and practices to be followed in carrying out the Trustees' duties and responsibilities; and reviews and makes recommendations to the Board regarding the compensation of the Trustees who are not affiliated with Columbia. The Governance Committee has not adopted a Charter.

Edgar Filing: COLONIAL INVESTMENT GRADE MUNICIPAL TRUST - Form DEF 14A

The Funds have no nominating or compensation committee. Three of the four Governance Committee members, Messrs. Lowry, Simpson and Theobald, who are "Independent Trustees" (as defined in the NYSE and AMEX listing standards) and are not "interested persons" (as defined in the 1940 Act) of any Fund ("Governance Committee Independent Trustees"), participate in the consideration, selection and nomination of Trustees. The Governance Committee Independent Trustees will consider candidates for Trustee identified by any reasonable source, including current Independent Trustees, Fund management, Fund shareholders and other persons or entities. Shareholders of a Fund who wish to nominate a candidate to a Fund's Board may send information regarding prospective candidates to the Governance Committee, in care of the relevant Fund, at One Financial Center, Boston, MA 02111-2621. The information should include evidence of the shareholders' Fund ownership, a full listing of the proposed candidate's education, experience, current employment, date of birth, names and addresses of at least three professional references, information as to whether the candidate is not an "interested person" under the 1940 Act and "independent" under NYSE and AMEX listing standards in relation to the Fund, and such other information as may be helpful to the Governance Committee Independent Trustees in evaluating the candidate. All satisfactorily completed information packages regarding a candidate will be forwarded to a member of the Governance Committee for consideration. Recommendations for candidates will be evaluated in light of whether the number of Trustees of a Fund is expected to be increased and anticipated vacancies. All nominations from Fund shareholders will be considered. There may be times when the Governance Committee is not recruiting new Board members. In that case, shareholder recommendations will be maintained on file pending the active recruitment of Trustees.

11

When considering candidates for Trustee. However, the Governance Committee Independent Trustees consider, among other things, whether prospective nominees have distinguished records in their primary careers, personal and professional integrity, and substantive knowledge in areas important to the Board's operations, such as background or education in finance, auditing, securities law, the workings of the securities markets, or investment advice. For candidates to serve as Independent Trustees, independence from the Funds' investment adviser, its affiliates and other principal service providers is critical, as is an independent and questioning mind-set. In each case, the Governance Committee Independent Trustees will evaluate whether a candidate is an "interested person" under the 1940 Act and "independent" under NYSE and AMEX listing standards. The Governance Committee Independent Trustees also consider whether a prospective candidate's workload would be consistent with regular attendance at Board meetings and would allow him or her to be available for service on Board committees, and devote the additional time and effort necessary to stay apprised of Board matters and the rapidly changing regulatory environment in which the Funds operate. Different substantive areas may assume greater or lesser significance at particular times, in light of a Board's present composition and its perceptions about future issues and needs.

The Governance Committee Independent Trustees initially evaluate prospective candidates on the basis of their resumes, considered in light of the criteria discussed above. Those prospective candidates that appear likely to be able to fill a significant need of the Board would be contacted by a Governance Committee Independent Trustee by telephone to discuss the position; if there appeared to be sufficient interest, an in-person meeting with one or more of the Governance Committee Independent Trustees would be arranged. If a Governance Committee Independent Trustee, based on the results of these contacts, believes he or she has identified a viable candidate, he or she would air the matter with the other Governance Committee Independent Trustees for input. Any request by Fund management to meet with the prospective candidate would be given appropriate consideration. The Funds have not paid a fee to third parties to

Edgar Filing: COLONIAL INVESTMENT GRADE MUNICIPAL TRUST - Form DEF 14A

assist in finding nominees.

