**Lake Forest, Illinois, October 30, 2003 - Stericycle, Inc. (NASDAQ:SRCL)**, the United States' leading provider of medical waste management and compliance services for the healthcare community, today reported financial results for the third quarter of 2003. "The third quarter was another strong quarter for our company, with across-the-board growth," said Mark Miller, Stericycle president and chief executive officer. "Our continued focus on strategically managing our business has resulted in continued increases in revenues, operating income, and net income."

**THIRD QUARTER AND YEAR-TO-DATE RESULTS**

Revenues for the quarter ended September 30, 2003 were \$113.2 million, up 11.0% from \$102.0 million in the same quarter last year. International equipment related sales contributed \$0.2 million in revenues for the quarter as compared to \$2.2 million in the third quarter of 2002. Revenues excluding international equipment related sales increased 13.3% over the same period in 2002. Gross profit was \$49.5 million, up 17.7% from \$42.0 million in the same quarter last year. Gross profit as a percent of revenues increased to 43.7% from 41.2% in the third quarter of 2002.

Net income for the third quarter of 2003 rose 41.5% to \$17.2 million, up from \$12.1 million in the third quarter of 2002.

Earnings per diluted share for the third quarter of 2003 were \$0.37, up 37.0% from \$0.27 in the third quarter of 2002. Weighted shares outstanding used to determine earnings per diluted share were 46,285,456 for the third quarter of 2003 and 45,124,354 for the third quarter of 2002.

For the nine months ended September 30, 2003, revenues increased to \$338.7 million, up 13.5% from \$298.3 million in the same period a year ago. Gross profit was \$145.5 million, up 20% from \$121.2 million in the same period a year ago. Gross profit as a percent of revenues increased to 43.0% for the nine months ended September 30, 2003 from 40.6% for the same period in 2002. Earnings per share increased 35.5% to \$1.03 from \$0.76 per diluted share in the same period a year ago.

During the third quarter of 2003, the company continued to improve its balance sheet position, our total debt to capitalization percentage ratio improving from 39.1% at December 31, 2002 to 30.1% at September 30, 2003.

Miller said, "During the quarter we continued to execute our proven business model, generating strong sales growth and record income from operations. The cash flow of \$88.3 million generated from operations for the first nine months of the year, was used to strengthen the business by repurchasing senior subordinated bonds, paying down the senior bank debt and investing in the company's future."

Stericycle provides medical waste collection, transportation, treatment and disposal services and safety and compliance programs to healthcare companies nationwide, including hospitals, physician and dental offices, laboratories and clinics. Medical waste includes single-use disposables such as needles, syringes, gloves and other supplies that have been in contact with blood or other bodily fluids, as well as blood, blood products and other items that could harbor infectious agents.

Safe Harbor Statement:

Statements in this press release may contain forward-looking statements that involve risks and uncertainties, some of which are beyond Stericycle's control (for example, general economic conditions). Our actual results could differ significantly from the results described in the forward-looking statements. Factors that could cause such differences include difficulties in completing the integration of acquired businesses, changes in governmental regulation of medical waste collection and treatment, and increases in transportation and other operating costs, as well as the various other factors identified in our filings with the U.S. Securities and Exchange Commission. As a result, past financial performance should not be considered a reliable indicator of future performance, and investors should not use historical trends to anticipate future results or trends. The Company makes no commitment to disclose any subsequent revisions to forward-looking statements.
