ITEM 3. INCORPORATION OF DOCUMENTS BY REFERENCE

The Securities and Exchange Commission (the "Commission") allows us to "incorporate by reference" the information we file with them, which means that we can disclose important information to you by referring you to those

documents. The information incorporated by reference is considered to be part of this registration statement, and later information that we file with the Commission will automatically update and supersede this information. Information set forth in this registration statement supersedes any previously filed information that is incorporated by reference into this registration statement. We incorporate by reference into this registration statement the following documents:

(a) Our Annual Report on Form 20-F for the fiscal year ended December 31, 2000 (File No. 1-5146-01) filed with the Commission on May 7, 2001; and

(b) Our Reports on Form 6-K, filed with the Commission on May 10, 2001, July 19, 2001 and October 19, 2001; and

(c) The description of our common shares, par value 0.20 euro per share, contained in the registration statement on Form S-8 filed on June 13, 2000.

All documents filed by Royal Philips Electronics under sections 13(a), 13(c), 14 or 15(d) of the Securities Exchange Act of 1934 after the date of this registration statement, but prior to the filing of a post-effective amendment which indicates that all securities offered hereby have been sold or which deregisters all securities then remaining unsold.

ITEM 4. DESCRIPTION OF SECURITIES

Not applicable.

ITEM 5. INTERESTS OF NAMED EXPERTS AND COUNSEL

Not applicable.

ITEM 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS

The articles of association of Royal Philips Electronics contain no provisions under which any member of its board of management or supervisory board or officers is indemnified in any manner against any liability which he may incur in his capacity as such. However, article 36 of the articles of association of Royal Philips Electronics provides: "Adoption by the General Meeting of Shareholders of the annual accounts ... without any express reservation made by the General Meeting of Shareholders shall have the effect of fully discharging the Board of Management and the Supervisory Board from liability for performance of their respective duties in the financial year concerned."

Under Netherlands' law, this discharge is not absolute and would not be effective as to any matters not disclosed in the annual accounts and the report of the board of management, as presented to and adopted by the general meeting of shareholders.

Members of the board of management, the supervisory board and certain officers of Royal Philips Electronics are, to a limited extent, insured under an insurance policy against damages resulting from their conduct when acting in their capacities as such.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement to include any information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

(2) That, for the purpose of determining any liability under the Securities Act of 1933, as amended, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, as amended, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933, as amended, may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling

precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