3. ADVISORY FEES & EXPENSES COMMITTEE

Ms. Kelly and Messrs. Mayer, Nelson and Neuhauser are members of the Advisory Fees & Expenses Committee of each Fund. The Advisory Fees & Expenses Committee's functions include reviewing and making recommendations to the Board as to contracts requiring approval of a

12

majority of the disinterested Trustees and as to any other contracts that may be referred to the committee by the Board.

AUDIT COMMITTEE PRE-APPROVAL OF INDEPENDENT ACCOUNTANT SERVICES

Effective May 6, 2003, the Audit Committee is required to pre-approve the engagement of the Funds' independent accountants to provide audit and non-audit services to each Fund and non-audit services to Columbia (not including any subadviser whose role is primarily portfolio management and is contracted with or overseen by another investment adviser) or any entity controlling, controlled by or under common control with Columbia that provides ongoing services to the Funds ("Columbia Affiliate"), if the engagement relates directly to the operations or financial reporting of the Funds. The engagement may be entered into pursuant to pre-approval policies and procedures established by the Audit Committee.

The Funds' Audit Committee has adopted an Audit and Non-Audit Services Pre-Approval Policy ("Policy") for the pre-approval of audit and non-audit services provided to each Fund and non-audit services provided to Columbia and Columbia Affiliates, if the engagement relates directly to the operations or financial reporting of the Funds. The Policy sets forth the procedures and conditions pursuant to which services to be performed by the Funds' independent accountants are to be pre-approved. Unless a type of service receives general pre-approval under the Policy, it requires specific pre-approval by the Audit Committee if it is to be provided by the independent accountants.

The Policy provides for the general pre-approval by the Audit Committee of certain: (i) audit services to the Funds; (ii) audit-related services to the Funds; (iii) tax services to the Funds; (iv) other services to the Funds; and (v) Fund-related services to Columbia Affiliates. The Policy requires the Fund Treasurer and/or Director of Trustee Administration to submit to the

Audit Committee, at least annually, a schedule of the types of services that are subject to general pre-approval. The schedule(s) must provide a description of each type of service that is subject to general pre-approval and, where possible, will provide projected fee caps for each instance of providing each service. The general pre-approval and related fees will cover the period from July 1 through June 30 of the following year. At least annually, the Audit Committee will review and approve the types of services and review the projected fees for the next year, and may add to, or subtract from, the list of pre-approved services from time to time, based on subsequent determinations. In addition to the fees for each individual service, the Audit Committee has the authority to implement a fee cap on the aggregate amount of non-audit services provided to an individual Fund. The fee amounts listed on the schedules will be updated to the extent necessary at each of the other regularly scheduled meetings of the Audit Committee.

FEEES PAID TO INDEPENDENT ACCOUNTANTS

The following table sets forth the aggregate fees billed by PwC for each Fund's last two fiscal years for professional services rendered for (i) audit services, including the audit of each Fund's financial statements and services normally provided in connection with statutory and regulatory filings or engagements for those fiscal years; (ii) audit-related services associated with the review of the Funds' semi-annual financial statements, and, for all Funds other than CIITI and CIHIF, procedures relating to reports required by rating agencies; (iii) tax services and, primarily, reviews of Fund tax returns; and (iv) other services. CIHIF audit-related fees reported in 2002 also include amounts paid for procedures relating to reports required by lending entities. Please note that the table includes amounts related to non-audit services that would have been subject to pre-approval if SEC rules relating to the pre-approval of non-audit services had been in effect at that time.

All of the audit fees, audit-related fees, tax fees and other fees billed by PwC for services provided to the Funds in the fiscal years ended October 31, 2003 and November 30, 2003 were pre-approved by the Audit Committee. There were no amounts (including amounts related to non-audit services provided prior to May 6, 2003 that would have been subject to pre-approval if the requirement to pre-approve non-audit services had been in effect) that were approved by the Audit Committee pursuant to the de minimis exception for the fiscal years ended October 31, 2003 and November 30, 2003.

