Item 1. Security and Issuer.

This statement relates to the common stock, par value \$0.01 per share (together with the associated preferred share purchase rights, the "Common Stock"), of Mindspeed Technologies, Inc., a Delaware corporation (the "Company"). The Company's principal executive office is located at 4000 MacArthur Boulevard, East Tower, Newport Beach, California 92660-3095.

Item 2. Identity and Background.

This statement is being filed by Conexant Systems, Inc., a Delaware corporation ("Conexant"). Conexant is a leading provider of integrated circuits and software for broadband communications solutions addressing consumer, business enterprise and service provider markets. Conexant's principal executive office is located at 100 Schulz Drive, Red Bank, New Jersey 07701. The name, business address and present principal occupation or employment (including the name and address of the corporation or organization in which such employment is conducted) of each executive officer and director of Conexant is set forth in Schedule A to this statement and is incorporated herein by reference in its entirety. To Conexant's knowledge, all such persons are citizens of the United States unless otherwise noted in Schedule A. During the last five years, neither Conexant nor, to Conexant's knowledge, any of Conexant's executive officers or directors has (i) been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or (ii) been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining

future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

Item 3. Source and Amount of Funds or Other Consideration.

Edgar Filing: MINDSPEED TECHNOLOGIES, INC - Form SC 13D

On June 27, 2003, Conexant completed the spin-off to Conexant shareholders of all outstanding shares of the Company, then a wholly-owned subsidiary of Conexant (the "Spin-Off"). In connection with the Spin-Off, the Company issued to Conexant a warrant (the "Initial Warrant") to purchase 30,000,000 shares of Common Stock (the "Initial Warrant Shares"). The Initial Warrant entitles Conexant to purchase the Initial Warrant Shares at an exercise price of \$3.408 per share, subject to adjustments for anti-dilution purposes. The Initial Warrant will become exercisable on June 27, 2004 and will remain exercisable until June 27, 2013.

Item 4. Purpose of Transaction.

Conexant acquired the Initial Warrant for investment purposes in connection with the Spin-Off. It is Conexant's intent to liquidate the portion of the Initial Warrant classified as current on its balance sheet in the next twelve months.

Except for the foregoing, neither Conexant nor, to Conexant's knowledge, any of Conexant's executive officers or directors has any present plans or proposals which would relate to or result in any of the matters set forth in subparagraphs (a) - (j) of Item 4 of Schedule 13D.

Item 5. Interest in Securities of the Issuer.

Based on the Company's Quarterly Report on Form 10-Q for the quarterly period ended January 2, 2004, as of January 30, 2004 there were 98,303,041 shares of

Common Stock issued and outstanding. On April 28, 2004, the date 60 days prior to June 27, 2004, the earliest date on which the Initial Warrant may be exercised, Conexant beneficially owned the Initial Warrant, which was exercisable for the Initial Warrant Shares, and based on the number of shares of Common Stock issued and outstanding as of January 30, 2004, Conexant therefore beneficially owns approximately 23.4% of the outstanding Common Stock. Conexant has the sole power to dispose of the Initial Warrant and would have the sole power to vote or dispose of any Initial Warrant Shares acquired thereunder.

To Conexant's knowledge, set forth on Schedule B to this statement, which is incorporated herein by reference in its entirety, is a table showing the aggregate number and percentage ownership of shares of Common Stock (including shares for which there is a right to acquire) for each executive officer and director of Conexant, identifying the number of shares as to which there is sole or shared power to vote or dispose.

Neither Conexant nor, to Conexant's knowledge, any of Conexant's executive officers or directors has engaged in any transactions involving shares of Common Stock during the 60 days prior to the date of this statement.

Item 6. Contracts, Arrangements, Understandings or

Edgar Filing: MINDSPEED TECHNOLOGIES, INC - Form SC 13D

Relationships with Respect to Securities of the Issuer.

Conexant holds the Initial Warrant. Conexant and the Company also entered into a registration rights agreement pursuant to which the Company registered under the Securities Act of 1933, as amended (the "Securities Act"), the issuance of the Initial Warrant Shares upon exercise of the Initial Warrant, as well as the resale of the Initial Warrant or the Initial Warrant Shares by Conexant or any transferee of the Initial Warrant or the Initial Warrant Shares.

In addition, prior to Spin-Off, the Company entered into a senior secured revolving credit facility with Conexant, under which the Company may borrow up to \$50 million for its working capital and other general corporate purposes. The Company may borrow under the credit facility only to restore its cash balance to \$25 million. In connection with the credit facility, on June 27, 2003 the Company issued to Conexant warrants (the "Credit Agreement Warrants") to purchase up to 8,333,334 shares of Common Stock (the "Credit Agreement Warrant Shares"). The number of shares that may be acquired under the Credit Agreement Warrants, if any, will depend on the highest level of borrowings under the credit facility, increasing on a pro rata basis up to a maximum of 8,333,334 shares of Common Stock if the level of borrowings under the credit facility reaches \$50 million. As of the date hereof the Company has not borrowed any funds under the credit facility and Conexant may not exercise any of the Credit Agreement Warrants. Conexant and the Company also entered into a registration rights agreement pursuant to which the Company registered under the Securities Act the issuance of the Credit Agreement Warrant Shares upon exercise of the Credit Agreement Warrants, as well as the resale of the Credit Agreement Warrants or the Credit Agreement Warrant Shares by Conexant or any transferee of the Credit Agreement Warrants or the Credit Agreement Warrant Shares.

As set forth on Schedule B, each of Messrs. Beall, Cicerone, Decker, Farrill, Iyer, Mercer, Stead, Blouin, Brewster, O'Reilly and Rhodes holds options to purchase Common Stock under the Company's 2003 Stock Option Plan, which were derived from options to purchase Conexant common stock in connection with the Spin-Off. In addition, as set forth on Schedule B, each of Messrs. Beall, Decker and Stead holds options to purchase Common Stock under the Company's Directors Stock Plan.
