Employee Benefits Committee
LandAmerica Financial Group, Inc.

We have audited the accompanying statements of net assets available for benefits of the LandAmerica Financial Group, Inc. Savings and Stock Ownership Plan (the "Plan") as of December 31, 2005 and 2004 and the related statement of changes in net assets available for benefits for the year ended December 31, 2005. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2005 and 2004, and the changes in its net assets available for benefits for the year ended December 31, 2005, in conformity with U.S. generally accepted accounting principles.

Our audits were conducted for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying supplemental schedule of assets (held at end of year) as of December 31, 2005 is presented for the purpose of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in our audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

LandAmerica Financial Group, Inc. Savings and Stock Ownership Plan
Notes to Financial Statements

1. Description of the Plan:

The LandAmerica Financial Group, Inc. Savings and Stock Ownership Plan (the “Plan”) is a defined contribution plan covering salaried employees of LandAmerica Financial Group, Inc. and participating subsidiaries (the “Company”), who have completed 30 days of employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Overall responsibility for administering the Plan rests with the Benefits Committee appointed by the Board of Directors of the Company. Merrill Lynch Trust Company (the “Trustee”) maintains custody of the Plan’s assets and serves as the trustee of the Plan.

The following description of the Plan provides only general information. For a more complete description of the Plan’s provisions, copies of the Summary Plan Description are available on the Company’s website and from the Company’s Human Resources Department.

Contributions:

Effective January 1, 2006, participants can elect to defer up to 40% of their pretax annual compensation as defined in the Plan. Prior to January 1, 2006, participants could contribute up to 25% of pretax annual compensation as defined in the Plan and prior to January 1, 2004, participants could contribute up to 25% of pretax and after tax compensation as defined in the Plan. Beginning in 2002, participants age 50 or older may make additional catch-up contributions of \$1,000 per year, increasing by \$1,000 each year to a maximum of \$5,000 in 2006.

Effective January 1, 2005, the Company’s matching contribution is equal to 100% of a participant’s contributions, not to exceed 4% of a participant’s compensation. These Company contributions are known as “Safe Harbor Matching Contributions.” A participant is 100% vested in the Safe Harbor Matching Contributions made to his or her account. Prior to January 1, 2005, the Company made matching contributions equal to 80% of a participant’s contributions not to exceed 3% of the participant’s compensation. In addition, the Company could make discretionary matching contributions which were determined by the Board of Directors of the Company. The discretionary match for the 2004 plan year was 50% of the next 3% of a participant’s compensation over the first 3% contributed to the Plan.

Participant Accounts:

Each participant’s account is credited with the participant’s contributions and allocations of (a) the Company’s contributions and (b) Plan earnings. Allocations are based on participant earnings or account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s account. Forfeited balances of terminated participants’ nonvested accounts are used to reduce future Company contributions and were \$141,764 as of December 31, 2005 and \$444,214 as of December 31, 2004.

1. Description of the Plan (continued):

Vesting:

Participants are immediately vested in their contributions plus actual earnings thereon and on Company Safe Harbor Matching Contributions, which were made after January 1, 2005. Vesting in the Company's matching and discretionary contributions, which were made prior to January 1, 2005, and actual earnings thereon is based on years of service. A participant is 100% vested in these contributions after six years of service.

Investment Options:

Effective April 1, 2005, the PIMCO NFJ Small Cap Fund was renamed the Allianz NFJ Small Cap Fund with no change in the fund description or investment objectives. On November 30, 2005, the Washington Mutual Investors Fund was eliminated and replaced by the American Beacon Large Cap Value Fund.

Pioneer Oak Ridge Small Cap Growth Fund - The fund seeks capital appreciation. The fund invests primarily in equity securities of small-capitalization, U.S. companies.

Allianz NFJ Small Cap Value Fund - The fund seeks long-term growth of capital and income by normally investing at least 80% of its assets in common stocks of companies with market capitalization of between \$100 million and \$2.8 billion that have below average profit to earnings ratios relative to their industries.