There were no amounts billed by PwC in the fiscal years ended October 31, 2003 and November 30, 2003 for audit-related services, tax services or other services provided to Columbia or Columbia Affiliates for engagements that related directly to the operations or financial reporting of the Funds. Accordingly, there were no amounts (including amounts related to non-audit services provided prior to May 6, 2003 that would have been subject to pre-approval if the requirement to pre-approve non-audit services had been in effect) that were approved by the Audit Committee pursuant to the de minimis exception with respect to Columbia or Columbia Affiliates for engagements that related directly to the operations or financial reporting of the Funds.

MANAGEMENT

Columbia, located at One Financial Center, Boston, MA 02111, is the Funds' investment adviser. Columbia is a wholly owned subsidiary of Columbia Management Group, Inc., ("CMG"), which is a wholly owned subsidiary of Fleet National Bank, a national banking association, which in turn is a wholly owned subsidiary of FleetBoston, a U.S. financial holding company. On April 1, 2004, FleetBoston Financial Corporation was acquired by Bank of America Corporation. As a result of this acquisition, CMA and CFDI are now indirect wholly-owned subsidiaries of Bank of America Corporation. Bank of America is one of the world's largest financial institutions, serving individual consumers, small businesses and large corporations and institutions with a full range of banking, investing, asset management and other financial and risk management products and services. CMG is located at One Financial Center, Boston, MA 02111.

LEGAL PROCEEDINGS

Columbia and Columbia Funds Distributor, Inc. ("CFDI") and certain of their affiliates have received information requests and subpoenas from various regulatory and law enforcement authorities in connection with their investigations of late trading and market timing in mutual funds. None of the entities involved has uncovered any instances where Columbia or CFDI were knowingly involved in late trading of mutual fund shares.

Edgar Filing: COLONIAL INVESTMENT GRADE MUNICIPAL TRUST - Form DEF 14A

On February 24, 2004, the Securities and Exchange Commission ("SEC") filed a civil complaint in the United States District Court for the District of Massachusetts against Columbia and CFDI, alleging that they had violated certain provisions of the federal securities laws in connection with trading activity in mutual fund shares. Also on February 24, 2004, the New York Attorney General ("NYAG") filed a civil complaint in New York Supreme Court, County of New York against Columbia and CFDI alleging that Columbia and CFDI had violated certain New York anti-fraud statutes. If either Columbia or CFDI is unsuccessful in its defense of these proceedings, it could be barred from serving as an investment adviser or distributor for any investment company registered under the Investment Company Act of 1940, as amended (a "registered investment company"). Such results could prevent Columbia, CFDI or any company that is an affiliated person of Columbia and CFDI from serving as an investment adviser or distributor for any registered investment company, including your fund. Your fund has been informed by Columbia and CFDI that, if these results occur, they will seek exemptive relief from the SEC to permit them to continue to serve as your fund's investment adviser and distributor. There is no assurance that such exemptive relief will be granted. On March 15,

16

2004, Columbia and CFDI entered into agreements in principle with the SEC Division of Enforcement and NYAG in settlement of the charges. Under the agreements, Columbia and CFDI agreed, inter alia, to the following conditions: payment of \$70 million in disgorgement; payment of \$70 million in civil penalties; an order requiring Columbia and CFDI to cease and desist from violations of the antifraud provisions and other provisions of the federal securities laws; governance changes designed to maintain the independence of the mutual fund boards of trustees and ensure compliance with securities laws and their fiduciary duties; and retention of an independent consultant to review Columbia's and CFDI's compliance policies and procedures. The agreement requires the final approval of the SEC. In a separate agreement with the NYAG, Columbia and certain of its affiliates have agreed to reduce mutual fund fees by \$80 million over a five-year period.

As a result of these matters or any adverse publicity or other developments resulting from them, there may be increased redemptions or reduced sales of mutual fund shares, which could increase transaction costs or operating expenses, or have other adverse consequences for the Funds.

