Explanatory Note

On September 12, 2007, BackWeb Technologies Ltd. (BackWeb) filed a Current Report on Form 8-K under Item 4.01 (the Form 8-K) to report that on September 6, 2007, the Audit Committee of BackWeb's Board of Directors dismissed Grant Thornton LLP (Grant Thornton) as BackWeb's independent registered public accounting firm and approved the appointment of Brightman Almagor & Co. (Brightman Almagor) as BackWeb's new independent registered public accounting firm. This Form 8-K/A is filed in order to correct a typographical error contained in the original Form 8-K.

ITEM 4.01. CHANGES IN REGISTRANT'S CERTIFYING ACCOUNTANT.

(a) Former independent registered public accounting firm

On September 6, 2007, the Audit Committee of BackWeb's Board of Directors dismissed Grant Thornton as its independent registered public accounting firm.

Grant Thornton's reports on the financial statements of BackWeb for the years ended December 31, 2006 and 2005 did not include any adverse opinion or disclaimer of opinion, or any qualification or modification as to uncertainty, audit scope or accounting principles.

During the years ended December 31, 2006 and 2005 and through September 6, 2007, there were no disagreements with Grant Thornton on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to Grant Thornton's satisfaction, would have caused Grant Thornton to make reference thereto in its reports on BackWeb's financial statements for such years.

During the years ended December 31, 2006 and 2005 and through September 6, 2007, there were no reportable events (as that term is defined in Item 304(a)(1)(v) of Regulation S-K), except as follows:

Grant Thornton identified two material weaknesses in BackWeb's internal control over financial reporting in connection with its audit of BackWeb's consolidated financial statements for the year ended and as of December 31, 2006 and its review of BackWeb's September 30, 2006 interim financial statements, related to failure to maintain effective controls over the completeness and accuracy of our accounting for nonstandard transactions. These material weaknesses in BackWeb's internal control over financial reporting related to adjustments proposed by Grant Thornton related to (1) the accounting for deferred rent on a new facilities operating lease agreement entered into during 2006 and (2) recognition of revenue on two term license agreements entered into during the quarter ended September 30, 2006 for which BackWeb did not have vendor-specific objective evidence of fair value for the bundled post-contract support.

BackWeb's Audit Committee discussed the subject matter of these material weaknesses with Grant Thornton and authorized Grant Thornton to respond fully to the inquiries of BackWeb's new independent registered public accounting firm regarding these material weaknesses.

BackWeb has provided Grant Thornton with a copy of the above disclosures. Grant Thornton's response letter stating whether or not it agrees with the statements made above is filed herewith as an exhibit to this Form 8-K/A.

(b) New independent registered public accounting firm

On September 6, 2007, BackWeb's Audit Committee approved the appointment of Brightman Almagor as its new independent registered public accounting firm.

During the fiscal years ended December 31, 2006 and 2005 and through September 6, 2007, BackWeb did not consult with Brightman Almagor regarding any of the matters or events set forth in Item 304(a)(2)(i) and (ii) of Regulation S-K.