Merrill Lynch Retirement Preservation Trust Fund - The fund seeks to provide preservation of capital, liquidity and current income at levels that are typically higher than those provided by money-market funds.

Merrill Lynch Equity Index Trust - Monies held by this fund are invested in the common stocks with the objective to provide an investment return corresponding to the investment return of the Standard & Poor's 500 Composite Stock Price Index.

PIMCO Total Return Fund - Monies held by this fund are invested primarily in an intermediate term portfolio of investment grade securities with the goal of achieving maximum returns while maintaining capital preservation.

Participants may change their investment options daily.

Participant Loans:

Participants who have a vested account balance of at least \$1,000 may borrow from their fund accounts a minimum of \$500 up to a maximum of the lesser of \$50,000 or 50% of their account balance. Loan transactions are treated as a transfer from (to) the investment fund to (from) the loan fund. Loan terms range from one to five years, or up to 15 years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at the prime rate at the end of the previous quarter plus 2%. Interest rates averaged approximately 7.4% during 2005 and 6.8% during 2004. Principal and interest are paid ratably through payroll deductions.

1. Description of the Plan (continued):

Payment of Benefits:

Effective March 28, 2005, upon termination of service, a participant generally may elect to receive a lump-sum amount equal to the vested value of his or her account, or defer payment if the participant's balance is over \$1,000. Prior to March 28, 2005, participants could defer payment upon termination if their balance exceeded \$5,000.

2. Summary of Significant Accounting Policies:

Investment Valuation and Income Recognition:

Marketable securities are stated at fair value based upon quoted market prices obtained by the Trustee from national security exchanges. Shares of registered investment companies are valued at quoted market prices which represent the net asset value of shares held by the Plan at the valuation date. Shares of LandAmerica Financial Group, Inc. stock are valued at quoted market price. Participant loans are valued at their outstanding balances, which approximate fair value.

Assets underlying the Merrill Lynch Retirement Preservation Trust Fund are primarily guaranteed investment contracts. These contracts are valued at contract values which approximate fair value. Contract value represents contributions made under the contract, plus interest at the contract rate, less Plan withdrawals.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Use of Estimates:

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

4. Risks and Uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

5. Plan Termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

6. Administrative Expenses:

Although not required by the Plan, the Company absorbs a portion of the costs of plan administration.

7. Income Tax Status:

The Plan has received a determination letter from the Internal Revenue Service dated June 5, 2003, stating that the Plan is qualified under Section 401(a) of the Internal Revenue Code (the "Code") and, therefore, the related trust is exempt from taxation. Subsequent to this determination by the Internal Revenue Service, the Plan was amended. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan, as amended, is qualified and the related trust is tax exempt.

8. Party-in-Interest Transactions:

Participants may direct the Trustee as to the voting of the LandAmerica Financial Group, Inc. stock credited to their account. In addition, the Plan invests in a number of the Trustee's mutual funds and common/collective trusts, which are identified as a transaction with a party-in-interest in the accompanying schedule.

Notes to Financial Statements, Continued

9. Distributions Payable to Withdrawn Participants:

Amounts related to participants who had withdrawn from participation in the earnings and operations of the Plan as of the Plan year end, but for which disbursement had not been made were approximately \$201,793 and \$323,481 as of December 31, 2005 and 2004, respectively. Such amounts are required to be reported as liabilities on the prescribed financial statements of Form 5500 and, accordingly, will be a reconciling item between the net assets available for benefits as reported in the financial statements of Form 5500 and the accompanying financial statements.

10. Plan Mergers:

During 2005, the Plan received assets from three qualified retirement plans sponsored by companies which were acquired by LandAmerica Financial Group, Inc. These former plans were merged into the Plan, with the participants generally receiving vesting credit under the Plan for their tenure with the acquired companies. Total assets transferred to the Plan from the merged plans amounted to \$14,390,636, of which \$11,155,475 was received by the Plan in January 2006.