OTHER BUSINESS

The Meeting has been called to transact any business that properly comes before it. The only business that management of the Funds intends to present or knows that others will present is the election of Trustees. If any other matters properly come before the Meeting, and on all matters incidental to the conduct of the Meeting, the persons named as proxies intend to vote the proxies in accordance with their judgment, unless the Secretary of the Funds has previously received written contrary instructions from the shareholder entitled to vote the shares.

OUTSTANDING SHARES AND SIGNIFICANT SHAREHOLDERS

All shareholders of record at the close of business on March 10, 2004, are entitled to one vote for each share held on that date and holders of Common Shares are entitled to fractional votes for any fractional shares held on that date. The table in Appendix D lists for each Fund the total number of shares outstanding as of the close of business on March 10, 2004, for each class of a Fund's shares entitled to vote at the Meeting.

The table in Appendix E lists the holders of more than five percent of any class of shares of each Fund as of the close of business on March 10, 2004, based on

Edgar Filing: COLONIAL INVESTMENT GRADE MUNICIPAL TRUST - Form DEF 14A

filings made by such holders pursuant to Sections 13(d) and 16(a) of the Securities Exchange Act of 1934, as amended. The Trustees

17

and officers of each Fund, in the aggregate, owned less than 1% of each Fund's outstanding shares as of March 10, 2004.

INFORMATION ABOUT THE MEETING AND THE VOTING AND TABULATION OF PROXIES

All proxies solicited by or on behalf of the Board that are properly executed and returned in time to be voted at the Meeting will be voted at the Meeting as instructed on the proxy. If no instructions are given, the proxy will be voted in favor of the nominees for election as Trustees.

Any proxy may be revoked at any time prior to its being exercised by written notification received by the Funds' Secretary, by the execution of a later-dated proxy, or by attending the Meeting and voting in person.

Votes cast in person or by proxy at the Meeting will be counted by persons appointed by the Funds as tellers for the Meeting (the "Tellers"). For each of CCAIMF, CIMF, CNYIMF and CMIT, 30% of the shares of the Fund outstanding on the record date and entitled to vote, present at the Meeting in person or represented by proxy, constitutes a quorum for the transaction of business by the shareholders of that Fund. For each of CHIMT, CIGMT, CIHIF and CIITI, a majority of the shares of the Fund outstanding on the record date and entitled to vote, present at the Meeting in person or represented by proxy, constitutes a quorum for the transaction of business by the shareholders of that Fund.

The election of Trustees is by a plurality of votes cast at the Meeting. Only shareholders of record on March 10, 2004, may vote.

In determining whether a quorum is present, the Tellers will count shares represented by proxies that reflect abstentions, and "broker non-votes," as shares that are present and entitled to vote. With respect to the election of Trustees, withheld authority, abstentions and broker non-votes have no effect on the outcome of voting. "Broker non-votes" are shares held by brokers or nominees as to which (i) the broker or nominee does not have discretionary voting power, and (ii) the broker or nominee has not received instructions from the beneficial owner or other person who is entitled to instruct how the shares will be voted.

ADJOURNMENTS

In the event that a quorum is present at the Meeting but sufficient votes to approve any of the proposals have not been received, the persons named as proxies may propose one or more adjournments of the Meeting to permit further solicitation of proxies. A shareholder vote may be taken on one or

18

more of the proposals referred to above prior to such adjournment if sufficient votes have been received and it is otherwise appropriate. Any such adjournment will require the affirmative vote of a majority of those shares present at the Meeting (including abstentions and broker non-votes) in person or by proxy. If a quorum is present, the persons named as proxies will vote those proxies that entitle them to vote for any such proposal in favor of such adjournment and will vote those proxies that require them to vote for rejection of any such proposal against any such adjournment.

