The description of the Merger Agreement contained herein is qualified in its entirety by reference to such Exhibit. The Merger Agreement provides for the merger of FleetBoston with and into Bank of America (the "Merger"). per share, of FleetBoston ("FleetBoston Common Stock"), outstanding immediately prior to the effective time of the Merger will be converted into 0.5553 of a share (the "Exchange Ratio") of common stock, par value \$0.01 per share, of Bank of America ("Bank of America Common Stock"). In addition, all rights with respect to FleetBoston Common Stock pursuant to stock options or other stock-based awards outstanding at such effective time, whether or not then exercisable, will be converted into and will become rights with respect to Bank of America Common Stock on otherwise substantially similar terms, adjusted to reflect the Exchange Ratio. The Merger Agreement also provides, among other things, that: Charles K. Gifford, currently chairman and chief executive officer of FleetBoston, will be the chairman of the board of directors of the merged company; Kenneth D. Lewis, currently chairman and chief executive officer of Bank of America, will be chief executive officer of the merged company; and the board of directors of the merged company will include nineteen members, with twelve from Bank of America and seven from FleetBoston.

Completion of the Merger, which is currently anticipated to occur in the second quarter of 2004, is subject to a number of conditions, including shareholder approval by both companies, receipt of all requisite governmental approvals (including the approval of the Board of Governors of the Federal Reserve System), and certain other customary conditions.

In connection with the Merger Agreement, each party has granted to the other an irrevocable option (the "Options") to purchase, under certain circumstances, up to 19.9% of its outstanding common shares at a price, subject to certain adjustments, of \$31.80 per share (in the case of the Option granted by FleetBoston) and \$81.86 per share (in the case of the Option granted by Bank of America) (the "Stock Option Agreements"), copies of which are attached as Exhibits 99.2 and 99.3 hereto and are incorporated herein by reference. The description of the Stock Option Agreements contained herein is qualified in its entirety to such Exhibits. Under certain circumstances, the granting party may be required to repurchase the Option or the shares acquired pursuant to the exercise of the Option; alternatively, the Option could be surrendered to the granting party, together with any shares purchased under such Option, in exchange for a cash payment of \$1.8948 billion. The Stock Option Agreements limit the grantee's Total Profit (as defined in the Stock Option Agreements) to not more than \$2.3685 billion.

A copy of the joint press release of October 27, 2003, regarding the Merger is attached as Exhibit 99.4 hereto and is hereby incorporated herein by reference.

A copy of the presentation to investors, dated October 27, 2003, regarding the Merger and given jointly by FleetBoston and Bank of America Corporation, is attached as Exhibit 99.5 hereto and is hereby incorporated by reference herein.
