ITEM 4.02(a) Non-Reliance on Previously Issued Financial Statements or a Related Audit Report or Completed Interim Review.

On August 6, 2010, the Audit Committee of the Board of Directors of Universal Insurance Holdings, Inc. (“Universal”), in consultation with Universal’s management, concluded that due to an error in the accounting for an other-than-temporary impairment of an investment security, Universal will restate its previously issued Condensed Consolidated Financial Statements for the three months ended March 31, 2010. Accordingly, Universal’s previously issued Condensed Consolidated Financial Statements included in its Quarterly Report on Form 10-Q for the period ended March 31, 2010, should no longer be relied upon.

The restatement is the result of the correction of an error in the accounting for an other-than-temporary impairment of an investment security at March 31, 2010 that was sold at a loss after March 31, 2010, but before the Company filed its Form 10-Q for the quarter. The impairment of the investment security should have been reflected in the Company’s financial statements for the quarter ended March 31, 2010. The net effect resulting from the recording of the impairment of the security in the quarter ended March 31, 2010 on net income, accumulated other comprehensive income, diluted earnings per share and stockholders’ equity is as follows:

Net income decreased by \$1,362,721

Accumulated other comprehensive income increased by \$1,478,918

Diluted earnings per share decreased by \$0.04

Stockholders' equity increased by \$116,197

Universal’s Audit Committee and management have discussed these matters with Universal’s independent registered public accounting firm.

Universal plans to file an amended Quarterly Report on Form 10-Q/A for the period ended March 31, 2010 today following the filing of this Current Report on Form 8-K.