SUBMISSION OF PROPOSALS FROM SHAREHOLDERS AT FUTURE MEETINGS

Under the proxy rules of the SEC, shareholder proposals that meet tests

Edgar Filing: COLONIAL INVESTMENT GRADE MUNICIPAL TRUST - Form DEF 14A

contained in those rules may, under certain conditions, be included in a Fund's proxy materials for an annual shareholders' meeting. Under the proxy rules, proposals submitted for inclusion in the proxy materials for the 2005 Annual Meeting must be received by the relevant Fund on or before December 23, 2004. The fact that a Fund receives a shareholder proposal in a timely manner does not ensure inclusion of the proposal in the proxy materials since there are other requirements in the proxy rules relating to such inclusion.

Shareholders who wish to make a proposal at the 2005 Annual Meeting that will not be included in the Funds' proxy materials must notify the relevant Fund on or before March 8, 2005. If a shareholder who wishes to submit a proposal fails to timely notify the relevant Fund, the proxies solicited for the meeting will have discretionary authority to vote on the shareholder's proposal if it is properly brought before the meeting. If a shareholder makes a timely notification, the proxies may still exercise discretionary voting authority under circumstances consistent with the SEC's proxy rules.

You may submit shareholder proposals c/o the Secretary of the Funds, One Financial Center, Boston, Massachusetts 02111-2621.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Funds' Trustees and officers, persons who own more than ten percent of a Fund's outstanding shares and certain officers and directors of the Fund's adviser (collectively, "Section 16 reporting persons"), to file with the SEC initial reports of beneficial ownership and reports of changes in beneficial ownership of Fund shares. Section 16 reporting persons are required by SEC regulations to furnish the Funds with copies of all Section 16(a) forms that they file. To the Funds' knowledge, based solely on a review of the copies of such reports furnished to the Funds, and on representations made,

19

all Section 16 reporting persons complied with all Section 16(a) filing requirements applicable to them except Patrick J. Simpson (no holdings) and Richard L. Woolworth (no holdings).

AUDIT COMMITTEE CHARTER
 adopted on February 10, 2004

I. PURPOSE

This Charter has been adopted by the Audit Committee of the Board of Directors/Trustees (the "Board") of each investment company in the Columbia Family of Funds complex. The portfolio(s) of any such investment company are referred to as the "Fund(s)." The primary function of the Audit Committee is to assist the Board in fulfilling certain of its responsibilities. This Charter sets forth the duties and responsibilities of the Audit Committee.

The Audit Committee serves as an independent and objective party to monitor the Funds' accounting policies, financial reporting and internal control system, and the work of the Funds' independent auditors. The Audit Committee also serves to provide an open avenue of communication among the independent auditors, the internal accounting staff of the Funds' investment adviser (the "Adviser") and the Board.

- Management has the primary responsibility to establish and maintain systems for accounting, reporting and internal controls, which functions may be delegated to an accounting service agent, provided management provides adequate oversight.
- The independent auditors have the primary responsibility to plan and implement proper audits, with proper consideration given to internal controls, of the Funds' accounting and reporting practices.

The Audit Committee shall assist Board oversight of (1) the integrity of the Funds' financial statements, (2) the Funds' compliance with legal and regulatory requirements, (3) the independent auditors' qualifications and independence, and (4) the performance of the

33

Adviser's internal audit function and independent auditors. The Audit Committee may have additional functions and responsibility as deemed appropriate by the Board and the Audit Committee.

Although the Audit Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Audit Committee to plan or conduct audits nor to determine that the Funds' financial statements are complete or accurate or have been prepared in accordance with generally accepted accounting principles. That is the responsibility of management and the independent auditors. Nor is it the duty of the Audit Committee to conduct investigations or to assure compliance with laws, regulations or any code of ethics approved or adopted by the Board.

II. COMPOSITION

The Audit Committee shall be comprised of three or more independent Board members. For purposes of this Charter, a Board member shall be deemed to be independent if he or she (1) is not an "interested person" of the Funds, as that term is defined in the Investment Company Act of 1940, (2) has not accepted, directly or indirectly, any consulting, advisory or other compensatory fee from the Funds except for services as a Board member, (3) is free from any relationship that, in the opinion of the Board, would interfere with the exercise of his or her independent judgment as a member of the Audit Committee, and (4) in the case of a Fund whose shares are listed on the New York Stock Exchange, Inc. (the "NYSE") or another stock exchange, meets the independence requirements set forth in NYSE Rule 303.01(B) (3) or the applicable rule of such exchange.

Each member of the Audit Committee shall be financially literate, or shall become so within a reasonable period of time after his or her appointment to the Audit Committee. At least one member shall have accounting or related financial management expertise.

The members of the Audit Committee shall be appointed by the Board and shall serve at the pleasure of the Board. Unless a Chair is appointed by the Board, the members of the Audit Committee may designate a Chair by majority vote.

III. MEETINGS

The Audit Committee shall meet as frequently and at such times as circumstances dictate. Special meetings (including telephonic meetings) may be called by the Chair or a majority of the members of

34

the Audit Committee upon reasonable notice to the other members of the Audit Committee.

IV. RESPONSIBILITIES AND DUTIES

To fulfill its responsibilities and duties, the Audit Committee shall:

- A. CHARTER. Review this Charter annually and recommend any proposed changes to the Board.
- B. INTERNAL CONTROLS.
 1. Review annually with management and the independent auditors their separate evaluations of the adequacy and effectiveness of the Funds' system of internal controls.

Be directly responsible for the appointment, compensation, retention and oversight of the work of the independent auditors (including resolution of disagreements between management and the independent auditors regarding financial reporting) for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Funds. Any such engagement shall be pursuant to a written engagement letter approved by the Audit Committee. The independent auditors shall report directly to the Audit Committee.
 2. PRE-APPROVAL OF NON-AUDIT SERVICES TO THE FUNDS. Except as provided below, pre-approve any engagement of the Funds' independent auditors to provide any services to the Funds (other than the "prohibited non-audit services" specified below), including the fees and other compensation to be paid for such services, unless the engagement to render such services is entered into pursuant to pre-approval policies and procedures established by the Audit Committee that are detailed as to the particular service (provided the Audit

35

Committee is informed of each such service).(1) The Audit Committee

may designate from time to time one or more of its members acting singly or together, as the Audit Committee may designate, to pre-approve such services on behalf of the Audit Committee. Unless and until the Audit Committee designates otherwise, the Chair of the Audit Committee may grant such pre-approval. Any such delegated pre-approval shall be reported to the Audit Committee by the member or members exercising such delegated authority at the next meeting of the Audit Committee.

The independent auditors shall not perform any of the following non-audit services for any Fund ("prohibited non-audit services"):

- a. Bookkeeping or other services related to the accounting records or financial statements of the Fund;
- b. Financial information systems design and implementation;

36

- i. Any other services that the Public Company Accounting Oversight Board determines are impermissible.
3. PRE-APPROVAL OF CERTAIN NON-AUDIT SERVICES TO THE ADVISER AND ITS AFFILIATES. Except as provided below, pre-approve any engagement of the Funds' independent auditors to provide any services to the Adviser (not including any subadviser whose role is primarily portfolio management and is subcontracted or overseen by the Adviser) or any entity controlling, controlled by or under common control with the Adviser that provides ongoing services to the Funds if the engagement relates directly to the operations or financial reporting of the Funds, including the fees and other compensation to be paid to the independent auditors.(1) The Audit Committee may designate from time to time one or more of its members acting singly or together, as the Audit Committee may designate, to pre-approve such services on behalf of the Audit Committee. Unless and until the Audit Committee designates otherwise, the Chair of the Audit Committee may grant such

pre-approval. Any such delegated pre-approval shall be reported to the Audit Committee by the member or members exercising such delegated authority at the next meeting of the Audit Committee.
